The game’s afoot once again in this sizzling sequel to Football Widows, with new members and new drama, courtesy of the women behind the NFL’s biggest stars, and play is getting dirty on and off the field... The game’s afoot once again in this sizzling sequel to Football Widows, with new members and new drama, courtesy of the women behind the NFL’s biggest stars, and play is getting dirty on and off the field... Sasha Davenport is riding her popular Football Widows social club all the way to the top. She’s got the right look, the high-profile job, and a glamorous public image that belies all her previous salacious activities. The one thing that eludes her is the star player she needs to complete the cast of her made-for-reality TV life. Los Angeles Sea Lions NFL wife Tatayna Bacall has been faking enthusiasm for the game for too long. Now she wants her star quarterback husband to find a job as a sports analyst so their life can take on some kind of normalcy. Joining the Football Widows Club gives her hope that there is life outside the huddle. But when Tatayna realizes that her husband is a target, she’s ready to break the rules with some foul plays of her own...

Tales from the Indianapolis Colts Sideline

Tales from the Green Bay Packers Sideline

Since their dominance of professional football in the 1960s, the Green Bay Packers have reemerged as one of the elite teams in the NFL, with Super Bowl championships in 1996 and 2010. The victory and legend of Green Bay Packers continues in Chuck Carlson ’s Tales from the Green Bay Packers Sideline , now updated through the 2014 season. In this behind-the-scenes look at the NFL ’s second oldest franchise, Carlson captures the determination, aggression, and vision that have constantly spurred the Packers to greatness. Through interviews and extensive research, Carlson brings to life stories from Packers legends such as Curly Lambeau, Vince Lombardi, Bart Starr, Ray Nitschke, Brett Favre, and the stars of today ’s Packers like Aaron Rodgers and Clay Matthews, Jr. Tales from the Green Bay Packers Sideline opens a window into the greatest Packers moments both on and off the field. Why was Vince Lombardi against the idea of rededicating the Packers stadium and naming it Lambeau Field? How was Monday Night Football changed forever during a Packers game on October 17, 1983? How did Aaron Rodgers respond to the pressure of Super Bowl XLV? Readers will relive the greatest moments and quirkiest anecdotes from throughout Packers history. This newly updated collection is a must-have for any Green Bay fan. Skyhorse Publishing, as well as our Sports Publishing imprint, are proud to publish a broad range of books for readers interested in sports—books about baseball, pro football, college football, pro and college basketball, hockey, or soccer, we have a book about your sport or your team. Whether you are a New York Yankees fan or hail from Red Sox nation; whether you are a die-hard Green Bay Packers or Dallas Cowboys fan; whether you root for the Kentucky Wildcats, Louisville Cardinals, UCLA Bruins, or Kansas Jayhawks; whether you route for the Boston Bruins, Toronto Maple Leafs, Montreal Canadiens, or Los Angeles Kings; we have a book for you. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

Sideline Scandals

Harry Arthur Gant lived at the intersection of the Old West and the New West. He was a cowboy during the 1890s. He saw at first hand the hard work, the hard fun, and the occasional violence of that place and time. He knew cattle barons and horse thieves, con men and hustlers. As civilization spread through the Old West, he worked with the Wild West Shows that helped perpetuate the legends of that country. He was a guy who could get things done. When the first film makers came around, he soon became indispensable to them, and then followed them to the New West. With a new set of skills in the silent film era, he helped perpetuate the new form of legend that came out of Hollywood. He knew stars and extras, more con men and hustlers, movers and shakers. He tells his story with a distinctive mix of Old West plain speaking and New West sophistication, with the rough edges left on. This memoir spans two of the most fascinating parts of America's past. The Ugly Business of Beautiful Women

Investigative journalist Michael Gross delves into the history of models and takes us into the private studios and hidden villas where models play and are preyed upon, going beyond modeling’s carefully constructed facade of glamour to expose the scandal and untold truths that permeate the seemingly glamorous business. Here for the first time is the complete story of the international model business—and its evil twin: legalized flesh peddling. It’s a tale of vast sums of money, rape both symbolic and of the flesh, sex and drugs, obsession and tragic death. At its heart is the most unholy combination in commerce: beautiful, young women and rich, lascivious men. Fashion insider Michael Gross has interviewed modeling’s pioneers, survivors, and hangers-on, and he tells the story of the greats: Lisa Fonssagrives; Anita Colby, Candy Jones;

Dorian Leigh and her sister Suzy Parker; Jean Shrimpton and Twiggy; Veruschka and Lauren Hutton; and today’s supermodel trinity, Christy, Naomi and Linda.

A Novel

With roots that go back to 1953, the Indianapolis Colts are one of the most storied franchises in the NFL. But the modern legacy of achievement began in 1984 when the Colts arrived in Indianapolis after a midnight escape from Baltimore. More than thirty years later, the Colts have forged an identity as one of the most dynamic, power-driven teams in football today. Now diehard Colts fans can relive all the struggles, all the passion, and all the glory of Indianapolis football in this newly revised edition of Tales from the Indianapolis Colts Sideline. Indiana sportswriters Mike Chappell and Phil Richards take readers inside the Colts! Indiana Farm Bureau Football Center; onto the Lucas Oil Stadium sidelines; into the huddle; and inside the decisions, the strategies, the players, and the personalities

that have made the Colts one of the NFL’s most exciting teams. They pay homage to Peyton Manning, Reggie Wayne, Dwight Freeney, and all the players who propelled the team to its Super Bowl victory following the 2006 season. And they look ahead as Andrew Luck and company attempt to bring home another title. This is the book for football fans that bleed Colts blue
