why women are under-represented in tech, why it matters, and what we can do about it. Perfect for readers of Invisible Women. The tech world might feel beyond reach, particularly if you're a woman. With increasingly frank admission women are woefully under-represented in tech - roughly a mere quarter of the UK STEM workforce - the dangerous fact is clear our technology is the product of a series of big decisions made by a small number of people, mainly men. Our lives have gone digital, but our technology risks being tailored to a section of society whose lived experience may be far from our own. In

She's In CTRL, computer scientist Dr Anne-Marie Imafidon, a dynamic advocate for women in STEM, calls time on women being cut out of the tech story. Technology is not an unchangeable force, nor the preserve of the elite, she argues. It is in our homes and in our hands. In her powerful book about women, tech and daring to dream, Dr Imafidon shows we have more agency than we think, drawing on her own experience and the stories of other pioneers and innovators who have, against the odds, transformed technology. The world needs more women in tech and, in her inspiring narrative, Dr

Heart and Hustle: Use your passion. Build your brand. Achieve your dreams.

Well-Read Black Girl

"One day I'm going to touch you in a thousand different ways and show you how to touch me," he said. And he did. Struggling with a tormented past, undergraduate Olivia Winter once led a practical but isolated life. Then she met Professor Dean West, a brilliant scholar of medieval history who melted Liv's

inhibitions and taught her the meaning of both love and erotic pleasure. But after three years of a blissful, lusty marriage, Liv and Dean now face a crisis that threatens everything they believe about each other as dark secrets and temptations rise to the surface.

A New York Times bestseller! With life lessons she's learned and new insights from the story of Eve, Sarah Jakes Roberts shows you how past disappointments, struggles, and even mistakes can be used today to help

you become the woman God intended. Who would imagine being friends with Eve—the woman who's been held responsible for the fall of humanity (and cramps) for thousands of years? Certainly not Sarah Jakes Roberts. That is, not until Sarah discovered she is more like Eve than she cares to admit. Everyone faces trials, and everyone will mess up. But failure should not be the focus. Your focus should not be on who you were but rather the pursuit of who you can become. In *Woman Evolve*, Sarah helps you understand

that your purpose in life does not change; it evolves. Making her mistake in the Garden of Eden, Eve became the first woman to deal with rebuilding her life in the aftermath of her past. Eve knew better, but she didn't do better. With scriptural lessons, Eve as the framework, and Sarah as your guide you will discover and work through: Past issues and insecurities that haunt you Seeing yourself as God sees you and trusting Him with who you really are How to come out of darkness and pursue a real relationship with God Why it's

important to truly care for yourself Setting in motion the beautiful seed that God planted in you Your fears and insecurities may have changed how you viewed God, others, and yourself, but in Woman Evolve, you can break through and use past mistakes to revolutionize your life. Like Eve, you don't have to live your future defined by your past. Some people seek purpose in work. Others see work as a tool to live with purpose outside of work. Where do you sit on this scale? 'An exciting, refreshing, curious read

which addresses not just the future of work but how to fundamentally rethink the way we live' -EMMA GANNON, author of The Sunday Times bestseller The Multi-Hyphen Method

"At a time when many of us are reconsidering our work/life balance in the long-term, it's an illuminating read." - Cosmopolitan

"The Reset is a provocative guide to how we fit into an ecosystem' - The Financial Times

"Uviebinené's passion about resetting how we live and work is infectious and eye-opening." - Marie Claire

"This book made me

stop and rethink my relationship with work. Elizabeth challenges us all to create a new social contract with trust, purpose and community at its heart. Where we work by design and not by default and in doing so, create a world of work that is more balanced, inclusive and better for everyone." - Helen Tupper, CEO of Amazing If and co-author of The Squiggly Careers _____ Being busy isn't an Identity Perks aren't office Culture Profit isn't all we want from Business Loneliness shouldn't happen in a Community

Inequality isn't inevitable in a City We can all shape Society From the award-winning author and Financial Times columnist Elizabeth Uviebinené, a fundamental rethink of how we work and live. Because if we're going to really benefit from the radical shift of 2020, we have to rethink how we fit into an ecosystem. Elizabeth started with a simple desire to explore our relationship with work, and how it was impacting our lives. It became clear if we want to reset how we work as individuals, we're going to need to reset the

work culture we exist in, the businesses we work for, the communities we're a part of, the cities we live in and the society we can shape. We can't just rethink one strand of society; we need to rethink everything together. It's time for a Reset. The Reset is a short, digestible book for people who want to work better, and live better. Elizabeth addresses our urge to work differently, to work in a way that suits more parts of our lives. It's optimistic, positive and provocative, offering fresh perspectives on the way we

live now, and a punchy idea for how we might live in the future. So what's possible now that would have seemed impossible before? The Reset features interviews from: Sadiq Khan, Mayor of London Alex Mahon, CEO of Channel 4 Ete Davies, CEO of Engine Group Rachel Botsman, Oxford University's first Trust fellow Sereena Abassi, Worldwide Head of Culture and Inclusion, M&C Saatchi Anna Whitehouse (Mother Pukka), flexible working campaigner Cassandra Stavrou, Founder of Proper Indy Johar, Founder of think tank Dark

Matter Labs Nadia Whittome, Labour MP for Nottingham Pip Jameson, Founder of the Dots Karen Rosenkranz, trend forecaster and consultant Joanna Lyall, UK CEO of Brainlabs 'A fresh, lively story about friendship - Ade and Shanice are such real girls' Jacqueline Wilson The major new middle-grade series from the authors of Slay in Your Lane is here! A universal story of friendship, falling out and unforgettable characters that will resonate with all readers of 9 and up. Safe

Loud Black Girls: 20 Black Women Writers

Ask: What's Next?

The Senior Vice President of Christie's and seasoned auctioneer Lydia Fenet, with her "razor-sharp humor and her

**don't-mess-with-me gavel strike”
(Mariska Hargitay, star of Law & Order:
Special Victims Unit), shares the secrets
of success and the strategies behind her
revolutionary sales approach to show you
how to embrace and channel your own
power in any room. Who is the most
powerful woman in the room? She's the
one who can raise a million dollars in a
minute. She's the one who can command
the attention of a group of any size from
one person to five thousand. She's the**

one who can sell anything to anyone. And she can be you. As a senior executive at Christie's, leader in her field, and one of Gotham magazine's Most Influential Women in New York, Lydia Fenet knows firsthand that the one skill that can set women apart in both their personal life and career is the ability to sell. The Most Powerful Woman in the Room Is You equips you with everything you need to know—from how to sell authentically and how to network (or die), to the

importance of never apologizing (start negotiating instead), how to perfect your poker face, and always, always, tell the truth. Most of all, she offers plenty of encouragement to take ownership in your position and look for opportunities to innovate. Filled with additional case studies, thoughtful insights, and meaningful advice from some of the most powerful and successful women in business, fashion, journalism, sports, and the arts, The Most Powerful Woman in

the Room Is You “is an insightful, inspiring guide for women who are trying to claim their own seat at the table” (New York Journal of Books).

The Sunday Times Bestseller. This book is all the conversations and advice you've had in the club toilet, finally in one place. For fans of Three Women and Women Don't Owe You Pretty. 'This book is heart-warmingly honest and beautifully fun. Reading it felt like having a conversation with a best friend'

Grace Beverley 'If like me, you've grown up in a predominately male household, you're going to love the revelations about sisterhood, self-love and sex in this book. There's so much to learn when it comes to being your own woman and Tolly T, Audrey and Milena aren't afraid to tell you every last detail' Julie Adenuga Join your girl Tolly T, Audrey, formerly known as Ghana's Finest, and your mamacita Milena Sanchez as they get super honest about their life experiences and lessons.

From their different approaches to love to their wise advice on building strong friendships; from those conversations about sex we never have, to how to enjoy life as a Black woman or a woman of colour, The Receipts girls always keep it real, authentic and fiercely funny. This book is a celebration of the wonderful messes, mistakes, successes, highs and lows of three audacious women who are still trying to get it right and live their best lives. It's time to normalise women

sharing things with zero judgement, to embrace women for all their flaws and differences and to realise being completely yourself is the best thing you could possibly be. This is the sisterhood you've always wanted to be a part of. 'This book is raw, funny and feels like the best and most necessary dmc (deep meaningful chat) you'll ever have' Nicole Crentsil 'Keep the Receipts is relatable and hilarious; it offers you an opportunity to see yourself in its pages,

and feel understood on a deeper level' Ms Banks

An important and timely anthology of black British writing, edited and curated by the authors of the highly acclaimed, ground-breaking Slay In Your Lane. Slay in Your Lane Presents: Loud Black Girls features essays from the diverse voices of twenty established and emerging black British writers.

Black joy is . . . The babble and buzz of the barber shop. Chicken and chips after

school with your girls. Stepping foot in your mother country for the very first time. Feeling at one with nature. Learning to cook souse with your mum. Connecting with the only other Black colleague in your workplace. Loving and finding complete happiness in your fatness. Joy surrounds us. It can be found it in the day to day. It's what we live for. So why do we so rarely allow ourselves to revel in it? This must-read anthology is your invitation to do so - and is a true

celebration of Black British culture in all its glory. Edited by award-winning journalist, and former gal-dem editor-in-chief, Charlie Brinkhurst-Cuff and up-and-coming talent Timi Sotire, twenty-eight iconic voices speak on what Black joy means to them in this uplifting and empowering anthology. With essays from: Munya Chawawa -- Leigh-Anne Pinnock -- Diane Abbott -- Jason Okundaye -- Bukky Bakray -- Faridah Àbíké-Íyímídé -- Lavinya Stennett -- Henrie Kwushue

Chanté Joseph -- Travis Alabanza -- Isaac James -- Sophia Tassew -- Lauryn Green -- Melz Owusu -- Timi Sotire -- Fope Olaleye -- Richie Brave -- Tope Olufemi -- Athian Akec -- Mikai Mcdermott -- Ife Grillo -- Rukiat Ashawe -- Mayowa Quadri -- Tobi Kyeremateng -- Haaniyah Angus -- Theophina Gabriel -- Ruby Fatimilehin -- Vanessa Kissule Discover this exciting, much-needed celebration of Black culture perfect for readers of Feminists Don't Wear Pink, Slay in Your Lane and

Love in Colour. --- "A refreshing and invigorating burst of joy, exploring the beauty in the nuances of our existence, honing in on what propels us forward, and establishing a vital hope" - Bolu Babalola, author of Love in Colour "Every bit as joyous as the title suggests'" - Candice Carty-Williams, author of Queenie "A rich, gorgeous celebration of the power in embracing joy" - Liv Little "Black Joy is a delightful celebration of Black Britishness" - Mashable Reader

praise for Black Joy "This collection was INCREDIBLE. It made me laugh, made me cry and made me consider the joy there is to be found in the Black experience, something that is so often missing from media representations. I am not sure how else to review this book, apart from to say that everyone should read it. Everyone. 5 out of 5. Wonderful. Perfect. A breath of fresh air. A book that everyone needs." - Netgalley reviewer 'Black Joy merits a wide readership. It is

a window into a world that too often goes unseen and unheard. There is real joy out there. Count yourself lucky if you get to share it.' - Netgalley reviewer 'Lots of beautiful memories and moments of joy. Recommended if you've always wanted a view into a different life or if you just want a little joy in your life for a while.' - Netgalley reviewer 'Black Joy is a beautiful anthology, reminding us of where we find joy in our lives . . . An uplifting and informative read for young

people and anyone looking for fresh perspectives on life and culture today.' - Netgalley reviewer 'It's made apparent right away that Black joy is a fundamental act of resistance - an act of defiance against the ostensible prerequisite for pain before joy that faces the Black British community . . . a manifesto of sorts' - Netgalley reviewer

Read Black Girl, on the importance of recognizing

**ourselves in literature. “Yes, Well-Read Black Girl is as
good as it sounds. . . . [Glory Edim] gathers an all-star cast**

of contributors—among them Lynn Nottage, Jesmyn Ward,

and Gabourey Sidibe.”—O: The Oprah Magazine
Remember that moment when you first encountered a character who seemed to be written just for you? That feeling of belonging remains with readers the rest of their lives—but not everyone regularly sees themselves in the pages of a book. In this timely anthology, Glory Edim brings together original essays by some of our best black women writers to shine a light on how important it is that we all—regardless of gender, race, religion, or ability—have the opportunity to find ourselves in literature.

Contributors include Jesmyn Ward (Sing, Unburied, Sing), Lynn Nottage (Sweat), Jacqueline Woodson (Another Brooklyn), Gabourey Sidibe (This Is Just My Face),

Morgan Jerkins (This Will Be My Undoing), Tayari Jones (An American Marriage), Rebecca Walker (Black, White and Jewish), and Barbara Smith (Home Girls: A Black Feminist Anthology) Whether it's learning about the complexities of femalehood from Zora Neale Hurston and Toni Morrison, finding a new type of love in *The Color Purple*, or using mythology to craft an alternative black future, the subjects of each essay remind us why we turn to books in times of both struggle and relaxation. As she has done with her book club-turned-online community *Well-Read Black Girl*, in this anthology Glory Edim has created a space in which black women's writing and knowledge and life experiences are lifted up, to be shared with all

The long-awaited, inspirational guide to life for a generation of black British women inspired to make lemonade out of lemons, and find success in every area of their lives.

“This funny and fresh take on a classic tale manages to comment on gender roles, racial disparities, and white privilege all while creeping me all the way out. So good.”—Zakiya Dalila Harris, author of *The Other Black Girl* Steel Magnolias meets Dracula in this New York Times best-selling horror novel about a women's book club that must do battle with a mysterious newcomer to their small Southern town. Bonus features: • Reading group guide for book clubs • Hand-drawn map of Mt. Pleasant •

**Annotated true-crime reading list by Grady Hendrix •
And more! Patricia Campbell's life has never felt smaller. Her husband is a workaholic, her teenage kids have their own lives, her senile mother-in-law needs constant care, and she's always a step behind on her endless to-do list. The only thing keeping her sane is her book club, a close-knit group of Charleston women united by their love of true crime. At these meetings they're as likely to talk about the Manson family as they are about their own families. One evening after book club, Patricia is viciously attacked by an elderly neighbor, bringing the neighbor's handsome nephew, James Harris, into her life. James is well traveled and well read, and he makes Patricia feel**

things she hasn't felt in years. But when children on the other side of town go missing, their deaths written off by local police, Patricia has reason to believe James Harris is more of a Bundy than a Brad Pitt. The real problem? James is a monster of a different kind—and Patricia has already invited him in. Little by little, James will insinuate himself into Patricia's life and try to take everything she took for granted—including the book club—but she won't surrender without a fight in this blood-soaked tale of neighborly kindness gone wrong.

knows his feelings are unreturned. Even if Rob felt the same, there's no room in their world for such feelings between men. But while Jamie can accept Robert not sharing his feelings, he won't put up with being treated like a troublesome kid brother. He too has a job to do, and he intends on traveling this bloody and twisted road with Robert Garrett—no matter where it leads.

Change at UN Women with this "passionate, practical roadmap for addressing inequality and finally making our workplaces work for women" (Arianna Huffington). For years, we've been telling women that in order to succeed at work, they have to change themselves first—lean in, negotiate like a man, don't act too nice or you'll never get the corner office. But after sixteen years working with major Fortune 500 companies as a gender equality expert, Michelle King has realized one simple truth—the tired advice of fixing women doesn't fix anything. The truth is that workplaces are gendered; they were

Read PDF Slay In Your Lane The Black Girl Bible

designed by men for men. Because of this, most organizations unconsciously carry the idea of an "ideal worker," typically a straight, white man who doesn't have to juggle work and family commitments. Based on King's research and exclusive interviews with major companies and thought leaders, *The Fix* reveals why denying the fact that women are held back just because they are women—what she calls gender denial—is the biggest obstacle holding women back at work and outlines the hidden sexism and invisible barriers women encounter at work every day. Women who speak up

Read PDF Slay In Your Lane The Black Girl Bible

are seen as pushy. Women who ask for a raise are seen as difficult. Women who spend hours networking don't get the same career benefits as men do. Because women don't look like the ideal worker and can't behave like the ideal worker, they are passed over for promotions, paid less, and pushed out of the workforce, not because they aren't good enough, but because they aren't men. In this fascinating and empowering book, King outlines the invisible barriers that hold women back at all stages of their careers, and provides readers with a clear set of takeaways to thrive despite the sexist

dropping cliffhanger. The debauchery will continue in the second book in the series, Redeemed. I'm going to hell, and my angel's about to lose her wings. For years I've left a path of death and destruction wherever I go. I promise myself that after one last job I'll have the money I desperately need to quit taking lives. That's how I find myself back in my hometown of Lexington. So beautiful and innocent, I unknowingly end up saving the life of the one girl I was supposed to keep silent...the one girl I was supposed to end. She's my fallen angel sent from above. I can't resist staining her pure white wings

with my darkness when I use her. Defile her. Deceive her. The two of us were both ruined by our pasts when they intersected. Pasts that we're still trying to escape with the hounds of hell on our heels. Fate brought us together. Now, I'll do anything to protect my angel from the demons that haunt her. I won't stop until I slay the devil himself to keep her safe, the man who ruined both of our lives. The only problem is, my silent angel is keeping secrets from me - the biggest of which is that I'm not the only one who wants to exploit her.

From near-extinction in the early eighties, Harley-Davidson rose to worldwide recognition and is still today one of the great, iconic American motorcycle brands. In this insider guide, former Harley-

Davidson executive Dantar Oosterwal offers an exclusive look at how Harley-Davidson was able to adapt in an ever-changing world to stay on top and stay in existence. In The Lean Machine, readers learn about Harley-Davidson's secret weapon and go-to formula for outstanding success: Knowledge-Based Product Development. Rooted in Japanese productivity improvement techniques, this method helped Harley realize an unprecedented fourfold increase in throughput in half the time--powering annual growth of more than ten percent.

Winner of the 2017 Shingo Prize for Literature, The Lean Machine--which is part business journal, part analysis, and part step-by-step toolkit--takes readers through the day-to-day transformation at Harley and identifies universal change and improvement issues so that companies in any industry can incorporate this game-changing system--with predictably excellent results.

***"Gripping and timely." —People "The YA debut we're most excited for this year."
—Entertainment Weekly "A book that***

knocks you off your feet while dropping the kind of knowledge that'll keep you down for the count. Prepare to BE slain.” —Nic Stone, New York Times bestselling author of Dear Martin and Odd One Out Ready Player One meets The Hate U Give in this dynamite debut novel that follows a fierce teen game developer as she battles a real-life troll intent on ruining the Black Panther-inspired video game she created and the safe community it represents for Black gamers. By day, seventeen-year-old Kiera Johnson is an honors student, a math tutor, and one of

the only Black kids at Jefferson Academy. But at home, she joins hundreds of thousands of Black gamers who duel worldwide as Nubian personas in the secret multiplayer online role-playing card game, SLAY. No one knows Kiera is the game developer, not her friends, her family, not even her boyfriend, Malcolm, who believes video games are partially responsible for the “downfall of the Black man.” But when a teen in Kansas City is murdered over a dispute in the SLAY world, news of the game reaches mainstream media, and SLAY is

***labeled a racist, exclusionist, violent hub for thugs and criminals. Even worse, an anonymous troll infiltrates the game, threatening to sue Kiera for “anti-white discrimination.” Driven to save the only world in which she can be herself, Kiera must preserve her secret identity and harness what it means to be unapologetically Black in a world intimidated by Blackness. But can she protect her game without losing herself in the process?
In this instant New York Times bestseller,***

Angela Duckworth shows anyone striving to succeed that the secret to outstanding achievement is not talent, but a special blend of passion and persistence she calls "grit." "Inspiration for non-geniuses everywhere" (People). The daughter of a scientist who frequently noted her lack of "genius," Angela Duckworth is now a celebrated researcher and professor. It was her early eye-opening stints in teaching, business consulting, and neuroscience that led to her hypothesis about what really drives success: not genius, but a unique

combination of passion and long-term perseverance. In Grit, she takes us into the field to visit cadets struggling through their first days at West Point, teachers working in some of the toughest schools, and young finalists in the National Spelling Bee. She also mines fascinating insights from history and shows what can be gleaned from modern experiments in peak performance. Finally, she shares what she's learned from interviewing dozens of high achievers—from JP Morgan CEO Jamie Dimon to New Yorker cartoon editor Bob Mankoff to Seattle

Seahawks Coach Pete Carroll. "Duckworth's ideas about the cultivation of tenacity have clearly changed some lives for the better" (The New York Times Book Review). Among Grit's most valuable insights: any effort you make ultimately counts twice toward your goal; grit can be learned, regardless of IQ or circumstances; when it comes to child-rearing, neither a warm embrace nor high standards will work by themselves; how to trigger lifelong interest; the magic of the Hard Thing Rule; and so much more. Winningly personal, insightful, and even life-

changing, Grit is a book about what goes through your head when you fall down, and how that—not talent or luck—makes all the difference. This is “a fascinating tour of the psychological research on success” (The Wall Street Journal).

'Brilliant' CANDICE CARTY-WILLIAMS, author of QUEENIE 'Essential' BERNARDINE EVARISTO, author of GIRL, WOMAN, OTHER 'Hugely important' PAULA AKPAN _____ As a minority in a predominantly white institution, taking up space is an act of

resistance. Recent Cambridge grads Chelsea and Ore experienced this first-hand, and wrote Taking Up Space as a guide and a manifesto for change. FOR BLACK GIRLS: Understand that your journey is unique. Use this book as a guide. Our wish for you is that you read this and feel empowered, comforted and validated in every emotion you experience, or decision that you make. FOR EVERYONE ELSE: We can only hope that reading this helps you to be a better friend, parent, sibling or teacher to black girls living through what we did. It's time we

stepped away from seeing this as a problem that black people are charged with solving on their own. It's a collective effort. And everyone has a role to play. Featuring honest conversations with students past and present, Taking Up Space goes beyond the buzzwords of diversity and inclusion and explores what those words truly mean for young black girls today.

_____ #Merky Books was set up by publishers Penguin Random House and Stormzy in June 2018 to find and publish the best writers of a new generation

and to publish the stories that are not being heard. #Merky Books aims to open up the world of publishing, and this year has launched a New Writer's Prize and will soon be launching a #Merky Books traineeship. 'I know too many talented writers that don't always have an outlet or a means to get their work seen, and hopefully #Merky Books can now be a reference point for them to say "I can be an author", and for that to be a realistic and achievable goal... Reading and writing as a kid were integral to where I am today and I, from the bottom of my heart,

cannot wait to hear your stories and get them out into the big wide world.' STORMZY Claiming Space for Who You Are (No Matter What They Say)

at any level of their careers, play the power game—and win. Rich with wisdom, this practical gem focuses on the building blocks of true leadership—self-confidence, effective communication, collaboration, and courage—while dealing specifically with stereotypes (avoid the Mammy Trap, and don't become the Angry Black Woman) and the perils of self-victimization (don't assume that every challenge occurs because you are black or female). Some leaders are born, but most leaders are made—and *The Little Black Book of Success* will show you how to make it to the top, one step at a time.
