Willa Knight: Dweller? Bad-ass? Notorious pet to five magical beings? In Blesswood, there are rules, and someone is trying to teach her how to follow them. The only problem is Willa. Which shouldn't be anything new, since she has been a problem since birth-something her pseudo-sister Emmy would agree on. So it definitely shouldn't be new ... but it is. Because things are starting to happen that have never happened before. Things are starting to get ...chaotic. This is a full novel, 90,000 words. Book 2 of 5 in the Curse of the Gods Series Earth is long since dead. On a colony planet, a band of men has gained control of technology, made themselves immortal, and now rules their world as the gods of the Hindu pantheon. Only one dares oppose them: he who was once Siddhartha and is now Mahasamatman. Binder of Demons. Lord of Light.

"She had begun by dreaming simply of a face. Its expression was frightening because it was frightened. The face belonged to a man who was sitting hunched up in one corner of a little square room with white-washed walls - waiting, she thought, for those who had him in their power to come in and do something horrible to him. At last the door was opened...She could not make out what the visitor was proposing to him, but she did discover that the prisoner was under sentence of death. Whatever the visitor was offering him was something that frightened him more than that. The visitor, still smiling his cold smile, unscrewed the prisoner's head and took it away. Then all became confused." "The third novel in C.S. Lewis's classic sci-fi trilogy begins with Jane Studdock's horrific nightmare. The next morning she sees the same face in a newspaper - a brilliant French scientist guillotined for poisoning his wife. Jane has the growing feeling that she is being warned of something real and sinister. Her husband, Mark, meanwhile, is drawn into the National Institute for Co-ordinated

Experiments, which is engaged in a plan to control human life."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

"A truly remarkable achievement." —Barry Unsworth In the tradition of Seamus Heaney's Beowulf and Marie Borroff's Sir Gawain and the Green Knight, Sheila Fisher's The Selected Canterbury Tales is a vivid, lively, and readable translation of the most famous work of England's premier medieval poet. Preserving Chaucer's rhyme and meter, Fisher makes these tales accessible to a contemporary ear while inviting readers to the Middle English original on facing pages. Her informative introduction highlights Chaucer's artistic originality in his memorable portrayals of surprisingly modern women and men from across the spectrum of medieval society.

Willa Knight: Dweller? Sol? Accidental evolutionary hiccup? The rules are changing. The dwellers are trying to make their own way in the world, and Willa can't seem to help getting tangled up in their plans. Luckily, she has the Abcurse brothers to help her out-until she doesn't, and suddenly she's back again in a world on the brink of chaos. With the Abcurses gone, she'll have to rely on her wits, and her sister Emmy, to stay on radar and survive. Because someone wants her dead. But, really, what else is new? This is a full novel, 90,000 words. Book 3 in the Curse of the Gods Series

A reverse harem, enemies to lovers, slow burn romance. "The relentless clock of fate was groaning over to the next hour, ringing the arrival of a battle as old as time, sounding the final alarm, the final chance to fall to our blades or lift them high. It was repeating infernal hours that grew hungrier with each turn, more vicious than the day, the year, the century before." The end was here. The great war had begun. I had been torn apart and remade, a marionette to dance over the coals of this world, stitched together by my tormentors. The great masters thought they could break me down and own me. They were wrong. I had won my freedom, my place in this world, my golden-eyed protector by my side. Until it happened again; the grim call of fate looking out at me through eyes of darkness, the great masters waiting with the power I needed, curses and promises in their hands. It was time to make another deal. It was time to play their game in earnest. Book 2 in the Tempest of Shadows series. Over 105,000 words. This is a slow burn with DARK themes, unwilling anti-heroes, and one hell of a kick-ass heroine woven through a rich fantasy setting. Willa Knight: Dead? Alive? Damned to a state of eternal bad luck? Willa Knight: Dweller. Slave. Non-magical being. In Minatsol, being a dweller means that you are literally no better than dirt. In fact, dirt might actually be more useful than Willa. Her life will be one of servitude to the sols, the magic-blessed beings who could one day be chosen to become gods. At least her outer village is far removed from the cities of the sols, and she won't ever be forced to present herself to them... Until one small mistake changes everything, and Willa is awarded a position to serve at Blesswood, the top sol academy in the world-a position that she definitely did not earn. Under the sudden, watchful eye of the gods, she will be tasked to serve the Abcurse brothers, five sols built of arrogance, perfection and power. They are almost gods themselves, and under their service she is either going to end up sentenced to death, or else they are going to ruin her so badly that she will wish for it. Either way, she is in trouble. This is a full novel, 90,000 words. Book 1 of 5 in the Curse of the Gods Series

How to Break Curses, Spells and Hexes... Defeating Demons and Spiritual Oppression Do you know what the Bible says about curses and spells? Did you know that you can be cursed the same way you can be blessed? Did you know that curses are referenced well over 100 times in the Bible? Today, just as in Biblical times, people with evil mindsets still willingly and unwillingly place curses, spells and hexes on other people. They have the power to impose invisible barriers in your life that can affect your health, business and relationships in deeply negative ways. Spiritual oppression can also come not only from the outside through curses and witchcraft, but also from within ourselves because we harbor hatred, bitterness, malice and unforgiveness in our hearts (Matthew 18:21-35). Such spiritual oppression can also stem from things such as involvement in the occult, false teaching and sexual immorality, or from keeping idols or magic books in the home (Deuteronomy 7:24-26). However, Christians cannot be fully and totally possessed by the Devil as Legion was because they have the Holy Spirit. Nonetheless, Christians can be oppressed, hindered and harassed. They can be like the Temple in Jerusalem which, in the

time of Jeremiah and Ezekiel, had idol worship and evil practices occurring while God's glory still dwelt in the Ark of the Covenant inside the Holy of Holies. Therefore, it is often necessary that Christians cleanse the Temple and break all association with such practices. This book discusses how to cleanse the Christian life of all things that offend God, how to be filled with the Holy Spirit and power and move from being under a curse to enjoying the blessings of Abraham and of Christ! In this book you will learn how to break free of these forces working in your life by renouncing all contact, association with and participation in evil and by following Jesus Christ fully and receiving His powerful blessings through the Holy Spirit of God. It is the Cross of Jesus Christ that will set you free. You cannot do this yourself. It is not magic; You do not counter magic with more magic. Rather you counter magic with faith and trust in Jesus Christ, through whom God created the world. If you or a loved one is in need of dealing with invisible barriers and obstacles that may be limiting receiving God's plan for your life, How to Break Curses, Spells and Hexes... Defeating Demons and Spiritual Oppression will help you or your loved ones nullify any curses to receive God's blessings in your life.

"What is the most powerful force in the world?" Beatrice Harrow was raised in seclusion, separated from the Read Kingdom and protected from the mysterious mechanisms of the other four races, but they are not as blind to her as she is to them. Even before she steps foot inside the Academy, they know her name and they know the truth about her birth. She is one of the Tainted: a mixed-breed creature with the blood of a monster, clinging to legitimacy by the genes of her human father. She is more beautiful, more powerful, and more despised than any other being in the Read Kingdom. Her life was never going to be easy, but when fate throws her together with Cale, the troublemaking son of her father's sworn enemy, and Hazen, the intimidating crown prince of the Read Kingdom, she quickly discovers that her problems haven't even begun. In a world built on status, there are lines that can never be crossed. In a time of peace, it is inevitable that war will whisper on the wind once again. In a land of mixed blood, a Tainted Creature can either be killed ... or they can be recruited. This is a full, 90,000 word novel. Book #1 in the completed Beatrice Harrow Duology

"You see, there is safety in simplicity... in a life of simple peace, where the electricity doesn't dance across the backs of my eyelids, and the sparks don't slither over my consciousness. Only asinine peace, where my paintings don't seem to paint themselves, leaving me with terrible feelings of premonition and a chill beneath my fingernails." Seraph Black used to think that she was prepared for anything. She could last days without eating and she always walked away from the violent altercations with her father relatively unharmed. She survived working at the club and the drive to school every day in her mother's rust-bucket of a car... but it all changed when Noah and Cabe came bulldozing into her life, careless of the precious secrets they picked apart in their quest to take over her world. She was even less prepared for the mysterious Miro and Silas, and nothing could have prepared her for the bond. The connection. The reason for it all. Someone wanted her to stay away from her new friends, but she wasn't willing to do that. Everyone had secrets. She wanted to know theirs. They wanted to own hers. And the stalker? He seemed to know everything already. This is a full, 100,000 word novel. Book 1 of the Seraph Black series.

When the goddess Artemis goes missing, she is believed to have been kidnapped. And now it's up to Percy and his friends to find out what happened. Who is powerful enough to kidnap a goddess?

All Dane Gale ever wanted was to be a successful writer. After a few sessions with his new friends Rose and Sherry at a romance book club, well, the more romances they read, the more they're convinced they can do better. And do they ever! They join their

creative forces to become “Pamela Clarice,” self-published romance novelist. When they look for a cover model for their first book, Dane sees the photos that will change his life. Paul Musegetes is the world’s most popular romance cover model, and the most secretive. Dane soon finds himself obsessed with this supernaturally handsome man, and when he meets Paul at the Romance Writers’ Ball on the Summer Solstice, he and Paul connect for one night of passion... After that night, Dane’s a writing machine. He can’t stop writing romances, and every story he touches turns to gold. But he also finds that he can’t write anything but romances. And soon he’s spending every waking moment of every day writing another after another... Then Dane finds out that this Midas touch has a heavy price. When the year is over, he’ll never write again. Not a romance, not a serious novel. Nothing. Not even a grocery list. And that leaves him with only one option – find Paul, and get him to break the curse. But before he can do that, he’ll have to track down Paul’s equally mysterious photographer, Jackson da Vinci... EXCERPT: I stopped crying around my third drink. Rose and Sherry patted me on the shoulder, and we’d reshuffled the chairs so that my back was to the rest of the bar and nobody could see me blubber. “What am I going to do?” I cried. “I’m going to be...nothing. All my life, all I ever wanted to do was write. And then this happened, and I was writing! And I loved it...love it. But the whole idea was that I’d do this till I got rich, and then, I’d write more books like ‘The Doldrums,’ and if they didn’t sell, well, so what?” I finished off my concoction as Rose signaled for another round. “Maybe,” Sherry said, a little wobbly herself after two glasses of wine, “he’s been around forever. Paul.” “What do you mean?” Rose asked. “Maybe he’s been doing this throughout the ages,” Sherry mused. “For all we know, he’s been crowning the Queen of Romance Novels for eternity.” Rose’s eyebrows went up. “You mean, like, he schtupped Barbara Cartland?” This made me laugh at the worst moment, and I choked on my drink. But Sherry took her seriously. “Sure, or even Jane Austen, for all we know. Maybe she got some after all. And where else did all these ladies keep coming up with tall dark and handsome, huh?” “But that implies he’s immortal or supernatural or...” I tailed off. “We should find his old pics, and run them through some kind of facial recognition software. Compare them to the recent ones, see if he’s aged...” Rose shook her head. “No, he doesn’t look a day older, but he hasn’t been around that many years. And look at Elijah Wood! Ever since ‘Lord of the Rings,’ he hasn’t aged a day.” “Maybe he’s not human either,” Sherry speculated.
