

Seven Troop

This paper clearly shows the immediate relevancy of historical study to current events. One of the most common criticisms of the U.S. plan to invade Iraq in 2003 is that too few troops were used. The argument often fails to satisfy anyone for there is no standard against which to judge. A figure of 20 troops per 1000 of the local population is often mentioned as the standard, but as McGrath shows, that figure was arrived at with some questionable assumptions. By analyzing seven military operations from the last 100 years, he arrives at an average number of military forces per 1000 of the population that have been employed in what would generally be considered successful military campaigns. He also points out a variety of important factors affecting those numbers—from geography to local forces employed to supplement soldiers on the battlefield, to the use of contractors—among others. Sometimes the toughest battle you fight is with yourself... Two tours of Iraq under his belt, Sergeant Dave Henley has seen something of how modern battles are fought. But nothing can prepare him for the posting to Forward Operating Base Senzhiri, Helmand Province, Afghanistan. This is a warzone like even he's never seen before. He's in charge of 1 Platoon, a ragbag collection of rookies who he must meld into a fighting force, and fast. The Afghanistan conflict is as harsh and unforgiving as the country itself. Their convoy is ambushed before they even reach the FOB, and two of his men are grievously wounded, one scorched beyond recognition, the other left with only one leg. Back at home, the families of the men - and women - at the front wait anxiously for news. Dave's wife, Jenny, seven months pregnant, must try to hold together the fragile lives of those they left behind, all of whom remain in constant dread of the knock on the door and the visit from the Families Officer, whose job it is to deliver the bad news... War Torn traces the interwoven stories of one platoon's experience of warfare in the Twenty First Century. Packed with the searing danger and high-octane excitement of modern combat, it also explores the impact of its aftershocks upon the soldiers themselves, and upon those who love them. It will take you straight into the heat of battle and the hearts of those who are burned by it.

A spellbinding novel of World War II based on the little-known history of the X Troop—a team of European Jews who escaped the Continent only to join the British Army and return home to exact their revenge on Hitler's military. A lone soldier wearing a German uniform stumbles into a British military camp in the North African desert with an incredible story to tell. He is the only survivor of an undercover operation meant to infiltrate a Nazi base, trading on the soldiers' perfect fluency in German. However, this man is not British-born but instead a German Jew seeking revenge for the deaths of his family back home in Berlin. As the Allies advance into Europe, the young lieutenant is brought to recover in Sicily. There he is recruited by a British major to join the newly formed X Troop, a commando unit composed of German and Austrian Jews training for a top secret mission at a nearby camp in the Sicilian hills. They are all "lost boys," driven not by patriotism but by vengeance. Drawing on meticulous research into this unique group of soldiers, *The Last of the Seven* is a lyrical, propulsive historical novel perfect for readers of Mark Sullivan, Robert Harris and Alan Furst.

It is indeed remarkable, since the archives of the Second World War must have been pillaged, ransacked, burrowed into, and turned over almost as thoroughly as Monte Cassino itself, that no book has been written about one of the strangest units created during that or any other conflict. The unit was called Ten Commando - and the shroud of secrecy that enveloped it at the time has scarcely been un-wrapped by the passage of the years. Ten Commando was composed entirely of men who came from Germany and from Nazi-occupied countries such as Holland, Poland, and France. Secrecy was vital, for if an Axis agent infiltrated into Ten Commando he could do untold harm. If a member of Ten Commando were capture and his unit identified, the rules of the Geneva Convention were unlikely to worry the captors. This overwhelming need for absolute secrecy was so well instilled in the men of Ten Commando that, until now, little was known about their daring exploits behind enemy lines, including coordination of resistance fighters and sabotage. The result of Ian Dear's painstaking research is a remarkable book indeed and a worthy tribute to an incredibly brave group of clandestine soldiers who belong near the top of the WWII Roll of Honor.

Retreat: Seven Days Battles outlines the battles and explains how they came about. In less than an hour, you will meet the main participants, understand Union and Confederate troop movements, and learn more about the seven battles that were fought at Mechanicsville, Gaines's Mill, Garnett's Farm, Savage's Station, Glendale, and Malvern Hill. For those readers who want to know more and understand how contemporary readers learned about the battle, we included the original accounts that were published in the New York Herald. It's not the complete story, but enough to bring you up to speed, understand the issues of the day, and maybe encourage you to explore more on your own. Each book includes a timeline to help you see the bigger picture so you can watch events unfold.

******* Whether you are a Civil War buff or are just looking for a simple overview of the Seven Days Battles, you will enjoy this book. It is written in a simple, conversational style that makes it easy to understand the complex troop movements of the Union and Confederate armies. Line of Battle - Book 6**

INTERNATIONAL BEST SELLING AUTHOR OF BRAVO TWO ZERO IN HIS EXPLOSIVE TRUE STORY "A gripping account of special forces at work . . . a tremendous adventure story."-Daily Telegraph "The best account yet of the SAS in action."-Sunday Times From the SAS soldier who invented the modern military memoir comes a storming battering ram of thrill-packed, unforgettable drama. Never-before-revealed covert operations and heartbreaking human stories combine to create a new classic and a book that takes us back to where it all began... SEVEN TROOP is Andy McNab's gripping account of the time he served in the company of a remarkable band of brothers - from the day, freshly badged, he joined them in the Malayan jungle, to the day, ten years later, when he handed in his sand-coloured beret and started a new life. The things they saw and did during that time would take them all to breaking point - and some beyond - in the years that followed. He who dares doesn't always win...

_____ "Paying tribute to the soldiers he served with for 10 years, he tells the poignant story of five brave men of whom, tragically, he is the only one still alive." - News of the World "Brutal, touching, and humorous, this book recounts McNab's time in the SAS's Air Troop. It made me realise that he can fight as well as write. Treading in the footsteps of Sassoon, Brooke and Owen he pretty much founded the genre of the modern military memoir." Professor Kevin Dutton, University of Oxford _____

What people are saying about SEVEN TROOP: ★★★★★ "From the heart of a true warrior" ★★★★★ "Seven Troop is yet another well written account of SAS actions on a much more personal scale, literally "a day in the life" thereof." ★★★★★ "What he does differently in this book compared to his two others is describe the costs of being SAS. How he and others react to the deaths of their friends when they are killed on operations, the political decision making of the higher ups that override tactical common sense, being a small cog in a big machine and ultimately not being very valued by SAS headquarters."

The Last of the Seven

The Second World War Troop Leader's Guide--1955 Seven Troop

He is one of the most highly decorated soldiers alive. He is also the first to break the code of silence about the most elite fighting force in the world. What Andy McNab has to say is so explosive that the British government tried to stop him. A street fighter, a hard case, and a flawless soldier, Andy McNab became one of the elite fighting men in "the Regiment"--Britain's covert SAS. His actions behind the lines in the Gulf War made him a hero. But the full story of his life and his amazing career in Special Forces has remained a secret...until now. In harrowing detail, McNab takes us inside the Regiment, chronicling nine years of covert operations on five continents. Plunging us into a world of surveillance, counterintelligence, and hostage rescue, he takes us behind the scenes on some of their top secret missions. For the first time, he reveals the shocking details of their training--physically severe, mentally grueling, and sometimes deadly. And he dares to expose some of their highly confidential codes and rules--including the one that sanctions murder. This is the story of the fighting men of the SAS. Here is how they live. And here is how they die...

Lieutenant Colonel (LTC) John B. Stockton and Staff Sergeant (SSG) Bert Chole reported to Fort Benning on two separate missions, unknown to each other, but whose destinies would ultimately lead to the former taking the 1st Squadron 9th Air Cavalry to Vietnam and the later to bring the Squadron back from Vietnam. This is story about the 1st Squadron 9th (Air) Cavalry leading up to its deployment to Vietnam and the five years, nine months and nine days of service in Vietnam.

Four Courageous Scouts Go for the Gold! Thirteen-year-old Becca and her friends Sierra, CJ, and Jonnie are determined to win the gold medal for Troop 13 at the Gold Rush Jamboree. But they face stiff competition from the other troops--especially Troop 7, whose members love to pull pranks on them. When a mysterious clue hints at treasure buried in Camp Miwok's Haunted Caves, Becca and her friends are determined to get their hands on that, too--even if it means sneaking from camp, hanging out with bats, and being threatened by robbers....

As bullets whiz by, walls crumble, and explosions throw you to the ground, the battlefield feels more alive and interactive than ever before. In Battlefield 3, players step into the role of the elite U.S. Marines where they will experience heart-pounding missions across diverse locations including Paris, Tehran and New York... Since 2002, EA's series of Battlefield games have set the standard for realism and ambition. And in Autumn 2011, with the global release of the hotly anticipated Battlefield 3, they're raising the bar even higher. Battlefield 3 will be the most authentic, vivid, all-action first person shooter ever. To be published alongside the game, Battlefield 3: The Russian is also best in class - the first time that a games publisher has worked so closely with an internationally bestselling author. Never before has a tie-in book benefitted from this level of collaboration from the creative team behind the game itself. Nor has it been written by a thriller writer with such a strong track record and reputation. Displaying all of McNab's trademark grit, authenticity and insight, Battlefield 3: The Russian is a scorching top-of-the-line military thriller and a heart-stopping race against time. Prepare to be blown away... ANDY MCNAB joined the infantry as a boy soldier. In 1984 he was 'badged' as a member of 22 SAS Regiment and was involved in both covert and overt special operations worldwide. During the Gulf War he commanded Bravo Two Zero, a patrol that, in the words of his commanding officer, 'will remain in regimental history for ever'. Awarded both the Distinguished Conduct Medal (DCM) and Military Medal (MM) during his military career, McNab was the British Army's most highly decorated serving soldier when he finally left the SAS in February 1993. He wrote about his experiences in three books: the phenomenal bestseller Bravo Two Zero, Immediate Action and Seven Troop. He is the author of the bestselling Nick Stone thrillers. Besides his writing work, he lectures to security and intelligence agencies in both the USA and UK. He is a patron of the Help for Heroes campaign. www.andymcnab.co.uk PETER GRIMSDALE is a multi-award-winning television producer with a raft of major documentaries to his credit. He is married to the writer Stephanie Calman and lives in south London.

Josef Black's debut thriller in THE BLADES SAS Series is an action-packed adventure fans of the genre won't want to miss. Step into the boots of an elite British Special Air Service (SAS) tier-one operator and experience the highs, lows and danger of operating in the most extreme combat situations faced in the modern military. 1998, Danny 'Feathers' Archer has just passed the notoriously gruelling British S.A.S Selection. Having undergone 9 months of tier-one special forces' training he is assigned to an elite SAS Sabre Squadron - Bravo Squadron Seven Troop. THE BLADES: SAS Special Operations Force follows Archer & Seven Troop through 4 years of operations across multiple global theatres from Sarajevo to Colombia, Sierra Leone to London, Paris to Las Vegas. Archer's journey takes him on S.A.S operations against Serbian War Criminals, the IRA & Colombian FARC, Sierra Leone's Rebels: The West Side Boys, and Al-Qaeda. Written in a terse and gritty contemporary style with a blend of technically authentic SAS action based on historical real-world operations, British forces humour and camaraderie, THE BLADES: SAS Special Operations Force is a thrilling and realistic blend of espionage & special forces action as The Blades live up to 22 Regiment's motto: WHO DARES WINS.
