Can a half-demon and a tired rock star find a happy ending? Rock legend Kris Starr has a problem or two. He’s getting older, he can’t seem to write anything new, he’s supposed to be recording a Midwinter holiday album, and he’s afraid he’s falling in love with Justin Moore, his manager. But Justin’s very good at keeping secrets, and he has a few -- like his demonic inheritance, his family’s history, and his crush on Kris Starr, rock and roll icon. But when all Justin’s secrets start to come out, he’ll need Kris’s help ... and they’ll write a new love song or two along the way. This box set combines together all nine books in K.L. Noone's best-selling series featuring Kris and Justin. Contains the stories: A Demon for Midwinter: Kris Starr used to be famous. Sold-out rock shows. Empathic talents. But he has a problem or two. He's having a hard time writing songs. It's Midwinter, full of depressing holiday cheer. He's in love with Justin, his new manager, who has a talent for rescuing almost- or once-famous bands. And Justin's hiding secrets: about literal demons, his past, and his own feelings for Kris ... Lightning in a Bottle: Despite his skill with a guitar, Adam's never had much stage presence -- he leaves that to Lee, his band's lead singer, who makes his lyrics rock. The problem is, Adam's lyrics are secret love letters for Lee, though he's never had the courage to say so. But when a legendary rock star and scandalous sex demon turn up at their show, Adam might finally figure out how to get everything he wants. Love Songs for Every Day: Kris and Justin don't do interviews. Two years after demonic revelations, forever entwined with Kris Starr's return to the spotlight, they'll open up about pro-demon activism, classic rock, rescuing cats, and coffee versus tea -- plus what exactly happened to Justin that night, love songs, and happy endings. Sunlight and Gold: Can a rock star marry a demon? That question's on Justin's mind. He's moved in with Kris; they're wildly happy. He is half human, though -- and he likes the idea of the human ritual. But Kris Starr, rock legend, never has. So Justin can't ask. Kris isn't convinced he's great at domesticity. But he's pretty sure his half-demon boyfriend wants a very human commitment. And maybe Kris wants that, too. A Demon for Forever: A demon, a rock star, and wedding bells! Justin's always wanted to get married and has thrown himself into wedding plans. But the world's watching. Kris wants to give his demon fiancé a perfect day, whether that means carrot cake or support for Justin wearing a wedding dress. But Justin wants him to reconcile with his father, so Kris will have to try. The Demon's Choice: Kris has never been happier: back on tour, making music, and married to the love of his life, half-demon Justin. But an accident leaves Justin unable to use magic until his demon family offers him a terrible choice. Losing his magic leaves him empty until he's shown a way to get it back. But if he agrees, he'll give up his human half ... along with his life with Kris. Snowed In: Kit & Harry: Someone or something is causing magical blizzards at Fairleigh Hall. Constable Kit Thompson is to investigate. The Earl's brother, Harry Arden, wants to help, but he's an irritating temptation. The estate hides a family secret. When they end up snowed in together at the old hunting lodge, they'll learn to trust each other with their secrets ... and their hearts. Bedknobs and Brimstone: Some days married life is great. And some days your husband's demon magic sets the bed on fire. But Kris wouldn't change a thing. If living together costs them some furniture, it's fine. Justin's still not used to his new powers. They're unpredictable, and he's worried: what if he hurts Kris? Fortunately, Justin's husband's very good at reassuring him. A Demon's Very Good Morning: Justin's never been happier. He's proud of his demon heritage, he has his rock-star empath husband, he and Kris are wildly in love, and they have a big family celebration today. But he's waking up alone in bed. And he can hear his husband's emotions. Families aren't easy. But if Kris needs some reassurance, Justin knows exactly how to help.

FloweTry is a book for anyone who has ever been frustrated with life and/or love or longed for a better relationship with the Lord. If you fall into any or all of these categories, this book is for you. Life. Life is filled with and impacted by family, friends, community, and politics. Each poem will take you on a reflective journey through different points in your life. The term family is used loosely as friends and community members are often family too. Hopefully these poems will warm your heart when you come across the ones that apply to you. Some of the politically themed poems are rooted in Black history, so the actual past is not a mystery.

Love. Love is beautiful, painful, and messy all at the same time. I highly recommend love despite it having its highs and lows. The poems here are both pro- and antilove, so get ready for the entertaining ride. Liturgical. There is often a still, quiet voice within your soul whispering to you. Did you know that voice belongs to the Lord? It is the Holy Spirt. God is still speaking to us in this day and age; we just need to open our spiritual eye and ear to see and hear Him. It is all right to allow the Lord to do something new in you. Sometimes we wake or walk with a new melody or lyrics in our spirit and do not know where they come from. Well, I now believe I do. It is the Holy Spirit doing something new. We just need to yield to it and go with the flow. It might not always be great or perfect, but it can be fun to just go with the flow and give praise to God with whatever comes out of your mouth, your new song. May you relax, relate, and release as you enjoy this section of poetic, heartfelt FloweTry.

This hilarious, sometimes harrowing, and ultimately heartening novel is the companion to the critically acclaimed, national bestseller Perfect Agreement "Beautifully and economically written, and very funny." —Linda Wertheimer, NPR This is your chance to enroll in English 10 at highly rated Hellman College—if you can find a place to sit in the Mark Sternum, whom readers first met in Downing’s beloved novel Perfect Agreement, is a veteran teacher. Twenty years older, separated for six months from his longtime lover, and desperate to duck the overtures of double-dealing deans above him and disgruntled adjunct faculty below him, Mark has one ambition every day he is on cam the world behind. His escape, however, is complicated by his contentious, complicated wrestling match of a relationship with the Professor, the tenured faculty member with whom Mark has co-taught this creative-writing workshop for ten years. The spectacle of their rigorous, academic relationship is a chance for students—all of us—to be. Replete with engaging writing exercises, harsh criticism, and contrarian advice, Still in Love is the story of one semester in a college classroom. Don't you just hate it when someone destroys all your carefully made plans? I mean, I had goals: college to graduate in one semester, a future I was working hard to reach, and an image of myself I wanted the world to see. My life was stacked into these precisely placed blocks. But then Colton Gamble came along and knocked them all askew. I hated how he messed everything up, how he could hog all my attention whenever he was around, how he made my pulse quicken—but only because he ticked me off...not because I was attracted to him. Oh! And I hated how he knew how attractive he was too, the shallow, full of himself, doesn’t take no for an answer, too flirty, too cocky, extremely irritating jerk. The boy had all the qualities that turned me off. Or so I thought.

One night he wasn't quite the brainless, overconfident jerk I assumed he always was. One night, he took care of me and made me open up to him. Now I'm learning maybe he's not what I first thought he was. And maybe I'M not what I first thought I was. Maybe it's okay to rearrange a couple of my perfectly set blocks. Maybe, just maybe, I'll stop worrying about what I'm afraid everyone else will think and finally reach for something I really want. It's possible some of my plans need to be destroyed, and Colton Gamble is exactly the kind of mess I need in my life. What do you think? Should I give him a try? Desperately seeking your advice, Julianna Radcliffe
