

Sherlock Holmes And The Jeweller Of Florence

Sherlock Holmes is in a reflective mood. He tells Dr. Watson some startling new information. He begins to speak of the Whitechapel murders. Soon, Watson is hearing information of which he has been completely unaware for many years. Holmes is then drawn into a case by Inspector Lestrade which concerns a murdered jeweller. He is then quickly dismissed by Lestrade. Why? Holmes continues with his investigation which leads him to Oxford and to the heart of the academic world. He is then drawn into the heart of government and encounters the British Secret Service. Will his skill prevail or will he be frustrated by the establishment? Watson tries to assist, but finds himself embarrassed. Can Holmes bring this tricky case to a successful conclusion? The eleven stories gathered together in these two volumes share their own common feature. All have connections to the world of belles lettres, the world of literature - some to celebrated authors in particular, others to themes or stories associated with specific writers Let others plumb this collection for more subtle themes. From Maupassant to Stevenson to Fitzgerald, the authorial giants who populate these pages are explanation enough for its title. As interesting as such literary associations may be, of course, one can never forget that in the finest tradition of all the other adventures of Sherlock Holmes, these sketches depict a series of heartless criminal acts - some more gruesome than others.

There is no riddle that sharp mind of detective Sherlock Holmes can't solve. Observation, intelligence, selflessness and bravery distinguish a famous literature character created by writer Arthur Conan Doyle. The inimitable duet of Sherlock Holmes and Dr Watson sets to investigation of a crime series, masterly solves complicated cases and restores justice inside and outside London. He is also known for writing the fictional adventures of a second character he invented, Professor Challenger, and for popularising the mystery of the Mary Celeste. Portrayed as dubious moneylenders, underworld operatives, megalomaniacs, Bolshevik saboteurs, or unscrupulous war-profiteers, Jewish characters have surfaced in English detective fiction from the very beginning. Starting with Conan Doyle, and focusing on the Golden Age of the genre, Tunrbull uses multiple examples to trace the evolution of Jewish caricature in British crime writing, and examines fictional representations of Jews in relation to burgeoning antisemitic sentiment within British society. Attention is paid to crime writers as wide-ranging as Baroness Orczy, Sydney Horler, R. Austin Freeman, Ngaio Marsh, and S. T. Haymon, and the depiction of Jews by Golden Age giants Dorothy L. Sayers, Agatha Christie, and Anthony Berkeley Cox.

It is summer 1895 and a lost play by William Shakespeare is discovered. While being authenticated by scholars in Oxford there is a break-in at a college and the three hundred year old quarto is stolen. Holmes is engaged in the most unusual of circumstances and together with the faithful Dr Watson, they are soon on a trail which takes them from the Epsom Derby to Epping Forest and the great city of Florence itself. But this is not the only case brought to 221b Baker Street during this eventful year. Any number of singular problems demand Holmes' attention including the terrifying schemes of an injured army captain, a spate of strychnine poisonings and a dancing bear suspected of murder in the East End. What bearing do these seemingly unrelated adventures have on the search for the lost play? Who is the woman haunting Dr Watson and what is the mysterious Society of Lucius? With stilt walking chases, a swimming race across the River Thames and an explosion at the former site of Shakespeare's Globe, this is set to become Holmes' most dangerous and memorable adventure yet.

Adventures of Sherlock Holmes

An enigmatic jewelry case, holding human remains, arrives at the cottage of Sherlock Holmes, enticing him from his retirement refuge in the Sussex Downs. Holmes sets out on the trail of the murderer taunting him, joining forces with one of his former Baker Street irregulars, Tessa Wiggins. The two find themselves battling forces arising from a time before England was a country - when the Celts were fighting for survival. Though set in 1919, The Celtic Phoenix is steeped in the enigmatic culture of the ancient Celts who reigned over much of

Europe three thousand years ago. It was a time when the bond with Nature was strong... when people walked in the old ways... and when women were the equals to men as warriors, priests, and poets. The Celtic Phoenix is the journey of three women who rise from the ashes of their past like fearsome phoenixes and shake the rational foundations upon which Sherlock Holmes built his life and career.

The story of Fred Wensley, a Somerset gardener who joined the Metropolitan Police in 1888 and retired, forty-one years later as Chief Constable of the CID, is an extraordinary one.??After an abortive attempt to catch 'Jack the Ripper' by nailing strips of bicycle tyres to the soles of his boots, Wensley got stuck into arresting the ne'er-do-wells of Whitechapel, where he would spend twenty-five years of his service.??Within months of joining the CID, Wensley, while off duty, arrested a double murderer. He smashed the murderous Bessarabian and Odessa gangs, brought the Vendetta gang to book when, brandishing revolvers they tried to storm a police court, played a decisive part in the Siege of Sidney Street and created the Flying Squad.??Wensley's career was dogged with controversy; when Stinie Morrison was convicted of murder, was he, as he claimed, framed by Wensley? And was Edith Thompson, hanged for the murder of her husband,

as Wensley stated, 'a cold-blooded murderess' or, as her defence counsel claimed, 'a fanciful dreamer'? ??The first King's Police Medal was awarded to Wensley; he was appointed OBE and commended on many of occasions.??Retired Flying Squad officer, turned author, Dick Kirby has dug deep to paint a fascinating portrait of the man dubbed, 'The Greatest Detective of all Time'.
