**Ce beau livre extraordinaire et curieux est paru à l'origine en 1847. Dans chaque chapitre, des planches de fleurs personnifiées sont accompagnées d'un conte qui est basé sur la mythologie et folklore de la fleur en question. Une collection tout à fait charmante que l'enfant tout comme l'adulte appréciera énormément. Grande partie des premiers livres, en particulier ceux qui datent d'avant 1920, sont aujourd'hui très rares et de plus en plus chers. Nous offrons des rééditions modernes de haute qualité et à prix abordables qui contiennent le texte et l'art originaux de ces ouvrages classiques. With this widely acclaimed work, Fried revised the way in which eighteenth-century French painting and criticism were viewed and understood. "A reinterpretation supported by immense learning and by a series of brilliantly perceptive readings of paintings and criticism alike. . . . An exhilarating book."—John Barrell, London**

Now, he tells everyone how to succeed in life, giving you the keys to fulfill your purpose. Countless books on success tell you what you need to get that you don't already possess. In *Act Like a Success, Think Like a Success*, Steve Harvey tells you how to achieve your dreams using the gift you already have. Every one of us was born with a gift endowed by our creator—something you do the best at with very little effort. While it can be like someone else's, your gift is yours alone. No one can take it away. You are the only one who can use it—or waste it. Steve shows how that gift holds your greatest chance at success, and the fulfillment of your life's mission and purpose. He helps you learn to define your gift—whether it's being a problem solver, a people-connector, a whiz with numbers, or having an eye for colors. He makes clear that your job is not your gift; you may use it in your work, but it can also be used in your marriage or relationship, your community, and throughout every aspect of your life. Throughout, he provides a set of principles that will help you direct your gift. "The scriptures say your gift will make room for you and put you in the presence of great men," Steve reminds us. This book is your roadmap to identifying your gift, acknowledging it, perfecting it, connecting it to a vehicle, and riding it to success. Because Success is the gift you already have." **Steve Harvey ne saurait dire combien de femmes impressionnantes il a rencontrées au fil des ans. Pourtant, en matière de relations, elles sont incapables de découvrir ce qui réussit auprès des hommes. Pourquoi ? Selon Steve, c'est parce qu'elles cherchent conseil auprès d'autres femmes, alors que seul un homme pourrait leur dire comment gagner le coeur d'un homme et le garder. Dans cette édition augmentée, Steve inclut une toute nouvelle partie vous présentant des conseils quant aux moyens de bien composer avec les ex de votre partenaire, de mettre du piquant dans votre relation, de**

*The sublime is confused with the ridiculous in this savage commentary on the human condition, a staple of every theatre classroom and 20th century drama. A small town is besieged by one roaring citizen who becomes a rhinoceros and proceeds to trample on the social order. As more citizens are transformed into rhinoceroses, the trampling becomes overwhelming, and more and more citizens become rhinoceroses. One sane man, Berenger, remains, unable to change his form and identity.*

Steve Harvey, the host of the nationally syndicated **Steve Harvey Morning Show**, can't count the number of impressive women he's met over the years, whether it's through the "Strawberry Letters" segment of his program or while on tour for his comedy shows. Yet when it comes to relationships, they can't figure out what makes men tick. Why? According to Steve it's because they're asking other women for advice when no one but another man can tell them how to find and keep a man. In **Act Like a Lady, Think Like a Man**, Steve lets women inside the mindset of a man and sheds light on concepts and questions such as: **The Ninety Day Rule: Ford** requires it of its employees. Should you require it of your man? **The five questions every woman should ask a man to determine how serious he is.** And much more . . . Sometimes funny, sometimes direct, but always truthful, **Act Like a Lady, Think Like a Man** is a book you must read if you want to understand how men think when it comes to relationships.
