For more than forty years, the Haugen Norwegian–English Dictionary has been regarded as the foremost resource for both learners and professionals using English and Norwegian. With more than 60,000 entries, it is esteemed for its breadth, its copious grammatical detail, and its idiomatic examples. In his introduction, Einar Haugen, a revered scholar and teacher of Norwegian to English speakers, provides a concise overview of the history of the language, presents the pronunciation of contemporary Norwegian, and introduces basic grammatical structures, including the inflection of nouns and adjectives and the declension of verbs. A four-level course with international topics and cultural themes, providing extra motivation for students. A four-level course with international topics and cultural themes, providing extra motivation for students.

This book is unique in bringing together theory, research, and practice about English as encountered outside the classroom – extramural English – and how it affects teaching and learning. The book investigates ways in which learners successfully develop their language skills through extramural English and provides tools for teachers to make use of free time and activities in primary and secondary education. The authors demonstrate that learning through involvement in extramural English activities tends to be incidental and is currently undervalued in classroom work. A distinctive strength is that this volume is grounded in theory, but also draws on results from empirical studies, and manages to link theory and research with practice in a reader-friendly way. Teacher-educators, teachers and researchers of English as a foreign language and teachers of English as a second language across the globe will find this book useful in developing their use of extramural English activities as tools for language learning.

From Theory and Research to Practice

Norwegian: An Essential Grammar is a reference guide to the most important aspects of contemporary Norwegian as used by native speakers. The Grammar presents a fresh and accessible description of the language. Explanations are clear, free from jargon and often accompanied by exercises. The book gives a simple, step-by-step presentation of the grammatical systems of Norwegian and demonstrates and explains usages which have proved difficult for those learning the language in the past. It is clearly laid-out for easy reference making it accessible for those at a beginner/intermediate level. This is the ideal reference source for all learners, whether studying independently or in a class.

The year is 1885 and Erik Weisz, a penniless immigrant, has found himself in trouble again. His uncanny talent for picking locks and his gleeful showboating to match it, have earned him very few friends and a bad reputation. But this is just the beginning of his story and Erik is destined for a far more

magical future. Watch as he transforms before your very eyes into the greatest showman the world has ever seen... An unexpected and timely story of rags to riches.

A new superhero has arisen in India in the wake of the brutal gang rape on a Delhi bus two years ago: Priya, a mortal woman who is raped herself, but who fights back against sexual violence with the help of the goddess Parvati - and a tiger. - THE GUARDIAN "Priya's Shakti is the first Indian comic book of its kind - not only confronting teenagers with the sensitive issue of sexual violence, but also engaging young people through its innovative use of augmented reality technology." - REUTERS

Second Language Learning and Language Teaching provides an introduction to the application of second language acquisition research to language teaching. Assuming no previous background in second language acquisition or language teaching methods, this text starts by introducing readers to the basic issues of second language acquisition research. It then examines how people learn particular aspects of the second language, such as grammar, vocabulary, pronunciation and the writing system, and at the strategies they adopt in their learning and the differences between individuals. Final chapters look at second language learning in a broader context - the goals of language teaching and how teaching methods relate to SLA research. This newly updated fifth edition builds on the comprehensive scope of earlier editions while also addressing more recent developments in the field, particularly multilingual approaches to language teaching.

Language is a tool used to express thoughts, to hide thoughts or to hide lack of thoughts. It is often a means of domination. The question is who has the power to define the world around us. This book demonstrates how language is being manipulated to form the minds of listeners or readers. Innocent words may be used to conceal a reality which people would have reacted to had the phenomena been described in a straightforward manner. The nice and innocent concept "cost sharing", which leads our thoughts to communal sharing and solidarity, may actually imply privatization. The false belief that the best way to learn a foreign language is to have it as a language of instruction actually becomes a strategy for stupidification of African pupils. In this book 33 independent experts from 16 countries in the North and the South show how language may be used to legitimize war-making, promote Northern

interests in the field of development and retain colonial speech as languages of instruction, languages of the courts and in politics. The book has been edited by two Norwegians: Birgit Brock-Utne is a professor at the University of Oslo and a consultant in education and development. From 1987 until 1992 she was a professor at the University of Dar es Salaam. Gunnar Garbo, author and journalist and former member of the Norwegian Parliament, was the Norwegian Ambassador to Tanzania from 1987 to 1992.

Winner of the Swedish National Language Council's Erik Wellander Prize, 2003 This new edition of *Swedish: A Comprehensive Grammar* is a complete reference guide to modern Swedish grammar. It has been fully updated to reflect recent changes in a few areas of usage and to employ the new standards that have been set in the description of language. The Grammar is an essential reference source for the learner and user of Swedish, irrespective of level. It is ideal for use in schools, colleges, universities and adult classes of all types. The volume is organised to promote a thorough understanding of Swedish grammar. It presents the complexities of Swedish in a concise and readable form. Explanations are full, clear and free of jargon. Throughout, the emphasis is on Swedish as used by present-day, native speakers. An extensive index, numbered paragraphs, cross-references and summary charts provide readers with easy access to the information they require. Features include: * detailed treatment of common grammatical structures and parts of speech * extensive exemplification * particular attention to areas of confusion and difficulty * Swedish/English contrasts highlighted throughout the book * a new chapter on word formation.

Beginning with 1953, entries for Motion pictures and filmstrips, Music and phonorecords form separate parts of the Library of Congress catalogue. Entries for Maps and atlases were issued separately 1953-1955.

*The Arabic and English languages have developed along separate lines over the centuries. Thus, it is no surprise that even apart from purely cultural elements, there are distinctive characteristics of the two languages that pose particular problems to native speakers of one language attempting to learn the other. The scholarly papers of *Diversity in Language: Contrastive Studies in Arabic and English Theoretical and Applied Linguistics* offer new views on the contrasts between Arabic and English and on contemporary theoretical and applied linguistics. Contributors focus on an array of elusive features that*

make the Arabic language especially difficult for English speakers to understand fully and intuitively. Comparative studies of English and Arabic, including research on the acquisition of Arabic or English as a second language, underscore the concept of diversity. Contributors to Diversity in Language also investigate stylistics, a major source of diversity between the two languages. Practical observations and suggestions may help teachers of Arabic or English as a second language enable students to better understand their second language and become more persuasive and effective in using it. The papers assembled here will be a welcome addition to the bookshelves of scholars and students of Arabic, contrastive rhetoric, and linguistics. Teachers of English as a foreign language, even if their students are not primarily from an Arabic-speaking background, can likewise benefit from the insights made in these contrastive studies. Contributors: Jehan Allam, El-Said Badawi, Huda M. M. Ghali, Mona Kamel Hassan, Nancy G. Hottel-Burkhart, Christopher Horger, Salwa Kamel, Abdel-Hakeem Kasem, Nagwa Kassabgy, Mohammad Al-Khawalda, Nabila El-Taher Makhlof, Maha El-Seidi, Cynthia May Sheikholeslami, Devin Stewart, Loubna A. Youssef.

"Those who received help from The Power of Positive Thinking will find in these pages further guidance toward a more dynamic and creative life." -- Norman Vincent Peale What's the secret to feeling alive all your life? A positive attitude. In this upbeat and practical guide to joyous living, Dr. Peale shows in example after example how the magic of attitude can perform miracles in your daily existence. He proves that only with deep and honest belief -- in yourself, your work, and in God -- can these miracles occur. He also makes clear that the achievement of lasting fulfillment is an active process and shows you how to:

- put positive thinking into action*
- use the magnificent power of belief*
- learn from your mistakes*
- make enthusiasm work wonders*
- attain self-confidence*
- move beyond pain and suffering*
- lift depression and live vitally*

Having survived Borneo, Amazonia, and the Congo, the indefatigable Redmond O'Hanlon sets off on his next adventure: his own perfect storm, in the wild waters off the northern tip of Scotland. Equipped with a fancy Nikon, an excessive supply of socks, and no seamanship whatsoever, O'Hanlon joins the commercial fishing crew of the Norlantean, a deep-sea trawler, to stock a bottomless hull with their catch, even as a hurricane roars around them. Rich in oceanography, marine biology, and uproarious humor, Trawler is Redmond O'Hanlon at his finest.

"A quick read that history lovers will easily devour."—Teen Vogue "Get ready to be transported to Paris in Taylor's incredible debut novel."—Seventeen, Editor's Choice Code Name Verity meets Jennifer Donnelly's Revolution in this gripping debut novel. NOW: Sixteen-year-old Alice is spending the summer in Paris, but she isn't there for pastries and walks along the Seine. When her grandmother passed away two months ago, she left Alice an apartment in France that no one knew existed. An apartment that has been locked for more than seventy years. Alice is determined to find out why the apartment was

abandoned and why her grandmother never once mentioned the family she left behind when she moved to America after World War II. With the help of Paul, a charming Parisian student, she sets out to uncover the truth. However, the more time she spends digging through the mysteries of the past, the more she realizes there are secrets in the present that her family is still refusing to talk about. THEN: Sixteen-year-old Adalyn doesn't recognize Paris anymore. Everywhere she looks, there are Nazis, and every day brings a new horror of life under the Occupation. When she meets Luc, the dashing and enigmatic leader of a resistance group, Adalyn feels she finally has a chance to fight back. But keeping up the appearance of being a much-admired socialite while working to undermine the Nazis is more complicated than she could have imagined. As the war goes on, Adalyn finds herself having to make more and more compromises—to her safety, to her reputation, and to her relationships with the people she loves the most.

Covers equipment names, diagnostic and therapeutic procedures, operations, new techniques and maneuvers, incisions, methods and approaches, syndromes and diseases, and anatomy terms that are based upon people's names.

A woman living and communicating in multiple lands, Susana Chávez-Silverman conveys her cultural and linguistic displacement in humorous, bittersweet, and even tangible ways in this truly bilingual literary work. These meditative and lyrical pieces combine poignant personal confession, detailed daily observation, and a memorializing drive that shifts across time and among geocultural spaces. The author's inventive and flamboyant use of Spanglish, a hybrid English-Spanish idiom, and her adaptation of the confessional "crónica" make this memoir compelling and powerful. Killer Crónicas confirms that there is no Latina voice quite like that of Susana Chávez-Silverman. Includes a chapter that was awarded first prize in El Andar magazine's Chicano Literary Excellence Contest in the category of personal memoir.

This user-friendly guide to modern Hungarian clearly introduces the most important structures of this fascinating language. Suitable for beginning, intermediate and advanced students, it can be used by those studying independently or following a taught course. Topics include: * verbal prefixes * aspect and tense * word-formation mechanisms * linking vowels * the case system and its uses * word order. Appendices include the formation of irregular verbs, complete noun declensions and irregular noun patterns. Winner of the CILIP Amnesty Honour 2017. Shortlisted for the Guardian Children's Fiction Prize and the CILIP Carnegie Medal 2017. Perfect for fans of THE BOY IN THE STRIPED PYJAMAS. This is a beautiful, vivid and deeply moving story about a refugee boy who has spent his entire life living in a detention centre. This novel reminds us all of the importance of freedom, hope, and the power of a story to speak for anyone who's ever struggled to find a safe home. '...a special book' - Morris Gleitzman, author of the acclaimed ONCE series Born in a refugee camp, all Subhi knows of the world is that he's at least 19 fence diamonds high, the nice Jackets never stay long, and at night he dreams that the sea finds its way to his tent, bringing with it unusual treasures. And one day it brings him Jimmie. Carrying a notebook that she's unable to read and wearing a sparrow made out of bone around her neck - both talismans of her family's past and the mother she's lost - Jimmie strikes up an unlikely friendship with Subhi beyond the fence. As he

reads aloud the tale of how Jimmie's family came to be, both children discover the importance of their own stories in writing their futures.

In times past, the world was full of mythical creatures -- creatures long since banished and held at bay by the secret society of Shepherds. But when the generational line of Shepherds is broken, a reluctant hero finds her life threatened from every quarter. And the creatures are coming back...

An evocative murder mystery set in the Norwegian countryside, this story, like all good murder mysteries, is a stew of passion, buried past crimes, revelations, and sharply defined characters who remain ambiguous to the very end. Norwegian author Stein Riverton's 1908 novel The Iron Wagon has never been translated into English. Now, using a striking two-color drawing style and re-casting the story with his iconic animal characters from his previous graphic novel Sshhhh!, the acclaimed cartoonist Jason has adapted The Iron Wagon into an original graphic novel that will appeal not only to fans of his work but also to mystery fans who will finally have a chance to experience Riverton's clever story.

The third psychological mystery in the Oslo Crime Files, a tense and dark quartet of thrillers for fans of Camilla Lackberg and Jo Nesbo. A man obsessed with the cleansing power of fire is destroying everything that reminds him of his youth. He calls himself the Fire Man. That same Easter, a teenager is threatened by his girlfriend's tradition-bound family. Karsten's attempts to protect himself put him and his sister Synne at even greater risk. Then he disappears all together. Eight years later, Synne is determined to find out what happened that night. But her investigation will ignite smouldering and dangerous memories. And the Fire Man is still there, waiting, and watching her search for the truth at every step... Praise for international bestseller Torkil Damhaug:
