DigiCat Publishing presents to you this special edition of "Yankee Lawyer: the Autobiography of Ephraim Tutt" by Arthur Train. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

This book is a comprehensive guide to programming in XML. It teaches students how to use XML to create customized tags and includes several chapters that address standard custom markup languages for science and technology, multimedia, commerce, and other fields. The authors include a concise introduction to Java, providing students with the essentials of this programming language to enable them to work effectively with XML. The book also includes cutting edge topics such as XQL, SMIL and VoiceXML as well as a real-world e-Commerce case study. A complete chapter on Web-accessibility that addresses VoiceXML is also included.

Alicia, a young tribeswoman living in a village in the Amazonian jungle of Peru, tells about the two American women anthropologists who arrive to study her people's way of life.

A discussion of how touch, taste, and smell work through the electrical network of the nervous system.

Apartments and townhouses of the silver screen ’ s greatest legends: Joan Crawford . . . Marlene Dietrich . . . James Dean . . . Katharine Hepburn . . . Montgomery Clift . . . Rita Hayworth . . . Rock Hudson . . . and . . . Plus: Superstar cemeteries . . . major film and TV studios . . . historic movie palaces and Broadway theaters . . . star-studded restaurants and legendary hotels . . . For movie-loving New Yorkers, travelers and armchair film buffs, New York: The Movie Lover ’ s Guide is the ultimate insider ’ s guide to the Big Apple ’ s reel attractions.

The Story of America's Park After being fired by Walt Disney, the flamboyant C.V. Wood brought his hard-won experience as the self-titled "master builder of Disneyland" east, to a marsh in the Bronx, where in 1960 he unveiled his greatest project, a doomed theme park to tell the history of America: Freedomland. Wood's efforts to build his "Disneyland of the East," a themed collection of lands that presented epic moments in American history as thrill rides, shows, and live action, were plagued from the start by politics, cost overruns, and financial chicanery. Despite these obstacles, the park prospered--until its big-money backers (as they had planned from the start) pulled the plug and cleared the land for lucrative urban development. Through a well-researched narrative, personal and newspaper accounts, interviews, and exclusive photos, journalist and author Michael R. Virgintino presents the definitive history of Freedomland, from the people behind its creation, and the executives, entertainers, and sponsors who kept it running, to in-depth looks at each of its historically themed lands, and an analysis of the park's inevitable bankruptcy in 1964. Unlike Disneyland, the story of Freedomland does not have a happily ever after, but theme park fans will not want to miss this captivating but cautionary tale of America's park.

Korean: A Comprehensive Grammar is a reference to Korean grammar, and presents a thorough overview of the language, concentrating on the real patterns of use in modern Korean. The book moves from the alphabet and pronunciation through morphology and word classes to a detailed analysis of sentence structures and semantic features such as aspect, tense, speech styles and negation. Updated and revised, this new edition includes lively descriptions of Korean grammar, taking into account the latest research in Korean linguistics. More lower-frequency grammar patterns have been added, and extra examples have been included throughout the text. The unrivalled depth and range of this updated edition of Korean: A Comprehensive Grammar makes it an essential reference source on the Korean language.

The New York Times bestselling Cackleberry Club series returns with three intrepid ladies who know their way around a kitchen—as well as a crime scene... Petra, Suzanne, and Toni may have lost their husbands, but they ’ ve found new life operating the Cackleberry Club caf é . “‘Whiter Shade Of Pale’ remained their milestone, and their millstone. But Procol were always a band of quality and in Beyond The Pale they finally have the book they deserve.”—Mojo. Claes Johansen spent many years researching Procol Harum's history from their early days through to the group's international status as one of the biggest attractions of the 60s and 70s. A profound and insightful look at one of Britain's finest ever rock acts.

Who knew a trip to the therapist could be so much fun, even aesthetically rewarding? Beyond sharing feelings or complaining about your mother, Psychobook reveals the rich history of psychological testing in a fascinating sideways look at classic testing methods, from word-association games to inkblots to personality tests. Psychobook includes never-before-seen content from long-hidden archives, as well as reimagined tests from contemporary artists and writers, to try out yourself, at home or at parties. A great ebook for the therapist in your life and the therapist in you, for anyone interested in the history of psychology and psychological paraphernalia, or for anyone who enjoys games and quizzes. Psychobook will brighten your day and outlook.

Lead your practice, your school, or your district toward a return to professionalism and away from faceless literacy programs designed with dividends in mind. Get informed with Reading for Profit; read studies that prove NCLB and other reforms hurt kids, and learn how to initiate the change your students need.

The Harpsichord and Clavichord, An Encyclopedia includes articles on this family of instruments, including famous players, composers, instruments builders, the construction of the instruments, and related terminology. It is the first complete reference on this important family of keyboard instruments. The contributors include major scholars of music and musical instrument history from around the world. It completes the three-volume Encyclopedia of Keyboard Instruments.

The real Hugh Hefner-the extraordinary inside story of an American icon""
"riveting... Watts packs in plenty of gasp-inducing passages.""
-Newark Star Ledger ""Like it or not, Hugh Hefner has affected all of us, so I treasured learning about how and why in the sober biography.""
-Chicago Sun Times ""This is a fun book. How could it not be? Watts aims to give a full account of the man, his magazine and their place in social history. Playboy is no longer the cultural force it used to be, but it made a stamp on society.""
-Associated Press ""In Steven Watts" exhaustive, illuminating biography Mr. Playboy, Hefner’s ideal for living -- marked by his allegiances to Tarzan, Freud, Pepsi-Cola and jazz -- proves to be a kind of gloss on the Protestant work ethic.""
-Los Angeles TimesGorgeous young women in revealing poses; extravagant mansion parties packed with celebrities; a hot-tub grotto, elegant smoking jackets, and round rotating beds; the hedonistic pursuit of uninhibited sex. Put these images together and a single name springs to mind-Hugh Hefner. From his spectacular launch of Playboy magazine and the dizzying expansion of his leisure empire to his recent television hit The Girls Next Door, the publisher has attracted public attention and controversy for decades. But how did a man who is at once socially astute and morally unconventional, part Bill Gates and part Casanova, also evolve into a figure at the forefront of cultural change?In Mr. Playboy, historian and biographer Steven Watts argues that, in the process of becoming fabulously wealthy and famous, Hefner has profoundly altered American life and values. Granted unprecedented access to the man and his enterprise, Watts traces Hef’s life and career from his midwestern, Methodist upbringing and the first publication of Playboy in 1953 through the turbulent sixties, self-indulgent seventies, reactionary eighties, and traditionalist nineties, up to the present. He reveals that Hefner, from the beginning, believed he could overturn social norms and take America with him.This fascinating portrait illustrates four ways in which Hefner and Playboy stood at the center of several cultural upheavals that remade the postwar United States. The publisher played a crucial role in the sexual revolution that upended traditional notions of behavior and expectation regarding sex. He emerged as one of the most influential advocates of a rapidly developing consumer culture, flooding Playboy readers with images of material abundance and a leisurely lifestyle. He proved instrumental-with his influential magazine, syndicated television shows, fashionable nightclubs, swanky resorts, and movie and musical projects-in making popular culture into a dominant force in many people’s lives. Ironically, Hefner also became a controversial force in the movement for women’s rights. Although advocating women’s sexual freedom and their liberation from traditional family constraints, the publisher became a whipping boy for feminists who viewed him as a prophet for a new kind of male domination.Throughout, Watts offers singular insights into the real man behind the flamboyant public persona. He shows Hefner’s personal dichotomies-the pleasure seeker and the workaholic, the consort of countless Playmates and the genuine romantic, the family man and the Gatsby-like host of lavish parties at his Chicago and Los Angeles mansions who enjoys well-publicized affairs with numerous Playmates, the fan of life's simple pleasures who hobnobs with the Hollywood elite.Punctuated throughout with descriptions and anecdotes of life at the Playboy Mansions, Mr. Playboy tells the compelling and uniquely American story of how one person with a provocative idea, a finger on the pulse of popular opinion, and a passion for his work altered the course of modern history. Spans from Hefner’s childhood to the launch of Playboy magazine and the expansion of t

"Set principally in Philadelphia and the fictional New Jersey shore community of Riverbeach in the days leading up to WWII, The Carousel Carver explores the relationship between Giacinto, an elderly Italian immigrant who works as a carver of carousel horses, and Rosa, eight, a half-gypsy girl from Trieste. In a letter from the unrequited love of his life back in Italy, Giacinto learns that the Nazi campaign of ethnic cleansing in Europe is targeting the gypsies of Trieste, and that Rosa, the correspondent's orphaned granddaughter, is in imminent danger. With nowhere else to turn, the woman implores Giacinto to help Rosa make a new home in America. The Carousel Carver is a story about tolerance, second chances, and the power of love. Its central image is an exquisite carousel horse carved by Giacinto as a tribute to his lost love, inspired by the famed Lipizzaner stallions he recalls from his youth. The novel follows Giacinto's and Rosa's struggles to assimilate in America, aided by friendships that blossom in unexpected places. A climactic hurricane strikes the Jersey shore, destroying the Riverbeach carousel but sparing Rosa and bringing hope and purpose to Giacinto"--

Yankee Lawyer: the Autobiography of Ephraim Tutt

A masterful storyteller with the compassion of a physician, Luke paints a picture of Jesus as healer, full of mercy, forgiveness, and love. The Gospel of Luke features the lovely Magnificat, Mary's love song to God, and the nativity story heard in Christmas pageants around the world. Luke includes three parables not heard in any other gospel: the prodigal son, the good Samaritan, and the unjust judge. Luke, also believed to be the author of the book of Acts, emphasizes prayer as central to the life of faith. Join the journey with Luke with fifty days of scripture readings, meditations, and prayers written by dynamic spiritual leaders from around the world. A Journey with Luke is part of a series of fifty-day Bible studies and is an extension of The Bible Challenge, a global initiative to encourage daily engagement with the Word of God.

This text is an accessible analysis of critical pedagogy and articulates multiple ways of applying its principles in various contexts. This powerful analysis of the often difficult rhetoric of critical pedagogy argues that critical pedagogy opens the door to a broader and deeper perspective on teaching and learning in the classroom and the community. The text strongly encourages teachers to continuously adapt teaching beliefs and strategies to meet the needs of today's classrooms.Critical Pedagogy, 3/e,offers thoughtful examination of the theoretical models of critical pedagogy in an engaging, understandable writing style. There’s something in the earth deep below Elise Kavanagh’s territory. A shadow is falling upon local demons to devour their flesh and harvest their souls. And it’s coming for Elise next. The Union has an easy way out. They want to send Elise into hiding again with her former partner, James Faulkner. All she has to do is surrender the territory and trust that they can protect the ethereal ruins, the dark gate, and the city she’s come to know as home. Greater powers have other plans for Elise and her fabled power as Godslayer--plans that mean surrendering her life and blood to the most powerful demon alive. But if she descends, there’s no turning back. Once she gazes into the abyss, it will gaze back into her...and Elise will be damned forever.

Life doesn't look like it's supposed to for Dani Ruiz, a hopeless romantic. After a painful and sudden break-up with Rick Marin, Dani hides away from reality, retreating to a world of fiction where she prefers book boyfriends over the hassles of a relationship. Almost two years later, Dani's friends are tired of watching her in a holding pattern, so they stage an intervention, forcing her back into the real world of dating. Unexpectedly, Dani meets Liam Lucas, a down-to-earth firefighter. He might be the person to show her she's still worth something. Dani's hesitant to trust her heart with another man, but their instant and electric chemistry

is something she can't deny. As Dani starts to believe that she's found her real-life book boyfriend, Rick decides that he'll go to any lengths to get her back. Seeing Rick as a changed man makes Dani question everything. Can Dani trust her patched-up heart with Liam? Or has Rick transformed into the man she's always wanted? Written from various points of views, The Do Over is a story of second chances and new beginnings.

From the first encounters between the Portuguese and indigenous peoples in 1500 to the current political turmoil, the history of Brazil is much more complex and dynamic than the usual representations of it as the home of Carnival, soccer, the Amazon, and samba would suggest. This extensively revised and expanded second edition of the best-selling Brazil Reader dives deep into the past and present of a country marked by its geographical vastness and cultural, ethnic, and environmental diversity. Containing over one hundred selections—many of which appear in English for the first time and which range from sermons by Jesuit missionaries and poetry to political speeches and biographical portraits of famous public figures, intellectuals, and artists—this collection presents the lived experience of Brazilians from all social and economic classes, racial backgrounds, genders, and political perspectives over the past half millennium. Whether outlining the legacy of slavery, the roles of women in Brazilian public life, or the importance of political and social movements, The Brazil Reader provides an unparalleled look at Brazil's history, culture, and politics.

This is the "autobiography" of fictional character, Ephraim Tutt, a renowned legal strategist and trial lawyer. Written when he was 75 years old, it tells how a poor farm boy from Vermont went to Harvard, practiced law in a country town, and ended up as a lawyer in turn-of-the-century New York City.

Between 1860 and 1897 Charles Lutwidge Dodgson, known to the ages as Lewis Carroll, produced over 180 booklets, leaflets, pamphlets, and instruction manuals. Varying radically in length and subject matter, they testify to Dodgson's unparalleled creativity and eclecticism.

This volume, second in a series, concentrates on Dodgson's career as mathematical lecturerr of Christ Church, Oxford. Most of the material collected here has not appeared in print since the author's lifetime. Appearing in chronological order by mathematical subject, each section is preceded by an introductory essay providing background information to assist both the general reader and the specialist. Everal aspects of Dodgson;s personlaity as well as imprtnat events in the Victorian period that influenced his views and the mathematical topics he chose to write about are discussed in the general introduction.

This lavishly illustrated volume explores the history of the carousel from its evolution.

Fishing for piranhas in the Amazon, getting stoned at Fijian kava ceremonies, and witnessing the ancient ritual of land diving on Pentecost Island is the stuff of National Geographic cover stories – and Nevin Martell's childhood vacations. His family's globetrotting took them from the South Pacific to South America and many points nowhere in-between. Though their lifestyle choices were eccentric, the locations they visited exotic, and the people they met extraordinary, these escapades are firmly grounded in the trials, tribulations, and tribal rivalries that plague all families. Freak Show Without a Tent is a grandly hilarious memoir-misadventure that is equal parts National Lampoon's Vacation, Romancing the Stone and Crocodile Dundee. Woven seamlessly into the stories of exploring the far side of the far side, near death experiences and gastronomical catastrophes is the story of a young boy coming of age, the evolving relationship between a father and son, and a family discovering its own boundaries. With the honesty and innocence that can only come through the eyes of youth, Martell reveals the symbiosis of interdependence and independence that exist deep within both rainforests and families. To paraphrase a family motto: buy the ticket, take the ride, and hope you survive, so that you can tell your therapist all about it.

A Journey with Luke

The Battle Ground

The Salamanders attempt a daring rescue mission deep in Dark Eldar territory in order to reveal more secrets held within the Tome of Fire. When Chaplain Elysium of the Salamanders is taken captive by Dark Eldar, he faces a fight for survival at the hands of these cruel aliens. The Firedrakes of 1st Company attempt a daring rescue mission, but much more is at stake than the Chaplain's life. He holds the key to secrets buried beneath Mount Deathfire, secrets that could reveal the damnation - or salvation - of their home world.

The classic story about the power of words. Donovan Allen doesn't collect coins, comics, or trading cards like most kids. He collects words—big words, little words, soft words, and silly words. Whenever Donovan finds a new word, he writes it on a slip of paper and puts it in his word jar. But one day, Donovan discovers that his word jar is full. He can't put any new words in without taking some of the old words out—and he wants to keep all his words. Donovan doesn't know what to do, until a visit to his grandma provides him with the perfect solution.

Arthur Cheney Train (1875-1945) was an American lawyer and legal thriller writer, particularly known for his novels of courtroom intrigue and the creation of the fictional lawyer Mr Ephraim Tutt.
