

Tangerine Edward Bloor

A funny, fiercely feminist YA epic fantasy—following the adventures of a tavern wench Tanya has worked at her tavern since she was able to see over the bar. She broke up her first love when she was a teenager she knew everything about the place, and she could run it with her eyes closed. She'd never let anyone—whether it be a drunkard or a captain of the queen's guard—take her. But when her guardian dies, she might lose it all: the bar, her home, her purpose in life. So she heads out on a quest to petition the queen to keep the tavern in her name—drawing a band of thieves, and a powerful, enchanted feather that seems drawn to her. Fast-paced, magical, and unapologetically feminist, *Wench* is epic fantasy like you've never seen it before. The last person Alice Shipley expected to see when she arrived in Tangier with her new husband was Lucy Mason. After the horrific accident at Bennington, the two friends - once best friends - haven't spoken in over a year. But Lucy is standing there, trying to make things right. Perhaps Alice should be happy. She has not adjusted to life in Morocco, too afraid to venture into the medinas and oppressive heat. Lucy, always fearless and independent, helps Alice emerge from her flat and explore the country. But soon a familiar feeling starts to overtake Alice - stifled by Lucy at every turn. Then Alice's husband, John, goes missing, and she starts to question everything around her...

For this improvised family and the others who are spared, it's now a question of who can be trusted and who is no longer human. Author Ilsa J. Goebs' gripping and thrilling novel about a world that could be ours at any moment, where those left standing must learn what it means not just to survive, but to live amidst the devastation.

The Blue Edge of Midnight

The perfect addition to every family's home library and just right for sharing aloud, American Tall Tales introduces readers to America's first folk heroes in nine wildly exaggerated and downright funny stories. Here are Paul Bunyan, that king-sized lumberjack who could fell "ten white pines with a single swing"; John Henry, with his mighty hammer; Mose, old New York's biggest, bravest fireman; Sally Ann Thunder Ann Whirlwind, who could "outgrin, outsnort, outrun, outlift, outsneeze, outsleep, outlie any varmint"; and other uniquely American characters, together in one superb collection. In the tradition of the original nineteenth-century storytellers, Mary Pope Osborne compiles, edits, and adds her own two cents' worth—and also supplies fascinating historical headnotes. Michael McCurdy's robust colored wood engravings recall an earlier time, perfectly capturing all the vitality of the men and women who carved a new country out of the North American wilderness.

Twelve-year-old Paul, who lives in the shadow of his football hero brother Erik, fights for the right to play soccer despite his near blindness and slowly begins to remember the incident that damaged his eyesight. An ALA Best Book for Young Adults. Reprint. Jr Lib Guild.

So my only protection is a kindergarten teacher and a ninety-eight-pound female minister....And they don't even believe I'm in danger. As Bethany approaches her thirteenth birthday, her parents begin acting more oddly than usual: Her mother cries constantly, and her father barely lets Bethany out of his sight. Then one morning he hustles the entire family into the car, drives across several state lines -- and leaves Bethany with an aunt she never knew existed. Bethany has no idea what's going on. She's worried that her mom and dad are running from some kind of trouble, but she can't find out because they won't tell her where they are going. Bethany's only clue is a few words she overheard her father tell her aunt Myrlie: "She doesn't know anything about Elizabeth." But Aunt Myrlie won't tell Bethany who Elizabeth is, and she won't explain why people in her small town react to Bethany as if they've seen a ghost. The mystery intensifies when Bethany gets a package from her father containing four different birth certificates from four states, with four different last names -- and thousands of dollars in cash. And when a strange man shows up asking questions, Bethany realizes she's not the only one who's desperate to unravel the secrets of her past. In this exhilarating thriller, Margaret Peterson Haddix crafts a taut story so full of twists and turns, readers will be gripped until the startling conclusion.
