

Solutions Pre Intermediate Student Key 2nd Edition

The Solutions 2nd Edition Workbook supports the Student's Book content with plenty of extra practice and revision.

This is a five-level general English course for 14-19 year-olds.

Top Grammar is a reference book for learners of English at all levels, from basic to upper intermediate (A2 to B2). Top Grammar covers all the main grammatical areas of the language. Top Grammar has a special lexical focus for each of its sections. Top Grammar is made up of a Student's Book and CD-ROM, and has a Teacher's Guide including tests. Top Grammar can be used: for individual study, for exam preparation, or whenever the teacher thinks the class needs specific training on grammar included in the syllabus. By learners in a flexible way, to reinforce specific grammar points. Autonomously like other reference materials - dictionaries or the Internet. 'Go and check in your grammar book' should be a constant reminder of the teacher to the students. The Teacher's Guide contains: tips about how Top Grammar could be used in the classroom or for individual study; a set of 25 tests, one for each of the chapters; keys to all the exercises and tests.

From the moment that his debut book, *Goodbye, Columbus* (1959), won him the National Book Award, Philip Roth has been among the most influential and controversial writers of our age. Now the author of more than twenty novels, numerous stories, two memoirs, and two books of literary criticism, Roth has used his writing to continually reinvent himself and in doing so to remake the American literary landscape. This Companion provides the most comprehensive introduction to his works and thought in a collection of newly commissioned essays from distinguished scholars. Beginning with the urgency of Roth's early fiction and extending to the vitality of his most recent novels, these essays trace Roth's artistic engagement with questions about ethnic identity, postmodernism, Israel, the Holocaust, sexuality, and the human psyche itself. With its chronology and guide to further reading, this Companion will be essential for new and returning Roth readers, students and scholars.

The Workbook offers plenty of extra practice, revision, and reviews. Mirroring the Student's Book content, with the same clear structure, it provides extra reading and writing practice opportunities for both weaker and stronger students. The Writing Bank at the back of the book gives a quick guide to text types, with model structures and key language as well as exam strategies, plus a Functions Bank for functional phrases for speaking and writing. There is plenty of exam practice in the Get Ready for your Exam sections and these, along with the Self-Check pages after each unit and the review sections at the back of the books, allow students and their teachers to keep track of their progress as they work towards their exams. The accompanying Audio CD offers students a huge amount of listening practice. There are audio recordings for tasks in every lesson (not only for the Vocabulary & Listening lessons).
