

## Secrets The Guardian Trilogy 1 Liz Schulte

*Witchcraft, wizardry - fiction.*

*Dream-Hunter Lydia has been charged with the most sacred and dangerous of missions: To descend into the Nether Realm and find the missing god of dreams before he betrays the secrets that could kill her and her kind. What she never expects is to be taken prisoner by the Realm's most vicious guardian... Seth's time is running out. If he can't hand over the entrance to Olympus, his own life and those of his people will be forfeit. No matter the torture, Seth hasn't been able to break the god in his custody. Then there's the beautiful Dream-Hunter Lydia: She isn't just guarding the gates of Olympus—she's holding back one of the world's darkest powers. If she fails, an ancient curse will haunt the earth once more and no one will be safe. But evil is always seductive...*

*The celebrated Danish poet Tove Ditlevsen begins the Copenhagen Trilogy ("A masterpiece" —The Guardian) with Childhood, her coming-of-age memoir about pursuing a life and a passion beyond the confines of her upbringing—and into the difficult years described in Youth and Dependency Tove knows she is a misfit whose childhood is made for a completely different girl. In her working-class neighborhood in Copenhagen, she is enthralled by her wild, red-headed friend Ruth, who initiates her into adult secrets. But Tove cannot reveal her true self to her or to anyone else. For "long, mysterious words begin to crawl across" her soul, and she comes to realize that she has a vocation, something unknowable within her—and that she must one day, painfully but inevitably, leave the narrow street of her childhood behind. Childhood, the first volume in the Copenhagen Trilogy, is a visceral portrait of girlhood and female friendship, told with lyricism and vivid intensity.*

*A contemporary quest fantasy story about a dying man who has been given a second chance in life. The main character falls in love with a Cherokee Native woman. But when she disappears in the mountains of North Carolina he discovers an ancient Viking treasure that will cure his illness, bring him and her together and change the history of the world. But the stakes couldn't be higher. An international manhunt to steal the treasure and assassinate him is already underway. And there's another problem. It's the year 2016. The woman he fell in love with is a Cherokee beloved woman from the 1700's.*

*The Guardian Series Awakening, Book 1: When Sophie moves to Boston to get away from the people who ridiculed her for her psychic talents, she wants to start fresh. But when a demon attacks her study group at the library, she has no choice but to reveal her abilities to warn the others. She learns the attacks won't stop until she's dead. To stay alive she joins forces with the other students and a secret society that has battled the demons for centuries. The last thing*

*she wants to do is be a pawn in the war of good and evil. When her visions start showing events from a past life, she can't ignore the connections it shows. She has no choice but to acknowledge the bonds that tie her to the other students, even if some of them refuse, to have the strength to defeat the demon that hunts them down. Will she survive long enough to stop the demons from destroying everything and everyone she loves? Sacred, Book 2: Sophie has been attacked by demons, destroyed a nest of vampires, and lived through the death of someone close to her. Now she and her friends have been rescued by the Society and taken to a secret island base to train. While they desperately search for leads on where Akeldama may be holding Lilli prisoner, Sophie tries to keep Tristan at arms length. She doesn't need anything to distract her from finding her best friend, or so she tells herself. Then the unthinkable happens. One of the Society's own has betrayed the Guardians, selling their secrets to the demons and attacking them where they should feel safest. In the end, Sophie's greatest enemy could be her own fears, and she faces a decision that could push Tristan and her friends away forever. Hallowed, Book 3: After the decisions Sophie's had to make, she's ready to end Akeldama once and for all. That demon Queen had made everything go wrong in her life. Her boyfriend, Tristan, hates her because she's harboring a demon in her body and the people of the Society all avoid her, expecting her to spit fire and devour them all. With their new mission, they have to go into the demon realm, not knowing what they'll face or if they'll even live through it. The last person they expect to see saves Sophie and Kendra from being kidnapped and allies come from the most unlikely of places. A new enemy emerges, one more powerful and dangerous than Akeldama could ever be. To save the world, the universe, and everyone she loves, Sophie may have to give up her own life. Can she make that decision and leave everything and everyone she loves behind?*

'I loved it . . . A perfect mix of traditional and new' Charlie N. Holmberg, author of The Paper Magician 'Deftly plotted and great fun' The Guardian Magic is poison. Secrets are power. Death is . . . complicated. Outlaw wizard Corcoran Gray has enough problems. He's friendless, penniless and on the run from the tyrannical Mages' Guild - and with the search for his imprisoned grandfather looking hopeless, his situation can't get much worse. So when

a fugitive drops into his lap - literally - and gets them both arrested, it's the last straw - until Gray realises that runaway slave Brix could be the key to his grandfather's release. All he has to do is break out of prison, break into an ancient underground temple and avoid killing himself with his own magic in the process. In theory, it's simple enough. But as secrets unfold and loyalties shift, Gray discovers something with the power to change the nature of life and death itself. Now Gray must find a way to protect the people he loves, but it could cost him everything, even his soul . . . With the humour of V.E. Schwab, the scale of Trudi Canavan and the deftness of Naomi Novik, Lord of Secrets is a heartwarming fantasy novel about saving the people you love without destroying the world (or yourself). 'A fast-paced necromantic adventure' Emily Tesh, author of Silver in the Wood 'All I want is the next book, NOW' K.A. Doore, author of The Perfect Assassin

Dylan thought he was an average man, with a dead-end job and no great aspirations. When he finds a black book lying innocently on his lawn, with peculiar words and markings, he discovers the universe is bigger than he imagined. The Guardian of Earth, who kept the book and its immense power safe from falling into the wrong hand, was killed. Now Earth needs a new Guardian. The battle to protect the book begins early for Dylan as he must rely on his newly discovered powers to defeat the creatures sent to take the book. Dylan's life is sure to be full of adventure, danger, and magic. To protect his book and the world that now relies on him, he must learn to survive on a foreign world, fight fierce horrors beyond imagination, master the magical arts, and ultimately battle a dark god who has already destroyed one world.

Gia Kearns would rather fight with boys than kiss them. That is, until Arik, a leather clad hottie in the Boston Athenaeum, suddenly disappears. While examining the book of world libraries he abandoned, Gia unwittingly speaks the key that sucks her and her friends into a photograph and transports them into a Paris library, where Arik and his Sentinels-magical knights charged with protecting humans from the creatures traveling across the gateway books-rescue them from a demonic hound. Jumping into some of the world's most beautiful libraries would be a dream come true for Gia, if she weren't busy resisting her heart or dodging an exiled wizard seeking revenge on both the Mystik and human worlds. Add a French flirt obsessed with Arik and a fling with a young wizard, and Gia must choose between her heart and her head, between Arik's world and her own, before both are destroyed. The Library Jumpers series is best enjoyed in order. Reading Order: Book #1 Thief of Lies Book #2 Guardian of Secrets Book #3 Assassin of Truths

Joshua Lighthouse never wanted to save the world, but now he has no choice. Three hundred years ago, the human world and the world of Myth underwent a cataclysmic Merge. Those who survived - both human and Others - formed factions. Joshua led one faction, the Human Protection Agency, which is charged with maintaining the safety of the humans in his city. He secretly protects an artifact more powerful than even he knows... The

Book of Secrets. As the anniversary of the Merge approaches, Joshua's world is turned upside down, the order he's maintained for so long is stripped away from him. He is kidnapped and betrayed, and a bounty is placed on his head. And the Book? Stolen. On the run from the organization he once served and legions of Others who seek to kill him, Joshua is in a race against time to find the Book of Secrets and prevent the inter-species war that will end the world he knows forever. Can one man find his way to salvation when everything he believed in turns out to be something else? The Book of Secrets is an unrelenting page-turner that will keep readers on the edge of their saddles, an epic urban fantasy for fans of Rick Riordan and Sarah J. Maas.

An impending war nears and little seems stable in Emily's life. Determined to fulfill her duties as the prophesied Daughter of Earth, Emily enters Eden and begins to find her place in a supernatural world. Alexander's disapproval of the course his elders have charted for Emily threatens to break his bond with them. Long-kept secrets of his kind prove to be destructive to his trust; but Alexander has a secret of his own. A dark secret that could not only destroy their love but could also destroy the hope that lies with them for the survival of mankind. This is the second installment in the Tales of the Guardian trilogy. Book 1 - Son of Eden Book 2 - Daughter of Earth Book 3 - Dawn of Destiny (not yet released)

*It's against the rules for a Guardian to fall in love with their mortal charge, but it's too late for Seth, the supernatural playboy assigned to look after Genesis Green. Because the night Genesis crawls from the wreckage of her boyfriend's totaled SUV, just before she slips into the darkness, Seth calls out to her, promising everything will be okay. It's this mysterious voice that pulls Genesis back from the brink, and when Seth finally steps into her world, Genesis is just as drawn to him as he is to her. When she begins having strange visions—something she attributes to the head trauma she suffered from the accident—the Guardian Council, an otherworldly force of good, reaches out, asking for her help. The goal? To minimize or undo the damage the Diabols are inflicting upon her seaside town. But with her visions growing increasingly unreliable and her behavior more reckless by the day, Seth is finding it harder and harder to keep her safe, especially from herself, and losing her would be the end of him. What happens when the line between reality and the celestial becomes so blurred it's impossible to determine who's real and who's otherworldly, and worse: who's good and who's evil? With her life and soul on the line, Genesis will suffer the greatest sacrifices imaginable to put an end to the evil threatening her world—and it isn't the evil she was anticipating. Fans of the Twilight and Hush, Hush sagas will revel in this epic urban fantasy trilogy detailing a battle that has raged for millennia in a series that has been called "intense, action-packed, and romantic in every way possible." The Trilogy: The Guardian, Vendetta, and Revelation is a 3-book collection (over 165k words/650 pages). Bonus Material includes an Interview with Katie Klein, and "In the Beginning," a re-telling of Carter and Genesis's car accident from Seth's point of view. Download 3 Books in 1 Today! *The #1 New York Times Bestseller Return to the world of His Dark Materials--now an HBO original series starring Dafne Keen, Ruth Wilson, James McAvoy, and Lin-Manuel Miranda--in the second volume of Philip Pullman's new bestselling masterwork The Book of Dust. The windows between the many worlds have been sealed and the momentous adventures of Lyra Silvertongue's youth are long behind her--or so she thought. Lyra is now a twenty-year-old undergraduate at St. Sophia's College and intrigue is swirling around her once more. Her daemon Pantalaimon is witness to a brutal murder, and the dying man entrusts them with secrets that carry echoes from their past. The more Lyra is drawn into these mysteries, the less she is sure of. Even the events of her own past come into question when she learns of Malcolm Polstead's role in bringing her to Jordan College. Now Lyra and Malcolm will travel far beyond the confines of Oxford, across Europe and into the Levant, searching for a city haunted by daemons, and a desert said to hold the truth of Dust. The dangers they face will challenge everything they thought they knew about the world, and about themselves. Praise for The Book of Dust "It's a stunning achievement, this universe Pullman has created and continues to build on." --The New York Times "Pullman's writing is simple, unpretentious, beautiful, true. *Liz Schulte, author of the Guardian Trilogy, The Easy Bake Coven series and the Jinn Trilogy Interview with the Author Q: What makes the Alex Noziak series special? A: The series is a combination of things. It features a modern female covert team acting as a secret combat squad for the Invisible Recruit Agency, protecting mankind from supernatural threats and enemies. It is part urban fantasy series, part paranormal mystery series, and part supernatural or occult crime series. Think Buffy the Vampire slayer meets Supernatural with a star-crossed romance thrown in and you've got it in one! Q: Is there a particular order that the books should be read in? A: While each book or novella can stand*

*alone, I think readers will get more enjoyment out of them if they follow this sequence: Invisible Prison (eNovella) Invisible Magic Invisible Duty (eNovella) Invisible Power Invisible Fate Invisible Fears (Kelly McAllister Book 1) Invisible Allies (eNovella) Invisible Secrets (Kelly McAllister Book 2) Invisible Journey* What makes the series different from other urban fantasy series? A: First, the events of the story occur on a world scale vs. the single location of many of the other popular UF series. The Alex Noziak stories occur in locations such as Paris, the Maldives, Washington, D.C., and Africa. Secondly, while all of the storylines in the Alex Noziak series include action-oriented fight sequences which readers of this genre love, they also contain a lot of what isn't typical for most urban fantasy--emotional growth and development of the main characters. Alex must deal with the dynamics of a strong female team as well as interference from her shaman father, her shapeshifting brothers and her Celtic witch mother. Relationships are messy, but they also add a fun, deeper dimension to Alex. Third, unlike many other paranormal romance series on the market today, there isn't a primary focus on a happy ever after relationship that's resolved in one book; if you want your heroine hooking up with a hot warlock, you've definitely come to the right place, but expect cliff hanging endings as the relationship is not tied up with a pretty bow after book one. To help readers know what the Alex Noziak books are like, what would you compare them to? A: I think the series is well-suited for readers of Patricia Briggs' Mercy Thompson series, Kat Richardson's Greywalker series, and Illona Andrews Kate Daniels series. Fans of television shows like Supernatural, Angel, True Blood (without all the graphic sex scenes), and Witchblade should also find something of interest here. ""I . . .encourage those of you who like action, magic and sassy heroines to snatch up this series."" Romancing the Genres

Refusing to give up, Saul, the Mightiest of Guardians, agrees to allow the soul of disgraced Guardian Leonard one last chance at redemption. Ashton urges Saul to reconsider but Saul places Leonard's soul in the newborn babe Wyatt Goodwin and asks that Guardians Ashton, Sam, Jaxon, Hannah, Hunter and Dee watch over the boy to help him stay on the path destiny has written for him. But will their combined efforts be enough to keep the Leader of the Dark, Roman, from tainting this soul until death is its shadow and murder is its passion? The stage is set and the lines are drawn as once again the Guardians fight to keep the Dark at bay and save mankind from the Blackness it so easily falls prey to. No matter how hard the Guardians try the tides of an Immortal war roll in and the outcome could be devastating. Will Saul be able to defeat Roman or will Darkness creep from the shadows spreading greed, hate, chaos and death until all is lost? The end is coming, but who will be left when the storm of war clears and the victors are left standing? Who indeed!

Being a Sentinel isn't all fairytales and secret gardens. Sure, jumping through books into the world's most beautiful libraries to protect humans from mystical creatures is awesome. No one knows that better than Gia Kearns, but she could do without the part where people are always trying to kill her. Oh, and the fact that Pop and her had to move away from her friends and life as she knew it. And if that isn't enough, her boyfriend, Arik, is acting strangely. Like, maybe she should be calling him "ex," since he's so into another girl. But she doesn't have time to be mad or even jealous, because someone has to save the world from the upcoming apocalypse, and it looks like that's going to be Gia. Maybe. If she survives. The Library Jumpers series is best enjoyed in order. Reading Order: Book #1 Thief of Lies Book #2 Guardian of Secrets Book #3 Assassin of Truths

In the shadows, vision can turn blurry. Truths can become lies. Enemies can become lovers. When Violet inexplicably wakes thousands of years after a nuclear holocaust, she finds the world very different. Fae exist now. They're vicious, animalistic monsters who pervert magic and can morph into any shape-including vampires. They hoard the bounty of the new world, and keep humans banished to the wasteland. At least, that's what the humans of today have told her. Determined to make up for an unforgivable mistake in her past, she becomes a covert assassin and seeks revenge for her human brethren. And she's good at it. But when the thing she hunts saves her life, injuring himself in the process... her crystal clarity suddenly becomes blurry. Vampires are meant to be monsters, not protectors... not charismatic, annoyingly handsome and loyal and... everything. Indigo is a Fae Guardian, and a ruthless vampire protector of Elphyne. The Order has tasked him with finding a human with deadly secrets before the unhinged Unseelie Queen, or the fanatical human leader, can exploit her. They chose him for one reason, and one reason only - the taste of human blood does things to him. Addictive, dark, insatiable things. And when he catches Violet's scent, they know he'll do everything in his power to covet her and keep her safe. But Indigo hides his own shameful secret in the shadows of his heart, and if it ever comes to light, Violet will never trust him. She'll kill him. The Secrets in Shadow and Blood is the next installment in the Fae Guardians series, and the first in the Season of the Vampire Trilogy. Each book features a separate couple with a satisfying HEA, but to enjoy the full benefits of the over arching plot, start the Fae Guardian journey with book one of Fae Guardians: Season of the Wolf. All Fae Guardian books include steamy romance, a splash of time travel, monster hunting, a band of brothers, fated mates, growly fae protectors, and their strong willed women from our time. If you love your books full of page turning action, romantic tension, and world building you can get lost in, then this series is for you. Warning: Trusting these seductive fae will lead to sleepless nights. But it will be worth it.;

Suspense, drama, romance, and death are all on the menu as immortal guardians and dark beings again fight each other for human souls. Omen Lake Cemetery was overgrown and in need of a little TLC when the job offer of being caretaker landed in the lap of gifted Dee Priest.

Little did she know that her need for isolation would lead her to a mystifying place, an ominous setting that signified death whenever a gray lake dared to appear. Roman, the leader of the Dark, threw minions at Dee one after another, using her as a pawn to exact revenge against her guardian hunter father, Jaxon Riley. Immortal guardians, Saul and Jaxon, would have to think fast to come up with a plan to protect Dee and make sure she had a chance at a normal life. Despite sending the guardian called Hunter back to protect Dee, death still nipped at her heels and lurked at her door. Could the guardians again beat back the dark, or would the dark be able to unleash death to again feed on innocent souls? Licking its lips and flexing its claws, the darks belly rumbled with hunger as it anticipated its next bloody meal . . . Dee!

*From the author of the New York Times bestseller A Train in Winter comes the absorbing story of a French village that helped save thousands hunted by the Gestapo during World War II—told in full for the first time. Le Chambon-sur-Lignon is a small village of scattered houses high in the mountains of the Ardèche, one of the most remote and inaccessible parts of Eastern France. During the Second World War, the inhabitants of this tiny mountain village and its parishes saved thousands wanted by the Gestapo: resisters, freemasons, communists, OSS and SOE agents, and Jews. Many of those they protected were orphaned children and babies whose parents had been deported to concentration camps. With unprecedented access to newly opened archives in France, Britain, and Germany, and interviews with some of the villagers from the period who are still alive, Caroline Moorehead paints an inspiring portrait of courage and determination: of what was accomplished when a small group of people banded together to oppose their Nazi occupiers. A thrilling and atmospheric tale of silence and complicity, Village of Secrets reveals how every one of the inhabitants of Chambon remained silent in a country infamous for collaboration. Yet it is also a story about mythmaking, and the fallibility of memory. A major contribution to WWII history, illustrated with black-and-white photos, Village of Secrets sets the record straight about the events in Chambon, and pays tribute to a group of heroic individuals, most of them women, for whom saving others became more important than their own lives.*

*The follow up to the New York Times bestselling novel, THIEF OF LIES! Being a Sentinel isn't all fairytales and secret gardens. Sure, jumping through books into the world's most beautiful libraries to protect humans from mystical creatures is awesome. No one knows that better than Gia Kearns, but she could do without the part where people are always trying to kill her. Oh, and the fact that Pop and her had to move away from her friends and life as she knew it. And if that isn't enough, her boyfriend, Arik, is acting strangely. Like, maybe she should be calling him "ex," since he's so into another girl. But she doesn't have time to be mad*

*or even jealous, because someone has to save the world from the upcoming apocalypse, and it looks like that's going to be Gia. Maybe. If she survives. The Library Jumpers series is best enjoyed in order. Reading Order: Book #1 Thief of Lies Book #2 Guardian of Secrets Book #3 Assassin of Truths*

*Victorian Romance. Lucas Stanby swore never to return to England. But his brother's murder forces him home ten years later as the new Earl of Berkmond and guardian of his two young nieces. As the local vicar's daughter and a childhood friend, Moira Dorsey naturally set aside her hopes of a family of her own to care for the earl's daughters. Lucas's return makes it impossible for her to remain since he broke Moira's heart years ago, but the girls have other ideas. Lucas realizes he needs Moira to keep his personal demons at bay as well as deal with two rambunctious girls. He offers Moira a marriage of convenience, hoping to keep his dark secret, aware he's too broken to be the husband she deserves. Moira discovers Lucas's cold demeanor hides deep scars but glimpses of the boy she loved give her hope. She counters his proposal, asking for a babe of her own, wanting Lucas to see he's not the monster he believes. Unable to deny his growing feelings, Lucas agrees, but his past disrupts their second chance at love, dragging Moira and the girls into danger. He soon realizes he must share his terrible secret with Moira and risk losing her forever in order to stop the villain who threatens them all.*

*All that Celeste Wilder ever wanted was to find someone who would sweep her off her feet like she had seen in countless romantic movies. When she meets the gorgeous and mysterious Constantin brothers her senior year of high school, she gets much more than what she had bargained for. As they introduce her to an exciting supernatural world that she never imagined existed, she makes a startling discovery about her own family legacy and is forced to make a decision that will change her life forever.*

Secrets

A sweeping story of three generations of women, crossing from London to Ireland and back again, and the enduring effort to retrieve the secrets of the past It's London, 1960, and Aoife Kelly—once the sparkling object of young men's affections—runs pubs with her brusque, barking husband, Cash. Their courtship began in wartime London, before they returned to Ireland with their daughters in tow. One of these daughters—fiery, independent-minded Rosaleen—moves back to London, where she meets and begins an affair with the famous sculptor Felix Lehmann, a German-Jewish refugee artist over twice her tender eighteen years. When Rosaleen finds herself pregnant with Felix's child, she is evicted from her flat, dismissed from her job, and desperate to hide the secret from her family. Where, and to whom, can she turn? Meanwhile, Kate, another generation down, lives in present-day London with her young daughter and husband, an unsuccessful musician and destructive alcoholic. Adopted and floundering to find a sense of herself in the midst of her unhappy marriage, Kate sets out to track down her birth mother, a search that leads her to a Magdalene Laundry in Ireland and the harrowing history that it holds. Stirring and nostalgic at moments, visceral and propulsive at others, I Couldn't Love You More is a tender, candid portrait of love, sex, motherhood, and the enduring ties of family. It is impossible not to fall under the spell of this tale of mothers and daughters, wives and muses, secrets and outright lies. College-bound Lexi Adams leads no ordinary life. Premonitions dictate her every move, compelling her to rescue strangers day and night. After years of self-sacrifice, she decides to ignore one, but innocent people die. So, when the next premonition depicts her own death, she has a decision to make. Except more complications arise when a series of strange illnesses and murders devastate her small town, and co-worker Jessica Nelson insists Lexi can help. According to Jessica, everyone is born with an inner energy called Essence. Only a select few, Amethysts, can control Essence and heal people. Jessica claims to be an Amethyst and asks Lexi to join her and a group of her friends as they track the murderers. Despite her personal plight, Lexi considers working with them but soon discovers their secrets run deep: Not only do Jessica's friends have a hidden agenda, but they also harbor extraordinary abilities. Even more unsettling, they

have connections with the Ray-pacs - the sadistic killers who are preying on human Essence. Ultimately, Lexi must decide if life, not death, equals salvation. And if so, is she willing to make sacrifices and join her friends in eradicating the Ray-pacs? Amethyst is the first novel in the Guardian series, a spellbinding, young adult, urban fantasy series. One that wouldn't be complete without a love triangle at the heart of the story.

Life and death are a gamble for a girl fighting to save humanity in a world she's only beginning to understand. One minute, Ernestine "Ernie" Terwilliger was a fairly normal young woman with an almost normal life. Absent father. Peculiar mother. Family secrets. The next, she was hurled into a land where the Immortal Dealers are waging a battle between good and evil--and where the fate of the world is in the cards. Having only started to master her own deck, the inexperienced Ernie places the wrong bet on the right guy at the worst time. That's when she's bounced into another realm and trapped there by a formidable and power-hungry rogue Dealer who knows more about Ernie's fractured family than Ernie herself does. Now, Ernie's fight to free herself is only the beginning. As the secrets of Ernie's father and his own relics of power start to surface, Ernie will need to tell friend from foe--a feat not as easy as it seems. At least now she has a full deck...because to survive secrets, betrayals, and dangerous dimensions, she'll need to deal the best hand.
