

Schweizer Sportfischer Brevet

An alphabetical dictionary of trees and shrubs. Over 9,000 plants representing more than 650 genera are described in detail.

Tavistock Press was established as a co-operative venture between the Tavistock Institute and Routledge & Kegan Paul (RKP) in the 1950s to produce a series of major contributions across the social sciences. This volume is part of a 2001 reissue of a selection of those important works which have since gone out of print, or are difficult to locate. Published by Routledge, 112 volumes in total are being brought together under the name The International Behavioural and Social Sciences Library: Classics from the Tavistock Press. Reproduced here in facsimile, this volume was originally published in 1961 and is available individually. The collection is also available in a number of themed mini-sets of between 5 and 13 volumes, or as a complete collection.

From Myths to Molecules

Eighty Days Blue

Game Changer flies have completely revolutionized how fly anglers approach pressured and wary fish around the world. Tied on a series of interconnecting spines, these flies can be drawn through the water with a serpentine swimming action or made to glide and jackknife in the water with hard strips--movements that predatory fish find irresistible. In this book, from one of the most creative and visionary minds in fly tying and fly fishing, author Blane Chocklett shares his tips and techniques for getting maximum movement out of these flies, both at the vise and on the water. In addition to covering popular patterns such as the Finesse Changer and Feather Game Changer, Chocklett traces the evolution of his search for the ultimate pattern, and takes readers along his journey of discovery, by beginning with his Gummy Minnow and ending the book with perhaps the most effective fly ever designed for apex predators, the Hybrid Changer. - Step-by-step tying instructions for 20 flies - Chapter covering hooks, shanks, brushes, and other critical materials - Fishing techniques, including tips on retrieves and casting large flies - Close-ups of Chocklett's favorite patterns - Detailed information on building brushes

'The New Birdfeeder Handbook' contains information on how to attract birds to your garden. The basic elements of a good bird garden are examined systematically, from garden layout and plant selection to the best place to put a nest box. The book also provides answers to common questions about bird behaviour - explaining, for example, why some birds feed in groups and why certain birds have simple songs while others have repertoires of hundreds of phrases. In addition to illustrated features on the very 'bird-friendly' equipment and foodstuffs, this classic guide now provides detailed visual profiles of over 60 of our most common garden visitors - making it the ideal companion for all bird lovers.

The Dukan Diet Cookbook

Good Planting

Health in the Andes

bibliographisches Bulletin der Schweizerischen Landesbibliothek, Bern

The addictive and enticing second book in Vina Jackson's international bestselling romance trilogy Recently settled in New York, flame-haired musician Summer Zahova is enjoying life as a violinist with a major orchestra. Under the watchful eye of Simón, her striking Venezuelan conductor, both Summer and her career flourish. But a new city, and newfound success, bring fresh temptations, and it isn't long before Summer is lured back to a dangerous underground world of intrigue and desire that she thought she'd left behind. Meanwhile, wealthy university professor Dominik, frustrated by his life in London without Summer, is drawn to New York to be with the woman he now knows he cannot live without. But while Dominik believes he can protect Summer from her dark side, he does not anticipate that his own passions could end up being far more destructive. Now available: Eighty Days Red, the titillating finale in Vina Jackson's Eighty Days Trilogy

Spey casting with single-handed and double-handed rods, Scandinavian style Lessons from the world-famous guide and instructor for casting distance with ease Henrik Mortensen's version of Scandinavian casting was designed to catch fish no matter where the caster is on the river--it is the most adaptable and flexible casting technique, giving the flyfisher the ability to handle any situation he encounters effortlessly. Mortensen shares the essentials of fly casting with single- and double-handed rods in the Scandinavian tradition, beginning with the basic technique of the overhead cast. An explanation of the physics of the proper cast--and how the rod, line, leader, and fly work as a balanced unit--tell how Scandinavian casting makes it a pleasure to cast and fish. The author covers the tried-and-true knots that are best for this style of casting and how to add the single and double

haul to your casts.

Fusion Fly Tying

Game and Fish Record Book

Die Pathologische Anatomie

Designed for anyone with a jungle they want to turn into a romantic country-style garden single-handedly, this book is based on Penelope Hobhouse's experiences of reclaiming the garden at Hadspen House, Somerset.;he book shows how to clear, plan and plant for minimum upkeep and cost, sing plants rather than people and machinery to do the work. This practical guide provides full descriptions of more than 800 plants grouped according to their design role in the garden. The approach can be applied to any garden, large or small, old or new, in country or town. Penelope Hobhouse is the author of "Colour in Your Garden", "Garden Style", "Flower Gardens", "Plants in Garden History" and "Penelope Hobhouse On Gardening".

The Essential Companion to the Dukan Diet

Das Schweizer Buch

Psychotherapeutic Techniques in Medicine

The long-awaited companion cookbook to the phenomenal bestseller The Dukan Diet. This is the book that hundreds of thousands of North American readers of The Dukan Diet have been clamouring for. Already a smash hit internationally, The Dukan Diet Cookbook is a must-have for making the most of the 4-step Dukan plan. With over 350 simple, easy-to-follow recipes for the 2 most important phases of the diet--Attack and Cruise--and 16 pages of beautiful colour photographs, The Dukan Diet Cookbook empowers readers to achieve their weight-loss goals while still enjoying delicious food.

A complete guide to the techniques, gear, history and philosophy of tenkara, the Japanese method of fly-fishing.

New Birdfeeder Handbook

Brevet

Game Changer

Fast sailing ships

A practical guide to the art of companion planting. It discusses how to arrive at aesthetically pleasing combinations of colour,

texture and form while taking account of the plants' habitat requirements and growth characteristics. Throughout the book the dimension of time is considered: to have a garden that is interesting at every season, you need a succession of good associations.

The world's best-selling annual wine guide. Hugh Johnson's Pocket Wine Book is the essential reference book for everyone who buys wine - in shops, restaurants, or on the internet. Now in its 44th year of publication, it has no rival as the comprehensive, up-to-the-minute annual guide. Hugh Johnson provides clear succinct facts and commentary on the wines, growers and wine regions of the whole world. He reveals which vintages to buy, which to drink and which to cellar, which growers to look for and why. Hugh Johnson's Pocket Wine Book gives clear information on grape varieties, local specialities and how to match food with wines that will bring out the best in both. This latest edition of Hugh Johnson's Pocket Wine Book includes a colour supplement on terroir.

Thorough and complete how-to guide for fusion fly tying Shares essential techniques with clear instructions Written by Greg Senyo, an expert on tying your own flies Do you want to learn more efficient and effective methods for fusion fly tying? Are you wondering which types of synthetic fly work best for which fish and where? If so, this guide is for you. Fusion Fly Tying highlights 35 of Senyo's signature and tried-and-true steelhead flies used throughout North America. They are suitable for many types of fish, including Atlantic salmon, bass, and trout. Fusion Fish Tying includes step-by-step and high resolution photography that is current and easily applied. Over the past seven years, Greg Senyo built a massive customer base with his company Steelhead Alley Outfitters. The supply of Steelhead Alley Outfitter's resources doesn't quite match the demand. To address this, Senyo wrote Fusion Fly Tying. This book will teach the reader how to work with synthetic materials, especially shanks, fish skulls and fish masks, heavy wire, new age flash, and synthetic hackles and hair. It smoothly combines classic techniques with modern technology to make fishing more enjoyable and efficient. Skyhorse Publishing is proud to publish a broad range of books for fishermen. Our books for anglers include titles that focus on fly fishing, bait fishing, fly-casting, spin casting, deep sea fishing, and surf fishing. Our books offer both practical advice on tackle, techniques, knots, and more, as well as lyrical prose on fishing for bass, trout, salmon, crappie, baitfish, catfish, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.
