read for anyone hoping to live a creative life... I dare you not to be inspired to be brave, to be free, and to be curious.” —PopSugar From the worldwide bestselling author of Eat Pray Love and City of Girls: the path to the vibrant, fulfilling life you’ve dreamed of. Readers of all ages and walks of life have drawn inspiration and empowerment from Elizabeth Gilbert’s books for years. Now this beloved author digs deep into her own generative process to share her wisdom and unique perspective about creativity. With profound empathy and radiant generosity, she offers potent insights into the mysterious nature of inspiration. She asks us to embrace

Download Free Show Your Work 10 Ways To Share Your Creativity And Get Discovered

our curiosity and let go of needless suffering. She shows us how to tackle what we most love, and how to face down what we most fear. She discusses the attitudes, approaches, and habits we need in order to live our most creative lives. Balancing between soulful spirituality and cheerful pragmatism, Gilbert encourages us to uncover the “strange jewels” that are hidden within each of us. Whether we are looking to write a book, make art, find new ways to address challenges in our work, embark on a dream long deferred, or simply infuse our everyday lives with more mindfulness and passion, Big Magic cracks open a world of wonder and joy.

Designing Your Life

The 5 Love Languages

In his New York Times bestseller Steal Like an Artist, Austin Kleon showed readers how to unlock their creativity by “stealing” from the community of other movers and shakers. Now, in an even more forward-thinking and necessary book, he shows how to take that critical next step on a creative journey—getting known. Show Your Work! is about why generosity trumps genius. It’s about getting findable, about using the network instead of wasting time “networking.” It’s not self-promotion, it’s self-discovery—let others into your process, then let them steal from you. Filled with

Download Free Show Your Work 10 Ways To Share Your Creativity And Get Discovered

illustrations, quotes, stories, and examples, Show Your Work! offers ten transformative rules for being open, generous, brave, productive. In chapters such as You Don't Have to Be a Genius; Share Something Small Every Day; and Stick Around, Kleon creates a user's manual for embracing the communal nature of creativity—what he calls the “ecology of talent.” From broader life lessons about work (you can't find your voice if you don't use it) to the etiquette of sharing—and the dangers of oversharing—to the practicalities of Internet life (build a good domain name; give credit when credit is due), it's an inspiring manifesto for succeeding as any kind of artist or entrepreneur in the digital age.

"If you are a person who works, you are considered a "human resource." This means you are a valued asset to your company and organization. With that value comes a level of expectation that's placed on you to "show up, be productive, and be excellent!" Unfortunately, everyone does not know how to be excellent. After working with and leading others for almost twenty years, mainly in the field of human resources, Kelley Cornish has learned a few tried and true principles that have kept her grounded and helped to assist others in moving to the next level. These observations and recommendations have been asked time and time again. Whether it be during one-on-one manager's meetings or through social media, these

Download Free Show Your Work 10 Ways To Share Your Creativity And Get Discovered

simple, yet results-oriented tips, have helped move countless lives and careers into new levels of success. If you are looking to move forward in your life and career, these principles will help you as well. In her book It's Work! How Will You Show Up?, Kelley Cornish, along with co-author Myron Rolle, explain the principles and protocols of professional excellence and excellence in one's personal life. After working with and leading others for nearly twenty years, mainly in the field of human resources, Kelley has learned a few tried and true principles that will help keep you grounded and offer instruction as you assist others in moving to the next level. In this book you will find simple, yet result oriented

tips, that have helped others step into new levels of success. If you are looking to move forward in your life and career, these principles will help you as well. Are you ready for your NEXT?"--Amazon.com

Examines the effects of television culture on how we conduct our public affairs and how "entertainment values" corrupt the way we think.

The hardest part of a manager's job isn't staying organized, meeting deliverable dates, or staying on budget. It's dealing with people who are too comfortable doing things the way they've always been done and too afraid to do things differently—workers who are, as author Bill Treasurer puts it, too “comfeartable.” Such workers

Download Free Show Your Work 10 Ways To Share Your Creativity And Get Discovered

fail to exert themselves any more than they have to, equating “just enough” with good enough. By avoiding even mild challenges, these workers thwart forward progress and make their businesses dangerously safe. To combat this affliction, Treasurer proposes a bold antidote: courage. In Courage Goes to Work, he lays out a comprehensive, step-by-step process that treats courage as a skill that can be developed and strengthened. He Treasurer shows how managers can build workplace courage by modeling courageous behavior themselves, creating an environment where people feel safe taking chances and helping workers deal with fear. To make the concept of courage more

Download Free Show Your Work 10 Ways To Share Your Creativity And Get Discovered

concrete, Treasurer identifies what he calls the Three Buckets of Courage: Try Courage, having the guts to take initiative; Trust Courage, being willing to follow the lead of others; and Tell Courage, being honest and assertive with coworkers and bosses. He illustrates each with a variety of vivid real-world examples and offers proven practices for helping your workers keep each bucket full. Aristotle said that courage is the first virtue because it makes all other virtues possible. It's as true in business as it is in life. With more courage, workers gain the necessary confidence to take on harder projects, embrace company changes with more enthusiasm, and extend themselves in ways that will benefit their careers

What really sets the best managers above the rest? It's their power to build a cadre of employees who have great inner work lives—consistently positive emotions; strong motivation; and favorable perceptions of the organization, their work, and their colleagues. The worst managers undermine inner work life, often unwittingly. As Teresa Amabile and Steven Kramer explain in *The Progress Principle*, seemingly mundane workday events can make or break employees' inner work lives. But it's forward momentum in meaningful work—progress—that creates the best inner work lives. Through rigorous analysis of

Download Free Show Your Work 10 Ways To Share Your Creativity And Get Discovered

nearly 12,000 diary entries provided by 238 employees in 7 companies, the authors explain how managers can foster progress and enhance inner work life every day. The book shows how to remove obstacles to progress, including meaningless tasks and toxic relationships. It also explains how to activate two forces that enable progress: (1) catalysts—events that directly facilitate project work, such as clear goals and autonomy—and (2) nourishers—interpersonal events that uplift workers, including encouragement and demonstrations of respect and collegiality. Brimming with honest examples from the companies studied, The Progress Principle equips aspiring and seasoned leaders alike with the insights they need to

maximize their people's performance.

The world of work is changing rapidly. As a Christian trying to discern the right career path, you might perceive the marketplace as a bewildering and anxiety-provoking place. You might even worry you'll have to sacrifice your values to have a successful career. How can you hope to find work that is informed by faith and that serves God's will? Redeeming Work was written to answer just this question. The author, Bryan Dik, PhD, is one of the leading psychologists in the world who specializes in vocation. A professor, entrepreneur, and follower of Christ, Dik wrote this book as a labor of love after devoting his career to research and development of

Download Free Show Your Work 10 Ways To Share Your Creativity And Get Discovered

practical strategies for helping others find purposeful work. His message: there are abundant opportunities for Christians to forge careers that answer God's calling for their lives. In Redeeming Work, he shares the tools you need to find these opportunities and pursue them successfully. Your purchase of Redeeming Work comes with a special bonus: free access to an evidence-based online career assessment system called PathwayU. By taking this assessment, you'll learn about what makes you unique, including what you enjoy (interests), what matters to you (values), your general tendencies (personality), and what you most need from an organization (workplace preferences). Then, you'll be able to explore career paths

glass ceiling and guides you toward understanding your context and uncovering what you really want, what your definition of success is, what your values are, and how to set the goals to reach your potential. This is no one-size-fits-all career guide. It's a top-to-bottom, inside-out, do-it-yourself makeover with the focus completely on you. In each chapter, you'll be asked to evaluate specific parts of your work life, home life, personal strengths and weaknesses, past history and present obstacles, both internal and external, so you can:

- Live your intention and design a meaningful life at any stage
- Identify the underlying values that are the core of your being
- Get comfortable with your personal power and understand what it means
- Uncover the conscious and subconscious

professional life in ways that are authentic and most meaningful to you—and no one else. After all, only you hold the answers. It's time to Kick Some Glass.

You can follow the beaten path and call yourself an entrepreneur or you can blaze your own trail and really be one. When Derek Sivers started CD Baby, he wasn't planning on building a major business. He was a successful independent musician who just wanted to sell his CDs online. When no one would help him do it, he set out on his own and built an online store from scratch. He started in 1998 by helping his friends sell their CDs. In 2000, he hired his first employee. Eight years later, he sold CD Baby for \$22 million. Sivers didn't need a business plan, and neither do you. You don't need to

Download Free Show Your Work 10 Ways To Share Your Creativity And Get Discovered

think big; in fact, it's better if you don't. Start with what you have, care about your customers more than yourself, and run your business like you don't need the money. Finding the courage to embrace change and take chances is the only way to succeed. Business, culture, and competitive landscapes have fundamentally changed, but basic principles and best practices for succeeding and future-proofing both yourself and your organization haven't. With a mix of compelling stories, research from the social sciences and psychology, and real-world insights, Make Change Work for You shows readers how to reignite their career, rekindle their creativity, and fearlessly innovate their way to success by providing the tools needed to master uncertainty and

Download Free Show Your Work 10 Ways To Share Your Creativity And Get Discovered

conquer every challenge they'll face in life or business. **Make Change Work for You** opens with an overview of the most common factors that lead to self-defeating behaviors, including fear of failure, embarrassment, underperformance, rejection, confrontation, isolation, and change itself. Using a simple four-part model, Steinberg guides readers to understand and better respond to the challenges that change can bring: **Focus:** Define the problem and come to understand it objectively. **Engage:** Interact with the challenge and try a range of solutions. **Assess:** Review the response(s) generated by your tactics. **React:** Adjust your strategy accordingly. And, finally, the book shows readers how to develop the vital personal and professional skills

NEW YORK TIMES BESTSELLER • This instant classic explores how we can change our lives by changing our habits. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • Financial Times In *The Power of Habit*, award-winning business reporter Charles Duhigg takes us to the thrilling edge of scientific discoveries that explain why habits exist and how they can be changed. Distilling vast amounts of information into engrossing narratives that take us from the boardrooms of

Download Free Show Your Work 10 Ways To Share Your Creativity And Get Discovered

Procter & Gamble to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole new understanding of human nature and its potential. At its core, *The Power of Habit* contains an exhilarating argument: The key to exercising regularly, losing weight, being more productive, and achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we can transform our businesses, our communities, and our lives. With a new Afterword by the author “Sharp, provocative, and useful.”—Jim Collins “Few [books] become essential manuals for business and living. *The Power of Habit* is an exception. Charles Duhigg not only explains how habits

to hundreds of free book and audiobook summaries. The easy-to-follow guide to learning how to awaken your inner passions and become influential at work, step out of your comfort zone, and control your emotions to help with addictions and depression. Description The 5-second rule is the opportunity to bring change in your life by teaching you one simple thing: HOW to change. By counting backward from five, you will learn how to wake up your inner genius, leader, rock star, athlete, artist, or whatever passion you have inside. Full of real-life testimonies of people who used this rule in unique ways to take charge of their lives, you can adopt this technique as well to change the trajectory of your life.

Download Free Show Your Work 10 Ways To Share Your Creativity And Get Discovered

Use the technique in a variety of ways: become influential at work, step out of your comfort zone, become more effective at networking, self-monitor as well as control your emotions and help with addictions and depressions. Similar to Nike's tagline "Just Do It!" which refers to what you need to do, the 5-second rule tells you how to do it. By using the word "just," Nike acknowledges that we all struggle with pushing ourselves to be better and that we are not alone in this struggle. It acknowledges that we all need a push sometimes to get started, and by using the 5-second rule Meg Robbins helps give you that push! You don't need to be a genius, you just need to be

filled with new truths about creativity: Nothing is original, so embrace influence, collect ideas, and remix and re-imagine to discover your own path. Follow your interests wherever they take you. Stay smart, stay out of debt, and risk being boring—the creative you will need to make room to be wild and daring in your imagination.

The acclaimed author of *Ignore Everybody* is back with more irreverent wisdom, wit, and original cartoons. "It has never been easier to make a great living doing what you love. But to make it happen, first you need an **EVIL PLAN**. Everybody needs to get away from lousy bosses, from boring, dead-end jobs that they hate, and **ACTUALLY** start doing something they love, something

that matters. Life is short." -Hugh MacLeod
Freud once said that in order to be truly happy people need two things: the capacity to work and the capacity to love. Evil Plans is about being able to do both at the same time. The sometimes unfortunate side effect is that others will hate you for it. MacLeod's insights are brash, wise, and often funny.

WALL STREET JOURNAL BESTSELLER
The secret to business success? Get REAL and be HUMAN! As human beings, we are built to connect and form relationships. So, it should be no surprise that relationships must also translate into the workplace, where we spend most of our time! Companies that

recognize this will retain the most productive, creative, and loyal employees, and invariably seize the competitive edge. The most successful leaders are those who actively form quality relationships with their employees, who honor fundamental human qualities—authenticity, openness, and basic politeness—and apply them day in and day out. Paying attention and genuinely caring about the effects people have on one another other is key to developing a winning culture where people perform at the top of their game and want to work. As a workplace strategist and business coach, Erica Keswin has spent over 20 years working with top business leaders and executives to

build successful organizations that honor relationships. Featuring case studies from top brands such as, Lyft, Starbucks, Mogul, and SoulCycle, to name a few, Bring Your Human to Work distills the key practices of the most human companies into applicable advice that any business leader can use to build a "human workplace." These building blocks include:

- Understanding your company's role in the world, beyond financial profit
- Encouraging employees to be healthy in body and spirit
- Running your meetings with clear purpose
- Making space for face-to-face interaction
- Building professional development into company culture
- Inspiring your workforce to give back to the community
- Simply saying

“thank you” A human company is real, genuine, aligned, and true to itself. A real company flaunts its humanity, instead of hiding it. It’s what the most successful, sustainable companies are doing today, and there’s no reason yours can’t be the same. Keswin’s leadership lessons foster fairness, devotion, and joy in the workplace—all critical elements of a successful business. By bringing your human to work, you can design a workplace that is good for people, great for business, and just might change the world.

parenting expert, this book is a must-read for anyone looking to harness their courage and curiosity to build a rewarding, fulfilling future for themselves no matter what life throws at them.

Why isn't everyone creative? Why doesn't education foster more ingenuity? Why is expertise often the enemy of innovation? Bestselling creativity expert Michael Michalko shows that in every field of endeavor — from business and science to government, the arts, and even day-to-day life — natural creativity is limited by the prejudices of logic and the structures of accepted categories and

concepts. Through step-by-step exercises, illustrated strategies, and inspiring real-world examples, he shows readers how to liberate their thinking and literally expand their imaginations by learning to synthesize dissimilar subjects, think paradoxically, and enlist the help of the subconscious mind. He also reveals the attitudes and approaches that diverse geniuses share — and anyone can emulate. Fascinating and fun, Michalko's strategies facilitate the kind of lightbulb-moment thinking that changes lives — for the better.

Why We Do What We Do in Life and Business

Imperial Spain, 1469-1716

Organizations struggle to capture tacit knowledge. Workers struggle to find answers and information across organizational databases and boundaries and silos. New comfort with social sharing, combined with the proliferation of new

Download Free Show Your Work 10 Ways To Share Your Creativity And Get Discovered

social tools, offer easy, useful means of sharing not just what we do but how we get things done. For the organization this supports productivity, improves performance, encourages reflective practice, speeds communication, and helps to surface challenges, bottlenecks, and that elusive tacit knowledge. For the worker it illuminates strengths, talents, struggles, and the reality of how days are spent. For the coworker or colleague it solves a problem, saves time, or builds on existing knowledge. And for management it helps to

capture who does what, and how, and otherwise makes visible so much of what is presently opaque. What does showing work mean? It is an image, video, blog post, or use of another tool, or just talking to describe how you solved a problem, show how you fixed the machine, tell how you achieved the workaround, explain how you overcame objections to close the deal, drew the solution to the workflow problem, or photographed the steps you took as you learned to complete a new task. Some of the most effective examples of showing work
