*Sony's amazingly powerful video editor just seems to get better with each generation. Yet, because it's so loaded with so many powerful tools, it can also be rather intimidating. Steve Grisetti, founding member of videomaker support site Muvipix.com, shows you all the tools in the latest version of this richly-featured program and how to use them, step-by-step. You'll learn: * How to get video from your tape-based, hard drive or even flash-based camcorder into your video project. * How to build a timeline, and how to trim, split, arrange and composite the clips you add to it. * How to apply and customize effects and transitions - and how to install even more video and audio effects into your program! * How to create amazing effects and animations. * How to work with, edit and output anaglyphic 3D video and titles. * How to use the Chroma Keyer effect to make a person look like he or she is in any real or imaginary location. * How to upload your video*

to YouTube or to your Sony PSP(tm). How to prepare your video for output as a DVD and BluRay disc. Cheats Unlimited are the specialists when it comes to video game cheats, tips and walkthrough guides. Fronted by the glamorous and gorgeous Cheatemistress, Cheats Unlimited has helped over five million gamers worldwide over the last 12 years. Through phone lines, fax machines, the Web and WAP sites and now eBooks, we have been there for gamers when they've needed us the most. With EZ Guides we aim to help you through the top games on Xbox 360, PlayStation 3, Nintendo Wii, DS and PSP, step by step from beginning to end in an easy and entertaining way. Along the way we'll teach you about the game's top secrets and the best way to unlock that Achievement / Trophy. EZ Guides are written by dedicated gamers who are here to help you through the difficult times in gaming. EZ Guides: The Horror Collection covers walkthrough guides for six of the top horror games on Playstation 3 and Xbox 360: Alan Wake, BioShock 2, Resident Evil 5, Silent Hill: Homecoming, Wolfenstein and Prototype. Ease your way through these hardcore titles with a lot of help from our detailed and entertaining walkthrough guides. Formats Covered: Xbox 360, Playstation 3*

The popular Sony PlayStation Portable (PSP) is the most advanced handheld video game system on the market today--capable of doing much more than most owners realize. This book is required reading for those who want to discover the full capabilities and hidden features and functions of PSP. A companion Web site contains sample PSPcasts and movies as well as the entire book in special PSP-compatible format so that it can be viewed from the device.

So, you're about to welcome the newest addition to the Sony PlayStation device family into your life - the PlayStation TV. Our prediction is that the PS TV represents a huge step forward for Sony and the beginnings of a much brighter (and cheaper!) cloud-based future for console gaming. PS TV brings together a significant cross section of the PlayStation back catalog in one relatively inexpensive device, thanks to PS3 game streaming through PlayStation Now, Sony's Cross Buy initiative, and PS TV's Remote Play feature, which allows you to stream your own PS4 screen to another television in your house through PS TV. The PS TV also opens up classic PS2, PS3 and PSP games to satisfy older gamers' nostalgia and introduce younger gamers to the games that hooked their

parents (and if you're wondering, yes, Final Fantasy VI is still just as great as you remember it being). This guide will tell you everything you need to know about the PS TV (and then some). There's plenty of information here for total PlayStation newbies wondering what in the world DualShock is, as well as for seasoned PlayStation players hoping to tie years and even decades of PlayStation experience together through the PS TV. In Chapter 1: Meet the PlayStation TV, we'll catch you up to speed on the world of PlayStation and give you an overview of the services and accessories that make the PlayStation world turn. In Chapter 2: PS TV Basics, we'll help you unpack and set up your PS TV, navigate it, customize it, and take care of it. In Chapter 3: Gaming on PS TV, we'll go into lots of detail about the various ways you can play with PS TV. Chapter 4: Onboard PS TV Applications gives you a detailed tour of every single application on your device, with tips and tricks for getting the most out of each one. Finally, in Chapter 5: Recommended Games, we'll share some of our favorites with you. So tell your significant other and your boss that you're going to be unavailable for the foreseeable future as you explore everything PS TV has to offer, and read on to learn how to get the most out of PlayStation TV!

A guide to video and computer games for all skill levels contains best-of and top ten lists, classic game nostalgia, guides for LAN parties, how-to articles on creating new games, and cheat codes.

Did you know that one hundred million Americans game over three billion hours a week? One in three British males would rather play video games than have sex with their partner. Gaming isn't just a pastime anymore, but an actual epidemic! So whether you're the one gaming or are a parent to/dating a gamer, like it or not we're all in the gaming world. Packed with trivia questions, hilarious illustrations, and hard-to-believe fun facts, *You Know You're a Video Game Addict If . . .* is a hysterical guide to one of America's most widespread addictions.

Remember what a wild frontier the early days of home gaming were? Manufacturers releasing new consoles at a breakneck pace; developers creating games that kept us up all night, then going bankrupt the next day; and what self-respecting kid didn't beg their parents for an Atari or a Nintendo? This explosion of computers, consoles, and games was genuinely unlike anything the tech world has seen before or since. This thoroughly researched and geeky trip down memory lane pulls together the most entertaining stories from this dynamic era, and brings you the classic tech that should never be forgotten.

With "PSP Hacks," readers can accomplish more than good gaming on the PSP--they'll quickly learn to surf the Web with a PSP, chat in IRC, and use the PSP to read Web comics, ebooks, and RSS feeds.

This comprehensive guide offers advice on the types of surgery on offer and highlights the many diets that are required prior to surgery. Its main focus is on advice and recipes for after surgery to help the post-op patient maximise their best chance of long-term success with weight-loss and better health.

What happens when the bottlenecks that stand between supply and demand in our culture go away and everything becomes available to everyone? "The Long Tail" is a powerful new force in our economy: the rise of the niche. As the cost of reaching consumers drops dramatically, our markets are shifting from a one-size-fits-all model of mass appeal to one of unlimited variety for unique tastes. From supermarket shelves to advertising agencies, the ability to offer vast choice is changing everything, and causing us to rethink where our markets lie and how to get to them. Unlimited selection is revealing truths about what consumers want and how they want to get it, from DVDs at Netflix to songs on iTunes to advertising on Google. However, this is not just a virtue of online marketplaces; it is an example of an entirely new economic model for business, one that is just beginning to show its power. After a century of obsessing over the few products at the head of the demand curve, the new economics of distribution allow us to turn our focus to the many more products in the tail, which collectively can create a new market as big as the one we already know. The Long Tail is really about the economics of abundance. New efficiencies in distribution, manufacturing, and marketing are essentially resetting the definition of what's commercially viable across the board. If the 20th century was about hits, the 21st will be equally about niches.

Cheats Unlimited are the specialists when it comes to video game cheats, tips and walkthrough guides. Every company has a personality. Does yours help or hinder your results? Does it make you fit for growth? Find out by taking the quiz that's helped 50,000 people better understand their organizations at OrgDNA.com and to learn more about Organizational

DNA. Just as you can understand an individual's personality, so too can you understand a company's type—what makes it tick, what's good and bad about it. Results explains why some organizations bob and weave and roll with the punches to consistently deliver on commitments and produce great results, while others can't leave their corner of the ring without tripping on their own shoelaces. Gary Neilson and Bruce Pasternack help you identify which of the seven company types you work for—and how to keep what's good and fix what's wrong. You'll feel the shock of recognition ("That's me, that's my company") as you find out whether your organization is:

- Passive-Aggressive ("everyone agrees, smiles, and nods, but nothing changes"): entrenched underground resistance makes getting anything done like trying to nail Jell-O to the wall
- Fits-and-Starts ("let 1,000 flowers bloom"): filled with smart people pulling in different directions
- Outgrown ("the good old days meet a brave new world"): reacts slowly to market developments, since it's too hard to run new ideas up the flagpole
- Overmanaged ("we're from corporate and we're here to help"): more reporting than working, as managers check on their subordinates' work so they can in turn report to their bosses
- Just-in-Time ("succeeding, but by the skin of our teeth"): can turn on a dime and create real breakthroughs but also tends to burn out its best and brightest
- Military Precision ("flying in formation"): executes brilliant strategies but usually does not deal well with events not in the playbook
- Resilient ("as good as it gets"): flexible, forward-looking, and fun; bounces back when it hits a bump in the road and never, ever rests on its laurels

For anyone who's ever said, "Wow, that's a great idea, but it'll never happen here" or "Whew, we pulled it off again, but I'm tired of all this sprinting," Results provides robust, practical ideas for becoming and remaining a resilient business. Also available as an eBook From the Hardcover edition.

A masterfully designed hardcover collecting over 200 pages of art and commentary from the creators of the brutal and thrilling Days Gone! Set in the beautiful and rugged landscape of the Pacific Northwest high desert, a global pandemic has wreaked havoc on everyone and everything in sight. Now, former outlaw biker turned bounty hunter Deacon St. John must fight for survival against all odds. Witness the creation of Deacon's epic adventure with The Art of Days Gone! From Dark Horse Books and Bend Studio (Syphon Filter, Resistance: Retribution, Uncharted: Golden Abyss), The Art of Days Gone takes an unflinching look at the lovingly detailed production of this hugely anticipated game, featuring hundreds of pieces of concept art and exclusive commentary directly from the team who created it!

Cheats Unlimited are the specialists when it comes to video game cheats, tips and walkthrough guides. The ultimate DIY project guide for techie dads raising kids in their own geeky image, in the spirit of The Dangerous Book for Boys Today's generation of dads grew up more tech-savvy than ever. Rather than joining the Little League team, many grew up playing computer games, Dungeons and Dragons, and watching Star Wars. Now with kids of their own, these digital-age dads are looking for fresh ways to share their love of science and technology, and help their kids develop a passion for learning and discovery.

Enter supergeek, and father of two, Ken Denmead. An engineer and editor of the incredibly popular GeekDad blog on wired.com, Ken has created the ultimate, idea-packed guide guaranteed to help dads and kids alike enjoy the magic of playtime together and tap into the infinite possibility of their imagination. With illustrations throughout, this book offers projects for all ages to suit any timeframe or budget. With Denmead's expert guidance, you and your child can:

- Fly a night-time kite ablaze with lights
- launch a video camera with balloons
- Construct the "Best Slip n' Slide Ever," a guaranteed thrill ride
- Build a working lamp with LEGO bricks and CDs
- Create a customized comic strip or your own board game
- Transform any room into a spaceship
- Make geeky crafts like cyborg jack-o'-lanterns or Ethernet cuff links

Brimming with endlessly fun and futuristic tidbits on everything from gaming to gadgets, GeekDad helps every tech-savvy father unleash his inner kid-and bond with the next generation of brainiacs. Watch a Video

A glimpse at the beginning of a new trilogy in the massive global gaming franchise, featuring a stunning array of concept art, character sketches and much, much more. Halo 4 is the next blockbuster installment in the iconic franchise that shaped entertainment history and defined a decade of gaming. Set in the aftermath of Halo 3, it marks the beginning of a new trilogy as the Master Chief confronts an ancient evil that threatens the fate of the entire universe.

Awakening: The Art of Halo 4 will give gamers an in-depth look behind the scenes at the creation of the stunning worlds of Halo 4, with commentary from the art director and game designers

throughout. Concept art, character sketches, detailed environments and an additional section on the forthcoming multiplayer game make this the definitive guide to 343 Industries' take on the Halo universe.

The only book about video games that you need. You are unsure whether your kid is addicted to computer/console games? You don't know how much time in front of the computer is healthy for your children? You have no clue what kind of video games actually exist and how they can impact your child? You only want the very best for your children? Parenting is hard enough already, but to gain the proper knowledge about media and video game consumption takes it to another level. Playing online was not possible 20 years ago and we have to adapt to these new circumstances. The Internet changes continuously and we are about to change alongside it. The web offers constant access to new, better and more action loaded games, which your kids want to play. But how are you supposed to stay up to date and on top of all this never ending drama? This book is helping you to stay calm and confident, so you can challenge your children to become the best "versions of themselves". What this book offers: A categorization of video games in 5 main categories Each category will be evaluated and potential risks and benefits will clearly be displayed Examples will be given to help you find the best or least harmful games for your children. (This list will be updated regularly so you can always check for the currently popular games.) Tips and tricks that may help you to judge whether your kid is addicted to gaming or not A list of regular video game consumption with potential advantages and risks General advice on the usage of media and video games A new perspective on video games and how they may improve social and soft skills An overview of the video game industry and its development Are you going to stand there and only watch or are you going to become one of the few parents that actually know one or two things about video games? This book helps solving the mystery of games, and it helps you through the ever increasing amount of false information about video games. Consoles covered: Xbox 360, PlayStation 3, Nintendo Wii, Nintendo DS, PSP, PS2, Xbox, and PSOne

The universe of Halo is remarkably vast in scale and astonishingly elaborate in detail, telling rich stories filled with bold characters, breathtaking worlds, and thrilling conflicts. In celebration of the 20th anniversary of Halo, Dark Horse and 343 Industries have teamed up to deliver the most definitive guide to the universe thus far. The Halo Encyclopedia Deluxe Edition holds some of the Halo universe's greatest secrets, which is why it is contained within a Forerunner cylix—a device that holds their civilization's greatest secrets! The Deluxe Edition also comes with a cover exclusive to this edition, as well as a lithograph not found anywhere else.

Ease your way

through these hardcore titles with a lot of help from our detailed and entertaining walkthrough guides. Formats Covered: Xbox 360, Playstation 3

"The Gadget Geek's Guide to your Sony Playstation Portable" helps readers harness all the functionality of the PSP quickly and easily. Using simple, easy-to-follow directions and language, the book shows readers how to get inside the PSP right away. Everything from the importance of hardware and software updates, to must-have accessories, to how to trouble-shoot common problems is covered. Readers learn how to gain Internet access, read e-books and e-comics, how to listen to music, as well as tweaks, hacks, and how-to tips. A glossary of key PSP terms helps make sure that those who are new to PSP technology understand all of the technical jargon referenced in the book.

With an innovative, business-model approach, Game Development Essentials: Online Game Development provides the essentials needed to achieve long-term success with Massively Multiplayer Online Games (MMOGs). This book takes a significant and valuable departure from traditional game development books by addressing MMOG development as a complex, multi-faceted, service-oriented business, instead of focusing solely on technical, artistic, or design techniques. The resulting multi-dimensional focus allows readers to design their game and organize their development process with the entire business in mind. Coverage includes the key differences between single player games and MMOGs, as well as how the various components of the development process, such as the business model, marketing plan, gaming community and technical constraints, influence one another and determine the success of the MMOG. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.
