*Have you always wanted to learn how to speak Spanish but simply didn't have the time? Well look no further.*

*0You hold in your hands the most advanced and revolutionary method that was ever designed for QUICKLY becoming conversational in a language. In creating this time saving program, master linguist Yatir*

*Nitzany spent nearly three years examining the 27 most common languages in the world and distilling from them the 350 words that are most likely to be used in real conversations. These 350 words were chosen in such a way that they are structurally interrelated, and when combined, they form sentences. Through various other discoveries about how real conversations work, that are detailed further in this book, Nitzany created the necessary tools for linking these words together in a specific way so that you may to become fluent NOW. If your desire is to learn complicated grammatical rules, or to speak Shakespearean Spanish, this book is NOT for you. However, if you need to actually hold*

*a conversation whilst on a trip to a Spanish speaking country, to impress that certain someone, or to be able to speak with your grandfather or grandmother as soon as possible, then the Nitzany Method is what you have been looking for. This method is designed for fluency in a foreign language, while communicating in the present tense. Nitzany believes that what's most important is actually being able to understand and be understood by another human being right away. More formalized training in grammar rules, etc. can all come later. The first in a series of instructional language guides, the Nitzany Method's revolutionary approach is the only one in the world that uses it's unique language*

The certification exam costs \$100, but the exam prep course is free with the purchase of this textbook (see above). In the exam prep lessons, a practice exam can be taken unlimited times to prepare for the final*

*exam. The Theories Behind the Course* This course was designed based on many pedagogical (learning) and neuroscience (brain science) theories that the author studied in-depth during his Master's degree in Language Pedagogy and throughout his career as Director of the U.S. Institute of Languages. *Negotiating a Conversation* The approach this course uses recognizes that it takes new Spanish speakers years to become fluent. However, if a nurse learns the medical vocabulary and strategies to

*properly negotiate a conversation, (s)he can learn to work through virtually any situation in a relatively short period of time. For example, if a patient says something a nurse doesn't understand, the nurse can ask them to repeat it or say it slower. If a nurse doesn't know how to say something, (s)he can point to it and ask ¿Cómo se dice? (How do you say that.) These and many other techniques that are taught to help a nurse work through new situations. Use of Technology The use of technology can be very*

Phrase Book

Well if so, then, look no further. You can hold in your hands one of the most advanced and revolutionary method that was ever designed for quickly becoming conversational in a language. In creating this time-saving program, master linguist Yatir Nitzany spent years examining the twenty-seven most common languages in the world and distilling from them the three hundred and fifty words that are most likely to be used in real conversations. These three hundred and fifty words were chosen in such a way that they were structurally interrelated and, when

combined, form sentences. Through various other discoveries about how real conversations work—discoveries that are detailed further in this book—Nitzany created the necessary tools for linking these words together in a specific way so that you may become rapidly and almost effortlessly conversant—now. If you want to learn complicated grammar rules, or to speak perfectly proper and precise Spanish, this book is not for you. However, if you need to actually hold a conversation while on a trip to a Spanish-

770 Basic Phrases for Everyday Use

**Is conversational Spanish turning a little too tricky for you? Do you have no idea on how to order a meal or book a room at a hotel? If your answer to any of the previous questions was 'Yes', then this book is for you! If there's even been something tougher than learning the grammar rules of a new language, it's finding the way to speak with other people in that tongue. Any student knows this – we can try our best at practicing, but you always want to avoid making embarrassing mistakes or not getting your message through correctly. 'How do I get out of this situation?' many students ask themselves, to no**

avail, but no answer is forthcoming. Until now. We have compiled **MORE THAN ONE HUNDRED Spanish Stories for Beginners** along with their translations, allowing new Spanish speakers to have the necessary tools to begin studying how to set a meeting, rent a car or tell a doctor that they don't feel well! We're not wasting time here with conversations that don't go anywhere: if you want to know how to solve problems (while learning a ton of Spanish along the way, obviously), this book is for you! **How Conversational Spanish Dialogues works:** Each new chapter will have a fresh, new story between two people who wish to solve a common, day-to-day issue that you will surely encounter in real life. A Spanish version of the conversation will take place first, followed by an English translation. This ensures that you fully

**understood just what it was that they were saying! Before and after the main section of the book, we shall provide you with an introduction and conclusion that will offer you important strategies, tips and tricks to allow you to get the absolute most out of this learning material. That's about it! Simple, useful and incredibly helpful; you will NOT need another conversational Spanish book once you have begun reading and studying this one! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Conversational Spanish Dialogues and start learning Spanish right now! Learn the most commonly used Spanish words and increase your Spanish vocabulary the easy way. The 3000**

words in this book will enable you to understand over 90% of the Spanish language. You will find 1550 nouns, 600 Spanish verbs, 500 adjectives, 350 other words, thematic word lists (food, home, items, etc.), and useful Spanish phrases.

**Cuba Travel Guide Includes Free Book: Spanish Phrase Book 350! 350 Easy Spanish Phrases, Learn the Most Common Spanish Phrases Quick and Easy** One of the most cited reasons for traveling to Cuba is its tumultuous history; people want to see where world-changing events happened and how they affected people, culture, and economy that has had such an impact on the world today. Thousands of years before Columbus sailed from Spain to find the Indies there were settlers on Cuba, immigrants from other islands in the Caribbean. By the end of the 15th century, the population numbered

about 350,000, cultivating crops like tobacco and cotton, maize and sweet potatoes. Cuba was a paradise that provided everything its people needed until Christopher Columbus arrived in the late 1400's and Spain forced the Cubans to submit to Spanish rule, installing a governor in Havana. While struggling to keep up with global competition during their rule of Cuba, the British imported slaves from Africa in the 17th and 18th centuries. During the Haitian Revolution around 1800, Cuba was the destination of thousands of French refugees that fled the slave rebellion in Saint-Domingue, refugees that brought slaves with them along with skills in refining coffee and sugar. Slavery was abolished in Cuba by the end of the 19th century; the Cubans were morally repulsed by the practice of slavery, but the ruling class had

**compromised because of the profits in the sugar industry. Many different cultures have made their way to Cuba-French, Creole, African, Spanish, British and many others. Religions have clashed, customs have been battled over but Cuba today is a fascinating blend of dozens of races, religions, customs, creeds and beliefs. You will be able to see this when you attend festivals and events throughout Cuba when you visit using the services of authentic Cuba tours. Cuba has been under the thumb of many governments, and it boasts a long and proud history of resistance. When you travel to Cuba, you will see many ancient prisons and sites of executions of martyrs fighting for their country. Not only did the inhabitants have to fight political reigns, but they also had to battle racism, religious persecution and economic oppression by**

**the upper classes that inevitably seized power. After the Spanish-American War in 1898, Cuba, at last, gained its independence in 1902. The country prospered economically but suffered politically through a succession of dictators. In the 20th century, Fulgencio Batista was overthrown in a bloody six-year revolution that ended in the reigning dictator Fidel Castro and his Communist Party of Cuba. Today Fidel's brother Raul is in charge of the island. Order Now! Click the orange button on the top of the page!
