

Skim

A New York Times Book Review choice as one of the 10 Best Illustrated Children's Books of 2008. Skim is Kimberly Keiko Cameron, a not-slim, would-be Wiccan goth stuck in a private girls' school in Toronto. When a classmate's boyfriend kills himself because he was rumoured to be gay, the school goes into mourning overdrive, each clique trying to find something to hold on to and something to believe in. It's a weird time to fall in love, but that's high school, and that's what happens to Skim when she starts to meet in secret with her neo-hippie English teacher, Ms. Archer. But when Ms. Archer abruptly leaves, Skim struggles to cope with her confusion and isolation, armed with her trusty journal and a desire to shed old friendships while cautiously approaching new ones. Depression, love, sexual identity, crushes, manipulative peers --teen life in all its dramatic complexities is explored in this touching, pitch-perfect, literary graphic masterpiece. Cousins Mariko and Jillian Tamaki collaborate brilliantly in this poignant glimpse into the heartache of being sixteen. Told from the point of view of a young boy, this account shows how a family faced the 1930s head on and lived to tell the story." It is the story of growing up in southern Illinois, specifically the Marion, area during the Great Depression. But when it was first published in 1972 the book proved to be more than one writer's memories of depression-era southern Illinois. "People started writing me from all over the country," Hastings notes. "And all said much the same: "You were writing about my family, as much as your own. That's how I remember the 1930s, too.'" As he proves time and again in this book, Hastings is a natural storyteller who can touch upon the detail that makes the tale both poignant and universal. He brings to life a period that marked every man, woman, and child who lived through it even as that national experience fades into the past.
