This book argues for the existence of a court enforceable human right to water that is implied from the right to life in Article 6 of the Namibian Constitution. The book builds this argument by using tools of constitutional interpretation and with the aid of comparative materials. As such, the African value of ubuntu is invoked. Ubuntu - which is legally developed through its four key principles of community, interdependence, dignity and solidarity - is anchored in a novel approach to Namibian constitutional interpretation that is conceptualised as ‘re-investigative constitutionalism’. The book advances the ‘AQuA’ (adequacy - quality - accessibility) content of water and articulates the correlative duties within the context of the respect - protect - fulfil trilogy, which are duties imposed upon the Namibian state as the primary duty bearer for a right to water. These duties include irreducible essential content duties that are argued to be immediate when compared to general obligations. In giving substance to duties that flow from a right to water, international law interpretative resources are also relied upon, including General Comment No 15 by the United Nations Committee on Social, Economic and Cultural Rights, the African Commission’s Principles and Guidelines on Social and Economic Rights, and the World Health Organisation’s Drinking-water Quality Guidelines. Moreover, the book addresses various justiciability concerns that may arise, arguing that Namibian courts are institutionally competent and legitimate in enforcing right to water claims through the application of the bounded deliberation model. Additionally, because the Principles of State Policy in Article 95 of the Namibian Constitution are rendered court unenforceable by Article 101, the argument is made that this does not undermine the claim that a right to water, anchored in the right to life, can be enforced through the courts. - Dr Ndjodi Ndeunyema Modern Law Review Early Career Research Fellow, University of Oxford.

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. She tackles the challenge of holding onto vintage values in a modern world, starting with the keys to protecting our walk with God. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God’s Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. You will come away empowered and equipped with the knowledge and skills needed for this beautiful, vital, supernatural ministry. "The New Testament of Jesus Christ is a message of faith, hope and love. It is called the Good News. My friend and colleague Kris Vallotton is one of the best in the prophetic community to help shape, teach and model these 'Good News Prophets.' Thanks for honoring my generation's pioneering work and picking up the baton and carrying it forth!"--Dr. James Goll, founder, Encounters Network, Prayer Storm and GET eSchool "My friend Kris Vallotton has masterfully crafted this treatise, School of the Prophets, on the dynamics and framework of building a prophetic community in the 21st century. His life experience and seasoning in Christ have afforded the Spirit the opportunity to make him an influencer of influencers and a prophetic voice to the nations with a global footprint."--Mark J. Chironna, M.A., Ph.D.; Mark Chironna Ministries; Church on the Living Edge, Orlando, Florida "I love this book! As a person passionate to see the most desired gift in the New Testament (1 Corinthians 14:1) flourish all over the world, I would recommend this book wholesale. It clearly and biblically describes how to function in the New Testament gift of prophecy and articulates various kinds of biblical prophets. If one heeds its principles, it will give greater understanding and produce higher levels of maturity in prophetic ministry."--Stacey Campbell, founder, Canadian Prophetic Council; author, Ecstatic Prophecy "This is a must-read for all ministries. As an apostolic ministry, we recognize the gifts and callings that God has placed on the lives of those we pastor. Reading School of the Prophets has given us greater insight and understanding of how to help develop and prepare others to walk in their divine assignment. Kris Vallotton brings much clarity in what it means to be called in the office of a prophet and eliminates the fear of giving and receiving the prophetic."--Tony and Cynthia Brazelton, founders and pastors, Victory Christian Ministries International "Kris Vallotton's book reminds us that the heart of prophecy should be God's heart to build up, encourage and speak life. Kris goes through strategic and important teaching about prophecy versus the office of prophet, specifically in the context of the Church. I highly recommend this book and pray that it helps you to understand the prophetic and to 'call the gold' out of those around you."--Heidi Baker, Ph.D.; co-founder and director, Iris Global "As I read this book, I could hear the sound of an entire generation of voices emerge that will transform culture. Kris Vallotton is a father to these voices. School of the Prophets presents a practical methodology for prophetic community and a powerful manifesto for prophetic transformation in this generation."--Bob Hazlett, author, The Roar: God's Sound in a Raging World; Future Perspectives, New Haven, Connecticut

Offering insight, encouragement, and resources, Breaking the Silence boldly reveals the truth about this addiction and how you can protect yourself and your family from the dangers of pornography. Book jacket.

Have you ever asked yourself what changed when you were "born again?" You look in the mirror and see the same reflection - your body hasn't changed. You find yourself acting the same and yielding to those same old temptations - that didn't seem to change either. So you wonder, Has anything really changed? The correct answer to that question is foundational for receiving from God. If you lack this basic understanding, you'll forever ask yourself doubt-filled questions like: "How could God love somebody like me?" and "How can I possibly expect to receive anything from the Lord? I don't deserve it, I'm not good enough!" Spirit, Soul, and Body will help you eliminate those and other doubt-filled questions that destroy your faith. If you have trouble receiving from God, this is a must-read!

This book, The Cheetah’s Speed Grace is the outcome of one of those spectacular ministrations of the Holy Spirit unto the anointing of the frontline prophet of the end time, prophet Jeremiah Omoto Fufeyin. The Lord led him into a zoo in far away South Africa, as it were to experience what Prophet Daniel experienced in the Lions Den in Babylon. In that Zoo of very dangerous animals, the prophet virtually fellowshiped even with cheetahs, wild animals of the lion family, who honoured his divine personality and where said to have bowed to him a couple of times. That the cheetahs did not rush at him and eat him up instantly, as they would do to ordinary humans, astounded everyone. But it was not that good neighborliness the cheetahs displayed that gave the prophet the inspiration for this book.

THE INSTANT BESTSELLER “We the unwilling, led by the unqualified to kill the unfortunate, die for the ungrateful.” —Unknown Soldier Set in the South at the height of the Vietnam War, The Unwilling combines crime, suspense and searing glimpses into the human mind and soul in New York Times bestselling author John Hart’s singular style. Gibby’s older brothers have already been to war. One died there. The other came back misunderstood and hard, a decorated killer now freshly released from a three-year stint in prison. Jason won’t speak of the war or of his time behind bars, but he wants a relationship with the younger brother he hasn’t known for years. Determined to make that connection, he coaxes Gibby into a day at the lake: long hours of sunshine and whisky and older women. But the day turns ugly when the four encounter a prison transfer bus on a stretch of empty road. Beautiful but drunk, one of the women taunts the prisoners, leading to a riot on the bus. The woman finds it funny in the moment, but is savagely murdered soon after. Given his violent history, suspicion turns first to Jason; but when the second woman is kidnapped, the police suspect Gibby, too. Determined to prove Jason innocent, Gibby must avoid the cops and dive deep into his brother’s hidden life, a dark world of heroin, guns and outlaw motorcycle gangs. What he discovers there is a truth more disturbing than he could have imagined: not just the identity of the killer and the reasons for Tyra’s murder, but the forces that shaped his brother in Vietnam, the reason he was framed, and why the most dangerous man alive wants him back in prison. This is crime fiction at its most raw, an exploration of family and the past, of prison and war and the indelible marks they leave.

Get Up, Woman: For a Woman with Authority

A Pilgrim's Reflections on Contemporary Trends in Christianity

On April 28, 2006, as he lay in his hospital bed in Ann Arbor, Michigan, visions of celestial beauty were the last thing on Marv Besteman's mind. He had just had surgery to remove a rare pancreatic tumor. It was after visiting hours and his family had left for the day. Alone and racked with pain, Marv tossed and turned, wanting more than anything else to simply sleep and escape the misery and discomfort for a while. The retired banker, father, and grandfather had no idea he was about to get a short reprieve in the form of an experience he never could have imagined. In My Journey to Heaven, Marv Bestman shares the story of his experience of heaven with astounding detail. Readers will hear of his encounters with angels who accompanied him to the gate, his conversation (argument, really) with St. Peter, and his recognition of friends and family members who touched his life. His story offers peace, comfort, and encouragement to those who have lost loved ones and gives security and solace to those who are grieving, dying, or wonder about the afterlife. Marv believed God sent him back to earth to fulfill this mission of comfort and reminds readers that God has work for each of us to do before he calls us to be with him in heaven. Secure in his belief that his book was the fulfillment of his own mission, Marv returned to heaven in January 2012.

The Rise of the Prophetic Voice is an educational and revolutionary book that deals with biblical truths about the prophetic and its practical operation in our time. This book is a rare tool of the Holy Spirit, dedicated to shedding light about the prophetic to the body of Christ and to raising an end-time army of prophets for the Lord. The prophetic is the oldest and most documented ministry in the Bible, yet it is the least known in today's generation. No other ministry is known to be more effective in the Kingdom of God than the prophetic. The Bible, the most sacred book we have in the Kingdom of God, is a prophetic book; the birth of our Lord and Saviour Jesus Christ was a fulfilment of a prophetic word. God is restoring the prophetic in the church and calling all his sons and daughters to be prophetic. The world today glorifies individualism and independence from God as a pathway to freedom, rendering the very essence of God irrelevant. However, the well-informed, Spirit-led and powerful revelations in * Rise of the Prophetic Voice * demonstrate God's unfailing power and establishes his supremacy amongst men once again. This book will give you the biblical foundation of the prophetic, help you to discover your calling or gift in it and ignite in you its fire. Beyond all doubts, I believe this book will revolutionise the lives of its readers and restore the glory of the mighty God in the world.

It could be possible that someone had told that you that, this man identified as Prophet Shepherd Bushiri is just your dad! Well! Indeed it might be so but the knowledge that you have been holding in your mind about him can be likened to the population of your small community against the entire world. Or all along you have been supposing that he is just your immediate kith and kin or business partner! But I am sorry to mention that your ideas and understanding about him is basically like the ten-litre bucket of water against the water of all oceans on the planet earth. Maybe you did just know him at school as a mate, named Shepherd Bushiri! Well sorry to enlighten you that, No! He is not because what you have been holding in your mind about this old school mate is like the knowledge of one star against the entire population of stars within the universe. Maybe people revealed to you that he is just a prophet or the founder of the famous and prominent congregation called Enlightened Christian Gathering (ECG)! Oh Yes! Of course it true but your information about him can be easily likened with the concentration of light originated from the torch in comparison with the sunlight intensity. So who is this gentleman then commonly known as Prophet Shepherd Bushiri? Where does he get his operating powers? The fields of science, history and religion have got the answers which give the revelations about him. They have married and confirmed that; that man whom you thought is just your dad, whom you supposed is merely your relation or business partner, the school mate, ordinary prophet and the founder of ECG is the divinely anointed prophet of Jehovah God, operating in excess of 266 inherited Supernatural spirits and wisdom of divine exemption. This book THE TEN REASONS TO INVEST MY FAITH 1ST SERIES has revealed these operating spirits behind the Prophet Shepherd Bushiri flourishing spiritual, intellectual and material powers. Of course there are some different indisputable spiritual viewpoints concerning the Prophet Shepherd Bushiri's calling. And some audiences choose to trust his prophetic mission whilst others choose to ignore. Therefore, as for you, as the seekers of divine favours and mercies in this material and non-material realm, it is substantial to realise that the fields of Science, history and religions which started functioning way back before the birth Prophet Shepherd Bushiri have also spoken about this Prophet. These three-fold evidences have spoken one language, the language which says Prophet Shepherd Bushiri has 266 divine paranormal spirits. This book, is not the mouth-piece of Prophet Shepherd Bushiri, neither, a product initiated or commissioned by his agencies. This is an impartial book that analyses, justifies and unearths the revealed truths regarding the POWER OF FAITH IN ONE TRUE GOD who possibly triggers the button of the revelations and elevations. This book sets forth answers to critical questions. In analysing and answering these questions this book finally justifies that Prophet Shepherd Bushiri is the prophet sent by Jehovah God endowed with over 266 transferable divine wisdoms. The proofs provided in the book are not based on the miracles and visible factors alone, which are performed by Prophet Shepherd Bushiri. The book, however, provides the systematic proofs which are purely scientific, philosophical, historical and spiritual in nature. In canonical depths, the book analyses the lives of the other past prophets and including of the latter Prophet Shepherd Bushiri in the fourfold. Then at the end, the book makes a passionate appeal to the sons and daughters of One True God that recognising what the Creator can do to a man whom the society has rejected is spiritually paramount and be worthy of acknowledgement. Recover the true beauty of Christianity as found in forgiveness. If Christianity is to be a compelling and relevant voice in the twenty-first century, it needs a fresh message. Not a new innovation or novel interpretation, but a return to our roots. For if Christianity is not about forgiveness, it's about nothing at all. Beginning with the horror of the Holocaust, Radical Forgiveness explores what forgiveness means—and how far it should go—in the real world of rape, child abuse, genocide, and other atrocities. With honesty and compassion Zahnd tackles questions such as... Should we always forgive? Is forgiveness always even possible? Does forgiveness enable evil? Does it sacrifice justice? Are there ANY limits? Pushing you beyond intellectual exercises, Radical Forgiveness will challenge your thinking by juxtaposing absolutely bottom-line examples with the simple question: What would you do? Previously published as Unconditional?
