**For readers of Being Mortal and When Breath Becomes Air, the acclaimed founder of Death over Dinner offers a practical, inspiring guide to life's most difficult yet important conversation. Of the many critical conversations we will all have throughout our lifetime, few are as important as the ones discussing death—and not just the practical considerations, such as DNRs and wills, but what we fear, what we hope, and how we want to be remembered. Yet few of these conversations are actually happening. Inspired by his experience with his own father and countless stories from others who regret not having these conversations, Michael Hebb cofounded Death Over Dinner—an organization that encourages people to pull up a chair, break bread, and really talk about the one thing we all have in common. Death Over Dinner has been one of the most effective end-of-life awareness campaigns to date; in just three years, it has provided the framework and inspiration for more than a hundred thousand dinners focused on having these end-of-life conversations. As Arianna Huffington said, "We are such a fast-food culture, I love the idea of making the dinner last for hours. These are the conversations that will help us to evolve." Let's Talk About Death (over Dinner) offers keen practical advice on how to have these same conversations—not just at the dinner table, but anywhere. There's no one right way to talk about death, but Hebb shares time—and dinner—tested prompts to use as conversation starters, ranging from the spiritual to the practical, from analytical to downright funny and surprising. By transforming the most difficult conversations into an opportunity, they become celebratory and meaningful—ways that not only can change the way we die, but the way we live.**

**Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. The first in-depth biography of Nipsey Hussle, the hip hop mogul, artist, and activist whose transformative legacy inspired a generation--before he was tragically shot down in the very neighbourhood he was dedicated to building up. Groundhog Day meets Ling Ma's Severance in this "brilliant" (PopSugar) and "exhilarating" (The Millions) comedic novel about two young women trying to save their friendship as the world collapses around them. Bertie and Kate have been best friends since high school. Bertie is a semi-failed cartoonist, working for a prominent Silicon Valley tech firm. Her job depresses her, but not as much as the fact that Kate has recently decided to move from San Francisco to Los Angeles. When Bertie's attempts to make Kate stay fail, she suggests the next best thing: a trip to Paris that will hopefully distract the duo from their upcoming separation. The vacation is also a sort of last hurrah, coming during the ceasefire in a series of escalating world conflicts. One night in Paris, they meet a strange man in a bar who offers them a private tour of the Louvre. The women find themselves alone in the museum, where nothing is quite as it seems. Caught up in a day that keeps repeating itself, Bertie and Kate are eventually separated, and Bertie is faced with a mystery that threatens to derail everything. In order to make her way back to Kate, Bertie has to figure out how much control she has over her future—and her past—and how to survive in an apocalypse when the world keeps refusing to end.

Indie Next and Library Reads Pick One of Cosmopolitan's "Best New Books Coming Out in 2021" One of POPSUGAR's "Best New Books Coming Out in 2021" A Millennial with amnesia uses her Instagram account to piece together her identity in this hilarious and whip-smart comedy about the ups and downs of influencer culture. Mia might look like a Millennial but she was born yesterday. Emerging from a coma with short-term amnesia after an accident, Mia can't remember her own name until the Siri assistant on her iPhone provides it. Based on her cool hairstyle (undercut with glamorous waves), dress (Prada), and signature lipstick (Chanel), she senses she's wealthy, but the only way to know for sure is to retrace her steps once she leaves the hospital. Using Instagram and Uber, she arrives at the pink duplex she calls home in her posts but finds Max, a cute, off-duty postdoc supplementing his income with a house-sitting gig. He tells her the house belongs to JP, a billionaire with a chocolate empire. A few texts later, JP confirms her wildest dreams: they're in love, Mia is living the good life, and he'll be back that weekend. But as Mia and Max work backward through her Instagram and across Los Angeles to learn more about her, they discover an ugly truth behind her perfect Instagram feed, and evidence that her head wound was no accident. Did Mia have it coming? And if so, is it too late for her to rewrite her story?

A hell-bound fantasy starring demons, damsels, and an unlikely hero. "A fast-paced, page-turning adventure built out of a strikingly original mythology. Eerie, surprising, and a lot of fun." — Elan Mastai, author of All Our Wrong Today's Sixteen-year-old Sam Sullinger lives in the shadow of adolescence. He's lost among his overachieving siblings, constantly knocked down by his harsh father, and bullied daily. His only solace is his best friend and crush, Harper. In a grand plan designed to help him confess his love to Harper, Sam accidentally sets off a series of events that lead to her being kidnapped and taken to Hell. Racked with guilt, Sam makes a bold decision for the first time in his life: he's going to rescue his only friend. Sam is thrust into a vivid world fraught with demons, vicious beasts, and a falling city. And every leg of his journey reminds him that he isn't some brave knight on a quest — he's an insecure teenager yearning to make his mark on at least one world.

A New York Times Bestseller For Lady Gaga, kindness is the driving force behind everything she says and does. The quiet power of kindness can change the way we view one another, our communities, and even ourselves. She embodies this mission, and thro into our world every single day. Lady Gaga has always believed in the importance of being yourself, being kind to yourself, and being kind to others, no matter who they are or where they come from. With that sentiment in mind, she and her mother, Cynthia Johnson, a nonprofit organization dedicated to making the world a kinder and braver place. Through the years, they've collected stories of kindness, bravery and resilience from young people all over the world, proving that kindness truly is the universal language. read these stories and follow along as each and every young author finds their voice just as Lady Gaga has found hers. Within these pages, you'll meet young changemakers who found their inner strength, who prevailed in the face of bullies, who started their own businesses, who broke through the mental health stigma and share how they felt, who created safe spaces for LGBTQ+ youth, and who have embraced kindness with every fiber of their being by helping others without the expectation of anything in return. In one story, a young girl with an autoimmune disease, who after being bullied at school, learned how to practice self-love and started an organization with the mission of educating others about the importance of self-love, too; and in another story, you'll meet a young person who decided to break through the stigma surrounding mental health and encouraged others to talk about their feelings openly and honestly, a reminder that kindness and mental wellness go hand in hand. Not only were we moved by these individual acts of kindness, but we were also touched by the neighborhoods, and entire communities that fully dedicated themselves to helping those in need and found new, innovative ways to make our world a kinder and braver place. Individually and collectively, these stories prove that kindness not only saves lives but also creates a more inclusive world. Inclusion, it is pride, it is empathy, it is compassion, it is self-respect and it is the guiding light to love. Kindness is always transformational, and its never-ending ripples result in even more kind acts that can change our lives, our communities, and our world. At the new house, there were movers and shouting and boxes and blankets. There were many places a girl like Mabel and a boy like Sam could be tripped over or smooched or trod upon. There was one safe place where they would not. And that is how Mabel and Sam met. part picture book of moving house and imaginative play, Mabel and Sam sail the high seas of their new home: tour the intriguing museum of their living room; journey through outer space to the safety of their own beds; and discover how far afield—and how far from home—they can go.

Exactly one year ago, Camaro Espinoza killed five bad men in New York City and fled town. Now she's keeping a low profile in Miami, running night charter catch-and-release fishing trips off the coast. It's a simple life for a former combat medic. But it wasn't always that way. Everything she can to hold onto it. Trouble comes knocking in the form of Parker Story, a man in over his head with all the wrong people. Parker wants to book Camaro's boat to run a small errand off the coast of Cuba. Camaro knows she shouldn't get involved with a man like Parker, but she can't ignore the money. Parker's daughter named Lauren, and Parker's associates have threatened to harm her if the mission doesn't go off without a hitch. Camaro has never met the girl. Barely seen her picture. But that doesn't mean she can ignore her plight. Camaro's used to being wounded on the field of battle, by the long arm of the law. But she's never been needed before. Not the way Lauren needs her. Joining forces with Parker, Camaro soon finds herself in the midst of double crosses, international intrigue, broken promises and a man who looks like himself like herself may not be able to escape unscathed.

Jane the Virgin meets To All the Boys I've Loved Before in this charming debut romantic comedy filled with Black Girl Magic. Perfect for fans of Mary H. K. Choi and Nicola Yoon, with crossover appeal for readers of Jasmine Guillory and Talia Hibbert romances. Johnson has never felt like the protagonist in her own life. She's rarely seen herself reflected in the pages of the romance novels she loves. The only place she's a true leading lady is in her own writing—in the swoony love stories she shares only with Caroline. When Tessa is accepted into the creative writing program of a prestigious art school, she's excited to finally let her stories shine. But when she goes to her first workshop, the words are just...gone. Fortunately, Caroline has a solution: Tessa just needs to tell her story of her own. And she's ready with a list of romance novel-inspired steps to a happily ever after. Nico, the brooding artist who looks like he walked out of one of Tessa's stories, is cast as the perfect Prince Charming. But as Tessa checks each item off her list, she finds herself further away from herself. She risks losing everything she cares about—including the surprising bond she develops with sweet Sam, who lives across the street. She's well on her way to having her own real-life love story, but is it the one she wants, after all?

**In the new edition of the international bestseller Environmental Interpretation, Sam H. Ham captures what has changed in our understanding of interpretation during the past two decades. Ham draws on recent advances in communication research to unveil a fresh and invigorating perspective that will lead interpreters to new and insightful pathways for making a difference on purpose through their work.**

**"Lost on Purpose" is the non-fiction adventure narrative of a former technology executive who reinvented himself as a 21st century mountain man. In October/November 2013, Patrick Taylor crossed the Rocky Mountains alone on foot. He passed through one of the largest wilderness areas in the Lower 48 to reach and retrace the route of Lewis & Clark in the winter. The sacrifices - vocationally, financially, emotionally - are measured against the benefits by the author in a refreshingly honest, humorous, and inspirational fashion. If you liked "Wild" (and who didn't), you will love this wilderness adventure.**

**Sam Pope was one of the UK's finest soldiers, serving over a decade as an elite sniper. After a near fatal shooting brings an end to his career, Sam returns home to his family and a potential new career in the Metropolitan Police. When disaster strikes and his bond with his family is broken, Sam takes a job as an archive officer within the Met, hunting down criminals that have beaten the system and delivering his own brand of justice. When a terrorist attack at the London Marathon shakes the city to its core, Sam decides to open his own line of investigation. Venturing into the world of organised crime and police corruption, Sam soon finds himself as the number one target...and faces a race against time to expose the truth.**

**A talented Hollywood starlet and a reclusive A-lister enter into a fake relationship . . . and discover that their feelings might be more than a PR stunt in this sexy debut for fans of Beach Read and The Unhoneymooners. “A raw, character-driven, and heart-touching read . . . I absolutely loved it.”—Elena Armas, New York Times bestselling author of The Spanish Love Deception Grey Brooks is on a mission to keep her career afloat now that the end of her long-running teen TV show has her (unsuccessfully) pounding the pavement again. With a life-changing role on the line, she's finally desperate enough to agree to her publicist's scheme: fake a love affair with a disgraced Hollywood heartthrob who needs the publicity, but for very different reasons. Ethan Atkins just wants to be left alone. Between his high-profile divorce, struggles with drinking, and grief over the death of his longtime creative partner and best friend, Ethan has slowly let himself fade into the background. But if he ever wants to produce the last movie he and his partner wrote together, Ethan needs to clean up his reputation and step back into the spotlight. A gossip-inducing affair with a gorgeous actress might be just the ticket, even if it's the last thing he wants to do. Though their juicy public relationship is less than perfect behind the scenes, it doesn't take long before Grey and Ethan's sizzling chemistry starts to feel like more than just an act. But after decades in a ruthless industry that requires bulletproof emotional armor to survive, are they too used to faking it to open themselves up to the real thing?**

"An intriguing odyssey" though the history of the self and the rise of narcissism (The New York Times). Self-absorption, perfectionism, personal branding—it wasn't always like this, but it's always been a part of us. Why is the urge to look at ourselves so powerful? Is there any way to break its spell—especially since it doesn't necessarily make us better or happier people? Full of unexpected connections among history, psychology, economics, neuroscience, and more, Selfie is a "terrific" book that makes sense of who we have become (NPR's On Point). Award-winning journalist Will Storr takes us from ancient Greece, through the Christian Middle Ages, to the self-esteem evangelists of 1980s California, the rise of the "selfie generation," and the era of hyper-individualism in which we live now, telling the epic tale of the person we all know so intimately—because it's us. "It's easy to look at Instagram and selfie-sticks and shake our heads at millennial narcissism. But Will Storr takes a longer view. He ignores the easy targets and instead tells the amazing 2,500-year story of how we've come to think about our selves. A top-notch journalist, historian, essayist, and sleuth, Storr has written an essential book for understanding, and coping with, the 21st century." —Nathan Hill, New York Times-bestselling author of The Nix "This fascinating psychological and social history . . . reveals how biology and culture conspire to keep us striving for perfection, and the devastating toll that can take."—The Washington Post "Aby synthesizes centuries of attitudes and beliefs about selfhood, from Aristotle, John Calvin, and Freud to Sartre, Ayn Rand, and Steve Jobs." —USA Today "Eminently suitable for readers of both Yuval Noah Harari and Daniel Kahneman, Selfie also has shades of Jon Ronson in its subversive humor and investigative spirit." —Bookseller "Storr is an electrifying analyst of Internet culture." —Financial Times "Continually delivers rich insights . . . captivating." —Kirkus Reviews**

**In The Highland Falcon Thief: Adventures on Trains #1, a middle-grade series starter from MG Leonard and Sam Sedgman, a young boy is swept up in an investigation to uncover the perpetrator of a jewel theft. *In this volume of 15 articles, contributors from a wide range of disciplines present their analyses of Disney movies and Disney music, which are mainstays of popular culture. The power of the Disney brand has heightened the need for academics to question whether Disney's films and music function as a tool of the Western elite that shapes the views of those less empowered. Given its global reach, how the Walt Disney Company handles the role of race, gender, and sexuality in social structural inequality merits serious reflection according to a number of the articles in the volume. On the other hand, other authors argue that Disney productions can help individuals cope with difficult situations or embrace progressive thinking. The different approaches to the assessment of Disney films as cultural artifacts also vary according to the theoretical perspectives guiding the interpretation of both overt and latent symbolic meaning in the movies. The authors of the 15 articles encourage readers to engage with the material, showcasing a variety of views about the good, the bad, and the best way forward.*

*The first book in a hilarious new series perfect for fans of David Walliams, Kid Normal and Tom Gates. Charlie Macguffin tries to be an optimist, but in reality he's a bit of a worrier. Some of the things Charlie is worried about: · His brother (who is in hospital) · Their very panicked parents · Unwanted attention from the school bully · The fact that he's started turning into animals! Even though every kid wants a superhero power, Charlie isn't keen on turning into a pigeon in the middle of the school play. But what happens if he does? Will he get sent away for Science to deal with? Will his parents crack under the extra stress? With the help of his three best friends, Charlie needs to find a way of dealing with his crazy new power - and fast!*

*A Waterstones Paperback of the Year! What happens when you feel stressed? Maybe you start sweating, or your heart beats faster. When Charlie McGuffin gets stressed, something a little bit different happens: he turns into an animal! Unfortunately, things are getting quite stressful for Charlie: - His dad's business is in real trouble - He might have to move in with his Aunt Brenda and her seventeen cats (and wooden leg) - And it's getting harder and harder to control his powers Luckily, Charlie's best friends Flora, Wogan and Mohsen are on hand to help. If they can break into the fortress-like offices of Van Der Gruyne Industries and recover the McGuffins' stolen gold, maybe Charlie won't have to move away after all. Can Charlie's friends help him master his powers once and for all, or will he end up stuck as a pigeon forever? Praise for Charlie Changes into a Chicken: 'This is a really funny book!' Program a graphical adventure game in this hands-on, beginner-friendly introduction to coding in the Python language. Launch into coding with Mission Python, a space-themed guide to building a complete computer game in Python. You'll learn programming fundamentals like loops, strings, and lists as you build Escape!, an exciting game with a map to explore, items to collect, and tricky logic puzzles to solve. As you work through the book, you'll build exercises and mini-projects, like making a spacewalk simulator and creating an astronaut's safety checklist that will put your new Python skills to the test. You'll learn how to use Pygame Zero, a free resource that lets you add graphics and sound effects to your creations, and you'll get useful game-making tips, such as how to design fun puzzles and intriguing maps. Before you know it, you'll have a working, awesome game to stump your friends with (and some nifty coding skills, too!). You can follow this book using a Raspberry Pi or a Microsoft Windows PC, and the 3D graphics and sound effects you need are provided as a download.

The companion to Rex Ogle's award-winning Free Lunch is a searing account of adolescence in a household torn by domestic violence. Punching Bag is the compelling true story of a high school career defined by poverty and punctuated by outbreaks of domestic abuse. Rex Ogle, who brilliantly mapped his experience of hunger in Free Lunch, here describes his struggle to survive; reflects on his complex, often paradoxical relationship with his passionate, fierce mother; and charts the trajectory of his stepdad's anger. Hovering over Rex's story is the talismanic presence of his unborn baby sister. Through it all, Rex threads moments of grace and humor that act as beacons of light in the darkness. Compulsively readable, beautifully crafted, and authentically told, Punching Bag is a remarkable memoir about one teenager's cycle of violence, blame, and attempts to forgive his parents—and himself.

It is the year 2079. Fourteen-year-old Abbey Lane dreams in colors that don't exist anymore. Her life is a drudging routine of protecting her asthmatic genius older brother Paul from dust, and scrounging the ruin of the world with her best friend Max. But when they discover an old notebook in an abandoned university, possibilities open she never imagined. The three set out on an adventure into the past-to 1971 New York City and beyond.

Along the way they rediscover nature, eat pizza, become hippies and befriend a tragic, legendary musician who may hold the keys to Earth's destiny-if only they can save him!

More than one quarter of the US population lives alone. In addition, many other people, like students and young professionals, cook alone on a regular basis. With just a little time and some basic skills, it's easy to knock up knockout meals to enjoy on your own. And there is a clever twist. By cooking the main recipe you are halfway to preparing a second dish that you can enjoy the next day. This not only saves you loads of time and effort but also makes economic sense. How many times have you been left with a solitary chicken breast left in the pack that you don't know what to do with? With Sam's recipes, the problem is solved. From James Preller, the author of Bystander, another unflinching book about bullying and its fallout. The summer before school starts, Sam's friend and classmate Morgan Mallen kills herself. Morgan had been bullied. Maybe she kissed the wrong boy. Or said the wrong thing. What about that selfie that made the rounds? Morgan was this, and Morgan was that. But who really knows what happened? As Sam explores the events leading up to the tragedy, he must face a difficult and life-changing question: Why did he keep his friendship with Morgan a secret? And could he have done something-anything-to prevent her final actions? This title has Common Core connections.

PULITZER PRIZE WINNER • A "vivid and devastating" (The New York Times) portrait of an indomitable girl—from acclaimed journalist Andrea Elliott "From its first indelible pages to its rich and startling conclusion, Invisible Child had me, by turns, stricken, inspired, outraged, illuminated, in tears, and hungering for reimmersion in its Dickensian depths."—Ayad Akhtar, author of Homeland Elegies ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times • ONE OF THE BEST BOOKS OF THE YEAR: The Atlantic, The New York Times Book Review, Time, NPR, Library Journal In Invisible Child, Pulitzer Prize winner Andrea Elliott follows eight dramatic years in the life of Dasani, a girl whose imagination is as soaring as the skyscrapers near her Brooklyn shelter. In this sweeping narrative, Elliott weaves the story of Dasani's childhood with the history of her ancestors, tracing their passage from slavery to the Great Migration north. As Dasani comes of age, New York City's homeless crisis has exploded, deepening the chasm between rich and poor. She must guide her siblings through a world riddled by hunger, violence, racism, drug addiction, and the threat of foster care. Out on the street, Dasani becomes a fierce fighter "to protect those who I love." When she finally escapes city life to enroll in a boarding school, she faces an impossible question: What if leaving poverty means abandoning your family, and yourself? A work of luminous and riveting prose, Elliott's Invisible Child reads like a page-turning novel. It is an astonishing story about the power of resilience, the importance of family and the cost of inequality—told through the crucible of one remarkable girl. Winner of the J. Anthony Lukas Book Prize • Finalist for the Bernstein Award and the PEN/John Kenneth Galbraith Award

The previously untold stories of the life of the leading subject in David France's How To Survive A Plague, Peter Staley, including his continuing activism In 1987, somebody shoved a flyer into the hand of Peter Staley: massive AIDS demonstration, it announced. After four years on Wall Street as a closeted gay man, Staley was familiar with the homophobia common on trading floors. He also knew that he was not beyond the reach of HIV, having recently been diagnosed with AIDS-Related Complex. A week after the protest, Staley found his way to a packed meeting of the AIDS Coalition To Unleash Power—ACT UP—in the West Village. It would prove to be the best decision he ever made. ACT UP would change the course of AIDS, pressuring the National Institutes of Health, the FDA, and three administrations to finally respond with research that ultimately saved millions of lives. Staley, a shrewd strategist with nerves of steel, organized some of the group's most spectacular actions, from shutting down trading on the floor of the New York Stock Exchange to putting a giant condom over the house of Senator Jesse Helms. Never Silent is the inside story of what brought Staley to ACT UP and the explosive and sometimes painful years to follow—years filled with triumph, humiliation, joy, loss, and persistence. Never Silent is guaranteed to inspire the activist within all of us.

It all started with a sexy selfie. Texted to the wrong number. Oops. Not my finest moment—but I have nothing to be ashamed of. She thought I was no better, and I quote, than the knuckle-dragging douche-bags she was never dating again. It was a stupid dare from a girl I'd met online, but since she'd given me a fake number, I didn't feel bad that my interests were suddenly focused elsewhere—on the fiery and sharp-tongued, Peyton that I found myself sparring with over text for the rest of the evening. The following day, my case of mistaken identity came back to bite me in the banana. When I strolled into the office, I was introduced to Peyton as the new client I needed to win over. The Peyton , in case you're not tracking. And let's just say she had my full attention. Brains? Check. Beauty? Oh yeah. And the best part? She hated me on sight. Dear God, do I love a challenge. Let the games begin.
