"The very name of 'Judas' raises among Christians an instinctive reaction of criticism and condemnation...The betrayal of Judas remains. —Pope Benedict XVI, October 2006 The Gospel According to Judas, by Benjamin Isaac sheds new light on the the mystery of Judas—his motives for the betrayal and what happened to him after the crucifixion—by retelling the story of Jesus through the eyes of Judas, using the Gospels as its basic point of reference. Ostensibly written by Judas's son, Benjamin, and following the narrative style of the Gospels, this work is provocative, compelling, and controversial. The Gospel According to Judas, by Benjamin Isaac is the result of an intense collaboration between a storyteller and a scholar: Jeffrey Archer and Francis J. Moloney. Their brilliant work—bold and simple—is a compelling story for twenty-first-century readers, while maintaining an authenticity that would be credible to a first-century Christian or Jew.

Bingham, Jessica's future mother-in-law, has a visit from an old friend, Lady Virginia Fenwick, who drops her particular brand of poison into the wedding chalice. Then, without warning, Cedric Hardcastle, a bluff Yorkshireman who no one has come across before, takes his place on the board of Barringtons. This causes an upheaval that none of them could have anticipated, and will change the lives of every member of the Clifton and Barrington families. Hardcastle's first decision is who to support to become the next chairman of the board: Emma Clifton or Major Alex Fisher? And with that decision, the story takes yet another twist that will keep you on the edge of your seat. *Be Careful What You Wish For* showcases the master storyteller's talent as never before – when the Clifton and Barrington families march forward into the sixties, in this epic tale of love, revenge, ambition and betrayal.

Hell, the first volume in Jeffrey Archer's *The Prison Diaries*, is the author's daily record of the time he spent there. The sun is shining through the bars of my window on what must be a glorious summer day. I've been incarcerated in a cell five paces by three for twelve and a half hours, and will not be let out again until midday; eighteen and a half hours of solitary confinement. There is a child of seventeen in the cell below me who has been charged with shoplifting - his first offence, not even convicted - and he is being locked up for eighteen and a half hours, unable to speak to anyone. This is Great Britain in the twenty-first century, not Turkey, not Nigeria, not Kosovo, but Britain. On Thursday 19 July 2001, after a perjury trial lasting seven weeks, Jeffrey Archer was sentenced to four years in jail. He was to spend the first twenty-two days and fourteen hours in HMP Belmarsh, a double A-Category high-security prison in South London, which houses some of Britain's most violent criminals. This is his illuminating insight into prison life.

Suspenseful and thrilling, Sunday Times bestselling author Jeffrey Archer's *Sons of Fortune* is a powerful tale of twins separated by fate and reunited by destiny. In the late 1940s in Hartford, Connecticut, a set of twins is parted at birth. Nat Cartwright goes home with his parents, a schoolteacher and an insurance salesman. His twin brother is adopted and becomes Fletcher Davenport, the only son of an American multi-millionaire and his society wife. Unaware the other exists, the brothers grow up and follow different paths, confronted by challenges and obstacles, tragedy and heartache. Nat goes to Vietnam and returns a hero, whilst Fletcher distinguishes himself as a criminal defence lawyer before embarking on a political career. But when Nat enters politics and both decide to run for governor, the brothers become unwitting rivals, setting off a train of events that will either forge their bond or break it forever . . . Absorbing and powerful, Archer's tale is as much a chronicle of a nation in transition as the story of the making of these two men - and how they eventually discover the truth-and its tragic consequences. Jeffrey Archer's final volume in his trilogy of prison diaries covers the period of his transfer from a medium security prison, HMP Wayland, to his eventual release on parole in July 2003. It includes a shocking account of the

traumatic time he spent in the notorious Lincoln jail and the events that led to his incarceration there, and also shines a harsh light on a system that is close to its breaking point. Told with humor, compassion and honesty, the diary closes with a thought-provoking manifesto that should be applauded by reform advocates and the prison population alike.

Spring 1994, Washington, D.C. - While the Clinton Administration grapples with its domestic policies, a sinister plot is being masterminded six thousand miles away in Baghdad. By using \$100 million as bait and spinning a deadly web of corruption, forgery, and terror, Saddam Hussein seeks to embarrass the U.S. with the ultimate revenge: to steal a treasured historical document and then destroy it before the world's media-on July 4, 1994. As the countdown to Independence Day begins, two agents stand in the way of his nearly flawless plan: Scott Bradley, a rising star in the CIA who is desperate to prove his patriotism, and Hannah Kopec, the stunning Mossad operative who has already lost so much that she fears nothing and trusts no one. Their unrelenting quest to prevent what would undoubtedly be the most humiliating day in U.S. history takes them across four continents and climaxes in a dramatic, triple-twist ending. Ingeniously plotted and as up-to-the-minute as today's headlines, *Honor Among Thieves* resonates with the brilliant pace that is the trademark of master storyteller Jeffrey Archer.

Cometh the Hour is the penultimate book in the Clifton Chronicles and, like the previous novels - all of which hit the New York Times bestseller list - showcases Jeffrey Archer's extraordinary storytelling with his trademark twists. Lady Virginia is facing bankruptcy, and can see no way out of her financial problems, until she is introduced to the hapless Cyrus T. Grant III from Baton Rouge, Louisiana, who's in England to see his horse run at Royal Ascot. Sebastian Clifton is now the Chief Executive of Farthings Bank and a workaholic, whose personal life is thrown into disarray when he falls for Priya, a beautiful Indian girl. But her parents have already chosen the man she is going to marry. Meanwhile, Sebastian's rivals Adrian Sloane and Desmond Mellor are still plotting to bring him and his chairman Hakim Bishara down, so they can take over Farthings. Harry Clifton remains determined to get Anatoly Babakov released from a gulag in Siberia, following the international success of his acclaimed book, *Uncle Joe*. But then something unexpected happens that none of them could have anticipated.

On July 19, 2001, following a conviction for perjury, international bestselling author Jeffrey Archer was sentenced to four years in prison. Prisoner FF8282, as Archer is now known, spent the first three weeks in the notorious HMP Belmarsh, a high-security prison in South London, home to murderers, terrorists and some of Britain's most violent criminals. On the last day of the trial, his mother dies, and the world's press accompany him to the funeral. On returning to prison, he's placed on the lifer's wing, where a cellmate sells his story to the tabloids. Prisoners and guards routinely line up outside his cell to ask for his autograph, to write letters, and to seek advice on their appeals. For twenty-two days, Archer was locked in a cell with a murderer and a drug baron. He decided to use that time to write an hour-by-hour diary, detailing the worst three weeks of his life. When A Prison Diary was published in England, it was condemned by the prison authorities, and praised by the critics.

Nearly a decade after his last volume of short stories was published, Jeffrey Archer returns with his eagerly-awaited, brand-new collection TELL TALE, giving us a fascinating, exciting and sometimes poignant insight into the people he has met, the stories he has come across and the countries he has visited during the past ten years. Find out what happens to the hapless young detective from Naples who travels to an Italian hillside town to find out Who Killed the Mayor? and the pretentious schoolboy in A Road to Damascus, whose discovery of the origins of his father's wealth changes his life in the most profound way. Revel in the stories of the 1930's woman who dares to challenge the men at her Ivy League University in A Gentleman and A Scholar while another young woman who thumbs a lift gets more than she bargained for in A Wasted Hour. These wonderfully engaging and always refreshingly original tales prove not only why Archer has been compared by the critics to Dahl and Maugham, but why he was described by The Times as probably the greatest storyteller of our age.

From #1 New York Times bestselling author Jeffrey Archer The sweeping saga of the Cliftons—across generations, from Europe to America, through heartache and rivalry and triumph—is about to reach its stunning conclusion. Harry Clifton's story began in 1920, as a dock worker in England, and now he is set to write his magnum opus. As he reflects on his days, the lives of his family continue to unfold, unravel, and intertwine in ways no one could have imagined . . . Harry's wife Emma, who just completed her time at the Bristol Royal Infirmary, receives a surprise call from Margaret Thatcher. Meanwhile, Giles Barrington discovers a shocking truth about his wife, Karin. Sebastian Clifton

becomes chairman of Farthings Kaufman bank, but only after Hakim Bishara ' s abrupt resignation. Sebastian ' s daughter Jessica is expelled from school, but her aunt Grace comes to the rescue. And Lady Virginia, who is set to flee the country to avoid her creditors, finds an opportunity to clear her debts after the Duchess of Hertford dies—and a way to finally trump the Cliftons and Barringtons.

...there is nothing more still than a dead body, and no mistaking it for anything else. This one was naked, covered with a glaze of ice. Even the long black hair that fell in tendrils across her face was encased in ice. It was as if she were under a spell—the victim of a jealous wizard, a wicked witch. [The Delicate Storm, page 164] Algonquin Bay is wrapped in a thick blanket of fog; an eerie prophecy of weather on its way, or perhaps something more ominous. When a local man discovers a dismembered arm in his front yard, it seems that the long fingers of fog that strangle the city are also hiding a grisly secret. While at first the discovery is thought to be the work of ravenous bears, woken early from their long winter hibernation, the coroner later confirms that the victim was actually sawn into pieces rather torn. The case becomes even murkier when a local trapper confesses to cutting up the body and scattering the remains but claims to be innocent of committing the murder.

Detectives John Cardinal and Lise Delorme have their work cut out for them. After identifying the victim as Howard Matlock, New York city resident, a new player enters the ring: the RCMP. In any case involving an American, the RCMP shares jurisdiction with the Algonquin Bay Police Department and that means Corporal Malcolm Musgrave. A blustering wall of self-importance and attitude, Musgrave has Cardinal bristling, and he reminds Delorme of a betrayal she ' d rather forget. To add insult to injury, Delorme is pulled off the case and Cardinal ends up in a partnership not only with Musgrave, but with the unbearably obsequious Calvin Squier, an agent of the Canadian Security Intelligence Service (CSIS). When Cardinal makes the surprising discovery that Howard Matlock is alive and well, he begins to suspect that not everyone involved in the case is working towards the same goal. The body parts add up to one Miles Shakeley, a CIA operative in Montreal in 1970, and Cardinal becomes suspicious that CSIS is somehow involved. Meanwhile, the case of a missing woman in Algonquin Bay is occupying Delorme. When the body of Dr. Winter Cates is uncovered in a glaze of ice, Delorme is convinced that a jealous boyfriend is to blame. But when blood evidence bonds Cardinal and Delorme ' s cases, they are back together and travelling to Montreal to track down tenuous leads. And it is there that they discover that their cases reach far beyond the town limits of Algonquin Bay. Untangling the secrets of a government in crisis, cover-ups, and the meddling of American intelligence agencies, they are eventually led back to where they started—and to a suspect who is untouchable.

International bestseller and master storyteller Jeffrey Archer returns with a tale of fate and fortune, redemption and revenge with A Prisoner of Birth. Danny Cartwright and Spencer Craig never should have met. One evening, Danny, an East End cockney who works as a garage mechanic, takes his fiancée up to the West End to celebrate their engagement. He crosses the path of Spencer Craig, a West End barrister posed to be the youngest Queen's Counsel of his generation. A few hours later Danny is arrested for murder and later is sentenced to twenty-two years in prison, thanks to irrefutable testimony from Spencer, the prosecution's main witness. Danny spends the next few years in a high-security prison while Spencer Craig's career as a lawyer goes straight up. All the while Danny plans to escape and wreak his revenge. Thus begins Jeffrey Archer's poignant novel of deception, hatred and vengeance, in which only one of them can finally triumph while the other will spend the rest of his days in jail. But which one will triumph? This suspenseful novel takes the listener through so many twists and turns that no one will guess the ending, even the most ardent of Archer's many, many fans.
