An astonishing story that puts a human face on the ongoing debate about immigration reform in the United States, now updated with a new Epilogue and Afterword, photos of Enrique and his family, an author interview, and more—the definitive edition of a classic of contemporary America Based on the Los Angeles Times newspaper series that won two Pulitzer Prizes, one for feature writing and another for feature photography, this page-turner about the power of family is a popular text in classrooms and a touchstone for communities across the country to engage in meaningful discussions about this essential American subject. Enrique's Journey recounts the unforgettable quest of a Honduran boy looking for his mother, eleven years after she is forced to leave her starving family to find work in the United States. Braving unimaginable peril, often clinging to the sides and tops of freight trains, Enrique travels through hostile worlds full of thugs, bandits, and corrupt cops. But he pushes forward, relying on his wit, courage, hope, and the kindness of strangers. As Isabel Allende writes: "This is a twenty-first-century Odyssey. If you are going to read only one nonfiction book this year, it has to be this one." Praise for Enrique's Journey "Magnificent . . . Enrique's Journey is about love. It's about family. It's about home."—The Washington Post Book World "[A] searing report from the immigration frontlines . . . as harrowing as it is heartbreaking."—People (four stars) "Stunning . . . As an adventure narrative alone, Enrique's Journey is a worthy read. . . . Nazario's impressive piece of reporting [turns] the current immigration controversy from a political story into a personal one."—Entertainment Weekly "Gripping and harrowing . . . a story begging to be told."—The Christian Science Monitor "[A] prodigious feat of reporting . . . [Sonia Nazario is] amazingly thorough and intrepid."—Newsday **Active Listening, Second Edition, is grounded in the theory that learners are more successful listeners when they activate their prior knowledge of a topic. 2018 Newbery Honor Book and Coretta Scott King Author Award Winner 'Important and deeply moving' JOHN GREEN 'Timely and timeless' JACQUELINE WOODSON Jade is a girl striving for success in a world that seems like it's trying to break her. She knows she needs to take every opportunity that comes her way. And she has: every day Jade rides the bus away from her friends to a private school where she feels like an outsider, but where she has plenty of opportunities. But some opportunities Jade could do without, like the mentor programme for 'at-risk' girls. Just because her mentor is black doesn't mean she understands where Jade is coming from. Why is Jade always seen as someone to fix? But with a college scholarship promised at the end of it, how can Jade say no? Jade feels like her life is made up of hundreds of conflicting pieces. Will it ever fit together? Will she ever find her place in the world? More than anything, Jade just wants the opportunity to be real, to make a difference. From the bestselling author of Blink and The Tipping Point, Malcolm Gladwell's Outliers: The Story of Success overturns conventional wisdom about genius to show us what makes an ordinary person an extreme overachiever. Why do some people achieve so much more than others? Can they lie so far out of the ordinary? In this provocative and inspiring book, Malcolm Gladwell looks at everyone from rock stars to professional athletes, software billionaires to scientific geniuses, to show that the story of success is far more surprising, and far more fascinating, than we could ever have imagined. He reveals that it's as much about where we're from and what we do, as who we are - and that no one, not even a genius, ever makes it alone. Outliers will change the way you think about your own life story, and about what makes us all unique. 'Gladwell is not only a brilliant storyteller; he can see what those stories tell us, the lessons they contain' Guardian 'Malcolm Gladwell is a global phenomenon ... he has a genius for making everything he writes seem like an impossible adventure' Observer 'He is the best kind of writer - the kind who makes you feel like you're a genius, rather than he's a genius' The Times
