Creating Stories with Children

"Shares the story of Leonard the Lion--admired by all other animals as King of the Jungle--who wears a red cape and uses his power and status to make a positive impact on those around him. The fun, colorful book is sprinkled with magic and mystery"--

Stories motivate children to listen and learn, and help them to become aware of the sound and feel of English, and to understand language points, while enjoying the story. This resource book has a selection of ready-to-tell stories, although the activities can be used with any story.

This is supposed to be a book about all the different things moose can do, like leaping and jumping and being really tall. But maybe Whoopie isn't the right moose for the job. You might want to pick a different moose for this book. Maybe instead we can do a book about falling down a lot? Yeah! Whoopie would be great at that.This hilarious book about a clumsy moose shows that sometimes being a little different can make one great story.

Goodnight Ava and the Moon, It's Almost Bedtime

A young boy is fondly remembering last summer, when his dad built an awesome tree house in their backyard. He played with his brother in the tree house for the majority of the summer. It was the best summer ever. Sadly, everything changed. His brother became too busy with his friends to come to the tree house. However, one night the power unexpectedly goes out while the young boy is there by alone, and he's treated to an amazing view of his neighbourhood. And then, just as unexpectedly, his brother appears, wanting to join him, to savour the magic of the night.

*Flying cars are real!* This book, the only one on the subject for young readers, combines history, biography, technology, and humor in a breezy survey of hybrid vehicles and the dream of flight that kept inventors at work despite many failures and the dictates of common sense.

*With an uncanny relevance to today's world and inspired by the life of its author, Karl's Story, is a WW II child refugee's tale of resilience, hope and courage as told through the narrative of her beloved teddy bear, Karl. A story perfect for all ages: read to children by parents, grandparents and teachers alike. It has been read many times to middle elementary grades. A book to be handed down from parent to child for generations to come. Karl, "a very odd teddy bear," has a magic gift- he can tell stories to children who are still young enough to understand toy talk. Karl's Story begins in Europe. It's about Karl, the young girl Karin, and Mimi the mind reading cat. ... how the three friends experience and survive WW II and then escape from communism to a new and hope-filled life with his beloved friend Karin. Their journey, their story, enchants children but in the sense of The Little Prince speaks timelessly to adults as well. Karl's Story tells of European refugees and is as relevant today as then. The chaos of the time turned the world of the three friends upside down, slowly at first, from no more whipped cream at birthdays parties to ever more frequent air raids, crashing bombs, and a harrowing train ride, with Karl and Mimi stuffed in Karin's old wicker trunk. In the journey Karin loses all she ever knew or loved, but goes on to rebuild her world in America. The book is categorized as Children's Fiction because of its charming cover and talking stuffed animals but is inspirational to young and old alike, and a perfect antidote in these still troubled times; this is indeed a book for all.*

*"Say Not What I!" is a nearly 10,000 word story written as a long rhyming poem. It is about a man on death row, and has as its theme the concept that time is our most valuable commodity. As someone once said, "waste anything but time, because we really are promised no tomorrows." This theme is explored through the life of a man who sacrifices his marriage and everything else for his career. He realizes much too late the terrible consequences of this decision, and then desperately tries to regain those lost years by making a much worse choice. The resolution of this latter choice involves an additional examination of the concepts of accountability and responsibility, redemption, and the morality of the death penalty. The story has a better than average rating of 4/5 stars on Goodreads and Amazon. There are currently fifty-six ratings and forty-one written reviews on Goodreads at <http://www.goodreads.com/book/show/12788920-say-not-what-i-1>. Another thirteen ratings and reviews are on Amazon. Reviewers have described the story as "exceptional," "amazing," "incredibly special," "borderline genius," "a lyrical masterpiece," "gripping and compelling," "thought provoking," and a "beautifully written piece of literature." Many enjoyed the story so much that they intend to share it with their family and friends.I have never seen a story written in this format. It has characters and dialogue just like a regular story, and is extremely easy to read and understand, regardless of whether you have a GED or a PhD. You should therefore not be concerned that the format makes the story hard to understand. Many reviewers had the same initial concern, but then pleasantly discovered that the story is very easy to follow. But you can further allay any such fears by reading the first few pages of the story on my website, [www.consumertopics.com](http://www.consumertopics.com). This story will tear at your soul. As many of the reviewers said, it only requires an hour or so to read, but will keep you thinking about its message long after you are finished. Time is quintessentially important and valuable. Who knows how much time anyone has? Would you trade ten or even five years of your life for a million dollars?The story can be purchased from many booksellers, including Amazon and Barnes & Noble. It can also be purchased for only 0.99 as an ebook for Kindle.Best wishes and good luck in all your reading endeavors.*

What's in a name, an ancient name like Innes? Ten years ago, Andrew Innes set out to trace its history, asking the age-old questions, "Who am I? And where do I come from?" Sleuthing his branch of the family back as far as possible, he discovered surprising, sometimes tangled truths. From Scotland, his engaging story moves to England and Wales, then to his father's discovery of bauxite in Jamaica, and ultimately to Canada, recounting a family's social progress over two centuries. Of special interest to Innes comes near and far is the tantalizing tale of the Stow Succession. In the nineteenth century several branches of the Innes clan believed they had a rightful claim to the vast fortune of Jane Innes of Stow. The author's family was among them. Andrew Innes here gathers together more information on this subject than any other author he is aware of, and offers it to those who still nurture this belief.This Second Edition includes important new DNA evidence supporting the family's descent from Berowald of Halton via the Inneses of Benwall and Ardannes. It provides a useful example of how DNA analysis in combination with well documented genealogies can bridge gaps in a family's line of descent.

Become a master storyteller as you share these lively stories. The lessons about God's deep love will come alive for all of your listeners. Greedy tax collectors, mischievous sheep, and disobedient prophets...no matter who we are and what we do, Christ's love stretches out wide enough to hug us all.

**He was born, wild and free, in the vast mountainous scrublands of Nevada. Until he was a year old, no human hand touched him, though he knew something of the danger people represented to the herd. But one fateful day, the herd was chased by a huge black creature in the sky, and the yearling was separated from his mother. In blind panic he ran, but he could not outdistance the terrifying, whirling thing above him, or the humans on horseback that surrounded him. Before long, JB Andrew would come to the attention of many. This fine book from the turn of the 19th Century contains 35 wonderful and inspiring Christmas stories for children. These stories were already well-received before they were pulled together to make this book. Included are excerpts from "A Christmas Carol" by Charles Dickens and the Christian Bible, stories from Hans Christian Andersen's Fairy Tales, from Ireland, Germany, the American West, and from the big cities in England and the United States. \* \* \* \* \* Written in easy-to-read 13-point type, and divided between stories for little kids, intermediate kids, and the older set, each of the stories has already won the approval of thousands of children, and each is packed with the true Christmas spirit: that small thoughtful actions can have big and happy consequences. Some stories will bring a tear to your eyes, other will make you laugh. All are enjoyable. This book will become a cherished addition to your library for years to come. \* \* \* \* \* The stories in this book are: Christmas at Fazzivi's Warehouse (Charles Dickens), The Fir-Tree (Hans Christian Andersen), The Christmas Masquerade (Mary E. Wilkins Freeman), The Shepherds and the Angels (Adapted from the Bible), The Telltale Tie (Olive Thorne Miller), Little Girl's Christmas (Winnifred E. Lincoln), A Christmas Matin e (M. A. L. Lane), Tonnette and the Elves (Susan Coolidge), The Voyage of the Wee Red Cap (Ruth Sawyer Durand), A Story of the Christ-Child (a German Legend for Christmas Eve told by Elizabeth Harrison), Jimmy Scarcrow's Christmas (Mary E. Wilkins Freeman), Why the Chimes Rang (Raymond McAlden), The Birds' Christmas (founded on J. F. E. Mann), The Little Sister's Vacation (Winifred M. Kirkland), Little Wolff's Wooden Shoes (Fran ois Copp e, adapted and translated Alma J. Foster), Christmas in the Alley (Olive Thorne Miller), A Christmas Star (Katherine Pyle), The Queerest Christmas (Grace Margaret Gallaher), Old Father Christmas (F. H. Ewing), The Golden Cobwebs (Sara Cone Bryant), How Christmas Came to the Santa Maria Flats (Ella W. Peattie), The Legend of Babouscha (from the Russian Folk Tale), Christmas in the Barn (F. Arnstein), The Philanthropist's Christmas (James Weber Linn), The First Christmas-Tree (Lucy Wheelock), The First New England Christmas (G. L. Stone and M. G. Fickett), The Cratchits' Christmas Dinner (Charles Dickens), Christmas in Seventeen Seventy-Six (Anne Hollingsworth Wharton), Christmas Under the Snow (Olive Thorne Miller), Mr. Bluff's Experience of Holidays, (Oliver Bell Bunce), Master Sandy's Snapdragon (Elbridge S. Brooks), A Christmas Fairy, John Strange Winter), The Greatest of These (Joseph Mills Hanson), Little Gretchen and the Wooden Shoe (Elizabeth Harrison), and Christmas on Big Rattle (Theodore Goodridge Roberts). \* \* \* \* \* In making this volume, we discovered that the Gutenberg eBooks are missing a story, "The Golden Cobwebs" - instead having a short excerpt from "A Christmas Carol" that is duplicated by the longer excerpt "The Cratchit's Christmas Dinner" later in this book. This edition restores the missing story. This volume contains the full text of the original book published in 1913. \* \* \* \* \* Check our other Children's, Juvenile, and Adult books at [www.FlyingChipmunkPublishing.com](http://www.FlyingChipmunkPublishing.com), or Like us on Facebook for our latest releases.

*"A wondrous, sparkling fusion of wisdom and insight." - Patricia Santhuff What do the wonderful myths of ancient Greece, the beautiful stories in the Bible and Qur'an, and all the sacred stories from traditions around the world, have in common? They open our hearts to wonder, mystery, passion, and joy. I know, on the outside these stories seem very different, conflicting, and often violent and divisive. But when read symbolically and internally, they are all telling the same story. They show us the path of spiritual awakening and enlightenment. Sometimes the story is called "Returning to the Promised Land." Sometimes it's called "Seeking the Holy Grail." Sometimes it's called "Persephone's Return to Olympus." But whatever it's called, the inner meaning and purpose is always the same. The stories are all a call to awaken, to live passionately and consciously, and to enter the door that leads to enlightenment and communion with the divine. The door is always open. The light is always ready to receive us. But we have to learn how to tread the path! Fortunately, that's what all the sacred stories are really about. THE DOOR IS OPEN uncovers the 7 Universal Steps that are found within the symbols and allegories of all great mythology and scripture. Each chapter ends with a series of practical and enjoyable spiritual exercises and activities. You can do this work on your own, or together with a group. It could be a church or synagogue group, a book club, a classroom, or any group of friends who want to get together and expand their spiritual horizons.*
