

Spm English Narrative Paper 2

The continual rise of English as a global lingua franca has meant that English literature, both as a discipline and as a tool in ESL and EFL classrooms, is being used in varied ways outside the inner circle of English. This edited collection provides an overview of English literature education in the Asia-Pacific in global times, bringing to international attention a rich understanding of the trends, issues and challenges specific to nations within the Asia-Pacific region. Comprising contributions from Australia, China, Hong Kong, India, Indonesia, Malaysia, Philippines, Singapore and Vietnam, the collection addresses the diversity of learners in different national, cultural and teaching contexts. In doing so, it provides insights into historical and current trends in literature education, foregrounds specific issues and challenges in policymaking and implementation, presents practical matters concerning text selection, use of literature in the language classroom, innovative practices in literature education, and raises pressing and important questions about the nature, purpose and importance of literature education in global times.

The Heinemann Plays series offers contemporary drama and classic plays in durable classroom editions. Many have large casts and an equal mix of boy and girl parts. This play is a dramatization of Daniel Keyes's story about a retarded adult who desperately wants to be able to read and write.

From Thomas Jefferson to John Rawls, justice has been at the center of America's self-image and national creed. At the same time, for many of its peoples—from African slaves and European immigrants to women and the poor—the American experience has been defined by injustice: oppression, disenfranchisement, violence, and prejudice. In *Identity and the Failure of America*, John Michael explores the contradictions between a mythic national identity promising justice to all and the realities of a divided, hierarchical, and frequently iniquitous history and social order. Through a series of insightful readings, Michael analyzes such cultural moments as the epic dramatization of the tension between individual ambition and communal complicity in *Moby-Dick*, "attempts to effect social change through sympathy in the novels of Lydia Marie Child and Harriet Beecher Stowe, Ralph Waldo Emerson's antislavery activism and Frederick Douglass's long fight for racial equity, and the divisive figures of John Brown and Nat Turner in American letters and memory. Focusing on exemplary instances when the nature of the United States as an essentially conflicted nation turned to force, Michael ultimately posits the development of a more cosmopolitan American identity, one that is more fully and justly imagined in response to the nation's ethical failings at home and abroad. John Michael is professor of English and of visual and cultural studies at the University of Rochester. He is the author of *Anxious Intellectuals: Academic Professionals, Public Intellectuals, and Enlightenment Values* and *Emerson and Skepticism: The Cipher of the World*."

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. **I AM MALALA** is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. **I AM MALALA** will make you believe in the power of one person's voice to inspire change in the world.
