Set in-universe, this compendium of ordinance, mission reports, and Imperial philosophy was intercepted by members of the Rebel Alliance, some of whom also left commentary scribbled in the margins. Housed in a deluxe case that opens with lights and sounds, this never-before-seen Imperial Handbook is perfect for Star Wars fans—on both sides of the Rebellion. Explore how service aboard the Death Star differs from service aboard a Destroyer. Learn what the Empire’s standard procedures were for dealing with smugglers. Discover what long-term Imperial plans the Rebellion thwarted. Find out what the role of the 501st Legion really was.

From Ancient Egypt and the Roman Empire to the French Revolution and the Vietnam War, Star Wars and History explores the major historical turning points, heroes, and villains in human history and their impact on the creation of the Star Wars saga.
