Five-year-old Cally waits in her pretty pink bedroom for the sound of the front door opening and her mother's sweet voice in the hall. But when the doorbell finally rings, and Cally creeps out of bed to peer through the banister, a large man in uniform is all she sees. Her mother is missing... Teacher Annabel Braddock was last seen drinking at the local pub with her best friend, Jennifer. Witnesses saw tears running down her cheeks, and friends say she was having problems with a colleague at work, and that her marriage had broken down. But as the two women hugged goodbye, neither noticed the car speeding towards them. As the dust settled, Jennifer lay unconscious on the ground and Annabel was nowhere to be seen. She'd never abandon her little girl, so did someone snatch her? As family crowd around Jennifer's hospital bed, hoping she'll wake up, police visit Annabel's home and her inconsolable daughter, Cally, tells them she had seen a man outside staring into her room as she climbed into bed that evening. Was it her childish imagination, or had someone been watching Annabel's home? When Jennifer finally opens her eyes and tells the police what happened that night, it's clear there are plenty of people with a reason to harm Annabel. With an unpredictable husband, a colleague who denies harassing her and a neighbour who seems to know her every move, could she be in imminent danger? Recovering drug addict and actor Jack Palms leaves Hollywood and ends up in San Francisco where he unwittingly becomes involved with a group of former KGB agents turned drug dealers and a beautiful bartender who is gunning for his life.

The moon shines through the open window, bathing the woman in pale light. Blood-red wine from a shattered glass soaks into the cream blanket beside her, and her dull eyes stare vacantly at the framed photograph in her hand. When beautiful wife and mother Alicia Gordon is found dead in a remote woodland cabin, Detective Amanda Steele is shocked to discover that she knows the husband. Amanda hasn't spoken to Tony since she lost the love of her own life seven years ago, and seeing tragedy tearing her old friend's family apart brings back so many painful memories. Alicia was alone when she died, but she was so young, and Amanda can't help feeling suspicious. Then she discovers that Alicia's sleep medication had been tampered with, slowly poisoning her over several days. Amanda wants to trust that the sorrow on Tony's face is real, but the more she digs into his marriage, the more it seems that he had opportunity, and motive... Interviewing one of Alicia's old colleagues, Amanda is shaken to her core when the woman suddenly collapses in her arms, dying in seconds from a lethal dose of the same poison that killed Alicia. But what could link this woman to Tony? With her partner blaming Amanda for not arresting Tony immediately, she needs to prove that he isn't the killer, or accept that the second woman's death could be on her hands. She's running out of time and leads when she discovers threatening messages sent to both victims. It's the final clue to unmasking the most twisted killer Amanda has ever come up against, and to stop them she'll have to risk everything... Police Chief Justin Westwood is content to escape his big-city past in sleepy East End Harbor, but the brutal murder of a Wall Street shark is about to change all that--not least because Westwood was in bed with the victim's wife at the time. National bestselling author Russell Andrews returns with an intricately layered novel of suspense, as Justin Westwood tries to clear himself of involvement in murder while a multinational financial conspiracy brings destruction in its wake. Westwood is willing to do whatever it takes to solve this crime, even if it means teaming up with an FBI agent who once broke his heart. A trail of dead bodies draws him back home to Providence, RI, where he must deal with his own personal demons as well as reconnect with troubling memories of the past. Here he will discover a complex corporate scam with unimaginably murky depths, and at the heart of it an evil, scheming intelligence and a deadly temptress whose greatest joy lies in human suffering and death. HADES is a dark and atmospheric tale of obscene wealth and sadistic violence, opposed by one flawed but honorable man.

A long-lost manuscript may reveal the past—or destroy the future—in “a wildly imaginative thriller that fans of Dan Brown and Steve Berry will love” (Phillip Margolin, New York Times–bestselling author). Lee Nicholson is ready to take the academic world by storm, having discovered a sonnet she believes was written by William Shakespeare. But when she reads the poem on the air, the words put her life in peril and trigger a violent chase—with stakes that reach far beyond the cloistered walls of academia. Buried in the language of the sonnet, in its allusions and wordplay, are secrets that have been hidden since Elizabethan times, secrets known only to the queen and her trusted doctor, but guessed at by men who seek the crown and others who seek the world. If the riddles are solved, it could explode what historians know of the great Elizabeth I—and release a terrifying pandemic. Lee's quest for the answers buried in the sonnet keeps her one step ahead of an international hunt—from the police who want her for murder, to a group of men who will stop at nothing to end her quest, to a madman who pursues the answers for destructive reasons of his own. As this intelligent thriller moves back and forth between Tudor England and the present day, Lee begins to piece together the meaning behind Shakespeare's words, carrying the story to its gasp-out-loud conclusion. “Imaginative plotting and depth of character distinguish this centuries-spanning thriller.” —Publishers Weekly “Will have you on the edge of your seat . . . a roller-coaster ride of a book.” —C. W. Gortner, international-bestselling author of The Last Queen

Her head throbbed as she stumbled up the stairs. Music vibrating and the sound of partygoers fill her head as she walks into one of the dark, empty rooms. As she

*sits on the bed, she hears the unmistakable sound of the door locking behind her. She is not alone. The body of college student Chrissie Lowe lies curled into a ball – long red cuts along her arms suggesting how she had met her death. Detective Jenna Alton is called in to investigate. Purplish bruising on Chrissie’s upper arms and thighs make Jenna believe there is more to Chrissie’s death than others suspected, and she soon finds herself following the trail of the student’s last few moments, leading her to the scene of a party that had ended just hours before Chrissie’s body was found. When Jenna hears reports that Chrissie was seen going into the bedroom of a college football star, she knows that finding out what went on behind that closed door could be the key to finding out how Chrissie ended up dead. But then another partygoer dies in an apparent accident at the campus gym just hours later, and Jenna is convinced the deaths are connected. Facing a wall of silence from the student population, Jenna has to act fast to find the killer, but soon another student is found dead on the campus. As Jenna sends in one of her deputies undercover, she prays that she hasn’t just sealed his fate. Can she find the killer before any more lives are taken?
