The GMAT Critical Reasoning Grail spans more than 240 pages and helps you master Critical Reasoning on the GMAT in a systematic way. The book firstly builds a strong foundation by discussing the basics of Critical Reasoning and then addresses each question type in-depth. It then goes a step further and provides you 100 practice questions for intensive practice. Like the Sentence Correction Grail, the Critical Reasoning Grail is written in an engaging manner and will equip you with all the skills that you need to tackle Critical Reasoning questions confidently. This book is superior to the other books available for Critical Reasoning in many ways. The GMAT Critical Reasoning Grail contains the most up-to-date content for Critical Reasoning. For example, while other books focus on Main Point questions, these question types rarely appear on the GMAT now. Similarly question types such as Logically complete the passage, which are increasingly being tested on the GMAT, find no mention in other books, whereas the CR Grail has an entire chapter that discusses this question type. What also distinguishes the GMAT Critical Reasoning Grail is that it helps you master Critical Reasoning

GMAT Roadmap: Expert Advice Through Test Day

The GMAT Roadmap guide provides the definitive blueprint for students to follow as they get ready for the GMAT. All the test-taking wisdom gathered over the years by Manhattan Prep GMAT instructors has been distilled into practical advice and helpful tips. Success of the GMAT requires far more than content knowledge - it requires excellent strategy and proper execution of that strategy. The Guide helps students map out their studying, stick to their game plan, and manage test anxiety on the GMAT itself. It's like having a Manhattan Prep instructor at your fingertips! All of Manhattan Prep's GMAT Strategy Guides are aligned with the 2016 Edition GMAC Official Guide.

conjunction with the Official Guide for GMAT Review, 2015 and 13th Editions. In the Official Guide Companion, each math question is broken down and explained by our expert instructors, who not only have 99th percentile scores, but years of experience teaching the GMAT. The explanations in this book provide detailed, step-by-step approaches to every Problem Solving and Data Sufficiency question in the Official Guide. Where appropriate, The Official Guide Companion also details more than one way to arrive at the solution. And perhaps most importantly, all explanations are accessible and provide a framework for answering the particular question as well as similar questions you may see on the real test. Purchase of this book includes six months of online access to 6 full-length, computer-adaptive practice exams and GMAT Navigator.

Considered the gold-standard in GMAT test prep, Manhattan GMAT's ten strategy guides are the first books on the market to be aligned with the GMAC Official Guide, 2015 and 13th Editions. Fully updated and revised to deal with

ACE THE GMAT is based on a simple but powerful
observation: Test-takers who score high on the GMAT exam
do so primarily by understanding how to solve a finite number
of the most important, recurring problems that appear on the
GMAT. What are these important, recurring problems? The
answer to this question is the basis of this book. This manual
provides in-depth analysis of over 200 all-star problems that
are key to mastering the seven major GMAT problem types
including Problem Solving, Data Sufficiency, Sentence
Correction, Critical Reasoning, Reading Comprehension,
Analytical Writing, and Integrated Reasoning. Apart from
providing readers with answers and full explanations, a
special feature of this book is that each problem is
categorized by type ("classification"), rated by difficulty level
("chili rating"), and supplemented with a problem-solving
strategy ("snapshot"). "Chance favors the prepared mind."
Whether you're a candidate already enrolled in a test-prep
course or are undertaking self-study, this guidebook will serve
as a rigorous skill-building study guide to help you conquer
the math, verbal, analytical writing, and integrated reasoning
sections of the exam. Studying for the math and verbal
sections of the GMAT exam requires some 100 hours of
study time. This book's content is conveniently divided into

This book contains the necessary ingredients to succeed on the GMAT--it skillfully teaches the essential components

of test taking through a clever blend of aggressiveness, logic, and relaxation. After practicing the techniques herein, the trepidatious test taker can expect to enter testing arenas with a greater confidence to achieve that may have alluded them in the past." -- Dr. Jason Smith, School and Clinical Psychologist "Full Potential GMAT Sentence Correction Intensive is by far and away the most advanced study aid available for the sentence correction section of the GMAT. We highly recommend this guide to all test takers seeking the 700+ scores the top business schools like to see." -- David Petersam, President, AdmissionsConsultants

The Official Guide Companion for Sentence Correction is designed to be used in conjunction with the Official Guide for GMAT Review, 2015 and 13th Editions. Written by Manhattan GMAT's 99th-percentile instructors, this book breaks down and explains each of the 140 sentence correction problems contained in the GMAT Official Guide in a clear and simple manner accessible to students of all ability levels. The explanations in this book focus in on the solving process and work to emphasize the connection between sentence meaning, structure, and correct grammar. Furthermore, all explanations align with the

methodology and grammar rules taught in Manhattan GMAT's complete courses and provide a framework for answering any sentence correction questions you may see on the real test. Purchase of this book includes six months of online access to 6 full-length, computer-adaptive practice exams and GMAT Navigator.

The Turbocharge Your GMAT series is the result of this arduous effort of Manhattan Review, which offers GMAT weekend crash courses, GMAT one-week intensive courses, GMAT weekday and weekend long courses, GMAT online workshops, free seminars, and private GMAT tutoring to students in the US, UK, Continental Europe, Asia and the rest of the world. Its website has a wealth of free information and promotions including free offers to World MBA Tour Fairs, free MBA Panel Discussions, free GMAT & MBA Admissions Workshops, free downloads, MBA and GMAT essentials, free InFocus Newsletters, free interview articles, and more. Its website

www.manhattanreview.com is frequently updated with free resources! If you reside outside of the US, please refer to the International Location section for your local content. Manhattan Review's origin can be traced directly to an Ivy-League MBA classroom in 1999. While lecturing on

advanced quantitative subjects to MBAs at Columbia Business School in New York City, Prof. Dr. Joern Meissner was asked by his students to assist their friends, who were frustrated with conventional GMAT preparation options. He started to create original lectures that focused on presenting the GMAT content in a coherent and concise manner rather than a download of voluminous basic knowledge interspersed with so-called "tricks." The new approach immediately proved highly popular with GMAT students, inspiring the birth of Manhattan Review. Over the past 15+ years, Manhattan Review has grown into a multi-national firm, focusing on GMAT, GRE, LSAT, SAT, and TOEFL test prep and tutoring, along with business school, graduate school and college admissions consulting, application advisory and essay editing services. The highly-acclaimed Manhattan Review Turbocharge Your GMAT preparation materials include about 600 pages of well-illustrated and professionally presented strategies and originally written problems for both the Verbal Section and Quantitative Section, 200 pages of detailed solutions, and more than 300 pages of internally developed Quantitative Glossary and Verbal Vocabulary List with detailed definitions, related words and sentence

examples. The detailed breakdown of exclusive practice problems per category is 40+ Reading Comprehension passages, 60 Critical Reasoning questions, 250 Sentence Correction questions, and 300+ Quantitative questions.

presenting every major grammatical principle and minor grammatical point tested on the GMAT. Students learn to master the rules for correcting every GMAT sentence and to avoid relying solely on their (imperfect) ears. The book offers a unique balance between two competing emphases: test-taking strategies and in-depth content understanding. Practice problem-sets build specific foundational skills in each topic and include the most advanced content that many other prep books ignore. As the average GMAT score required to gain admission to top b-schools continues to rise, this guide provides test-takers with the depth and volume of advanced material essential for succeeding on the GMATs computer adaptive format. Book also includes online access to 3 full-length Simulated Practice GMAT Exams at Manhattan GMATs website.
