Asumi is going through her growing pains right now. She knew this new challenge would not be simple. Mentally and, even with her petite frame, physcially she was prepared for almost anything the Japanese Aerospace Exploration Agency (JAXA) could throw at her. Emotionally, however, she was light-years away from being able to even take more than a few attacks on her long suppressed past. So when Asumi is at her lowest, a longtime friend, of the invisible sort, pays a visit. As he is grappling with his own past, she realizes that there is no way she cannot move forward. Nothing here can keep her from taking off!

After her parents had both died in an accident, she had to sign an agreement with him to save her family's company. It was stated in the agreement that he would save her company on the condition that she would allow him to do whatever he wanted with her. Just because she resembled the woman he had once loved, he had toyed with her a million times and tortured her in every possible way. He humiliated her in front of others and then abandoned her. She had loved him, but had suffered. It wasn't until the agreement expires that she finally ran away from him. By the time she left, she was already pregnant. A few years later, she brought her adorable child back and became strong and cold-blooded. When they met again, he doted on her so much ... ***

The Mating Challenge For a long time alpha werewolf and ranch owner Aiden Mitchell has desired the curvy, vivacious Nikita Blakemore, alpha female of the Blakemore pack. He will have her as his mate and no other. To force her hand, Aiden maneuvers her into hosting a Mating Challenge, the ultimate warrior competition for werewolves, where males fight for the right to mate and breed with a female alpha. Fiercely protective of his future mate, Aiden will do anything to make her his own, even fight to the death. Masquerading as her twin sister, Nia Blakemore knows she is the one Aiden wants in his bed. Nia has dreamed of the handsome cowboy sweeping her into his strong arms and consummating the passion consuming them both, even though he thinks she is Nikita, the true alpha female. Nia must try to keep Aiden from discovering the truth to protect her frailer, gentler twin. But Nia and the real Nikita hide a secret far more deadly than the charade they have pulled off for years, one that can kill Aiden and any healthy male who sets foot upon their land... The Mating Season In the centuries since he became immortal, Tristan, the Silver Wizard, has awaited the return of his long lost love. Nikita was his life and his heart, and when he died as mortal fighting for the freedom of Lupines and dragons, it was with her name on his lips. Now he has found her again, and Tristan is determined to claim her and fulfill his legacy – by impregnating her with his child. He will take her to his heavenly home in Tir Na-nog to show her the passion they once shared in another life. Before they can reach there, he must protect Nikita from his enemies, and he will fight with all his power to keep her safe from all harm. The handsome, sensual wizard who saved her life from a lethal virus and swept her off her feet is no mere werewolf like herself. He is the Silver Wizard – the ruler of all werewolves, with the power to turn them into dust. Possessive and protective, he wants to recapture the love they had 900 years ago – a love Nikita cannot recall. All she knows are dreams of his passionate lovemaking and a burning desire for his touch. If she doesn't accompany Tristan to Tir Na-nog, her mortal body will die, for the potion that saved her life will not last. But the journey ahead is filled with danger, and it will take all their courage and everything they shared in the past to endure the darkness that awaits them both... Twin Flowers

Three keenly observant and profoundly moving novels from an international bestselling British writer “with heart, soul, and a dark and a naughty wit” (The Observer). “Patrick Gale writes with the understated fluency that is the hallmark of contemporary British fiction, and with the irony that usually accompanies it.” In the three novels collected here, the author of the international bestseller Notes from an Exhibition explores the complexities and ironies of men who have removed themselves from society and painful situations, only to find there’s no escaping their inner turmoil as they follow individual journeys of growth (Jonathan Yardley, The Washington Post). Little Bits of Baby: Robin retreated to a remote island monastery after his childhood playmate, Candida, became engaged to Jake, their irresistibly sexy mutual friend. Now Candida is a mother, and she wants her long-lost friend to be the child’s godfather. When he returns to London after his five-year exile, Robin finds the city overwhelming and unfamiliar, but he must fight through his feelings if he is to conclude the unfinished business that originally caused him to flee, and take his place in the world once again. “[A] blithe, original, engaging satire.” —The New York Times Facing the Tank: For American academic Evan Kirby, the English city of Barrowcester—pronounced “Brewster”—is a welcome escape from the US and his brutal divorce. A historian of angels and demons, he has come to explore the cathedral library, but he will find there are no angels in this peculiar little village. From the agnostic bishop and his cannabis cookie-addicted mother to the sex-mad cardinal and the schoolboy with a very unusual relationship with his spaniel, every Barrower has a secret, each more shocking than the last. “[A] ridiculously crazy tour de force . . . If E. F. Benson, Iris Murdoch and Fay Weldon were to produce a story in some mad collusion, the result might be something like this.” —Publishers Weekly Tree Surgery for Beginners: Armistead Maupin has said of Patrick Gale: “There’s really no one he can’t inhabit, understand, and forgive.” That certainly applies to the arborist Lawrence Frost in this epic redemptive novel, who is forced into a journey of self-searching after being accused of killing his wife. Following Frost’s pilgrimage to the Caribbean and eventually to the redwoods of northern California, Gale compassionately chronicles the healing of “a man whose work as a tree surgeon is a metaphor for the growth of his soul and family” (Publishers Weekly). “Playful and wise. In prose of sparkling precision, Gale serves up misadventures—satirical, farcical and tragic.” —The New York Times

Together for the first time in one box set, three spine-tingling classic romantic suspense stories from New York Times bestselling author Heather Graham. Killing Kelly Along with fame, actress Kelly Trent has acquired a deranged fan who has confused her with the malicious diva she plays on a popular daytime soap. For her safety, she takes a break from the show, but agrees to appear a music video. Miami cop turned dance instructor Doug O’Casey has realized that someone close to Kelly wants more than her character killed off the show—they want her dead for real! Double Entendre Bret McAllistair’s determination to always get the scoop built his career but destroyed his marriage. So when Bret revives his connection with his estranged wife, Colleen, she thinks he’s after her big story. Being together again stirs up old passions, but Colleen can’t decide if she can trust him...or her own heart. The Killing Edge Chloe Marin was a teenager when a beachside party turned into a bloodbath. She was lucky to escape. Ten years later, as a psychologist consulting with the police, Chloe is brought in on the case of a missing swimsuit model with PI Luke Cane. Chloe will have to learn to trust him if they’re going to discover what happened to the girl. When another mass murder occurs, Chloe is beginning to think her presence isn’t a coincidence...

"In 1035, the age of East Han and Hongde. Clear Water Prefecture, Mang Shan." The sun had just set and the sky had gradually darkened. There were no longer any pedestrians on the official road. Soon, a group of people and horses came from afar. Three horses were leading the group, and behind them were three ordinary looking oily carriages. However, from the minute details, the polishing and polishing of the wood, it was clear that every carriage had excellent craftsmanship, and their craftsmanship could be said to be at the pinnacle. Those who knew how to look at it would know that this was an aura only the rich and powerful families had. "Second brother, can you enter Clear Water Prefecture tonight?"
