

Swami Vivekananda Books In Marathi Free

Modern man tossed up and down the tempest of worldly duties and responsibilities is, many a times, not surprisingly, found to be dejected and depressed. He desperately tries to take hold of some external prop to once again stand on his feet. This booklet published by Advaita Ashrama, a publication centre of Ramakrishna Math, Belur Math, is packed with electrifying thoughts which have the power to lift up every drooping soul back to its state of inherent power and strength. These very vigorous words of Swami Vivekananda have been instrumental in bringing about a drastic awakening in the collective and the individual minds, and in boosting them to move ahead with tremendous confidence towards the goal.

Swami Vivekananda in india: A Corrective Biography attempts to inform the reader accurately about his life both before and after his historic visits to the West. Much material has been translated anew from original Bengali books. At the same time it challenges current popular and pious notions held about this humanitarian-monk. The four major chapters in this book are about his meetings with Sri Ramakrishna, his travels in India during 1886-1893, media waves about him in India, and his triumphant return from the West in 1897. Analysis of original eyewitness reports in both India and Western newspapers and periodicals forms an integral part of this biography.

Jnana yoga, also known as Jnanamarga, is one of the several spiritual paths in Hinduism that emphasizes the "path of knowledge", also known as the "path of self-realization". It is one of the three classical paths for moksha. The other two are karma yoga and bhakti yoga.

"The Powers Of The Mind" is a speech delivered at Los Angeles, California, on January 8, 1900 by Swami Vivekananda explained his thoughts on the Powers of the Mind. This book brings together that speech for followers everywhere in his exact words.

"Sadhana of Service" reflects Eknathji's thoughts on the personality of an ideal worker. Swami Vivekananda said in one of his speeches that our country had always to wait for the birth of a great man. He leads us for some time and there is no continuity. A grand idea should be sufficient to thousands of people to take it up and follow it. But if that grand idea is not propogatedd by a great man, it has no chance of flourishing in our country. His dream was to reverse this trend.

Teachings of Swami Vivekananda

Swami Vivekananda revealed to the world the true foundations of India's unity as a nation. He taught how a nation with such a vast diversity can be bound together by a feeling of humanity and brother-hood. Vivekananda emphasized the points of drawbacks of western culture and the contribution of India to overcome those. Netaji Subhash Chandra Bose once said: “Swamiji harmonized the East and the West, religion and science, past and present. And that is why he is great. Our countrymen have gained unprecedented self-respect, self-reliance and self-assertion from his teachings.” Vivekananda was successful in constructing a virtual bridge between the culture of East and the West. He interpreted the Hindu scriptures, philosophy and the way of life to the Western people. He made them realize that in spite of poverty and backwardness, India had a great contribution to make to world culture. He played a key role in ending India's cultural isolation from the rest of the world.

The published writing and speeches of Swami Vivekananda cover more than four thousand pages. Many do not have an access to all his writings and many others have not the time or patience to go through them all. Though it is a difficult task to produce a representative selection out of the Swami's varied writings and speeches, this volume is placed before the public with the hope that this will inspire the readers to study Swamiji more thoroughly.

Arguably, the greatest achievement of Swami Vivekananda, one of the most celebrated icons of modern India, was the reconstruction of Hinduism. This he accomplished by reforming the religion in India and changing its image in the West. Indeed, the Hinduism that Vivekananda expounded at the Parliament of World's Religions in Chicago was a new, progressive version of an ancient tradition, devoid of the superstitions and distortions with which it had come to be associated. He revolutionized Hindu faith traditions by turning them into a repository of rational, universal philosophy. This book tries to get to the heart of Swami Vivekananda's legacy and his relevance in the contemporary world. It examines hitherto lesser-known aspects of Swamiji's life and work including his contributions to practical Vedanta, universal religion, science-spirituality and inter-religious dialogue, dharmic secularism, educational philosophy, poetry, and, above all, to the problem of Indian modernity. Despite the abundance of literature available on him, Swami Vivekananda is still not understood adequately, remaining somewhat of an enigma. A fresh reading of the life and times of the Swami by someone who has studied him closely, Makarand R. Paranjape's detailed, thought-provoking account shows that in Vivekananda's visionary thoughts lay the seeds of the creation of a modern India. This book reclaims Swami Vivekananda's stature as a pioneer of contemporary Hindu thought and nationalism.

VIVE KANANDA A Biography

What did Swami Vivekananda recommend about the eating of vegetarian and non-vegetarian food? Which of these did Swamiji enjoy the most: his mother's chorchori (a mixed vegetable delicacy), his father's pulao or his own khichuri? Was he fond of spicy food, sweets, or ice cream? During his days of hunger and want, for how many days at a stretch did Swamiji have to go without food? Over the last 150 years, writings on Swami Vivekananda's culinary interests have intrigued a wide spectrum of people across the world. This includes hitherto unknown stories of his spreading the art of making pulao and khichuri along with his propagation of the Vedas, in the United States of America. While many thinkers wonder at Swamiji's immense enthusiasm for teaching Indian cooking, yet it is not quite clear why no complete book about our culinary-enthusiast monk Vivekananda has ever been published in any language. Swami Vivekananda: The Feasting, Fasting Monk is the humble, illumination of a thousand faceted diamond by Sankar.

Swami Vivekananda was born on 12th January 1863 and died on 4th July 1902. He was also known as Narendra Nath Datta. He was a firm advocate of Vendatta Philosophies and Yoga. He was a disciple of Guru Ramakrishna and founded Ramakrishna Math and the Ramakrishna Mission. Contents Addresses at The Parliament of Religions Karma-Yoga Raja-Yoga Lectures and Discourses

This book is excerpted from Swami Nikhilananda's magnum opus The Gospel of Sri Ramakrishna published in 1942. It is the word for word reproduction of the introduction to The Gospel. The last chapter of this book, After the passing away, is taken from the main text of The Gospel and gives a picture of the daily ascetic lives of Sri Ramakrishna's disciples after his death. It also includes descriptions of people who came in contact with Sri Ramakrishna and short explanations of several system of Indian religious thought intimately connected with his life. The book will benefit those unacquainted with Hindu religious thought as a precursor to the study of The Gospel.

Hinduism and India's Road to Modernity

Swami Vivekananda in India

Fear Not Be Strong

As the intellectual fountainhead of the ideology of Hindutva, which is in political ascendancy in India today, Vinayak Damodar Savarkar is undoubtedly one of the most contentious political thinkers and leaders of the twentieth century. Accounts of his eventful and stormy life have oscillated from eulogizing hagiographies to disparaging demonization. The truth, as always, lies somewhere in between and has unfortunately never been brought to light. Savarkar and his ideology stood as one of the strongest and most virulent opponents of Gandhi, his pacifist philosophy and the Indian National Congress. An alleged atheist and a staunch rationalist who opposed orthodox Hindu beliefs, encouraged inter-caste marriage and dining, and dismissed cow worship as mere superstition, Savarkar was, arguably, the most vocal political voice for the Hindu community through the entire course of India's freedom struggle. From the heady days of revolution and generating international support for the cause of India's freedom as a law student in London, Savarkar found himself arrested, unfairly tried for sedition, transported and incarcerated at the Cellular Jail, in the Andamans, for over a decade, where he underwent unimaginable torture. From being an optimistic advocate of Hindu-Muslim unity in his treatise on the 1857 War of Independence, what was it that transformed him in the Cellular Jail to a proponent of 'Hindutva', which viewed Muslims with suspicion? Drawing from a vast range of original archival documents across India and abroad, this biography in two parts-the first focusing on the years leading up to his incarceration and eventual release from the Kalapani-puts Savarkar, his life and philosophy in a new perspective and looks at the man with all his achievements and failings.

After his memorable work in the West, Swami Vivekananda landed at Colombo on the afternoon of January 15, 1897, and was given a right royal reception by the Hindu community there.

Eknathji Ranade has compile @200pages book from Swami Vivekananda's Complete works on occasion of the Birth Centenary of Swami Vivekananda and this book is release on 12th January 1963. This book is translated in more than 13 Indian Language.

Shivaji The Great – As Viewed By Swami Vivekananda

Selections from the Complete Works of Swami Vivekananda

Complete Works of Swami Vivekananda

Lectures from Colombo to Almora

Sadhana of Service

Published by Advaita Ashrama, Publication House of Ramakrishna Math, Belur Math, India, this booklet is a compilation from the works of Swami Vivekananda, wherein the reader gets an understanding of the goal of spiritual life, the preparations needed for embarking on a spiritual journey and the methods for achieving realisation. Highly informative and inspiring, this booklet is at the same time, concise and brief.

Shivaji was one of those national leaders whose stature can be compared with only a few in human history. His name evokes in us the spirit of valour, fearlessness, and energy, and above all, love for one’s Motherland and Dharma. Swami Vivekananda had great admiration for him. His legacy as an ideal human being, an ideal king, a relentless nation-builder, and an ideal servant of his subjects will inspire generations of humanity to come. Deeply rooted in his own Dharma, and yet with widest sympathies for other religions, he was duty-bound to protect his Dharma against the onslaughts of bigoted invaders. This was the striking feature of his character. He became a legend during his lifetime, and this legend keeps growing, even after three centuries. “Shivaji The Great” presents to us Swami Vivekananda’s views about this great national leader as heard and recorded by Dr. M.C.Nanjunda Rao. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math

Swami Vivekananda's views on the Bhagavad Gita are scattered throughout 'The Complete Works of Swami Vivekananda' published in nine volumes. The present book, published by Advaita Ashrama, a publication branch of Ramakrishna Math, Belur Math, is an extensive compilation of these insightful views of Swami Vivekananda on this sacred scripture of the Hindus. The reader is, as it were, taken through several verses of the Gita along with the Swami's elevating and soul-stirring commentary. Note: This book has embedded fonts to display the verses in Devanagari. You may have to use the 'Original' Font option in Google Play Books app. "... The book is certainly not a commentary on the Gita, in the traditional sense. But, what is available is indeed a treasure house of wisdom. Swamiji was a living embodiment of the Gita. According to him, the Gita was 'practical Vedanta'. He demonstrated this through his life. Reading through the book is indeed a rewarding experience. One is in holy company, imbibing the words of one who is speaking from his heart. ... Just as Swamiji himself used to carry a copy of the Gita with him always, one cannot do better than carry a copy of this book with one always..." - from a Review in the Vedanta Kesari, November 2010, p.441 published by Sri Ramakrishna Math, Chennai. As of February 2017, the print book has undergone seven reprints and more than 27,000 copies have been sold.

Art of Living

Karma-Yoga and Bhakti-Yoga

Renunciation and service are the twin ideals of India. A strong character is built on the foundation of the spirit of renunciation and service. At a time when India is spearheading towards making a place for herself on the global stage, nothing can be more relevant and necessary than Swami Vivekananda's words of inspiration to dedicate one's life for the cause of one's Motherland through the building of a strong character. Swami Vivekananda's ideas on this vital subject have been carefully compiled and arranged in this book. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India.

A close look at the personality and spirit of Swami Vivekananda as seen through his letters. You can see a picture of Vivekananda here that is untouched by any biographer. A first-hand look of a dynamic soul.

"Patanjali's Yoga Sutras" by Swami Vivekanand. If you are one who is seeking the spiritual path then this book is a perfect for you with its teachings which can be read again and again. The classic sutras are almost 4000 years old. You will find that the sutras are presented in their purest form and in the original Sanskrit script along with the translation, transliteration and commentary by Sri Swami Vivekananda who is best known as a respected Hindu monk (if you are unable to read sanskrit script don't worry all scripts are translated in english). The book is divided into four chapters (pada) as follows: Samadhi Pada, Sadhana

Pada, Vibhuti Pada, Kaivalya Pada.

The Powers of The Mind

Strength and fearlessness are the two prime virtues which are the markers of the health of a human being and society. Every crime and and antisocial and inhuman act is the outcome of lack of true strength and fearlessness. But what do we mean by strength, and what does fearlessness connote? In this booklet

published by Advaita Ashrama, a publication branch of Ramakrishna Math, Belur Math, Swami Tathagatananda has presented Vivekananda’s views on this subject. We are sure the author’s presentation will shed new light on our understanding of these eternal virtues and will urge our younger generation to imbibe and practice them.

This book comprises of a choice collection of Swami Vivekananda’s utterances culled from his numerous speeches and writings, arranged under 44 suitable sections. It is a treasure house of thoughts of power to inspire and guide mankind in its march towards the Supreme Reality. Covering the entire cyclorama of ma’s life and its evolutionary movement, the electrifying gospel of this great Swami includes within its fold everything that would go to inspire and awaken a drooping soul by reminding him of his infinite potentialities and inherent greatness, and making him move ahead on the difficult terrain of life and circumstances. This book is a must for all those who earnestly wish to move ahead in the grand march of life, infested with tremendous obstacles and difficulties, towards the state of Supreme Felicity. Published by Advaita Ashrama, a publication house of Ramakrishna Math, Belur Math, India.

Bringing together fourteen papers, this book gives new depth to our understanding of the aims and achievements of Swami Vivekananda. It invites us to relate him to movements and individuals outside his native Bengal; it shows how modernizing trends in Indian society wrestled with traditionalfeatures of Hinduism such as caste; and it links his religious and social ideals to thinkers and theologians in the West. The book firmly distances Swami Vivekananda from chauvinist or communal misinterpretations of his work.

Letters of Swami Vivekananda

Swami Vivekananda and the Modernisation of Hinduism

Holy Mother Sri Sarada Devi being a ideal wife, nun, mother and teacher in one stands apart as a woman who came into this world with a great message. This book provides a detailed sketch about the life of the Holy Mother compiled by Swami Gambhirananda and also serves as a beaconlight lighting up the obscure pathways of spiritual life and as a fountain at which humanity can stake its thirst for a higher life.

2012 Reprint of 1928 Edition. Exact facsimile of the original edition, not reproduced with Optical Recognition Software. Vivekananda was an important Indian teacher who came to this country just over a century ago and taught Hindu meditation practice and religious philosophy. Raja Yoga means the "discipline of meditation practice," as opposed to Hatha Yoga, which means the "discipline of physical stretching exercises." Raja Yoga is one of the most well-known books by Vivekananda, who also wrote books on Karma Yoga, Bhakti Yoga and Jnana Yoga. According to the author, the goal of Raja Yoga is to concentrate the mind and to discover the innermost recesses of our own mind. In order to obtain the goal, practice is absolutely necessary. The appendix contains the translation of the Patanjali Yoga Aphorisms.
