

Smallville Episodes Guide

The Classic British Telefantasy Guide is derived from the second edition of The Guinness Book of Classic British TV with various corrections and a revised introduction to bring it up to date. It was written when the Internet barely existed, and at a time when few books had been published on the subject. This is, however, by no means a new or completely revised version of the original material - too much time has passed, and if we were to start reworking and correcting the text now, it would probably never be finished! Instead, Classic British Telefantasy is an electronic reprint of some of the authors' earliest work, repacked for a new format and, perhaps, a new age.

Despite the significant and growing role of counter-terrorist units, little is known about the way they operate. The selection, training, structure, and principles of maintaining such units, together with basic theories of warfare, are the subject of Thompson's latest work. A New York Times Bestseller! When we left Clark Kent at the end of Smallville Season 10, he had finally donned the iconic Superman suit and set out to defend Earth from Apokolips. Picking up six months later, Smallville Season 11 explores Clark's understanding of the true power of his Superman identity, its effect on those close to him and its ability to inspire the people of Earth. Smallville Season 11 features Clarke as well as fan-favorite characters including Oliver Queen/Green Arrow, Chloe Sullivan-Queen, Lois Lane, Lex Luthor, and General Lane.

DC's biggest, newest mystery starts here! When a fight between Superman and Mongul crashes into a small Northwestern town, Naomi begins to uncover the last time a super-powered person visited her home-and how that might tie into her own origins and adoption. Follow Naomi's journey on a quest that will take her to the heart of the DC Universe and unfold a universe of ideas and stories that have never been seen before. Join writers Brian Michael Bendis and David Walker and breakout artist Jamal Campbell in Wonder Comics' massively ambitious new series and star...Naomi. Collects NAOMI issues #1-6.

Leaving behind his life in Sunnydale and his relationship with Buffy Summers, Angel atones for his sins by fighting for humanity in the dark seedy underworld of the superficially glamorous city of L.A. Angel Investigations has moved from the Hyperion Hotel to running Wolfram & Hart, but has their conviction to be champions survived the upheaval? In his comprehensive unofficial guide to Season Five of Angel's world, Keith Topping, bestselling author of Slayer, the unofficial guide to Buffy, looks at each episode in turn, considering the links and cross-references between Angel and Buffy, draws attention to logic flaws, points out numerous pop-culture references and discusses recurrent themes and coverage of Angel on the Internet. This essential guide to the final season of the popular show explores the world of Angel, Wesley, Gunn, Fred, Lorne and Spike as they fight their own personal demons and the loneliness of the Big City in their search for redemption.

Provides an introduction to season one of the hit television series, giving an episode-by-episode summary, memorable quotes from each episode, and interviews with the cast.

Groundbreaking! Does for TV shows what Leonard Maltin's guides do for movies! Forget movies! Sales of TV DVDs are outpacing all other categories, according to Video Store magazine. Season 6 : the Official Companion

In a universe full of superheroes, Lois Lane has fought for truth and justice for over 75 years on page and screen without a cape or tights. From her creation by Jerry Siegel and Joe Shuster in 1938 to her forthcoming appearance in Batman v Superman: Dawn of Justice in 2016, from helming her own comic book for twenty-six years to appearing in animated serials, live-action TV shows, and full-length movies, Lois Lane has been a paragon of journalistic integrity and the paramour of the world's strongest superhero. But her history is one of constant tension. From her earliest days, Lois yearned to make the front page of the Daily Planet, but was held

back by her damsel-in-distress role. When she finally became an ace reporter, asinine lessons and her tumultuous romance with Superman dominated her storylines for decades and relegated her journalism to the background. Through it all, Lois remained a fearless and ambitious character, and today she is a beloved icon and an inspiration to many. Though her history is often troubling, Lois's journey, as revealed in Investigating Lois Lane, showcases her ability to always escape the gendered limitations of each era and of the superhero genre as a whole. A companion to the television series "Smallville" offers information on the characters, locations, themes, and episodes.

In The Smallville Chronicles: Critical Essays on the Television Series, scholars examine the multiple narratives of the Smallville universe. Addressing issues related to gender, sexuality, national identity, myth, history, and politics, these essays explore how the series uses the Superman story to comment on contemporary social issues. Additional essays investigate the complex relationship the show's audience has with the characters through blogging, fan fiction, visits to filming locations, and the creation of websites.

Informative contents on Dark Angel and background to the show. Cast biographies, episode guides to seasons 1&2. Other content such as Logan's Investigations and the impact they had on those around him, including showing what life was like in the future.

Author Craig Byrne unlocks the secrets of Smallville's fantastic seventh year, complete with a Foreword by Super Girl herself, Laura Vandervoort. "Deftly mixing elements of young-adult soap, family drama and comic-book fanboy action... the series ranks as one of those rare TV commodities: A true unsung hero." - Variety Praise for previous Smallville companions: "If you're a fan of Smallville, then you ought to have this book in your collection" - Sci Fi Crow's Nest

Twelve years ago a child from a distant planet fell to Earth in a lethal hail of meteors. And one sleepy town in Kansas was transformed forever. Smallville - it's not the place it was. Just ask the locals... Spiritual guru Donald Jacobi announces that fragments from Smallville's famed glowing meteorites are the key to eternal health and cosmic strength. Setting up a website to sell the green rocks, Jacobi soon amasses a fortune ... and a startling control over his desperate followers. Investigating these events, Clark discovers that fraud and dashed hopes are the least of the dangers the rocks pose. But can he find a way to stop Jacobi - before the transforming power of the meteors is spread around the world? Look out for these other sizzling Smallville titles from Orbit: DRAGON; HAUNTINGS; WHODUNNIT

The fight for the universe comes to a climax in this penultimate chapter of the Smallville saga! Lois Lane's newest assignment for The Daily Planet takes her to the Antarctic headquarters of the Holt/Kord Supercollider Project; but unbeknownst to Lois, Kord Industries has a new last-second investor—and Lex Luthor always has an ulterior motive. When the facility is sabotaged, the supercollider causes a bleed in the multiverse itself, stranding Lois—along with Superman—on a parallel Earth! While Chloe, Oliver and their allies at the Department of Extranormal Operations try to figure out how to get their friends back home, a new mystical threat is laying siege to Metropolis. A supernatural infection is causing violence and destruction across the city, but, luckily for the team in the Watchtower, Superman isn't the only superhero keeping watch. Even as Clark and Lois battle Monitors across the Multiverse and heroes from all over Earth unite to fight for their home, in the end, it still may not be enough. Because the Crisis isn't just coming—it's here. Writer Bryan Q. Miller (TV's SMALLVILLE) and artists including Agustin Padilla (GREEN ARROW) and Daniel HDR (CYBORG) bring you SMALLVILLE SEASON ELEVEN VOL. 8: CHAOS, collecting SMALLVILLE SEASON ELEVEN: CHAOS #1-4 and SMALLVILLE SEASON ELEVEN SPECIAL #5: HARBINGER.
