Second Glance By Jodi Picoult Dandicreative

#1 NEW YORK TIMES BESTSELLER • With richly layered characters and a gripping moral dilemma that will lead readers to question everything they know about privilege, power, and race, Small Great Things is the stunning new page-turner from Jodi Picoult] offers a thought-provoking examination of racism in America today, both overt and subtle. Her many readers will find much to discuss in the pages of this topical, moving book."—Booklist (starred review) Ruth Jefferson is a labor and delivery nurse at a Connecticut hospital with more than twenty wears' experience. During her shift, Ruth begins a routine checkup on a newborn, only to be told a few minutes later that she's been reassigned to another patient. The pagents are white supremacists and don't want Ruth, who is African American, to touch their child. The hospital complies with their request, but the next day, the baby goes into cardiac distress while Ruth is alone in the nursery. Does she obey orders or does she intervene? Ruth hesitates before performing CPR and, as a result, is charged with a serious crime. Kennedy insists that mentioning race in the courtroom is not a winning strategy. Conflicted by Kennedy's counsel, Ruth tries to keep life as normal as possible for her family—especially her teenage son—as the case becomes a media sensation. As the trial moves forward, Ruth and Kennedy must gain each other's trust, and come to see that what they've been taught their whole lives about other's trust, and come to see that what they've been taught their whole lives about others—and themselves—might be wrong. With incredible empathy, intelligence, and candor, Jodi Picoult tackles race, privilege, prejudice, justice, and compassion—and doesn't offer easy answers. Small Great Things is a remarkable achievement from a writer at the top of her game. Praise for Small Great Things is the most important novel Jodi Picoult has ever written. . . . It will challenge her readers . . . [and] expand our cultural conversation about race and prejudice."—The Washington Post "A novel that puts its finger on the very pulse of the nation that we live in today and the conversation about race and prejudice."—The Washington Post "A novel that puts its finger on the very pulse of the nation that we live in today are not account to the conversation about race and prejudice."—The Washington Post "A novel that puts its finger on the very pulse of the nation that we live in today are not account to the conversation about race and prejudice."—The Washington Post "A novel that puts its finger on the very pulse of the nation that we live in today are not account to the conversation about race and prejudice."—The Washington Post "A novel that puts its finger on the very pulse of the nation that we live in today are not account to the conversation about race and prejudice."—The Washington Post "A novel that puts its finger on the very pulse of the nation that we live in today are not account to the conversation and the very pulse of the nation to the very pulse of the

. . a fantastic read from beginning to end, as can always be expected from Picoult, this novel maintains a steady, page-turning pace that makes it hard for readers to put down."—San Francisco Book Review Author and technologist Nicholas Negroponte has declared that printed books are in danger of disappearing; according to his predictions, the last Book, the latest body of work by Amsterdam-based photographer Reinier Gerritsen. The worldand the wordis in the process of becoming less and less dependent on paper. Our reading habits, especially as they occur in public readership, in the face of its ostensible decline. The work began for Gerritsen as a series of modest observations, and has turned into a series of unexpected, documentary portraits, set against a visual landscape of best sellers, classics, romance novels, detective thrillers, Bibles, biographies, and other printed books. Gerritsen depicts aroups of individuals engressions to the sociological clues of book titles, a complexly layered narrative is informed by the choices of readers and the mélange of New York Citys subway riders as they are transported both literally and figuratively, by the books in their hands. The Last Book will also include an illustrated index and bibliography charting the titles and authors that populate our minds during our daily commutes.

Winner of the Anisfield-Wolf Book Award Boomtown Chicago, 1920s--a world of gangsters, musicians, and clubs. Young Benny Lehrman, born into a Jewish hat-making family, is expected to take over his father's business, but his true passion is piano--especially jazz. After dark, he sneaks down to the South Side to hear the bands play. One night he is asked to sit in with a group. His playing is first-rate. The trumpeter, a black man named Napoleon, becomes Benny's friend and musical collaborator. They are asked to play at a saloon Napoleon has christened The Jazz Age, a bond is forged between them that is as memorable as it is lasting. Morris brilliantly captures the dynamic atmosphere and dazzling music of an exceptional era.

An acclaimed master of suspense creates a heroine you will never forget in this superbly chilling novel of a woman who begins a desperate undertaking that may transform her life -- or end it. What happens if your worst fears aren't all in your mind? Rae Newborn is a woman on the edge of the world. She has moved to an island at the far reaches of the continent to restore the house of an equally haunted figure, her mysterious great-uncle; but as her life begins to rebuild itself along with the house, his story starts to wrap around hers. Powerful forces are stirring, but Rae cannot see where her reality leaves off and his fate begins. Fifty-two years old, Rae must battle the feelings that have long tormented her -- panic, melancholy, and a skin-crawling sense of watchers behind the trees. Before she came here, she believed that most of the things she feared existed only in her mind. And who can say, as disturbing incidents multiply, if any of the watchers on Folly Island might be real? Is the island alive with promise -- or with dangers? With Folly, award-winning author Laurie R. King once again powerfully redefines psychological suspense on a sophisticated and harrowing new level, and proves why legions of readers and reviewers have named her a master of the aenre.

Close Your Eyes, Hold Hands

Perfect Match, Second Glance, and My Sister's Keeper

Small Great Things

The Last Book

A heartbreaking, wildly inventive, and moving novel narrated by a teenage runaway, from the bestselling author of Midwives and The Sandcastle Girls. Close Your Eyes, Hold Hands is the story of Emily's parents were killed. Devastatingly, her father was in charge of the plant, and the meltdown may have been his fault. Was he drunk when it happened? Thousands of people are forced to flee their homes in the Kingdom; rivers and forests are destroyed; and Emily feels certain that as the daughter of the most hated man in America, she is in danger. So instead of following the social workers and forests are destroyed; and Emily feels certain that as the daughter of the most hated man in America, she is in danger. So instead of following the social workers and forests are destroyed; and Emily feels certain that as the daughter of the most hated man in America, she is in danger. So instead of following the social workers and forests are destroyed; and Emily feels certain that as the daughter of the most hated man in America, she is in danger. So instead of following the social workers and forests are destroyed; and Emily feels certain that as the daughter of the most hated man in America, she is in danger. So instead of following the social workers and forests are destroyed; and Emily feels certain that as the daughter of the most hated man in America, she is in danger. So instead of following the social workers and forests are destroyed; and Emily feels certain that as the daughter of the most hated man in America, she is in danger. So instead of following the social workers are destroyed; and Emily feels certain that are destroyed; and the following the social workers are destroyed; and the following the social workers are destroyed; and the following the social workers are destroyed; and the following the following the social workers are destroyed; and the following the followi new identity for herself -- an identity inspired by her favorite poet, Emily Dickinson. When Emily befriends a young homeless boy named Cameron, she protects him with a ferocity she didn't know she had. But she still can't outrun her past, can't escape her grief, can't hide forever—and so she comes up with the only plan that she can. A story of loss, adventure, and the search for friendship in the wake of catastrophe, Close Your Eyes, Hold Hands is one of Chris Bohjalian's finest novels to

date—breathtaking, wise, and utterly transporting. When her daughters leave for college and her husband lands the job of his dreams, Elizabeth Shore struggles to renew her dreams and passion for life.

BONUS: This edition contains an excerpt from Nikki Turner's Heartbreak of a Hustler's Wife. Queen of hip hop fiction Nikki Turner follows her gritty, emotionally charged novel The Glamorous Life with this new tale from the hood featuring a beautiful down-on-her-luck sister who can out-hustle the best of them as she rises from the ghetto to glory. After Mercy's beloved dad is murdered in cold blood on her seventh birthday, her mother gives her up to foster care. But despite an unsavory upbringing, Mercy vows to make something of herself-at all costs. Working as a concierge at a hotel notorious for its shady clientele, Mercy doesn't want to live the gangsta life forever. She's got bigger dreams. She turns legit and makes her mark, vet despite a new, cleaned-up career, she can't get the streets completely out of her blood. A sexy hustler named C-Note steals her heart. And as their relationship heats up, Mercy discovers that their pasts are hopelessly-and tragically-entwined.

From #1 New York Times bestselling authors Jodi Picoult and Samantha van Leer, OFF THE PAGE is a tender and oliver shouldn't be together. But they are together and oliver must decide how much they're willing to risk for love and what it takes to have a happy ending in a world where the greatest adventures happen off the page. "Off the Page is just so sweet and magical. In high school, I would have given ANYTHING to crawl inside one of my favorite books to escape the real world. I wish!"—SARAH DESSEN, #1 New York Times bestselling author of Saint Anything

The Jodi Picoult Collection #1

Songs of the Humpback Whale, Plain Truth, and Salem Falls

A timely and gripping history of the controversial eugenics movement in America-and the scientists, social reformers and progressives who supported it. In Better for All the World, Harry Bruinius tells the stories of Emma and Carrie Buck, two women trapped in poverty who became the test case in the 1927 supreme court decision allowing forced sterilization for those deemed unfit to procreate. From the reformers who turned local charities into government-run welfare systems promoting social and moral purity, to the influence the American policies had on Nazi Germany's development of "racial hygiene," Bruinius masterfully exposes the players and legislation behind one of America's darkest secrets.

Songs of the Humpback Whale For years, Jane Jones has lived in the shadow of her husband, renowned San Diego oceanographer Oliver, an expert at tracking humpback whales across vast oceans, will search for his wife across a continent—and find a new way to see the world, his family, and himself: through her eyes. Plain Truth The discovery of a dead infant in an Amish barn shakes Lancaster County to its core. But the police investigation leads to a more shocking disclosure: circumstantial evidence suggests that Katie Fisher, an unmarried Amish woman believed to be the newborn's mother, took the child's life. When Ellie Hathaway, a disillusioned big-city attorney, comes to Paradise, Pennsylvania, to defend Katie on her terms. And as she unravels a tangled murder case, Ellie also looks deep within—to confront her own fears and desires when a man from her past reenters her life. Salem Falls A handsome stranger comes to the sleepy New England town of Salem Falls, a quartet of teenage girls harbor dark secrets—and they maliciously

target Jack with a shattering allegation. Now, at the center of a modern-day witch hunt, Jack is forced once again to proclaim his innocence: to a town searching for answers, to a justice system where truth becomes a slippery concept written in shades of gray, and to the woman who has come to love him. THE INSTANT NEW YORK TIMES BESTSELLER One of Country Living's 20 New Books You Don't Want to Miss This Spring One of Bookstr's 8 Most Anticipated Reads of 2021 One of Frolic's 12 Most Anticipated Reads of 2021 One of Books You Should Read with Your BFF Two childhood friends discover that love—and family—can be found in unconventional ways in this timely, moving novel from the USA TODAY bestselling author of the "beautifully Southern, evocative Peachtree Bluff series" (Kristin Harmel, internationally bestselling author of the "beautifully Southern, evocative Peachtree Bluff series" (Kristin Harmel, internationally bestselling author of the "beautifully Southern, evocative Peachtree Bluff series" (Kristin Harmel, internationally bestselling author of the "beautifully Southern, evocative Peachtree Bluff series" (Kristin Harmel, internationally bestselling author of the "beautifully Southern, evocative Peachtree Bluff series" (Kristin Harmel, internationally bestselling author of the "beautifully Southern, evocative Peachtree Bluff series" (Kristin Harmel, internationally bestselling author of the "beautifully Southern, evocative Peachtree Bluff series" (Kristin Harmel, internationally bestselling author of the "beautifully Southern, evocative Peachtree Bluff series" (Kristin Harmel, internationally bestselling author of the "beautifully Southern, evocative Peachtree Bluff series" (Kristin Harmel, internationally bestselling author of the "beautifully Southern, evocative Peachtree Bluff series" (Kristin Harmel, internationally bestselling author of the "beautifully Southern, evocative Peachtree Bluff series" (Kristin Harmel, internationally bestselling author of the "beautifully Southern, evocative Peachtree Bluff series" (Kristin Harmel, internationally bestselling author of the "beautifully Southern, evocative Peachtree Bluff series" (Kristin Harmel, internationally bestselling author of the "beautifully Southern, evocative Peachtree Bluff series" (Kristin Harmel, internationally bestselling author of the "beautifully Bluff series" (Kristin Harmel, evocative Peachtree Bluff series" (Kristin Harmel, evocative Peachtree Bluff series") (Kristin Harmel, evocative Peachtree Bluff that a cluster of embryos belonging to her childhood friend Parker and his late wife Greer have been deemed "abandoned," she's put in the unenviable position of telling Parker—and dredging up old wounds in the process. Parker has been unable to move forward since the loss of his beloved wife three years ago. He has all but forgotten about the frozen embryos, but once Amelia reveals her discovery, he knows that if he ever wants to get a part of Greer back, he'll need to accept his fate as a single father and find a surrogate. Each dealing with their own private griefs, Parker and Amelia slowly begin to find solace in one another as they navigate an uncertain future against the backdrop of the pristine waters of their childhood home, Cape Carolina. The journey of self-discovery leads them to an unforgettable and life-changing lesson: Family—the one you're born into and the one you choose—is always closer than you think. From "the next major voice in Southern fiction" (Elin Hilderbrand, #1 New York Times bestselling author), Under the Southern Sky is a fresh and unforgettable exploration of love, friendship, and the unbreakable ties that bind.

Perfect Match In the course of her everyday work, career-driven assistant district attorney Nina Frost prosecutes child molesters and works determinedly to ensure that a legal system with too many loopholes keeps these criminals behind bars. But when her own five-year-old son, Nathaniel, is traumatized by a sexual assault, Nina and her husband, Caleb, a quiet and methodical stone mason, are shattered, ripped apart by an enraging sense of helplessness in the face of a futile justice system that Nina knows all too well. In a heartbeat, Nina's absolute truths and convictions are turned upside down, and she hurtles toward a plan to exact her own justice for her son—no matter the consequence, whatever the sacrifice. Second Glance Second Glance, an eerie and engrossing work, delves into a virtually unknown chapter of American history—Vermont's eugenics project of the 1920s and 30s—to provide a compelling study of the things that come back to haunt us—literally and figuratively. Do we love across time, or in spite of it? My Sister's Keeper examines what it means to be a good parent, a good person. Is it morally correct to do whatever it takes to save a child's life, even if that means infringing upon the rights of another? Is it worth trying to discover who you really are, if that quest makes you like yourself less? Should you follow your own heart, or let others lead you? Once again, Jodi Picoult tackles a controversial real-life subject with grace, wisdom, and sensitivity.

"Engrossing...The Pact is compelling reading."—People In this heart-rending tale of love and friendship, Jodi Picoult brings to life a familiar world, and in a single terrifying moment awakens every parent's worst fear: We think we know our children—and it's no surprise that in high school Chris and Emily's friendship blossoms into something more. But the bonds of family, friendship, and passion—which had seemed so indestructible—suddenly threaten to unravel in the wake of unimaginable tragedy. When midnight calls from the hospital come in, no one is ready for the truth. Emily is dead at seventeen from his father's cabinet—a bullet that Chris tells police he intended for himself. But a local detective has doubts about the suicide pact that Chris describes. This extraordinary, poignant novel paints an indelible portrait of two families in anguish . . . and creates an astonishingly suspenseful courtroom drama as Chris is put on trial for murder.

Conceived to provide a bone marrow match for her leukemia-stricken sister, teenage Kate begins to question her moral obligations in light of countless medical procedures and decides to fight for the right to make decisions about her own body. Alice Metcalf was a devoted mother, loving wife, and accomplished scientist who studied grief among elephants. Yet it's been a decade since she disappeared under mysterious circumstances, leaving behind her small daughter, husband, and the animals to which she devoted her life. All signs point to abandonment ... or worse. Still Jenna -- now thirteen years old and truly orphaned by a father maddened by grief -- steadfastly refuses to believe in her mother's desertion. So she decides to approach the two people who might still be able to help her find Alice: a disgraced psychic named Serenity Jones and Virgil Stanhope, the cynical detective who first investigated her mother's co-workers. Together these three lonely souls will discover truths destined to forever change their lives. #1 NEW YORK TIMES BESTSELLER • The author of Small Great Things returns with a powerful and provocative new novel about ordinary lives that intersect during a heart-stopping crisis. "Picoult at her fearless best . . . Timely, balanced and certain to inspire debate."—The Washington Post The warm fall day starts like any other at the Center—a women's reproductive health services clinic—its staff offering care to anyone who passes through its doors.

Then, in late morning, a desperate and distraught gunman bursts in and opens fire, taking all inside hostage negotiator, sets up a perimeter and begins making a plan to communicate with the gunman. As his phone vibrates with incoming text messages he glances at it and, to his horror, finds out that his fifteen-year-old daughter, Wren, is inside the clinic. But Wren is not alone. She will share the next and tensest few hours of her young life with a cast of unforgettable characters: A nurse who calms her own panic in order to save the life of a wounded woman. A doctor who does his faith but because of it, and who will find that faith tested as never before. A pro-life protester, disquised as a patient, who now stands in the crosshairs of the same rage she herself has felt. A young woman who has come to terminate her pregnancy. And the disturbed individual himself, vowing to be heard. Told in a daring and enthralling narrative structure that counts backward through the hours of the same place on this fateful day. One of the same place on this fateful day. do we balance the rights of pregnant women with the rights of the unborn they carry? What does it mean to be a good parent? "A mesmerizing tale of love and second chances" (Booklist), bestselling author Jodi Picoult crafts an intricate tale of love, haunting memories, and renewal. One day in Vermont, an old man puts a piece of land up for sale and unintentionally raises protest from the local Abenaki Indian tribe, who insist it's a burial ground. When odd, supernatural events plague the town of Comtosook, a ghost hunter is hired by the developer to help convince the residents that there's nothing spiritual about the property. Enter Ross Wakeman, a suicidal drifter who has put himself in mortal danger time and again after his fiancée's death in a car crash eight years ago. Ross now lives only for the moment he might once again encounter the woman who, like Ross, is on a search for something beyond the boundary separating life and death. Thus begins Jodi Picoult's enthralling and ultimately astonishing story of love, fate, and a crime of passion. In this "memorable ghost tale" (Kirkus Reviews), Picoult's eeriest and most engrossing work yet, she delves into a virtually unknown chapter of American history—Vermont's eugenics project of the 1920s and 30s—to provide a compelling study of the things that come back to haunt us—literally and figuratively. Do we love across time, or in spite of it? This compelling account concludes Nobel Prize—winner Aleksandr Solzhenitsyn's literary memoirs of his years in the West after his forced exile from the USSR following the publication of The Gulag Archipelago. The book reflects both the pain of separation from his Russian homeland and the chasm of miscomprehension between two massive stones, each grinding away—the Soviet Communist power with its propaganda

machine on the one hand and the Western establishment with its mainstream media on the other. Book 2 picks up the story, and religion. He shares his unvarnished view of several infamous episodes, such as a sabotaged meeting with Ronald Reagan, aborted Senate hearings regarding Radio Liberty, and Gorbachev's protracted refusal to allow The Gulag Archipelago to be published back home. There is also a captivating chapter detailing his trips to Japan, Taiwan, and Great Britain, including meetings with Margaret Thatcher and Princess Diana. Meanwhile, the central themes of Book 1 course through this volume, too—the immense artistic guandary of fashioning The Red Wheel, staunch Western hostility to the historical and future Russia (and how much can, or should, the author do about it), and the challenges of raising his three sons in the language and spirit of Russia, but never wavering in his conviction that, in the long run, his books would speak, influence, and convince. This vibrant, faithful, and long-awaited first English translation of Between Two Millstones, Book 2, will fascinate Solzhenitsyn's many admirers, as well as those interested in twentieth-century history, Russian history, and literature in general.

With richly layered characters and a gripping moral dilemma that will lead readers to guestion everything they know about privilege, power, and race, Small Great Things is the latest stunning page-turner from Jodi Picoult. **Better for All the World**

Teenaged and pregnant, Coreen Holmes gives up her baby for adoption and goes on to a successful career as a social worker, but when she is called before an investigating committee, she will have to face her past. Original. 30,000 first printing.

Police chief of a small Massachusetts town, Cameron McDonald makes the toughest arrest of his life when his own cousin Jamie comes to him and confesses outright that he has killed his terminally ill wife out of mercy. Now, a heated murder trial plunges the town into upheaval, and drives a wedge into a contented marriage: Cameron, aiding the prosecution in their case against Jamie, is suddenly at odds with his devoted wife, Allie -- seduced by the idea of a man so in love with his wife that he'd grant all her wish to end her life. And when an inexplicable attraction leads to a shocking betrayal, Allie faces the hardest questions of the heart; when does love cross the line of moral obligation? And what does it mean to truly love another? Praised for her "personal, detail-rich style" (Glamour), Jodi Picoult infuses this page-turning novel with heart, warmth, and startling candor, taking readers on an unforgettable emotional journey.

The Pact

The Jazz Palace

From the New York Times bestselling author of The Love Hypothesis comes a new STEMinist rom-com in which a scientist is forced to work on a project with her nemesis—with explosive results. Like an avenging, purple-haired universe, Bee Königswasser lives by a simple code: What would Marie Curie do? If NASA offered her the lead on a neuroengineering project—a literal dream come true after years scraping by on the crumbs of academia—Marie would accept without hesitation. Duh. But the mother of modern physics never had to co-lead with Levi Ward. Sure, Levi is attractive in a tall, dark, and piercing—eyes kind of way. And sure, he caught her in his powerfully corded arms like a romance novel hero when she accidentally damseled in distress on her first day in the lab. But Levi made his feelings toward Bee very clear in grad school—archenemies work best employed in their own galaxies far, far away. Now, her equipment is missing, the staff is ignoring her, and Bee finds her floundering career in somewhat of a pickle. Perhaps it's her occipital cortex playing tricks on her, but Bee could swear she can see Levi softening into an ally, backing her plays, seconding her ideas...devouring her with those eyes. And the possibilities have all her neurons firing. But when it comes time to actually make a move and put her heart on the line, there's only one question that matters: What will Bee Königswasser do?
