

Star Wars Darth Bane Path Of Destruction

A New York Times Notable Book: A group forms its own surrogate family on the margins of society in this novel by the author of *The Beans of Egypt, Maine*. Mickey Gammon, fifteen, has dropped out of school and been kicked out of his home. But he has found a new place in the Settlement—a rural cooperative that deals in alternative energy, farm produce, and locally made goods. Run by “The Prophet,” the Settlement is demonized by the media as a compound of sin, but its true nature remains foreign to outsiders. It is here where Mickey meets another deserted child, six-year-old Jane, whose mother is in jail on trumped-up drug charges. Playing “secret agent,” Jane cunningly prowls the Settlement in her heart-shaped sunglasses, imagining that her plans to bring down the community will reunite her with her mother. As they struggle to adjust to their new, complex surrogate family, Mickey and Jane are about to witness mounting unrest within the Settlement’s ranks—which soon builds to a shocking and devastating crescendo. *The School on Heart’s Content Road* is “a profoundly human novel . . . Absolutely one of a kind” (USA Today), from an author who, “like Flannery O’Connor . . . has a gift for expressing the true spirit of a culture” (San Francisco Chronicle). “Chute can’t help but create characters who live and breathe.” —The Washington Post

Drew Karpysyn has made his mark with imaginative, action-packed work on several acclaimed videogames, including *Mass Effect* and *Star Wars: Knights of the Old Republic*, as well as in a succession of New York Times bestselling tie-in novels. Now Karpysyn introduces a brilliantly innovative epic fantasy of perilous quests, tormented heroes, and darkest sorcery—a thrilling adventure that vaults him into the company of such authors as Terry Goodkind, Brandon Sanderson, and Peter V. Brett. Long ago the gods chose a great hero to act as their agent in the mortal world and to stand against the demonic spawn of Chaos. The gods gifted their champion, Daemron, with three magical Talismans: a sword, a ring, and a crown. But the awesome power at his command corrupted Daemron, turning him from savior to destroyer. Filled with pride, he dared to challenge the gods themselves. Siding with the Chaos spawn, Daemron waged a titanic battle against the Immortals. In the end, Daemron was defeated, the Talismans were lost, and Chaos was sealed off behind the Legacy—a magical barrier the gods sacrificed themselves to create. Now the Legacy is fading. On the other side, the banished Daemron stirs. And across the scattered corners of the land, four children are born of suffering and strife, each touched by one aspect of Daemron himself—wizard, warrior, prophet, king. Bound by a connection deeper than blood, the Children of Fire will either restore the Legacy or bring it crashing down, freeing Daemron to wreak his vengeance upon the mortal world. **BONUS:** This edition includes an excerpt from Drew Karpysyn’s *The Scorched Earth*. Praise for *Children of Fire* “This intricately layered adventure breathes realism and overshadowing menace into ancient mythic archetypes, exposing the pain and wonder inherent in magic and the mingled hope and cynicism of modern fantasy.” —Publishers Weekly (starred review) “A rousing quest fantasy . . . a fast-paced action-packed good and evil thriller.” —SF Revu “From the first page of *Children of Fire*, Karpysyn captures the reader’s attention with his excellent, intricate storyline.” —RT Book Reviews “*Children of Fire* stands on its own as a thoroughly entertaining tale. The book strikes a perfect balance between character driven storytelling and rich world building.” —Roqoo Depot “[Karpysyn] is truly a master of world building. . . . I would recommend this title to any fan of the genre.” —Among the Wreckage “Compulsively readable, wildly entertaining.” —A Girl, A Boy and A Blog “*Children of Fire* is engrossing, and full of characters that are modern. . . . I thoroughly enjoyed *Children of Fire* and look forward for the next two books.” —FANGirl Blog “Drew Karpysyn weaves a rich, contrasting tapestry of epic story and doom. Gripping and compelling from first page to last, *Children of Fire* is a dark-chocolate fantasy; delightfully biting and delectable at once. Four ill-fated children born under a sign of chaos and flame carried me on a journey into an intriguing world of shadowy wonder. It is a spellbinding epic told with masterful craft. Well done, Drew!” —Tracy Hickman, New York Times bestselling co-author of the *Dragonlance* and *Death Gate* series

Darth Bane

With the end of the Sith Wars, the Jedi are convinced that the Sith have been destroyed, unaware that Darth Bane, the creator of the "Rule of Two," survives and is preparing in secret to build a new Sith Order, with which he plans to rule with his new apprentice at his side, in the sequel to *Path of Destruction*. Reprint.

The black-and-red pyramid-shaped Sith case appears innocuous. But with the touch of a button, the door of the case lifts, accompanied by lights and Star Wars sound effects. The secrets within are revealed—the Book of Sith slides into view. The Sith have existed in the galaxy for centuries, lurking, waiting for their chance to seize control. As various Sith Lords emerged and rose to power, they recorded their thoughts, exploits, and plots for Sith control of the galaxy. When they fell, their knowledge vanished with them forever. Or so it seemed. . . . Over the years, these writings were passed among numerous Sith and Jedi, who added their comments to the pages. In his quest for domination, Darth Sidious tracked down what remained of five pivotal Sith texts written by his most powerful predecessors. Then, drawing on the knowledge within the compiled pages, he wrote a sixth text—his own manifesto. Together, these documents, along with several collected objects associated with them, shed light on the philosophy, achievements, and failures of the Sith Order. For years, this collection remained hidden, existing as legend only. But now all who are tempted may unlock the Book of Sith and delve into the dark side. . . . From the creators of *The Jedi Path*, in collaboration with Lucasfilm, *Book of Sith* reveals the mystery and madness of the dark side—while introducing new characters, history, as well as sinister insights into what it means to be a Sith Master. Recovered dark side texts: • A chronicle by Sorzus Syn of her encounters with Sith Purebloods, explorations in alchemy, and the foundations of the Sith Order. • A war journal kept by Darth Malgus during the Great Galactic War, describing methods of war and the

campaigns of the Sith army. • A source book by Darth Bane that details the idea and the philosophy behind the Rule of Two as well as the training required for a Sith. • An instructional manual by Mother Talzin exploring the Nightsisters' use of the dark side and their role as dark side mercenaries in the galaxy. • A scientific journal by Darth Plagueis with notes about his experimentation with and manipulation of the Force. • Darth Sidious's manifesto about the philosophy and political manipulation that marked his rise to power and established his Empire. Those who added their comments: Darth Sidious, Darth Vader, Asajj Ventress, Yoda, Mace Windu, Quinlan Vos, and Luke Skywalker Removable features: A scrap of a Sith burial shroud, a battle map from the Great Galactic War, a Sith lightsaber crystal, a Nightsister talisman, a diagram detailing Palpatine's political strategies during the Clone Wars, and a propaganda poster for the Galactic Empire, and a note from Luke Skywalker Fully Illustrated, with Removable Features and a Motorized Case Book Dimensions: 8.25" x 6.125" x 0.75" Case Dimensions: 11" x 11" x 6.25" Box Dimensions: 11.75" x 11.75" x 6.5"

NEW YORK TIMES BESTSELLER Set before the events of Star Wars: Episode I The Phantom Menace, this new novel is a thrilling follow-up to Star Wars: Darth Plagueis. It's kill or be

killed in the space penitentiary that houses the galaxy's worst criminals, where convicts face off in gladiatorial combat while an underworld gambling empire reaps the profits of the illicit blood sport. But the newest contender in this savage arena, as demonic to behold as he is deadly to challenge, is fighting for more than just survival. His do-or-die mission, for the dark masters he serves, is to capture the ultimate weapon: an object that will enable the Sith to conquer the galaxy. Sith lords Darth Plagueis and Darth Sidious are determined to possess the prize. And one of the power-hungry duo has his own treacherous plans for it. But first, their fearsome apprentice must take on a bloodthirsty prison warden, a cannibal gang, cutthroat crime lord Jabba the Hutt, and an unspeakable alien horror. No one else could brave such a gauntlet of death and live. But no one else is the dreaded dark-side disciple known as Darth Maul. Praise for Lockdown "Schreiber . . . was a great choice for this novel, imbuing the story with a dark, foreboding tone while never quite stepping into the horror territories that Death Troopers and Red Harvest took us."—Jedi News "Fans of the dark side should rejoice. Lockdown delivers a can't-put-this-down tale of scum and villainy."—Club Jade "[Lockdown is] an action-packed ride that spins one entertaining chapter after another. The multiple layers of story keeps readers guessing what will happen next and just who will live and who will die. . . . It certainly adds to the character of Darth Maul while matching [Darth] Plagueis's complexity with sheer fun. . . . Five out of five metal bikinis."—Roqoo Depot "Somehow, Schreiber is able to skate the line between hard-hitting prison story and the adventure and excitement I love from Star Wars in a way that doesn't betray either genre. It's really quite masterful."—Big Shiny Robot "Lockdown is an exciting, engaging read. . . . It actually lines up beautifully for a sequel, which I, for one, would love to read."—Coffee with Kenobi "The novel makes The Clone Wars better. It also illuminates The Phantom Menace. I think it's the hallmark of the best tie-in fiction to resonate throughout other parts of the expanded universe in that way."—Knights' Archive "By the fiftieth page, I was hooked. . . . Lockdown is a wonderful 'antihero' novel, where it's just fine to root for the villain, because there are even worse things out there. This book was so fun and entertaining. I'll have to keep an eye out for more Star Wars books from Schreiber."—Seattle Geekly

Star Wars: Darth Bane - Rule of Two

Thousands of years before the rise of Darth Sidious and Darth Vader, the Old Republic was rife with the evil Sith, who were a constant thorn in the side of the Jedi. But greed and hunger for power were eating away at the Sith Order, destroying it from within. In the midst of this rose a new Sith, Darth Bane, who recognized that the Sith Order would fall if nothing was done. Thus it was he who, learning to cultivate patience and cunning, hid from the strife until it was over, and then rose to become the most powerful Sith Lord ever. This is the story of the transformation of Des, a young miner, into the legendary Sith Lord Darth Bane. Des - like many of the disenfranchised who live on the Outer Rim - is disillusioned with the stagnancy of the Old Republic. When the Sith unite to bring the Republic down, Des is one of many to join their cause. His heroism and skill in battle - along with his remarkable connection to the Force - draw the notice of the Sith Masters, and Des eventually finds himself studying at the Sith Academy on Korriban. He takes the name of Bane and, amidst the deception and back-stabbing of the other students, he learns to unlock his latent dark-side talents. As his power grows, Bane realizes the Sith have lost their way. Under the leadership of Lord Kaan and his Brotherhood of Darkness, the Sith have turned their back on the true nature of the dark side. Through manipulation, cunning and strength, Bane destroys Kaan's Brotherhood and wipes out all the other Sith so he can found a new Order based on the rule of two: one Master, one apprentice.

In this essential Star Wars Legends novel, the second in the Darth Bane trilogy, the fearsome Sith lord takes on a deadly new apprentice. Darth Bane's twisted genius made him a natural leader among the Sith—until his radical embrace of an all-but-forgotten wisdom drove him to destroy his own order . . . and create it anew from the ashes. As the last surviving Sith, Darth Bane promulgated a harsh new directive: the Rule of Two. Two there should be; no more, no less. One to embody the power, the other to crave it. Now Darth Bane is ready to put his policy into action and thinks he has found the key element that will make his triumph complete: a student to train in the ways of the dark side.

Though she is young, Zannah possesses an instinctive link to the dark side that rivals his own. With his guidance, she will become essential in his quest to destroy the Jedi and dominate the galaxy.

This essential Star Wars Legends novel is the first in a trilogy chronicling the rise of the fearsome Sith lord Darth Bane.
