

Tangerine

You'll love this book, the recipes are easy, the ingredients are easy to get and they don't take long to make. Foodlovers turn to Tangerine Greats for information and inspiration. Everything is in here, from the proverbial soup to nuts: Almond Paste With Variations, Baked Ham with a Brown Sugar, Rum and Cayenne Glaze, Baked Ham with a Brown Sugar, Tangerine, Grapefruit, Lemon, And Orange, Tangerine-Infused Vodka, Tangerine-Salsa Chicken, Tangy Bavarian Pie, Virgin Cosmopolitans, Warm Saute Of Citrus Fruits With Lemon-Honey Creme Fraiche ...and much much more! This is a very satisfying book, however I would recommend you eat something before you read this book, or you won't be able to make it through without reaching for a skillet or saucepan! Tangerine Greats is packed with more information than you could imagine. 59 delicious dishes covering everything, each employing ingredients that should be simple to find and include Tangerine. This cookbook offers great value and would make a fabulous gift. This book will also give you enough inspiration to experiment with different ingredients since you'll find the extensive index to be extremely helpful. The recipes are superb. Wonderfully easy to put together and you don't have to make or purchase a ton of condiments before you have a chance to play with them. Yummy!!

My Sweet Tangerine is a deliciously silly display of love that turns into a proposal. Connie Wemmer elegantly picks fruity words that are both fun and flowing. With a smooth finish, My Sweet Tangerine is an endearing poem of love that's just a little nutty, but you won't mind overeating one bit!

Tangerine is a mixed genre of short stories,poems and quotes The book is all about connectedness of words and rhythm and tangerine feel of life sometimes bitter and other times happy, penned by talented writers who express the gist of life The book is compiled by Aarthi Sampath

Tatum loves to fly around on Halloween and play guardian angel over all the little kiddies. To ensure they have fun, Tatum has a secret weapon to make all the "meanies" not so scary - her magical, twinkling tangerine dust! It's not so easy being mean when you've been sprinkled with tangerine!

Making Memories

The Tangerine Turtle

In a second-hand shop window lives a little bear with a smile turned upside down and faded fur the color of tangerine, but the bear is not as sad as he appears to be, because he has found a home. Reprint.

Struggling readers frequently lack basic reading skills and are not equipped with the prior knowledge and reading strategies to thoroughly engage in the classroom literature experience. Give your students the background and support they need to understand and enjoy literature. With these reading guides, your students will practice reading comprehension skills, sharpen their vocabulary, and learn to identify literary elements. The eBooks range in reading level from 4 to 10. Reproducible. Contents Include: Teacher and student support materials, reproducible student activity sheets, an end-of-book test, and an answer key. Each reading guide divides the novel into six manageable units. Prepares all students for reading success through activating prior knowledge. Focuses reading with guiding "Questions to Think About". Build vocabulary with pre-reading and during-reading activities.

"An excellent book by a genius," said Kurt Vonnegut, Jr., of this now classic exploration of the 1960s from the founder of new journalism. "This is a book that will be a sharp pleasure to reread years from now, when it will bring back, like a falcon in the sky of memory, a whole world that is currently jetting and jazzing its way somewhere or other."--Newsweek In his first book, The Kandy-Kolored Tangerine-Flake Streamline Baby (1965) Wolfe introduces us to the sixties, to extravagant new styles of life that had nothing to do with the "elite" culture of the past.

Jean Guerra, a designer at Garments of Praise design firm, doesn't like surprises. These days though, the unexpected meets her everywhere. Since Jean's return to the church a year ago, her God-encounters occur with increasing frequency, along with thoughts of her husband - the one she vowed to divorce and gave up on long ago.

Tangerine Reading Guide

Travels with a Tangerine

My Little Tangerine

This is a tangerine lover's notebook journal. This is perfect for everyone. This is 100 pages (6"x 9") notebook journal or dairy. The notebook is useful as a school composition book, journal, diary, logbook, or for creative writing such as poetry. This is perfect for every age and this is a perfect gift for any occasion.

Bienvenido a Tangerine. Este lugar es más raro de lo que parece. Paul Fisher ve el mundo a través de anteojos tan gruesos que parece un insecto del espacio exterior. Pero no está tan ciego como para no ver que hay algunas cosas muy poco normales en la nueva casa de su familia, en el condado de Tangerine, Florida. ¿En dónde más un socavón se traga la escuela de la localidad, el fuego arde debajo de la tierra por años y caen rayos a la misma hora todos los días? Con todo este caos, mezclado con el acoso constante de su hermano —quien es una estrella del fútbol americano—, acoplarse a la vida en Tangerine no es fácil para Paul. Hasta que se une al equipo de fútbol de la escuela media donde estudia. Con la ayuda de sus nuevos compañeros de equipo, Paul descubre lo que se esconde bajo la extraña superficie de su nuevo lugar de residencia. Y también obtiene el coraje para enfrentar algunos de los secretos que su familia le ha estado ocultando por demasiado tiempo. En Tangerine, tal parece, cualquier cosa es posible.

In the late 1930's Montgomery, Alabama, is a slow sleepy town that never heard of women's liberation or equal job opportunities. In the male-dominated downtown businesses, Miss Susie Stowers owns and manages the Tangerine Cafeteria, located right on the Court Square. The Tangerine is famous for its good food, but the real draw is Miss Susie who manages to combine home-like cooking with southern hospitality. Miss Susie welcomes all comers - local business men, women who are in town shopping, state politicians and travelers from out of town. Miss Susie's kitchen is staffed by all black personnel who are a vital part of her life, and are vital to the running of the cafeteria. The Tangerine Cafeteria tells of Miss Susie's family problems, problems shared with her by some of her customers, and the lives and problems of her hired help. Although the book is fiction, Miss Susie was a real person who lived and grew up in Montgomery and the Tangerine Cafeteria was a real place. The story is placed in Montgomery, but it could have taken place in any town in the South. Relationships and problems in the book were common to the era. The book tries to preserve a time and way of life that no longer exists. And it is a "tip of the hat" to a remarkable woman who overcame adversity and successfully made her way in a male-dominated society.

These whimsical, sometimes serious stories are about the life of an artist in a small town in Eastern Ontario. She loves animals and the ones she owns are special: they talk. This book is about the adventures of the artist, the people she knows and the special animals who have thoughts and lives of their own.

A Critical Discography of Tangerine Dream

Princess June of Tangerine Lake (paperback)

Traces the pre-mechanical age travels of Ibn Battutah, who set out in 1325 from his native home and spent twenty-nine years visiting most of the known world, from Tangiers to Constantinople.

Twelve-year-old Paul, who lives in the shadow of his football hero brother Erik, fights for the right to play soccer despite his near blindness and slowly begins to remember the incident that damaged his eyesight. An ALA Best Book for Young Adults. Reprint. Jr Lib Guid.

Not your grandmother’s poetry! Witty observations on the human condition, tender meditations on the nature of love, imaginary excursions into other creature’ minds - Tangerine Bell’s poems provoke chuckles, recognition and reflection. Thoughtful, soaring, sensual, unsparing, and downright funny - her poems reflect and refract the richness of her imagination, loves and experience over more than 90 years. A joy to read aloud, a pleasure to read privately, and a treasure to share with friends - she hopes that you, Dear Reader, will enjoy this first collection. (P.S. Not a word of politics in the whole book!)

Sudoku Genius Mind Exercises, Volume 1: Tangerine, Florida State of Mind Collection Description: 5x8 expertly bound book with 106 pages of simple to extreme Sudoku puzzles (solutions included!). All Book covers are designed by Coco Piracci -- they’re collectable editions. Great for you or as a gift. Kids, teens, adults and seniors all love doing Sudoku. In Volume 1 of Sudoku Genius Mind Exercises: Tangerine, Florida State of Mind Collection, you have enough Sudoku puzzles for a whole month - one Sudoku a day! When you’re done, get Volume 2. Once you start doing Sudoku puzzles, you’ll never want to stop. And there’s a good reason why! Just like physical exercise, your mind requires training too! Here are the marvelous advantages of playing Sudoku: Improves your memory: Your memory and logic are fully activated when you are playing Sudoku. We use our memory to remember numbers we are considering, and we use logic to figure out the potential answer in the next blank. Stimulates your mind: Playing Sudoku trains your logical thinking processing. It also helps you improve your numeracy skills. Reduces your chances of developing neurodegenerative diseases: Playing Sudoku keeps your brain stimulated. Improves your decision-making skills: Not only is playing Sudoku exciting, but it helps you learn how to make a decision and take action with less hesitation. Increases your concentration skills: Sudoku requires players to evaluate strategically and solve obstacles creatively. If you get interrupted in the middle of solving a puzzle, you’ll have to restart the whole thinking process again, which helps you to develop your concentration and re-focusing skills. Feel Satisfied! Sudoku gives you a sense of fulfillment when you can solve a puzzle, especially if the puzzle is a difficult one. By playing Sudoku daily, you’ll learn how to solve puzzles faster and eventually advance to harder levels. Exercise your mind, and you will become more content and smarter too! From now on, play Sudoku every day. Note: We specialize in local publishing. We have many Sudoku Genius volumes available and other great books too! Just a Boy Who Loves Tangerine

My Sweet Tangerine

Practice Mindfulness, Learn to Journal and Scrapbook, Find Calm Every Day

Toddlers and preschoolers will love this new book concept -- part book, part toy. With movable arms and legs securely attached to chubby die-cut board books, these book-ish characters almost spring to life! Each charming board book features a fruit of the spirit; and the story inside shows how each character faces challenges that teach them to practice their special traits. Children will come to relate to, and love, their new friends: Strawberry Sam, Peachy Pete, Blackberry Bart, Anna Apple, and more! Nine books total!

Find calm every day through journaling and scrapbooking! Practice mindfulness and live in the moment. This children's journaling ebook is a fantastic way to teach kids about taking each moment for what it is and managing anxiety, stress and fear. It's a beautiful how-to guide that will help your kids live more intentionally. Perfect for children ages 8 and older, this helpful activity ebook includes things to do, journaling prompts and ideas, and relaxation tips and advice. Inside, you'll find: - Calming activity ideas for inside and outside, at home, and on the go. - First lessons in big ideas and philosophy for children alongside practical applications. - A 'How-to' guide to journaling and scrapbooking so children can document their experiences. - A theme throughout that teaches children to cherish the moment and make and retain memories as a result. - Creative, practical activities to get children away from screens and encourage a positive frame of mind. Did you know that mindfulness reduces activity in the brain's fight or flight zone, allowing for improved focus, memory, and social and emotional skills? That's why journaling and taking moments away from screens is excellent for children! Making Memories Journal offers a creative solution to managing emotions and living for the now. It's a fun memories ebook for kids to engage with the world around them through lessons in big ideas and journaling tips. Kids are taken through activities, from cleaning their space to learning how to make origami and writing down thoughts and feelings. They learn crafts to calm a busy mind, discover Buddhist meditation and explore the outdoors mindfully. It also features a strong environmental awareness, with activities encouraging sustainability and recycling!

This is a Tangerine lover's notebook journal. This is perfect for everyone. This is 100 pages (6"x 9") notebook journal or dairy. The notebook is useful as a school composition book, journal, diary, logbook, or for creative writing such as poetry. This is perfect for every age and this is a perfect gift for Birthday Parties, Christmas & Thanksgiving Gifts any occasion.

NATIONAL BESTSELLER “A juicy melodrama cast against the sultry, stylish imagery of North Africa in the fifties.” —The New Yorker The last person Alice Shipley expected to see since arriving in Tangier with her new husband was Lucy Mason. After the accident at Bennington, the two friends—once inseparable roommates—haven’t spoken in over a year. But there Lucy was, trying to make things right and return to their old rhythms. Perhaps Alice should be happy. She has not adjusted to life in Morocco, too afraid to venture out into the bustling medinas and oppressive heat. Lucy—always fearless and independent—helps Alice emerge from her flat and explore the country. But soon a familiar feeling starts to overtake Alice—she feels controlled and stifled by Lucy at every turn. Then Alice’s husband, John, goes missing, and Alice starts to question everything around her: her relationship with her enigmatic friend, her decision to ever come to Tangier, and her very own state of mind. Tangerine is a sharp dagger of a book—a debut so tightly wound, so replete with exotic imagery and charm, so full of precise details and extraordinary craftsmanship, it will leave you absolutely breathless. Optioned for film by George Clooney’s Smokehouse Pictures, with Scarlett Johansson to star

The island of Believeable is a place where wondrous characters develop the skills needed to imagine their greatest dreams, seems like magic, it's not! Tangerine guides children to integrate all the senses. The vibrant art work is a excellent sidekick to the fun filled story. This book shows a world of possibilities, choices and opportunities for children. Parents, grandparents, teachers and therapists will find this a useful tool. This touching story brings a new quality of communication to parents. Author and Illustrator Deborah James, M.A. uses many artistic mediums, because at a very young age she had parents who encouraged her to express her rainbow story with art and she had Vision!

Learn how to focus your creative energy to make things—and make things happen. In this blend of memoir and hardworking handbook, creativity and craft maven Amy Tangerine shows how to find your flow, maintain a positive mindset, and cultivate a rich and fulfilling life by focusing on what truly matters and implementing small yet powerful changes. Chapters explore how to craft the soul, craft the right mindset, craft the right environment, craft good habits, rediscover your creative mojo, and maintain momentum, with each section offering exercises for taking your creative practice to the next level. For anyone who has felt disconnected from their creativity or has had trouble saving a space for their passions, Craft a Life You Love will teach you how to make time for creativity each and every day.

Cold Tangerines---now available in softcover---is a collection of stories and ideas about the life of celebration that God gives you. This book offers a vision of life as a collection of bright and varied glimpses of hope and redemption and celebration, in and among the heartbreak and boredom and broken glass.

Newly diagnosed with acute lymphoblastic leukemia, Jennifer Spencer was determined to find a positive outlook regarding chemotherapy. She took a unique approach, turning her cancer journey into a fairytale. Jennifer transformed the milestones and landmarks of cancer treatment into a make-believe land where magic and joy abound. "Princess June of Tangerine Lake" is an engaging and joyful fairytale, a unique metaphor about her battle against cancer and an inspiration for children facing similar battles.

"The Tangerine Turtle" is a collection of short stories about Daniel and his wife Jomart and their strange adventures and outlandish circumstances they find themselves in as they traverse life. This book was made as a Christmas present for Jomart, the main character of the stories. Readers will enjoy the scenarios in which the characters find themselves in and will be able to relate to each story as they are all based on events that have happened in real life.

Morris faces taunts and criticism when he wears an orange dress to school, but things begin to change for him after he uses his imagination to paint a fantastic picture that he shares with his classmates.

When Papa announces that he must leave Jamaica to work in America, Ida is heartbroken until he tells her a secret.

Morris is a little boy who loves using his imagination. But most of all, Morris loves his classroom's dress-up center and its tangerine dress. Morris is a little boy who loves using his imagination. He dreams about having space adventures, paints beautiful pictures and sings the loudest during circle time. But most of all, Morris loves his classroom's dress-up center — he loves wearing the tangerine dress. But the children in Morris's class don't understand. Dresses, they say, are for girls. And Morris certainly isn't welcome in the spaceship some of his classmates are building. Astronauts, they say, don't wear dresses. One day when Morris feels all alone, and sick from the taunts of his classmates, his mother lets him stay home from school. Morris reads about elephants, and puts together a puzzle, and dreams of a fantastic space adventure with his cat, Moo. Inspired by his dream, Morris paints the incredible scene he saw, and brings it with him to school. He builds his own spaceship, hangs his painting on the front of it and takes two of his classmates on an outer space adventure. With warm, dreamy illustrations Isabelle Malenfant perfectly captures Morris's vulnerability and the vibrancy of his imagination. This is a sweetly told story about the courage and creativity it takes to be different. Correlates to the Common Core State Standards in English Language Arts: CCSS.ELA-LITERACY.RL.1.3 Describe characters, settings, and major events in a story, using key details. Sudoku Genius Mind Exercises Volume 1

Syrian immigrant Khadra Shamy is growing up in a devout, tightly knit Muslim family in 1970s Indiana, at the crossroads of bad polyester and Islamic dress codes. Along with her brother Eyad and her African-American friends, Hakim and Hanifa, she bikes the Indianapolis streets exploring the fault-lines between “Muslim” and “American.” When her picture-perfect marriage goes sour, Khadra flees to Syria and learns how to pray again. On returning to America she works in an eastern state – taking care to stay away from Indiana, where the murder of her friend Tayiba’s sister by Klan violence years before still haunts her. But when her job sends her to cover a national Islamic conference in Indianapolis, she's back on familiar ground: Attending a concert by her brother's interfaith band The Clash of Civilizations, dodging questions from the “aunties” and “uncles,” and running into the recently divorced Hakim everywhere. Beautifully written and featuring an exuberant cast of characters, The Girl in the Tangerine Scarf charts the spiritual and social landscape of Muslims in middle America, from five daily prayers to the Indy 500 car race. It is a riveting debut from an important new voice.

“Digital Gothic focuses fascinatingly on the pre-soporific roots of the group and their place in a cool electronic lineage which traces right up to Detroit techno.”—Mojo “A stimulating companion to the group ’s music.”—The Wire Paul Stump picks his way through a minefield of releases, assessing Tangerine Dream ’ s long career with a highly critical eye, and for the very first time places their mammoth output within an ordered perspective.
