It's the revolutionary science study guide just for middle school students from the brains behind Brain Quest. Everything You Need to Ace Science . . . takes readers from scientific investigation and the engineering design process to the Periodic Table; forces and motion; forms of energy; outer space and the solar system; to earth sciences, biology, body systems, ecology, and more. The BIG FAT NOTEBOOK™ series is built on a simple and irresistible conceit—borrowing the notes from the smartest kid in class. There are five books in all, and each is the only book you need for each main subject taught in middle school: Math, Science, American History, English Language Arts, and World History. Inside the reader will find every subject's key concepts, easily digested and summarized: Critical ideas highlighted in neon colors. Definitions explained. Doodles that illuminate tricky concepts in marker. Mnemonics for memorable shortcuts. And quizzes to recap it all. The BIG FAT NOTEBOOKS meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award-winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest.

*Chemistry Lab Book [\$.50/£3.99]. [Note: this book does NOT support page duplication] Cover: Tough paperback with Periodic Table, Useful Constants, Common Metric Prefixes and Electron Shell Configurations on the back. Binding: Secure professional paperback binding, i.e. it's built to last; pages won't fall out after a few months of use. Dimensions: 20.3 x 25.4 cm (8" x 10"). (Almost the same width as A4 but a few cm shorter in height - just that bit easier to squeeze into a bag.) Interior: - 101 pages of thick white paper (minimizes ink bleed-through), - Grid ruled with thin lines that don't overpower personal notation, - Unit Conversion Tables on the back page. Matching Products: Two other Laboratory Notebooks with the same reference tables and internal content as this one but cover designs more specific to biological and physical sciences. [Search on Amazon for "science" and "bookx" (don't forget the 'x')]. Similar Products: A range of Composition Notebooks suitable for school, college and work. They are the same paper quality and dimensions as this Lab book (8 x 10 inch) but are college ruled internally.
