Untrue

For every woman who struggles with sexuality and intimacy. Nationally-known sex therapist Xanet Paillet offers practical tools and encouragement for reclaiming passion and pleasure in their sex life.

Kayla Dean, junior feminist and future journalist, is about the break the story of a lifetime. She is auditioning for the Lady Lions dance team to prove they discriminate against the not-so-well endowed. But when she makes the team, her best friend and fellow feminist, Rosalie, is not happy. Now a Lady Lion, Kayla is transformed from bushy-haired fashion victim to glammed-up dance diva. But does looking good and having fun mean turning her back on the cause? Can you be a strong woman and still wear really cute shoes? Soon Kayla is forced to challenge her views, coming to terms with who she is and what girl power really means. Narrated with sharp language and just the right amount of attitude, The Kayla Chronicles is the story of a girl's struggle for self-identity despite pressure from family, friends and her own conscience. Kayla's story is snappy, fun and inspiring, sure to appeal to anyone who's every questioned who they really are.

Mindblowing sex isn't just about intercourse—it is about titillating all of the body's hot spots and erogenous zones to peak arousal and build amazing orgasms. Hot Sex Tips, Tricks and Licks teaches readers how to use their hands, fingers, and tongue to build and prolong arousal, control ejaculation, and give their partner (and themselves) incredible orgasms. In these pages, you'll learn: —Fingering techniques that will take her over the edge —Hand-job tricks that will leave him breathless —Amazing anal play for both him and her —Sensual massage techniques to build and prolong ecstasy

In this provocative book, Marla Segol explores the development of the kabbalistic cosmology underlying Western sex magic. Drawing extensively on Jewish myth and ritual, Segol tells the powerful story of the relationship between the divine and the human body in late antique Jewish esotericism, in medieval kabbalah, and in New Age ritual practice. Kabbalah and Sex Magic traces the evolution of a Hebrew microcosm that models the powerful interaction of human and divine bodies at the heart of both kabbalah and some forms of Western sex magic. Focusing on Jewish esoteric and medical sources from the fifth to the twelfth century from Byzantium, Persia, Iberia, and southern France, Segol argues that in its fully developed medieval form, kabbalah operated by ritualizing a mythos of divine creation by means of sexual reproduction. She situates in cultural and historical context the emergence of Jewish cosmological models for conceptualizing both human and divine bodies and the interactions between them, arguing that all these sources position the body and its senses as the locus of culture and the means of reproducing it. Segol explores the rituals acting on these models, attending especially to their inherent erotic power, and ties these to contemporary Western sex magic, showing that such rituals have a continuing life. Asking questions about its cosmology, myths, and rituals, Segol poses even larger questions about the history of kabbalah, the changing conceptions of the human relation to the divine, and even the nature of religious innovation itself. This groundbreaking book will appeal to students and scholars of Jewish studies, religion, sexuality, and magic.

There are plenty of books offering advice about how to find or keep love. But what else can be learnt from those who have visited the edges of love and desire, making stops along the way in the spirit world and passing the fascinating territory of mental disorders, God and extraterrestrial activities? Popular sex columnist Liz Langley answers those questions, resulting in a fascinating picture of why it is that people want to be in love.

Can Wednesday and her service dog, Woof, sniff out Mrs. Winter’s missing cat before her big trip? This is the first book of a fun full-color early chapter book series about the best detectives in the Midwest! Detective Tip #1 Try not to jump to conclusions. Wednesday and her service dog, Woof, are the best detectives in the whole world—or at least their neighborhood. But can they find Mrs. Winters’s missing cat before her big trip? Or will the case of the cat-napped kitty be their first unsolved mystery? HarperChapters build confident readers one chapter at a time! With short, fast-paced books, art on every page, and milestone markers at the end of every chapter, they’re the perfect next step for fans of I Can Read!

Depicted as duplicitous, traitorous, and promiscuous, bisexuality has long been suspected, marginalized, and rejected by both straight and gay communities alike. Bi takes a long overdue, comprehensive look at bisexual politics--from the issues surrounding biphobia/monosexism, feminism, and transgenderism to the practice of labeling those who identify as bi as either “too bisexual” (promiscuous and incapable of fidelity) or “not bisexual enough” (not actively engaging romantically or sexually with people of at least two different genders). In this forward-thinking and eye-opening book, feminist bisexual and genderqueer activist Shiri Eisner takes readers on a journey through the many aspects of the meanings and politics of bisexuality, specifically highlighting how bisexuality can open up new and exciting ways of challenging social convention. Informed by feminist, transgender, and queer theory, as well as politics and activism, Bi is a radical manifesto for a group that has been too frequently silenced, erased, and denied--and a starting point from which to launch a bisexual revolution.

Bestselling author Sherry Harris gives us the second in a new cozy mystery series featuring a bartender sleuth in the tiny town of Emerald Cove, Florida. BAD TO THE BONE Chloe loves her new life pouring beers and mixing cocktails at the Sea Glass Saloon in the Florida Panhandle town of Emerald Cove. But on the job, the only exercise she gets is walking from one end of the bar to the other, so in the mornings she loves to run on the beach. On this morning’s foggy run, she spots a sailboat washed up on a sandbar. Hearing a cry, she climbs aboard the beached vessel to investigate and finds not only a mewling kitten—but a human skeleton in the cabin. The skeleton is tied back to Chloe’s friend Ralph, whose wife disappeared on a sailboat with three other people twelve years ago. Believing his wife was lost at sea, Ralph remarried. Now he finds himself a murder suspect. Chloe is determined to find out who’s been up to some skulduggery, but her sleuthing will lead her into some rough waters and some bone-chilling revelations... “Entertaining...a pleasantly appealing debut series.” –Dru’s Books Musings

Living an Orgasmic Life

"The author's experience with grief after the sudden death of her husband, combined with social science on resilience"--

What do straight, married female revelers at an all-women's sex club in LA have in common with nomadic pastoralists in Namibia who bear children by men not their husbands? Like women worldwide, they crave sexual variety, novelty, and excitement. In ancient Greek tragedies, Netflix series, tabloids and pop songs, we've long portrayed such cheating women as dangerous and damaged. We love to hate women who are untrue. But who are they really? And why, in this age of female empowerment, do we continue to judge them so harshly? In Untrue, Wednesday Martin takes us on a bold, fascinating journey to reveal the unexpected evolutionary legacy and social realities that drive female faithlessness, while laying bare our motivations to contain women who step out. Blending accessible social science and interviews with sex researchers, anthropologists, and real women from all walks of life, Untrue will change the way you think about women and sex forever.

Weaving together somatic psychotherapy, dance/movement therapy, and sex therapy approaches, this uniquely interdisciplinary and practical book offers guidance on how to strengthen your connection with pleasure, receptivity, and ecstasy in an embodied way. Melissa Walker contextualizes the erotic body as being embedded in a sex-negative culture. Taking an experiential somatic approach, this book helps readers map the erotic self to establish a whole-body sexuality, becoming an important sexuality ally in a larger social movement toward erotic inclusiveness. This groundbreaking text illuminates how to shed the harmful messages that an individual has internalized about their sexuality, to learn the language of their somatic self, and begin to build a whole-body appreciation for their creative potential. Filled with questions, guided experientials, and map-building practices that help readers learn more about themselves, this book is essential reading for sex therapists to navigate the vast map of sexuality to create true health and sexual evolution.

A story about friendship, family, and finding your voice by the author of President of the Whole Sixth Grade For ten-year-old Cadence Jolly, birthdays are a constant reminder of all that has changed since her mother skipped town with dreams of becoming a singing star. Cadence inherited that musical soul, she can't deny it, but otherwise she couldn't be more different -- she's shy as can be. She did make a promise last year that she would try to break out of her shell, just a little. And she prayed that she'd get the courage to do it. As her eleventh birthday draws near, she realizes time is running out. And when a secret recording of her singing leaks and catches the attention of her whole church, she needs to decide what's better: deceiving everyone by pretending it belongs to someone else, or finally stepping into the spotlight. In a story filled with whimsy and hope, Sherri Winston inspires readers to embrace the voice within.

Are you ready for some of the most exciting, death-defying escape stories ever told? Perfect for fans of the I Survived series, the second installment in a brand-new, edge-of-your-seat series based on real events! Winter 1838—Kentucky. Determined to save her toddler son from being sold as a slave, the woman who became known as Eliza Harris trekked through the forest, in the dark of night with wild animals on her heels. Her goal: cross the Ohio River, the boundary between the North and the South, between slavery and freedom. Although the journey would be perilous, Eliza looked out at the treacherous frozen waters and quickly decided she couldn’t let fear stop her, especially when a new life—a free life—waited just on the other side. From reluctant reader to total bookworm, each book in this page-turning series—featuring fascinating bonus content and captivating illustrations—will leave you excited for the next adventure!

A playful guide to liberating oral sex from the author of Red Hot Touch. Including how to give your partner her most mind-blowing orgasm, to adventurous new oral positions to try out with your man, Blow Each Other Away will quickly become your favorite new bedside companion. How can a book on going down change someone's life? How can having great oral sex be as important as having great intercourse? The truth is that oral sex can actually be the key to unlocking sexual confidence, excitement, and intimacy. With the increasing prevalence of oral sex in the media and news (thanks, politicians and the MTV generation!), more people are looking to take their oral game to the next level. Unfortunately, shame, fear, and discomfort can stand in the way of a truly outstanding oral sex life. That's where author and sex therapist Jaiya comes in. Blow Each Other Away is the ultimate guide for couples to overcome the obstacles that stand in the way of incredible oral sex, from an author on the front lines of sex therapy and sexual wellness.

From the Author of Squirting: It's Easier Than You Think, Squirt Stories and the Creator of Squirt School. In Squirt School: The Book you'll learn more about squirting, and maybe more importantly you'll learn techniques and be encouraged to participate in exercises which can help you learn to squirt. Features more than 10 positions which help with g-spot stimulation. Also learn clitoral stimulation techniques, including a revolutionary clitoral stimulation technique that unfortunately most people know nothing about. Learn about masturbation techniques, including some warm-ups, and a masturbation technique which may just be the trick to getting you to squirt! Squirt School: The Book includes several homework assignments to get you started on the right path to squirting pleasure!

Masturbation is like tuning a radio -- you don't know what frequencies you'll enjoy until you play with the knobs. Masturbation has a complicated stigma attached to it; everybody is doing it, but not everybody talks about it. Some were told that touching oneself would cause cute kittens to die, some were told masturbation led blindness. Getting Off: A Woman's Guide to Masturbation is here to debunk those masturbation myths, and reinforce the truth. Masturbation is a totally natural and normal way for women to connect with and find pleasure in their bodies. Fun, informative, and illustrated, Getting Off provides women with a wealth of masturbation knowledge -- its history, the mechanics of it, the joys of sexy toys -- plus clear, concise tips on getting off. Hot Sex Tips, Tricks, and Licks

A book about the most interesting thing on earth--you! What happens to food after you eat it? Why is your blood red? How do your bones grow? Your body is an amazing machine. Every second of the day and night--without you even knowing it--your body is busily working to keep you running smoothly. When you think about how complicated the human body is and how little goes wrong, it is really an incredible feat! So how does your body do it all? The Everything Kids' Human Body Book is the expert answer to all your questions--from the tips of your toes to the top of your head, you will learn the hows and whys of the human body.

Author Sheri Amsel takes you on a journey through the body, with information on: The muscles--from your biceps to your heart Your nerves and how they transmit messages How your skin heals itself Bones, joints, and other things you shouldn't break Blood, guts, and the circulation system How your body digests food (it's not always pretty!) Why you need air and how breathing works With more than 30 different puzzles and games about the human body, plus information on how to take care of your own body with good nutrition, exercise, and more, The Everything Kids' Human Body Book is the ultimate way to learn how the body works--inside and out!

In this fully illustrated companion book to "Extended Massive Orgasm" by sex workshop leaders Steve and Vera Bodansky, readers delve deeper than ever before into the actual techniques for prolonged orgasm for both men and women. Photos & illustrations throughout.

“Thursday morning. One hundred pounds overweight, no man in sight, and rounding the bend to 57 years old—a full-blown catastrophe.” What happens when you realize you’ve had the career of your dreams, but you don’t have the life of your dreams? This was the stark reality facing Sheri Salata when she left her twenty-year stint at The Oprah Winfrey Show, Harpo Studios and the OWN network. She had dedicated decades to her dream job, and loved (almost) every minute of it, but had left the rest of her life gathering dust on the shelf. After years of telling other people’s makeover stories, Sheri decided to “produce” her own life transformation. And this meant revisiting her past, excavating its lessons, and boldly reimagining her future. In these pages, she invites readers along for the ride—detoxing in the desert, braving humiliation at Hollywood’s favorite fitness studio, grappling with losses, reinventing friendships, baring her soul in sex therapy, and more. Part cautionary tale, part middle-of-life rallying cry, Sheri’s stories offer profound inspiration for personal renewal.
