Easter Eggs Journal - A 6x9" Size Journaling Notebook. Lined pages with medium ruled line spacing for easy writing. 130 writable pages. Lined pages without illustrations offering you maximum space to write. Why Write? Writing with pen and paper helps to boost creativity. Helps to improve your memory. Helps to structure your thoughts. Writing on paper is just as important now as it was 10, 20, 50 years ago. Maybe even more. Online media offer many distractions. It's so easy to quickly click or swipe. You might almost forget to just sit down and write down your thoughts, your list of things, draw or doodle whatever is on your mind. Many people talk about mindfulness, conscious living, but getting this notebook and taking time to write or draw helps to get some rest, to get grounded, to pace yourself. Creativity and Inspiration Writing by hand will increase your creativity. It helps you focus your energy and support your flow. Whether you are structuring strategic plans, organising your day, writing your next book, or jotting down your thoughts as a reminder, writing it down makes your creative juices flow. More and better ideas. Quicker and easier. Organising and Memorising Writing down your goals, actions and achievements helps to accomplish more, and to feel proud and successful of what you have achieved. Feeling better. Besides, it has been scientifically proved that writing things down will increase your memory. Last but not least, writing down your experiences and reflections will help to process and manage emotions, and support self-improvement. (We suspect one journal will not be enough, for all the things you can do with pen and paper). A perfect gift and unique present Our Journals and Notebooks are great gifts presents for ladies, women, mom, mother, aunt, sister, girlfriend, teacher, valentine's day, christmas, or on any other occasion. And don't forget mother's day, graduation gifts, co-workers or boss, birthdays, gift baskets or stocking stuffers, your hostess. Or just for yourself, as a daily journal, travel journal, doodle diary, school workbook, grocery lists, to collect poems or recipes, writing stories. And so much more...

For fans of "The Hunger Games", "Divergent", and "Lord of the Flies"--a gripping dystopian page-turner from the pen of Gemini-nominated writer, Nancy Isaak, that will keep you transfixed, well-entertained, and right on the edge of your seat. They were just two teenage girls--utterly normal in every way--until they woke up one morning to discover that they were all alone in a world gone mad. Somehow, while they slept, the world had changed; their parents, their friends, all had been taken...all disappeared. Now Kaylee Michelson and her best friend, Jay, must figure out not only how to live in this strange, new world--but how to survive. These are the facts as the girls know them: 1. Everyone is gone. 2. There is no internet, no t.v., no electricity, no phones; not even batteries work anymore. 3. It is very, very quiet. Kaylee and Jay--two terrified teenage girls who think they are all alone. Only--they are wrong...

Ours is the era of 'reinvention'. From psychotherapy to life coaching, from self-help manuals to cosmetic surgery, and corporate rebranding to urban redesign: the art of reinvention is inextricably interwoven with the lure of the next breakthrough to the next boundary - especially boundaries of the self. In this insightful and provocative book, Antho

examines 'reinvention' as a key buzzword of our times. Through a wide-ranging and impassioned assessment, Elliott introduces new global forms of reinvention – from reinvention gurus to business reinvention, from personal makeovers to corporate rebrandings. In doing so, he undertakes a serious if often amusing consideration of contemporary reinvention practices: super-fast weight loss diets, celebrity makeovers, body augmentations, speed dating, online relationship therapies, organizational restructurings, business downsizings, and many more. This absorbing book is an ideal introduction to the topic of reinvention for students and general readers alike. Reinvention offers a provocative and radical reflection on an issue (sometimes treated in the public sphere) that is increasingly politically urgent in terms of its personal, social and environmental consequences.

Sheriff Neil Lovitt was looking for a fresh start in Payson. Small-town Arizona is about as far away as a man can get from New York and all its painful memories. His job has already made him a widower and robbed his five-year-old girl of her mother. Now Neil's just looking to keep his daughter, and his heart, safe. But Carolina Sweetwater isn't interested in safety; the headstrong rancher's daughter wasted plenty of time running from her own broken heart. Now she's ready to take a chance at love again, but Neil refuses to put another woman he cares about in danger. Can Carolina make the sexy sheriff see that he stands to lose more by risking nothing at all?
