I thought Speed Dating would be a waste of time, and then my hunky stepbrothers show up with their gorgeous friends Nick and Oscar. I'm mortified: they might think I'm an easy lay or that any of this is my idea. It's not, I was dragged here by my BFF. Seven minutes with each man is long enough to find out that Nick and Oscar are funny, charming, and sweet. Their smiles make me blush. And I'd like to meet them again and get to know them better. It is also enough time to discover my stepbrothers both have the hots for me. Matthew Harris has the decency and good sense to know he must not do anything about our mutual attraction, not when we live under the same roof. However, his twin brother, Luke wastes none of his seven minutes on small talk. He wants to take me home to do the filthy things I've only dreamed of. And I'm not about to say yes. How can I choose one of their friends when all four men want me? What happens, I don't want to mess up my future career as a respectable children's author. I just want to settle down and have a big family of my own someday. SPEED DATE is a sizzling romance with a very happy ever after ending. *A full-length standalone romance. *No cliffhanger. *No cheating.

The complete Noc City Trilogy in one pretty package! Book 1 Noc City Book 2 Blood Moon Book 3 Hybrid Theory Book 1 Noc City They call me the Angel of Noc City, but it's all a lie. The cameras see what they want to see as my father spins half truths and dangerous propaganda. Darklings are dangerous. Monstrous. Unholy. They're a threat to humans everywhere, and they need to be destroyed, despite the decades of peace. What happens when Noc City's poster girl discovers she's one of the monsters they fear? I can tell you what happens. Chaos. Fear. War. I thought death was my only way out. Sweet, dark oblivion. But I was wrong. The way out might just be through a web of chains, blood, and cravings...of sex, pain, and betrayal. My way out of this hellish rest in the hands of the most dangerous creatures Noc City's ever known. Book 2 Blood Moon I've been beaten... I've been humiliated... I've been shackled... I've peeped behind the masks and uncovered a world of secrets and evil I never knew existed. Now it's time to choose my side. These men are ruthless, powerful leaders who have seen things I could only dream of. They're cunning, sinister and too alluring for their own good. I've gone from captive to complicit in a matter of weeks, and they're tempting the darkest parts of myself I've hidden for so long now. I know what needs to be done. Even if it means jumping right back into the snake pit. I'm a darkling, after all, and I'll fight tooth and claw to bring justice to my kind. All bets are off because I'm out for blood. Book 3 Hybrid Theory I'm changing... From the inside out I'm changing and I can't stop it. Who I was, who I thought I could be... It's all gone now. A single moment was all it took to shatter everything I thought I knew about myself. A single moment was all it took to make me the most wanted woman in the world. This is a DARK reverse harem series with a LOT of blood, MMF, and swears, not to mention references to suicide, abuse, and trauma. 18+ due to graphic violence and sexual

An academy reverse harem fantasy romance series. I shouldn't be here, and even I know it. Blackbriar Academy is an enchanted school on a magical island, and everyone wants in. It's a home away from home for the most advanced mages in the world-and only the absolute best of the best are given an invitation. By some freaky accident, I managed to get one. If I pass the trials, I get to stay. With nowhere else to go, Blackbriar is my one shot at having a real life, and I won't let anyone take that from me. But there's a catch. It turns out the people on this island are being trained to hunt the darkness-basically, they're being trained to hunt me. To survive, I have to embrace what I am. As a half-mage, I shouldn't have any magic at all. And yet, my natural abilities are almost impossibly powerful-and incredibly illegal. Over history, magic has corrupted the souls of those who were born with it. They've all gone on razing towns and murdering hundreds of thousands throughout history. All but me, and I have no idea why. As the trials get more and more challenging, it's clear I'm being hunted. If I'm caught... I die. At Blackbriar Academy, nothing is ever as it seems... but I have nowhere else to go. Nothing, and no one, will stand in my way. Trials of Blackbriar Academy is a full-length novel with a badass heroine, a riveting storyline, and an alternative relationship dynamic that supports our badass heroine's right to choose more than one man. Get ready for a heart-pounding story filled with academy fantasy romance unlike anything you've read before. Buckle in for heart-pounding action, breathtaking magic, deadly assassins, four drop-dead gorgeous leading men, lots of toned muscles, and most importantly-a young woman's journey of justice, self-discovery, and freedom. READ THE WHOLE SERIES The Blackbriar Academy: a riveting and addictive academy fantasy romance series. Book 1: The Trials of Blackbriar Academy Book 2: The Shadows of Blackbriar Academy Book 3: The Hunt of Blackbriar Academy Book 4: The Blood Oath of Blackbriar Academy Book 5: The Battle for Blackbriar Academy Publisher's Note: The Blackbriar Academy saga is an adult urban fantasy series with explicit scenes and is meant for mature readers who enjoy spellbinding stories with a few very steamy, fan-your-face moments in the fantasy fiction.

Drawing on the most important studies in psychology, human aggression, anthropology, and primatology, and on hundreds of original interviews conducted over a period of more than 20 years, this groundbreaking treatise urges women to look within and to consider other women realistically, ethically, and kindly and to forge strong and compassionate alliances. Without this necessary next step, women will never be liberated. Detailing how women's aggression may not take the same form as men's, the investigation reveals--through myths, plays, memoir, theories of revolutionary liberation movements, evolution, psychoanalysis, and childhood development--that girls and women are indeed aggressive, often indirectly and mainly toward one another. This fascinating work concludes by showing that women depend upon one another for emotional intimacy and bonding, and exclusionary and sexist behavior enforces female conformity and discourages independence and psychological growth. Aleister Crowley's The Book of Lies is an important and complex work of occultism.

Deciphering its many layers of hidden meaning requires a little patience and more than a beginner's knowledge of Thelema. For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of The Book of Lies from Kismet Publishing restores all of Crowley's original text, including the important keys, sigils and diagrams often omitted from reprints.

Look Homeward, Angel by Thomas Wolfe is about a young man's burning desire to leave his small town and tumultuous family in search of a better life, in 1929. It is Wolfe's first novel, and is considered a highly autobiographical American coming-of-age story. The character of Eugene Gant is generally believed to be a depiction of Wolfe himself. The novel covers the span of time from Eugene's birth to the age of 19. The setting is the fictional town and state of Altamont, Catawba, a fictionalization of his home town, Asheville, North Carolina. Rich with lyrical prose and vivid characterizations, this twentieth-century American classic will capture the hearts and imaginations of every reader.

Their Will Be Done

My name is Tegan Manawar, and I am the Heir to the Magiorchy Empire on Earth. Or, at least I was until I was deemed Unclean, Impure, and Corrupt. My Fae lover has tainted me with her touch... and her love. Now, I am hunted by my family for the crime of passion.To survive, I must delve into the depths of Stone Mountain, searching for the power of the Divine Serpent. Somewhere buried under its rocky depths is the power that I need to put an end to the war, and bring peace to the nine worlds.But, darkness hides inside of the mountain, and it has waited for a chance to escape for centuries. Bound and warded, the ancient spawn of corruption waits for me. I need her power, but will the price be too high?I have forgotten that magic that is easily obtained... is a temptation to the foolish... And, the lure of a predator.Publisher's Note: Blood of the Fae is a reverse harem series with explicit scenes and a strong female lead who fluctuates back and forth between her male and female lovers. She is a woman who

makes mistakes on an epic scale--routinely--and tries to learn from them. This series is meant for mature readers who love alternative earth settings where things went a little different than our timeline. It is a mixture of action adventure, horror, and romance that will either make you stand up and clap or die of apoplexy. My reviews are usually either a 5, or a 1, depending on whether you enjoy polyamorous love triangles and harem influences, or you are repelled by them. I hope that you enjoy Tegan's adventures, both in and out of her bedroom.

I never thought I'd be singing happy birthday to myself in a dungeon. And yet when a sinfully sexy demon crashes happy hour, that's exactly what happens. He's known as the Lord of Chaos, he's mistaken me for my succubus doppelgänger. Happy birthday to me. When he tastes my blood, he finally understands I'm mortal. And I realize we have something in common: we both crave revenge. So we make a deal: I can stay in the forbidden city to hunt for my mom's killer. In return, I'll help him get the vengeance he craves. I just have to pose as a sexy succubus. One problem--he's my number one suspect. And that's increasingly hard to remember as he teaches me my role: seduction. With each heated touch I drift further into peril. And if I fall under his seductive spell, death awaits me. "I flew through this book... Hot demon lord-check. Action-check. Romance-check. And there's spice! If you love my books, you definitely want to read this one." -Laura Thalassa

This is the book that started it all! The basis for the smash hit Tony Award-winning Broadway musical, Gregory Maguire's breathtaking New York Times bestseller Wicked views the land of Oz, its inhabitants, its Wizard, and the Emerald City, through a darker and greener (not rosier) lens. Brilliantly inventive, Wicked offers us a radical new evaluation of one of the most feared and hated characters in all of literature: the much maligned Wicked Witch of the West who, as Maguire tells us, wasn't nearly as Wicked as we imagined.

There were four men in my mind. Two in the past, two in the present. How was a girl supposed to think like that? Being stuck in the past is the least of Lainie's worries. Hjalmar is missing, lost in time, and there's no way she can bring him back on her own. To survive the harsh reality of Viking life, she'll have to make new friends... but what if some of them want to be more than just friends? A time travel reverse harem full of action, intrigue and hot Vikings. Part of the Time Travel Academy world. This is a serial split into five episodes, perfect for sweetening your lunch break or as a quickie before bedtime. Episodes will be released every two weeks. Search terms: reverse harem romance, academy romance, college, university, menage, Viking, Norse, London, Britain, UK, English, time travel, futuristic, science fiction romance, love, new adult, mfmm, serial, teacher, professor, mystery, library, mission, steamy, polyamorous, runes, Old Norse, Norsemen, alpha male, adventure, action, historical, coming of age.

I'd always known New Orleans was magic; what I didn't know was how dark that magic was. When a group of three, mysterious men showed up at the restaurant where I work, I had no idea they would be the catalyst to a string of events that would shoot me out of my world and into something out of a fantasy. All of a sudden, I'm being chased by freaks through a park, I'm learning

some truths about the world that make my entire life seem like a lie, and all the while I'm trying to keep my sanity in check so I can find my friend and put things back to normal again. But normal isn't something I'm going to be able to go back to any time soon, because I'm about to see things I just won't be able to forget, and even if I did, those things would haunt my dreams; dreams which were about to become very real. They say they have answers for me, these three strange men who appeared one night as if fate had brought them to me. They say I have to trust them if I want to make it through this alive. But how can I trust them when I can't trust the very world I've come to know throughout my entire life? Twisted Fate is the first in a brand new series by Tansey Morgan, author of the hit debut novel, 'Serpent's Touch', and the Last Serpent series. Continuing to write in the style she is best known for, Tansey delivers a story set in modern day New Orleans, where one woman must face off against an unknown and unknowable foe, all while discovering who she really is as a person, and navigating a complicated romantic situation. If you love the paranormal romance and urban fantasy genres, if you like your stories to have a little bite in them, if you aren't scared of excitement, if you don't like having to choose between love interests and would rather have them all, then this is the book for you. Disclaimer: this book is part of a continuing series of novels, all which will follow the same arc over many books, but each which will tease into the next - expect to be left with questions at the end. As a reverse harem fantasy novel, you can expect there to be action, magic, intrigue, and multiple primary love interests. Sexual content will also form a part of this series, as will swearing and violence. If you're happy with all of this, then... Pre-order Twisted Fate today, and get in on the ground floor!

The Bone Witch meets Sherlock Holmes in this thrilling historical fantasy about a girl with the ability to raise the dead who must delve into her city's dangerous magical underworld to stop a series of murders. Catherine Daly has an unusual talent. By day she works for a printer. But by night, she awakens the dead for a few precious moments with loved ones seeking a final goodbye. But this magic comes with a price: for every hour that a ghost is brought back, Catherine loses an hour from her own life. When Catherine is given the unusual task of collecting a timepiece from an old grave, she is sure that the mysterious item must contain some kind of enchantment. So she enlists Guy Nolan, the watchmaker's son, to help her dig it up. But instead of a timepiece, they find a surprise: the body of a teenage boy. And as they watch, he comes back to life—not as the pale imitation that Catherine can conjure, but as a living,

xTo me, the apocalypse has always been just a story. I was born years after the last big city crumbled, and this life is all I've ever known. Raised by a respected, ex-militia father, I've never known the true hardships of what this world can dish out. All I had to do was stay at home, in the bubble of safety he made for us. Instead, I left the only home I've ever known to find something worth believing in. I was supposed to steer clear of Kentucky, not march myself and my mountain lion right up to the river and announce myself with an unfortunate flourish. But here I am, and now I have to face everything being away from home has in store for me. This place is a war zone, and people are dying whether I stay or go. But most people are too afraid to fight, even as they lose their homes and lives. I shouldn't stay, when anyone can see this place is doomed. They have no leader and even with an escaped acolyte of the church, a serial killer, an arsonist, and whoever else is following me around, we have no chance in hell of getting this place back. But if I don't step up for these people, who will?

A strong siren, sexy dragon-shifters, mysterious Fae, a murderous mage, and a vengeful dragon king make this fast burn reverse-harem romance a wild, steamy adventure! Some secrets are better kept hidden... My grandfather still wants me dead, especially after I foiled his plot to annihilate the shifter race. He's planning revenge—not just against me, but also my mates and our unhatched eggs. I can't help but be suspicious when the fae claiming to be my father suddenly wants to be part of my life, forcing my mates and me to follow him to the mystical fae realm, a mysterious place that leaves me with more questions than answers and fills my heart with dread. In my dreams, I remember bits and pieces of my past life. I was a queen and in love with my guard. All the queens before me had harems, both for protection and to help them wield their elemental powers. I was the first to refuse this, wanting only one man to be mine. It led to my death. Now fate has granted me a second chance. Five men are destined to become my guards and join my harem. With lavender eyes that seem to stare straight to my soul, Davin intrigued me from the moment we first met. Part of me wonders if he is supposed to be mine. The High Mage says I'll recognize my guards by touch. I've already found two, but there are still three more. The prophecy says that one

of them is destined to betray me. And as I find myself growing closer to Davin, I cannot silence the lingering doubt that he could be the one. Can I trust him with both my life and my heart? The Sumerians

The Sumerians, the pragmatic and gifted people who preceded the Semites in the land first known as Sumer and later as Babylonia, created what was probably the first high civilization in the history of man, spanning the fifth to the second millenniums B.C. This book is an unparalleled compendium of what is known about them. Professor Kramer communicates his enthusiasm for his subject as he outlines the history of the Sumerian civilization and describes their cities, religion, literature, education, scientific achievements, social structure, and psychology. Finally, he considers the legacy of Sumer to the ancient and modern world. "There are few scholars in the world qualified to write such a book, and certainly Kramer is one of them. . . . One of the most valuable features of this book is the quantity of texts and fragments which are published for the first time in a form available to the general reader. For the layman the book provides a readable and up-to-date introduction to a most fascinating culture. For the specialist it presents a synthesis with which he may not agree but from which he will nonetheless derive stimulation."—American Journal of Archaeology "An uncontested authority on the civilization of Sumer, Professor

The thing about fairy tales is, there's usually a catch. This one was no exception. The day I, Lilith Palmer, stopped being the Hot Topic girl and became something else started as any other, but ended in the car of a devilishly handsome man whose net-worth was probably higher than the entire neighborhood I lived in; not my usual Tuesday night. That, however, was only the start of the weird path I was about to set off on; a path that would take me to a place where reality collides with magic, where I find out everything I knew about the world I lived in was a lie, and where I'm the only woman present.

There are five of them - five of the most interesting, sexy, and probably dangerous men I have ever met. They live in a mansion in the middle of rural Germany, a mansion protected by magic. And they tell me not only do they have supernatural abilities, but that I have them too, and they're here to help pull them out of me. Sounds like a dream, until that catch comes up.

Supernaturals are being hunted down for the energy they possess, myself especially, and if they don't act fast to bring me into the fold, a fate worse than death awaits all of us. But triggering my supernatural side to come out won't be easy, not before I'm ready, and when the hunters step up their game and the window starts to close, it'll take everything I have in me just to stay alive; no matter how many men would put their lives on the line to protect me.

Serpent's Touch is the first book in a brand new paranormal REVERSE HAREM series by Tansey Morgan. If you love the paranormal romance and urban fantasy genres, and want to read something that not only straddles the line between both, but introduces not one, but five love interests, then this is the book for you. Disclaimer: this book is part of a continuing series of novels, all which will follow the same arc over many books, but each which will tease into the next - expect to be left with questions at the end. As a reverse harem urban fantasy, you can expect there to be action, magic, intrigue, and multiple primary love interests. Sexual content will also form a part of this series, as will swearing and violence. If you're happy with all of this, then... Scroll up, hit buy now, and dive into this sexy paranormal world!

Fairy Tales aren't just for children anymore...When I was a little girl, my mother told me I was a princess, and that one day, I'd be surrounded by princes.

Together, she said, my princes and I would do great things. But that was before I knew about death, torture, or wicked stepmothers. That was before my entire

world became a living hell. Now, I'm not a child anymore, and I don't believe in bullshit like fairy tales and happy ever afters. By day, I attend the University of Freiburg. By night, I stalk the forest, searching for the monsters that stole my mother from me and ruined my life. After all these years, I didn't really expect to find them. It's not as if there are witches and charmed cottages and handsome warriors just hiding in the Black Forest, am I right? Yeah, you guessed it. I'm wrong. There's far more hiding in the shadows than I could have imagined, and nothing will ever be the same again. "Snow's Soldiers is epic paranormal fantasy at it's best. Captivating, complicated characters, sizzling romance, and plot twists that will keep you guessing right until the last page--when can I read the next book?" -USA Today Bestseller N.M.

Nothing could have prepared me for a traitor. I thought I knew the world I was thrust into. I thought I could trust the actions of the men protecting me. I thought sharing an evening with Ren would let him open up to me. But I was wrong. Wrong, wrong, wrong. Now what choice do I have? Can anyone blame me for what I'm about to do? USA Today Bestselling Author Becca Fanning is proud to bring you this Reverse Harem Academy Romance serial, packed with all the action, intrigue and great chemistry you can handle!

Two years ago, Reed Jackson betrayed Calliope Thorne and broke her heart. So she stole his most prized possession - a white mustang - and drove it into the lake for revenge. Now, Callie is stuck at a reform school while Reed is off at college, living his life without repercussions. Until he comes back. With him comes back all the feelings that Callie has been trying to bury: anger and heartbreak. But most of all, desire. At the sight of his beautiful but lying lips and his gunmetal gray eyes that still taunt and smolder when he looks at her. Whatever though. It's not as if Callie is ever going to fall for her ex-boyfriend again. Or let him corner her in a bar one night and touch her, kiss her... Neither is she going to kiss him back. Or worse, sleep with him. Because that would make her naïve and foolish. Oh, and also pregnant. And there's no way Callie is ever going to get pregnant at eighteen and with Reed's baby, no less. The guy she hates. The guy who taught her all about heartbreak. Who might look like a gorgeous hero but really is the villain of her story. NOTE: A standalone novel set in the world of St. Mary's and INCLUDES the prequel, The Wild Mustang & The Dancing Fairy KEYWORDS: Sports romance, forbidden romance, Good girl bad boy romance, bad boy romance, alpha male romance, enemies to lovers romance, college romance, bully romance, angsty romance, opposites attract romance, high school romance, second chance romance, accidental pregnancy romance

"She is mine to protect, mine to shelter, mine to feed and mine to cover. When she is weak, I shall be her strength. She was stolen from her world by our captors. Now her survival is my responsibility. It is her duty to endure my lust, respect my nest mates and honour our union with offspring. I revere this giver of life, as is the way." ~ Venomous One, formerly of Rök, enslaved gladiator Abducted from Earth and transported to a slave planet in an unknown galaxy, Lumen finds herself, shackled, naked and put on display before an alien horde. Told the males will battle for the right to slake their lusts with her body, she would become the slave of slaves. Venomous One, a proud warrior enslaved, has given up hope of returning to his home world and finding a life mate. When a female is tossed into the arena his soul demands he claim her. Winning his mate by Right of Might, he vows to protect Lumen and be a good provider, no matter how ugly her human appearance. Rescued by Venomous' people, the couple face space pirates, the condemnation of an alien government, galactic war, and a deadlier threat from within the warrior's own kindred.

From the author of Serpent's Touch comes a wicked story of love, loss, and terrible danger. In a world where Kings and Queens make court, where monsters are real, and magic is to be feared, there exists a great and terrible labyrinth of unknown origin, lorded over by an equally enigmatic and mysterious King. No one who enters the labyrinth without the King's permission leaves, those who defy the King are thrown in as punishment, but for everyone else who lives within this King's domain, the labyrinth is a source of safety and protection. For Cailyn, the labyrinth is about to become a nightmare from which she can never awaken. The Labyrinth Queen is the first in a brand new series by Tansey Morgan, author of the hit debut novel, 'Serpent's Touch', and the Last Serpent series. Departing from her usual style of contemporary paranormal romance in favor of the fantastical, Tansey offers a spellbinding story filled with twists, turns, magic, and danger, told from the standpoint of a woman who questions her own self worth, but yearns to find it. More than just that, however, Tansey introduces us to the love interests in the story by giving you their unique points of view, allowing you to follow this Reverse Harem novel through the eyes of not just one, but many viewpoints. If you love the paranormal romance and fantasy genres, if you like your stories to have a little bite in them, if you aren't scared of excitement, then this is the book for you. Throughout his career, Eduardo Galeano has turned our understanding of history and

reality on its head. Isabelle Allende said his works “invade the reader's mind, to persuade him or her to surrender to the charm of his writing and power of his idealism.” Mirrors, Galeano's most ambitious project since Memory of Fire, is an unofficial history of the world seen through history's unseen, unheard, and forgotten. As Galeano notes: “Official history has it that Vasco Núñez de Balboa was the first man to see, from a summit in Panama, the two oceans at once. Were the people who lived there blind??” Recalling the lives of artists, writers, gods, and visionaries, from the Garden of Eden to twenty-first-century New York, of the black slaves who built the White House and the women erased by men's fears, and told in hundreds of kaleidoscopic vignettes, Mirrors is a magic mosaic of our humanity.

Elia is a poor university student until the night she's taken to the world of the Anima—ruled by humans whose ancient hearts pulse with the blood of animals. There she's forced into a battle to the death. But when Elia survives, and refuses to kill her final opponent, the King must either kill Elia himself, or take her as his mate. Reth, the brutal King of the Beasts with the blood of lions, shocks everyone when he chooses the weak, human Elia to become his Queen. He promises her every comfort of his wealth and position—but he is clear: She will not warm his bed. He chose her to defeat those that were trying to corner him into blending his Leonine line with the Wolves. Elia needs the help of the Anima to become stronger and rule them well. But the vengeful Wolves see only a weak human that brought them shame. As Elia and Reth grow closer, the wolves are determined to destroy her. Will Reth and Elia admit their feelings for each in time to fight for the Kingdom—and their lives—against the villainous wolf-tribe? Or will the wolves kill Elia and steal the throne? [Mature content - no sexual violence] *** He stalked towards her, chin low so the shadow cast by his hard jaw cut across the thick fur collar of his vest. His hair had fallen over his eyes in the scuffle, so he peered at her through it like a lion in the grass. With each step, his graceful, rolling gait reminded her of a predator stalking its prey. Despite the forest floor littered in twigs and leaves, he didn't make a sound. “Wh-who are you?” Elia stammered, backing away, her hands up. He met her step for step until she came up hard against the tree behind her—and didn't stop until he loomed over her, so broad his shoulders and chest made a wall in front of her. She could feel the heat rising off his skin in the cool, night air. “I am the Leonine King.” His voice was a dark, husky gravel. Behind him a chorus of wheezes, howls, and chirps of agreement rose from the people watching. “And you are?” “Elia,” she breathed. “Elia,” he growled, leaning in closer, bringing with him the scent of pine and rain and the musk of something distinctly male. “I am Reth.” He said the name with a strange, guttural roll in his throat. “I am King of Beasts. I am**

Clan Leader, and I am Alpha of WildWood.” Several snarls rose from the crowds behind him then, but he ignored them. Elia swallowed as he leaned in until the scruff on his jaw rasped her cheek. “I am the King,” he said, “And you will be my mate.” The forest behind him erupted. (Cover Art used by permission.
