In this first installment in a six book series set after the end of Stargate Atlantis's final season, Atlantis returns to the Pegasus Galaxy where the Wraith are now under the new and powerful Queen of Death who desperately needs Dr. Rodney McKay--the only one who can lead them to Earth. Original. "I haven't full on belly-laughed like this for a long time" ?????? The perfect antidote to a chaotic world, More Than Just Mum will have you crying with laughter His practice newly established, metaphysician Ned Mathey can't afford to turn away any clients. But the latest Londoner to seek Ned's magical aid gives him pause: Mr Edgar Nevett, an arrogant banker, is the father of the bully who made Ned's life hell at boarding school. Nevertheless, Ned accepts the commission to ensure the Nevett family silver bears no ancient or modern curses, and then prepares to banish the Nevett family to unpleasant memory again. Until Edgar Nevett is killed by an enchanted silver candlestick--one of the pieces Ned declared magically harmless. Calling on his old school friend Julian Lynes--private detective and another victim of the younger Nevett--Ned races to solve the murder, clear the stain on his professional reputation, and lay to rest the ghosts of his past. Assisted by Ned's able

secretary Miss Frost, who has unexpected metaphysical skills of her own, Ned and Julian explore London's criminal underworld and sodomitical demimonde, uncover secrets and scandals, confront the unexpected murderer and the mysteries of their own relationship. In *Death by Silver* veteran authors Melissa Scott and Amy Griswold introduce a Victorian London where magic works, influencing every aspect of civilized life, and two very appealing detectives. Secret Service Agent Oakes Weaver is in the midst of the biggest assignment of her career—leading the advance team for President Andrew Powell's impending trip to Philadelphia where everyone expects he will be nominated to run for a second term. The last thing she needs is a tragedy among the president's inner circle that might not be an accident, or the sudden recruitment of Ari Rostof, a woman who might be a lot more than she seems. But Oakes doesn't get a say in policy. She only has to secure the president's safety—at all costs. First Daughter Blair Powell and her spouse, Cameron Roberts, are among the reelection campaign members accompanying President Andrew Powell to Philadelphia. While the president may be protected by his Secret Service agents, those close to him are literally in the kill zone, and his adversaries will stop at nothing to further their cause—even mass murder.

In the sequel to Lambda Literary Award-winning Death by Silver, metaphysician Ned Mathey and private detective Julian Lynes again challenge magical and murderous threats in a Victorian London not quite the city in our history books. Mathey is recruited by Scotland Yard to assist the new

Metaphysical Crimes Squad in the case of a literally heartless corpse. Mathey soon discovers that the magic used to rob the man of his heart and life does not conform to the laws of modern metaphysics-and then a second victim turns up. Meanwhile, a minor poet hires Lynes to track down and stop the blackmailer threatening to reveal him as the pseudonymous author of popular romances. When another target of the same blackmailer, a friend of Mathey's assistant Miss Frost, appeals for aid, Lynes and Mathey begin to suspect murders and blackmail are connected. Digging deep into the clandestine worlds of lawless antique magic and the gay demimonde, Mathey and Lynes must uncover the source and nature of a heart-stealing supernatural creature before it can kill them too, even as they face the scandal of exposing themselves as sodomites in order to close the case.

In the fragile peace following Queen Death's defeat, Dr. Daniel Jackson arrives in Atlantis to indulge in some real archaeology. Naturally, things don't go according to plan.

STARGATE SG-1 Hall of the Two Truths

Atlantis Wasn't Built for Tourists is a horror fantasy comic book series set in the Pacific Northwest written by Eric Palicki and illustrated by Wendell Cavalcanti and Mark Dale, published by Scout Comics. Lucas Lewis drifts into Atlantis County, Oregon wanting nothing more than a hot meal and soft bed for the night. What he finds instead is a small town in thrall to eldritch creatures lurking in the surrounding wilderness, possibly guided by an even more sinister force. Lucas becomes determined to eradicate all of Atlantis's demons, but these monsters are not what they seem. Unfortunately for the monsters, neither is Lucas.

The free flow of traffic to the Gamma Quadrant is vital to the recovery and survival of the planet Bajor and to

Federation interests as well. When a mysterious cloaked ship begins raiding wormhole shipping, cleaning out holds and killing entire crews, Commander Benjamin Sisko of Deep Space Nine™ acts at once to stop the menace. Commander Sisko has unexpected aid: the cloaked vessel has been striking Cardassian ships as well, and the Cardassian commander Gul Dukat intends to destroy the ship at all costs. Their unlikely alliance works well -- until two of Sisko's crewmen are captured by the raiders. Gul Dukat will stop at nothing to gain his victory; now Sisko must locate the predator ship, hold off the Cardassians long enough to rescue his people -- and prevent an interstellar war!

Colonel Jack O'Neill and his SG-1 team find themselves stranded on a primitive world where the inhabitants pay homage to the Goa'uld by providing their best specimens as host bodies for their young.

The city of Astreiant has gone crazy with enthusiasm for a new play, "The Drowned Island," a lurid farrago of melodrama and innuendo. Pointsman Nicolas Rathe is not amused, however, at a real dead body on stage and must investigate. A string of murders follow, perhaps related to the politically important masque that is to play on that same stage. Rathe must once again recruit the help of his lover, former soldier Philip Eslingen, whose knowledge of actors and the stage, and of the depths of human perversity and violence, blends well with Rathe's own hard-won experience with human greed and magical mayhem. Their task is complicated by the season, for it is the time of year when the spirits of the dead haunt the city and influence everyone, and also by the change in their relationship when the loss of Philip's job forces him to move in with Nicolas. Mystery, political intrigue, floral magic, astrology, and romance--both theatrical and

personal--combine to make this a compelling read. A winner of the Lambda Literary Award for Best LGBT Speculative Fiction.
