practices that complement PMI's standards, this is the most comprehensive and up-to-date resource available to help you prepare for the exam with new and changed terminology. It includes a list of the major topics covered on the exam organized by the five performance domains' strategic program management, program life cycle, benefits management, stakeholder management, and governance as presented in the Program Management Professional Examination Content Outline. It also includes helpful tips on how to make the most of the time you have available to prepare for the exam. Just like its bestselling predecessors, this indispensable study guide includes 20 multiple-choice practice questions for each domain along with

a comprehensive answer key. The program life cycle domain includes 20 questions for each of the five phases. Each question also has a plainly written rationale for each correct answer with bibliographic references for further study. Two challenging, 170-question practice tests that simulate the actual exam are included in the book and online, so you can retake them as many times as necessary. They also include a rationale and reference. Scores for the online tests are presented as if each question is rated similarly, but this edition also includes a new component: the authors own weighting system for the level of difficulty for each question. This system will show you what they feel meets the exam's criteria for Proficient, Moderately Proficient,

Miller Test Prep's study guide

Online Library Study Guide And Sample Test For The National Police Officer Selection

for the ACCUPLACER is the solution for students who want to maximize their score and minimize study time. Our study guides are carefully designed to provide only that clear and concise information you need. That's precisely why we put "Clear & Concise" on our cover. The standard for the study guide industry is to "throw in the kitchen sink" when it comes to making a book, meaning you are stuck with hundreds of pages of repetitive information, redundant and confusing examples, and more practice questions than any person could be expected to work through.

Online Library Study Guide And Sample Test For The National Police Officer Selection

This results in students feeling overwhelmed, leading to reduced self-confidence, which leads to lower scores! Instead, Miller Test Prep has worked specifically with tutors. Why tutors you ask? Tutors specialize in helping students comprehend information that has already been presented by a teacher. That means they see time and again what students struggle with and what actually works to help them. They specialize in helping students who have previously failed, to succeed. We compiled their decades of experience helping students just like you into this study guide, so

WHAT IS COGNITIVE RECALL?

Cognitive Recall is the science of

Online Library Study Guide And Sample Test For The National Police Officer Selection

implementing the optimal space of time between learning something, then reviewing it, and later quizzing yourself on it.

Scientists say studying effectively is not a function of how long or how often you study - it's the order, schedule, and timing of your studies. Traditional study guides tend to be nothing more than extended versions of repeated cram sessions, which is neither efficient or effective.

Cramming is the opposite of Cognitive Recall learning, evidenced by the extremely short-lived benefits. The memories from a cram session have been shown to fade away after only a

Online Library Study Guide And Sample Test For The National Police Officer Selection

few hours. That's not an option if you are serious about passing the HESI. CUSTOMIZED STUDY SCHEDULE Designed around the ideal timeframe of 30-days, our system can be easily extended or reduced to fit your specific schedule and test date. This HESI A2 Guide has the functionality of a customizable calendar telling you not only what to focus on, but when to focus on it.
