

## Spiritual Boot Camp

*First published in 1944 and now a spiritual classic for Catholics across the globe, The Reed of God contains meditations on the humanity of Mary, Mother of God. British Catholic writer and artist Caryl Houselander lovingly explores Mary’s intimately human side, depicting Our Lady as a musical instrument who makes divine love known to the world. This refreshed edition is rich and rewarding reading for all Christians who wonder what Mary was really like. While the Second Vatican Council led to a renewed interest in the theology and person of Mary, Caryl Houselander offered a surprise, a novel reflection on the Mother of God almost fifteen years before the council began. Confronting the static, surreal “Madonna of the Christmas card,” Houselander provides instead an intuitive, warmly human, and approachable image of the Mother of God. Through the central image of a reed that is played for music, Houselander demonstrates how Mary chose to make herself an instrument for the divine plan, giving her inmost being to the proclamation of God’s promises. In sharing her distinctive vision of Mary, Houselander offers the Mother of God as a model for all people seeking to be instruments of the Divine. The essays and poems in The Reed of God also reflect on the mysteries of Mary’s life and her impact on salvation history. In the book’s four parts, Houselander explores key events of Mary’s life, including her fast, finding Jesus in the Temple, and the Assumption, as well as the themes of fruitful emptiness and the eternal search for union with God.*

Fear is a form of torment the enemy tries to plague people with in order to paralyze them, to steal their purpose and destiny from God's best. None of us is immune to these attacks. Jesus came to destroy fear and set the captives free. Speaking as one whom Jesus Christ set free from the devil's grip, John Ramirez, once a satanic high priest, exposes the tormenting weapons of fear of our number one spiritual enemy, the devil, and equips and arms believers with the weapons of our warfare that God has given us through his Son, Jesus Christ, to abort the enemy's mission. In this book, Destroying Fear, you will learn how to get back your peace and purpose and walk fearless into your destiny by dismantling every stronghold and stopping the enemy's attacks once and for all, for a life of freedom!

A 90-day mentoring program to increase courage, self-love and acceptance, and to empower you in expressing your authentic self.

Praise for Gold Trading Boot Camp "If speculate you must, read Weldon first." —James Grant, Editor, Grant's Interest Rate Observer "This book delivers on all of the essential elements of successful financial literature. Weldon provides a compelling context, walks through the metrics that affect the price action, and assimilates the decision-making process in kind. From soup to nuts, this is one of the most comprehensive tutorials I've read on the subject of commodities." —Todd Harrison, founder and CEO, Minyanville Publishing and Multimedia, LLC "The gold price is rising in today's turbulent financial times. Preparation and knowledge are essential to profit from higher prices, and this book provides everything you need to take advantage of the trading opportunities thal lie ahead."—James Turk, founder, GoldMoney.com "This book, with its insights into the current investment climate coincides with what many feel is a new bull market in gold. There is no 'one-size-fits-all' investment approach, but every investor who applies such preparation and rigor as Greg outlines will certainly have increased returns with fewer losses. It should be on every investor's bookshelf, handy for reference, and re-read every year. Greg puts paid to the notion of random walk!" —Kim Evans, CEO, Global Building and Supply

The mind can be your best friend or your worst enemy. It can be the center of miracles, or of madness. It can be a place of truth, or a place of lies; it can be an environment of peaceful contemplation, or of desperate painful isolation. The choice is ours to make. No one else is thinking in our heads. As one classic horror movie proclaims, The calls are coming from inside the house! With all the talk in the world about bullying, the one thing that is rarely considered is that the most vicious monster, the most insidious bully, who is out to terrorize, torment us and steal our joy, is not so much out there in the schools or the workplace or the neighborhood. The bully we cannot seem to escape from is the one living inside our own heads. In Starve a Bully, Feed a Champion, Jacob Glass and his spirit guides take the reader through a gentle 101 day spiritual boot camp to guide the mind away from the tormenting thoughts of the ego and toward the peaceful, joyous and loving thoughts which lead to freedom and peace of mind. Based on the principles of A Course in Miracles and other New Thought teachings, the goal of this boot camp is the attainment of inner peace under any and all circumstances. You were not meant to merely survive, but to thrive!

***"A relationship expert whose work is like that of a scientific Carrie Bradshaw." —THE OBSERVER*** *A self-affirming, holistic guide for everyone—single or married, divorced or dating—to transforming heartbreak into healing by the founder of the innovative and revolutionary Renew Breakup Bootcamp* *Amy Chan hit rock bottom when she discovered that her boyfriend cheated on her. Although she was angry and broken-hearted, Chan soon came to realize that the breakup was the shakeup she needed to redirect her life. Instead of descending into darkness, she used the pain of the breakup as a bridge to self-actualization. She devoted herself to learning various healing modalities from the ancient to the scientific, and dived into the psychology of love. It worked. Fast forward years later, Amy completely transformed her life, her relationships and founded a breakup bootcamp helping countless women heal their hearts. When his pursuit of happiness in Corporate America feels counterproductive, Timber Hawkeye escapes the flourescent-lit hell of his cubicle in Seattle and sets out to fully embrace the stress-free Lifestyle of Hawaii. Intrigued and curious about what people believe (and why they believe what they do), he questions everything he ever thought was true and discovers the beauty of letting go. If you consider yourself spiritual but not religious, then you're going to love this inspirational book. And if you want to lead a simple and uncomplicated life with happiness at your fingertips, then you'll want to read this page-turner more than once! "It's not that I'm against religion, I simply don't have one (nor do I believe that we need it to be ethical). My faith is doctrine-free, with a definition of God that doesn't conjure a white man in the sky who dispenses blessings for good behavior and harsh judgments to condemn the bad. That's because I don't believe God does that; religion does. You see, faith is a spiritual practice of continually letting go of certainty, of ego, and of the underlying need to know, while religion is a ceremonial tradition of hanging on, clinging to concrete dogmas, stubborn rigidity, and ageless rituals."*

*Buddhism is all about training the mind, and boot camp is an ideal training method for this generation's short attention span. The chapters in this small book can be read in any order, and are simple and easy to understand. Each story, inspirational quote and teaching offers mindfulness-enhancing techniques that anyone can relate to. You don't need to be a Buddhist to find this book motivational. As the Dalai Lama says, "Don't try to use what you learn from Buddhism to be a Buddhist; use it to be a better whatever-you-already-are." Whether it's Mother Teresa's acts of charity, Gandhi's perseverance, or your aunt Betty's calm demeanor, it doesn't matter who inspires you, so long as you're motivated to be better today than you were yesterday. Regardless or religion or geographical region, race, ethnicity, color, gender, sexual orientation, age, ability, flexibility, or vulnerability, if you do good, you feel good, and if you do bad, you feel bad. If you agree that Buddhism isn't just about meditating, but also about rolling up your sleeves and relieving some of the suffering in the world, then you are ready to be a soldier of peace in the army of love; welcome to Buddhist Boot Camp!*

When Sarah and Tom Arthur were appointed to a suburban church after three years in an urban Christian community, they faced a unique challenge: how to translate the practices of "radical" faith into their new context. Together with their friends and fellow church members Erin and Dave Wasinger, the Arthurs embarked on a yearlong experiment to implement twelve small practices of radical faith—not waiting until they were out of debt or the kids were out of diapers or God sent them elsewhere, but right now. In this book is Sarah and Erin's story, told with humor, theological reflection, and practical insight, exploring such practices as simplicity, hospitality, accountability, sustainability, and social justice—but, most of all, discernment. Along the way readers will consider how God might be calling them to embark on their own year small but radical changes, right where God has planted them. Each chapter includes discussion questions and suggested readings. Foreword by Jonathan Wilson-Hartgrove. For more information, visit [www.YearofSmallThings.com]http://www.YearofSmallThings.com].

Why are my relationships complicated? How will I discover my dream job? When is it going to be my turn? What is my Life Purpose? We ask ourselves questions every day. We wonder why our lives aren't as we wished despite our actions taken toward change, and in a continuous cycle we seem to be disappointed time after time. Our thought patterns and belief systems whether they are negative from the Dangerous mind, or positive from the Beautiful mind, effect our outer world. It is as simple and as complicated as that. Spiritual Bootcamp examines our negative affirmed intentions or "dream stealers" to accurately pinpoint obstacles that have stopped us from manifesting into our greatest and highest good, and provides the steps needed in order to do so. Each chapter is an easy to follow workbook answering your questions and listing daily affirmations to allow you to start Being instead of simply Doing. Overcome obstacles, accomplish your goals, discover negative thoughts patterns you hold within and abolish them. This new found awakened state is the journey of discovering higher Self: the platform for change, and truly is your wake up call. \* Identify limiting beliefs that prevent you from total well-being. \* Use a simple formula to understand the "attractors" in your life. \* Shift your thoughts to promote healing and abundance in your Self. \* Develop a new skill set to reinforce life-affirming actions. \* Change your perspective of life so life can love you more.

Spiritual Boot Camp is a book centered around living on fire for the Christian faith and letting those around you watch you burn. As you learn to walk in the light, as God is in the light and have fellowship with Him, you will begin to see the rewards of this closer relationship go from simple and miss communication to moment by moment fellowship as the Master continues to talk to you. As a soldier of the Cross of Christ, one of the dangers in our society is the worldly view that Christianity is just another religion rather than an intimate friendship with our precious Savior. In this book you will learn how and where to engage your passions for the Lord Jesus. It will quench all your spiritual thirsts, satisfy your driving hungers, meet your deepest desires and calm the fears that are thrust at you from the world. Spiritual Boot Camp will set readers on a lifelong path of intrigue and fascination as the ways of God become less mysterious

because of a first-hand, in-depth growing relationship with the Creator who wants to get to know you. Enjoy this book. Blessings.

**NATIONAL BESTSELLER** *A spiritual thought-leader and featured guest on Oprah's SuperSoul Sunday helps us learn to quiet fear and anxiety and discover the powerful wholeness that exists within us all in this inspiring and affirmative guide. Achieving equilibrium in today's age of anxiety can seem like a near-impossible—even frivolous—task. Panache Desai offers a refreshing, surprisingly unusual approach to meet the challenges of the modern moment and heal the fractured self it produces. For Desai, the soul—whole, unbroken, at peace, and one with the life source—isn't a destination. It already exists within each of us, just waiting to be revealed. It is not something we have to work to develop—it is our birthright. And when we are in union with our soul, we experience a personal evolution that not only illuminates our individual cosmic purpose but helps us to engage the sense of purpose and presence necessary to remake the world itself. You Are Enough offers a straightforward, non-judgmental, and approachable process of revealing the soul, of coming into alignment and harmony with our true selves. Combining personal narrative, clear and inspiring philosophy, and prescriptive practices, it reveals that the way through is the way in—that the way through fear, self-doubt, and anxiety is accepting and embracing dissonance and emotional and psychological blockages, so that we can approach our lives and the world from a perspective that understands our fears are not who we are. Desai's goal is simple: to guide readers through radical self-acceptance toward a life of ultimate peace and fulfillment. Beautifully designed, this enlightening volume by a fresh voice shows us that while life may have caused us to forget our power, potential, light, and love, they are always there, just waiting to be discovered. Rich, soul-inspiring practices for moms who have neither quiet nor time. Dirty laundry, crayon-smearsd bills, and smashed crackers . . . And there's your Bible—buried under a pile of diapers. Bleary-eyed from lack of sleep, without a moment of peace and quiet, you wonder if the spiritual life you crave is even possible. But God sees you. He designed this parenting journey, after all. He understands the chaos of motherhood. And he joins you in everything—whether you're scrubbing the floor, nursing a fussy newborn, or driving to soccer practice. Catherine McNeil invites you to connect with God right here, in the sacred mundane of every mothering moment.*

*To help perform His divine will, God has frequently relied on a celebrated company of Heavenly messengers called angels. But in a manner of speaking, we're all called to be God's Heavenly messengers here on earth: we all have a story to tell, an experience to relate, a testimony to share; and, like His celestial band of servants, the Creator of the Universe wants each of us to become a Godly emissary of His supernatural love: following in the footsteps of Jesus Christ, through a lifestyle of giving, serving, encouraging, and sharing the Words of Life! But something's been holding us back from fully answering the call! It's a truth that expresses the heart and nature of God, but which has been "lost"; a practice that's vital to peace and unity within our homes and communities, as well as the growth of our churches. It's one of the most misunderstood and neglected Biblical concepts today, and its inexcusable neglect is keeping us from becoming all God intended! God wants us to develop the "heart of an angel" -- but how do we accomplish this? Better still, what is the heart of an angel? Join us as we examine the secrets of the heart: learn how to change the world while building meaningful relationships; strengthen your family while becoming more like God; unite your community while impacting eternity; and fulfill the Lord's greatest commandment while "flying" with the angels!*

We started Spiritual Boot Camp to get people involved in the Word of God. We must work the Word if we want the Word to work in our lives. Most of us go to church to be entertained by the choir and the preaching and we dont put anything into it; so by the time we reach the parking lot, we loose the battle of life because we dont know how to speak the Word of God to our situation.

DIVDo life's challenges seem to throw you off balance? Do you struggle with the should haves, could haves, and would haves? In Spiritual Housekeeping, Kimberly Daniels outlines the keys to defeating the devil and putting your spiritual house in order.DivDIV /div Small Change: Great Impact" was written to encourage a small change in the lives of men that, with the Holy Spirits help, will have a great impact. If we men would just make a small investment in our spiritual lives, God will give us a great dividend in return. It is not how much time we have to live; but more importantly, its what we do during the time we live.
