Phonics Readiness, Grade PK

Math Workbook, Grade K

Big First Grade Workbook

This Big First Grade Workbook combines popular 32-page School Zone workbooks into one convenient 320-page volume. Child-friendly exercises and full-color illustrations make learning fun. Use Big Workbooks to reinforce or review grade-level skills or prepare for the upcoming school year. Contents include: First Grade Enrichment, Beginning Phonics, Manuscript Writing, Story Problems, Time, Money & Fractions, First Grade Math, and First Grade Scholar. (Ages 5-6)

Brighter Child Math for Kindergarten helps students master mathematics skills. Practice is included for numbers and counting, shapes, money, telling time, and more. School success starts here! Workbooks in the popular Brighter Child series are packed with plenty of fun activities that teach a variety of essential school skills. Students will find help for math, English and grammar, handwriting, and other important subject areas. Each book contains full-color practice pages, easy-to-follow instructions, and an answer key.

Prepare your child for math success with board games, stickers, and more! Make learning early math skills fun vs. chore. With cute, creative activities such as Helpful Squirrels and Addition Fun with Animals, the world of numbers becomes a playful adventure. Kids open Math Readiness: A Press-Out Book, and right away find bold, bright reward stickers. Unique to this workbook are press-out fish pieces and a fishbowl game board. Using these "manipulatives" adds hands-on practice to two-dimensional learning and develop overall number sense. Filling the fishbowl, kids practice using numbers and number sets, can see and match number symbols to a group of objects, and can describe groups as having more, less, and same. After pressing out the pieces store them in an envelope or small, resealable plastic bag. All throughout the workbook the activities progress from easy to difficult; promote self-directed learning; sharpen focus, memory, and mastery; and offer unlimited learning experiences. This workbook's math curriculum incorporates the Common Core State Standards for Mathematics as well as standards published by the National Council of Teachers of Mathematics (NCTM). It's a great take-anywhere learning tool!

Give your soon-to-be first grader a head start on their upcoming school year with Summer Bridge Activities: Bridging Grades K-1. With daily, 15-minute exercises kids can review rhyming and counting and learn new skills like telling time and writing

complete sentences. This workbook series prevents summer learning loss and paves the way to a successful new school year. --And this is no average workbook! Summer Bridge Activities keeps the fun and the sun in summer break! Designed to prevent a summer learning gap and keep kids mentally and physically active, the hands-on exercises can be done anywhere. These standards-based activities help kids set goals, develop character, practice fitness, and explore the outdoors. With 12 weeks of creative learning, Summer Bridge Activities keeps skills sharp all summer long!

These comprehensive, full-color jumbo workbooks from Scholastic Early Learners provide all the practice your child needs to succeed in school. Includes stickers and a completion certificate! A strong educational foundation helps ensure a child is able to benefit from the learning opportunities available in today's first-grade classroom. Help your child succeed in first grade with this all-inclusive jumbo workbook filled with activities and stickers from Scholastic Early Learners! 240 pages of age-appropriate exercises aimed at reinforcing first-grade learning. Includes 24 pages of stickers, a glossy cover, and a completion certificate. Aimed at children ages 5-7. Encourages practice in important first-grade topics, including: handwriting, reading skills, writing, word study, language, spelling, sorting, number sense, addition and subtraction, shapes and measurements, social studies, and science. Includes helpful parent tips throughout. Bright, colorful pages blend photographs and illustrations to make this workbook one of the most eye-catching and engaging available. Teacher approved! Scholastic Early Learners is a dedicated learning program that builds school skills from infancy through second grade. Created by experts and focused on reinforcing curriculum topics and current academic guidelines with kid-friendly activities, this educational line is the best partner in your child's learning journey. Scholastic Early Learners: The Most Trusted Name in Learning!

Stickers can offer far more than amusement. In Math Stickers the stickers become manipulatives, requiring a child to locate the correct sticker in order to solve the problems, creating an interactive learning experience. Soon kids will be able to recognize that each numeral has a unique name and shape, and each numerical symbol represents a number. This, along with counting objects, builds important early math skills. Add colorful illustrations, games, matching and reward stickers to the mix and a child can't help but be engaged in this colorful world of numbers. See for yourself--engage your child in Math Readiness today. Get your child stuck on learning!

Power up kids' first-grade skills! With pages of fun puzzle-based activities including Highlights Hidden Pictures, this workbook offers age-appropriate fundamentals in language arts, math and science, plus skills like word recognition, digraphs and consonant blends. They'll also learn about homophones, shapes, numbers, addition, subtraction, sequencing, science and more! Every exercise will boost their confidence and supplement what they're learning in school. This 256-page workbook also features simple tips for parents to extend learning, a Certificate of Achievement to celebrate their hard work, plus links to online activities. Developed with educational experts, teacher-approved and aligned with state standards, the First Grade Big Fun Workbook will engage students and get them excited about learning. It's a Family Choice Award Winner, PAL (Play Advances Language) Award Winner, a Parents' Choice Recommended Book and a PAL Top Ten Pick.
