story are as follows:

"Princess Snow White" is a retelling of Snow White whereas she has hair as white as snow and skin as black as ebony, rather than the other way around. Although the original fairy tale lends this story its bones, this version of Snow White deals with the idea of Afrocentric beauty as an acceptable standard, as

opposed to Eurocentric beauty being the only standard. "The Sea and the Stars" is a queer love story between a mermaid wallflowering at a party and a star that's fallen from the sky. "Rapunzel the Night Maiden" is a retelling in which Rapunzel finds out a secret about her identity and goes on an adventure to find her people.

Gil " The Arm "

Hamilton was one of the top operatives of ARM, the elite UN police force.

His intuition was unfailingly accurate; his detective skills second to none; and his psychic powers—esper sense and
