THE BEST GUIDE!!! ** Note: To keep the price as low as possible, all screenshots are in black and white! ** Three Houses is a game that smartly updates the Fire Emblem formula to create an experience that offers what fans expect. Three Houses puts you in the role of a mercenary-turned-professor at a military academy run by a powerful church. You can choose your gender, but otherwise the character is already pretty well-defined. The school is divided into three houses, each tied to a specific territory in the region. Early on, you have to pick one to help run in your role as professor. This is a big decision: each house has its own unique characters and storylines, and the events of the game play out very differently depending on where you pledge your allegiance early on. We will walk you through the game, provide professional strategies and tips, as well as all the secrets in the game. A big book of players' hacks organized in an easy-to-reference encyclopedia format, this book will show readers the ins and outs of the game. Become a Pro Player in Fire Emblem: Three Houses.
