government in 2004, he soon found that what he thought was a good place to be employed turned out to be a network of "good ol' boys" who were committed to the status quo of corruption, waste, fraud, abuse, harassment, and persecution, which went all the way to the Governor's Mansion. For six and a half years he risked his job by filing complaints up the chain of command within the agency and charges with a dozen state and federal agencies. He found out that no one would do anything, including the media, so now he is taking his case to the court of public opinion through this book, and running for Governor in 2011! About the Author: James Broadwater and his family own a small business in the Jackson, Mississippi metro area. He is an ordained Southern Baptist minister, former state employee, and veteran of the Mississippi Army National Guard. Mr. Broadwater is a candidate for the Republican nomination for Governor of Mississippi in the August 2, 2011 Primary. Georgia Geography-Statistics say most kids know less geography than ever-don't let that apply to your students! Start by making sure kids know the main places & geographic features in their own state. Give them activities that pretend they are taking a cross-state bike tour, using free football game passes, jogging through the state, etc., & they'll find their way around in a hurry! Geography activities include information on counties, rivers, museums, historic places, sites of interest, colleges, bordering states, climate, topography, crops and more, all ready to reproduce! Approximately 30 activities and 200 geography related places and facts are covered. Students work alone or in groups and use maps, reference books or resource people to complete challenging riddles, matching games, word searches, fill-in lists, scavenger hunts, and completion exercises that reinforce learning, sharpen research skills, and provide a lively introduction to Georgia.

**The story is about a high school graduate named Hara, who attended college at TSU, a college in San Marcos, Texas, where she reunites with her ex-boyfriend named Bishop Summers but at the same time becomes friends with a fellow student named Stephen. Stephen becomes obsessed over her and sets up a plot with one of Hara's roommates to break her and Bishop up. When the plot doesn't go as planned, he kidnaps Hara and keeps her tied up in his barn for three weeks. Within those three weeks, he makes her quit TSU, turns her back to her friends and family, including Bishop. Also within those three weeks he beats and rapes her. Her mom hires a private investigator to find Hara. Once he finds Hara, her mom, the private investigator, and Bishop team up to rescue Hara, but the plan to rescue Hara will become a difficult task because Stephen has killed someone before and to keep Hara, he would do so again. *In a collection of nostalgic and lighthearted vignettes, local author Jeannie Weller Cooper recounts the history of Panama City Beach, the barrier islands and beach for old Panama City. First inhabited by Native Americans in the years before the Spanish arrived in the sixteenth and seventeenth centuries, Panama City Beach has always proved a good hideout for fugitives, from Native Americans fleeing from European invaders to runaway slaves, Civil War soldiers, outlaws and rumrunners. In 1929, the first Hathaway Bridge was completed; connecting Greater Panama City to the beach, but the lagoon and the beach remained a sleepy curiosity until the bombing of Pearl Harbor mobilized the United States to war. Now Panama City Beach is home to thousands of residents, as well as being a renowned tourist destination. The longtime chief marketing officer for Chick-fil-A tells the inside story of how the company turned prevailing theories of fast-food marketing upside down and built one of the most successful and beloved brands in America. Covert Cows will help you... Discover unexpected, out-of-the-box marketing methods and new ways of approaching business problems. Understand the positive impact of building a business based on biblical principles. Receive an insider's look at the evolution of one of America's most beloved brands. Learn key marketing and business insights from the man who was the chief marketing officer for Chick-fil-A for thirty-four years. During his thirty-four-year tenure at Chick-fil-A, Steve Robinson was integrally involved in the company's growth--from 184 stores and \$100 million in annual sales in 1981 to over 2,100 stores and over \$6.8 billion in annual sales in 2015--and was a first-hand witness to its evolution as an indelible global brand. In Covert Cows and Chick-fil-A, Robinson shares behind-the-scenes accounts of key moments, including the creation of the Chick-fil-A corporate purpose and the formation and management of the now-iconic "Eat Mor Chikin" cow campaign. Drawing on his personal interactions with the gifted team of company leaders, restaurant operators, and the company's founder, Truett Cathy, Robinson explains the important traits that built the company's culture and sustained it through recession and many other challenges. He also reveals how every aspect of the company's approach reflects an unwavering dedication to Christian values and to the individual customer experience. Written with disarming candor and revealing storytelling, Covert Cows and Chick-fil-A is the never-before-told story of a great American success.*
