This Spiritsong deck is a melding of two traditions of divination: one in which animals are seen as guides between our world and the spirit world, and one that uses 78 cards as a tool to connect with our highest self. Each animal was specifically selected based upon Shamanic and Native American symbolism, merging each animal's unique power with classic tarot practices. For example, the Spiritsong animal, Raven, has attributes such as 'creation' that parallels some of the same symbolic tarot attributes of the traditional Magician card, which is why the Raven is the animal representing that card. The Spiritsong Tarot structure is based on the traditional tarot, containing the 22 Majors, the 56 Minors, and four suits: Acorns for Wands/Fire; Feathers for Swords/Air; Shells for Cups/Water; and Crystals for Pentacles/Earth.

The first tarot deck inspired by the Byzantine Empire, this sumptuous and evocative package will appeal to all those with an interest in history, ancient kingdoms, iconography and history of art. The Byzantine world, which lasted from 330 to 1453 CE, combined the elegance and power of Rome with the opulence and splendor of the Orient. This combination brought about richness in the world of art, literature, and spirituality that has seldom been equaled. Yet it also has a mysterious resonance, and it is to this world of emperors and empresses, saints and sinners, faith and miracles that the creators of this dazzling new tarot have turned, capturing the Byzantine vision, magic, and enchantment.

directly to your emotions. The beautifully drawn figures follow the Rider Waite style, but express more energy and movement, drawing you in even as you draw their truths out. The companion guidebook reveals techniques and card meanings for beginners and more experienced readers alike.

Embrace the night as you succumb to visions of blood-red roses and feel the impassioned rhythms of your feverishly pounding heart. The Vampyre legend is rooted in darkness and seduction, yet its eternal message is one of spiritual hunger—to taste the Divine. Featuring Ian Daniels' richly evocative Gothic-style artwork, this hauntingly romantic deck is a tool for spiritual awakening. With it, you can plumb the depths of your inner shadows and emerge in the radiant light of truth. Inspired by the Rider-Waite structure, the deck shows the Fool, Priestess, and other traditional figures, while the suits bear unique names that call forth the mysterious and macabre: Scepters, Grails, Knives, and Skulls. The companion book provides detailed card meanings, creative exercises, original spreads, and instructions for creating your own Vampyre character. Includes a 78-card deck and a 312-page book.

tarot is often used, to satisfy a longing to know about the past and future. The Osho Zen Tarot focuses instead on gaining an understanding of the here and now. It is a system based on the wisdom of Zen, a wisdom that says events in the outer world simply reflect in the outer world simply reflect our own thoughts and feelings, even though we ourselves might be unclear about what those thoughts and feelings are. So it helps us to turn our attention away from outside events so we can find a new clarity of understanding in our innermost hearts.
