into being in the

prayed about which

About two days

before Sunday, I had
a dream that a young

After the sermon,
her family greeted
me well and said I

public for the first
time and I gave her

that she needs for the rest of her life. Then I woke up. On the actual Sunday service, during the sermon, I asked the congregation how many of them had a dog or a cat. A young lady - a 17 year old said she had a cat. I asked if she ever took her cat for a

walk, she said, "no."
I asked, "why not?"
She replied,

"Nobody does!"

Then I said people
take their dogs for

not mean that dogs
are more important
or better than cats.
Cats have their own
usefulness. God who
created us knows

that we are not the same and that we cannot function in the same way. One should not be boasting that s/he is better than the other. After the service, the grandfather of the cat owner who spoke during my sermon and her aunt came to me and thanked me

for the opportunity given to the young lady to talk for the first time in public, which would enable her to express herself publicly. When I was praying at home after the sermon, I had the feeling that God wanted me to tell people to try out what seems to be

unusual for them. It has been my concern for many years that many couples don't take their wedding vows seriously. It is affecting children a great deal; many children have two or three stepparents. Those children without stepparents seem to be the odd

Letter writing is an

many letters written

never read about

their initial letters to

Similarly, only
letters written to the

in this book. Most of
the Letters in this

not to give up on
their dream of
having a successful

continue fighting
until the victory is

Note that some of the
letters end with

prayer, while some

didn't. The idea is we
don't have to impose
prayer on people.

Praying with people

is as important as

praying for people in

permission to pray

with people, but we

don't need permission to pray for people while they are not there. In both my pastoral and counselling ministries, the most prevalent issues are marriage and family matters. This book thus serves as a handbook to help couples in crises or

against anyone, but as a means of correction and education. The book is calling people who just want a family and not a marriage. Many couples lose love in their marriages. Love is the greatest gift God gives to people but many people do not

accept it. They
choose anger instead
of peace or love from
God. The book is
calling the readers
who are making
wrong decisions for
wrong reasons. We
should not let

frustration, alcohol,
drugs, etc., ruin our

relationships. The
principles of marital
