This is one of the most famous pieces of music ever written. There have been various arrangements done including several for orchestra, wind ensemble, brass quintet and now for 2 trumpets and organ. This version still utilizes the power and majesty of the organ but adds the brilliant sound of two trumpets above that sound. The organ pedal work has been greatly reduced to be more accessible to more organists and so that this arrangement could be learned more quickly by all. The trumpet parts are for 1 e-flat and 1 b-flat.
