Sewing is fun, relaxing, and tremendously rewarding. It feels great when you sit down and sew something together (and are tickled with the results)! Besides the fun and satisfaction you get out of sewing, this wonderful hobby can also save you money. You can make your clothes last longer when you stitch up your own hems, repair split seams, and sew on those loose buttons. You can save even more money by making your own home décor projects, such as curtains and pillows. Sewing For Dummies is a book for both absolute beginners and experienced sewers. If you're a stone-cold beginner, you'll find explanations of all the tools and skills necessary for beginning-level projects. If you've had some experience with sewing, you'll benefit from the tips and tricks that might otherwise take years to pick up. Whether you're quilting, embroidering, mending, or constructing a project, you'll need to know some sewing basics to get you through your projects. Sewing For Dummies covers all the important sewing fundamentals such as: Mastering hand stitches and machine stitches Reading a sewing pattern Sewing sensational seams Hemming a variety of fabrics Shaping garments with darts, tucks, and pleats Installing zippers, buttons, and other fasteners Negotiating sleeves and pockets Working with home décor fabrics Adjusting projects for better fit and function Once you've explored the basic techniques, you'll be ready to start some easy sewing projects. This friendly book will guide you through the following projects, and more, with confidence: Children's costumes Tablecloth and place mats Duvet cover Fleece scarf, hat, and jacket ensemble Teddy bear Window treatments Creative pillows Fabric touches almost everything in a person's daily life. Children cuddle up with pillows and soft toys and dress up in costumes for fun. People wear clothing to be comfortable, stay warm, and to be fashionable. People also appreciate and admire handmade heirlooms. When you finish your projects, wear them with pride, play in them, admire your work, and hand them down to your loved ones.

With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward.

The technical Become a Pattern Drafter series presents garment construction bases for the different sectors of ready-to-wear: Men, Women and Children. Using a simple, clear, logical, precise method, these books are conceived through a rational technique known as Flat Patternmaking which gives valid, key formulas to help construct any conceivable garment. The methods are accessible to everyone : those wanting to make unique creations for their family or those who wish to pursue a creative career in fashion as patternmakers, designers, product managers or clothing manufacturers. Des ouvrages à l'usage des professionnels de l'habillement et de toute personne souhaitant réaliser soi-même sa garde-robe. Cet ouvrage est entièrement consacré aux techniques d'assemblage et de finition des vêtements. Des explications détaillées, illustrées de très nombreux schémas et photos, permettent une compréhension parfaite de toutes les étapes de montage à la machine des ouvrages simples comme complexes : manches, cols, fermetures, poches, etc. Les finitions devant être réalisées par des points de couture à la main sont également décrites. Le manuel de référence de tous les apprentis couturiers !

Hidden somewhere, in nearly every major city in the world, is an underground seduction lair. And in these lairs, men trade the most devastatingly effective techniques ever invented to charm women. This is not fiction. These men really exist. They live together in houses known as Projects. And Neil Strauss, the bestselling author and journalist, spent two years living among them, using the pseudonym Style to protect his real-life identity. The result is one of the most explosive and controversial books of the last decade—guaranteed to change the lives of men and transform the way women understand the opposite sex forever. On his journey from AFC (average frustrated chump) to PUA (pick-up artist) to PUG (pick-up guru), Strauss not only shares scores of original seduction techniques but also has unforgettable encounters with the likes of Tom Cruise, Britney Spears, Paris Hilton, Heidi Fleiss, and Courtney Love. And then things really start to get strange—and passions lead to betrayals lead to violence. The Game is the story of one man's transformation from frog to prince to prisoner in the most unforgettable book of this generation.

Discover the New York Times bestseller that SLJ called "A fantastic plot that makes readers think about the blurred lines between right and wrong." After a brutal nuclear war, the United States was left decimated. A small group of survivors eventually banded together, but only after more conflict over which family would govern the new nation. The Westfalls lost. Fifty years later, peace and control are maintained by marrying the daughters of the losing side to the sons of the winning group in a yearly ritual. This year, it is my turn. My name is Ivy Westfall, and my mission is simple: to kill the president's son—my soon-to-be husband—and return the Westfall family to power. But Bishop Lattimer is either a very skilled actor or he's not the cruel, heartless boy my family warned me to expect. He might even be the one person in this world who truly understands me. But there is no escape from my fate. I am the only one who can restore the Westfall legacy. Because Bishop must die. And I must be the one to kill him... The Book of Ivy series is best enjoyed in order. Reading Order: Book #1 The Book of Ivy Book #2 The Revolution of Ivy

In the first novel in the Breathless trilogy, a man is about to have his fantasies come true with a woman who was once forbidden fruit, and is now ripe for the picking... When Gabe Hamilton saw Mia Crestwell walk into the ballroom for his hotel's grand opening, he knew he was going to hell for what he had planned. After all, Mia is his best friend's little sister. Except she's

not so little anymore. And Gabe has waited a long time to act on his desires. Gabe has starred in Mia's fantasies more than once. So what if he's fourteen years older? Mia knows he's way out of her league, but her attraction has only grown stronger with time. She's an adult now, and there's no reason not to act on her most secret desires. As Gabe pulls her into his provocative world, she realizes there's a lot she doesn't know about him or how exacting his demands can be. Their relationship is intense and obsessive, but as they cross the line from secret sexual odyssey to something deeper, their affair runs the risk of being exposed—and vulnerable to a betrayal far more intimate than either expected.

Taking authentic texts from a variety of sources - the human body on CD-ROM, a fish recipe, 'L'Etranger' and many others - this book uses them as a starting point for the illustration and explanation of key areas of French grammar. It includes a range of exercises, many of them text-based.

Promise at Dawn

"The book casts a curiously sweet spell." – Entertainment Weekly Eleven Minutes tells the story of Maria, a young girl from a Brazilian village whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will never find true love, instead believing that "love is a terrible thing that will make you suffer." A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune, yet ends up working as a prostitute. In Geneva, Maria's despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-discovery, Maria must choose between pursuing a path of darkness—sexual pleasure for its own sake—or risking everything to find her own inner light and the possibility of true love.

A powerful nineteenth-century French classic depicting the moral degeneration of a weak-willed woman

When she is turned into a super-modelesque super-fighting machine, Tally, a former ugly, is ordered to keep the uglies down and the pretties stupid in a carefully engineered world of perfection where she refuses to play by the rules.

Recipient of the Grand Prix of the Acadmie Franaise, Wind, Sand and Stars captures the grandeur, danger, and isolation of flight. Its exciting account of air adventure, combined with lyrical prose and the spirit of a philosopher, makes it one of the most popular works ever written about flying. Translated by Lewis Galantire.

Patternmaking for Fashion Design

A story of friendship, love and the special place that books have in our lives from the number-one bestselling author.

A classic of modern French literature, the thrilling real-life story of the military hero, ambassador, ladies man, writer, and loving son I grew up longing for the day when I could tear down the veil of darkness and absurdity concealing the true face of the universe and discover at last a smile of kindness and wisdom; I grew up in the certitude that one day I should help my fellow men to wrest the world from our enemies and give back the earth to those who ennoble it with their courage and warm it with their love. Promise at Dawn begins as the story of a mother's sacrifice: alone and poor, she fights fiercely to give her son the very best. Romain Gary chronicles his childhood in Russia, Poland, and on the French Riviera; he recounts his adventurous life as a young man fighting for France in World War II. But above all he tells the story of the love for his mother that was his very life—their secret and private planet, their wonderland "born out of a mother's murmur into a child's ear, a promise whispered at dawn of future triumphs and greatness, of justice and love."

Master the words and phrases necessary for handling everyday situations Practice Makes Perfect: French Vocabulary helps you develop your vocabulary by providing practice in word-building and encouraging you to analyze new words for an ever-increasing vocabulary. The OPD Second Canadian Edition English/Chinese is an illustrated, theme-based dictionary for second-language learners. This four-colour dictionary defines words through pictures, and presents each new word in context. The OPD English/Chinese, along with the monolingual workbooks and many other components, can be used as a reference book or as text for high school or adult ESL students at the beginner level. For years, the first monolingual Canadian edition of the OPD has been the industry leader among picture dictionaries. The second edition expands on the topics covered, providing more depth of vocabulary in the areas that matter most to students and offers Chinese speakers the additional advantage of having words and phrases defined in their native language. The illustrations have been completely updated in a more realistic style that is visually appealing to adult learners. The second edition also contains two new features:

Introductory Pages and Story Pages. The Introductory Pages have been added to the beginning of each theme to give lower-level students a basic overview of key vocabulary words, and to give a starting point for discussion and an introduction to the theme for more advanced students. The Story Pages consist of a two-page spread at the end of each theme to help students use the words in context and practise their reading skills. The OPD English/Chinese is designed for use both in and out of the classroom. Speaking exercises are presented throughout the OPD to allow students to practise new vocabulary in pairs or small groups, while the pronunciation guide in the index allows students to check their pronunciation when they are studying on their own.

An edition expanded with more than 100 pages of new content offers a blueprint for a better life, whether one's dream is escaping the rat race, experiencing high-end world travel, earning a monthly five-figure income with zero management or just living more and working less.

The Count of Monte Cristo is an adventure novel by French author Alexandre Dumas. It is one of the author's most popular works, along with The Three Musketeers. Like many of his novels, it is expanded from plot outlines suggested by his collaborating ghostwriter Auguste Maquet. The story takes place in France, Italy and islands in the Mediterranean during the historical events of 1815–1838. It begins from just before the Hundred Days period (when Napoleon returned to power after his exile) and spans through to the reign of Louis-Philippe of France. The historical setting is a fundamental element of the book. An adventure story primarily concerned with themes of hope, justice, vengeance, mercy and forgiveness, it focuses on a man who is wrongfully imprisoned, escapes from jail, acquires a fortune and sets about getting revenge on those responsible for his imprisonment. However, his plans have devastating consequences for the innocent as well as the guilty. In addition, it is a story that involves romance, loyalty, betrayal and selfishness, shown throughout the story as characters slowly reveal their true inner nature. The book is considered a literary classic today. According to Luc Sante, "The Count of Monte Cristo has become a fixture of Western civilization's literature, as inescapable and immediately identifiable as Mickey Mouse, Noah's flood, and the story of Little Red Riding Hood."

Penetrating the Secret Society of Pickup Artists

Tome 5, Coupe à plat et montage homme

Memoirs from Beyond the Grave: 1768–1800

Young, attractive and very ambitious, George Duroy, known to his friends as Bel-Ami, is offered a job as a journalist on La Vie française and soon makes a great success of his new career. But he also comes face to face with the realities of the corrupt society in which he lives - the sleazy colleagues, the manipulative mistresses and wily financiers - and swiftly learns to become an arch-seducer, blackmailer and social climber in a world where love is only a means to an end. Written when Maupassant was at the height of his powers, Bel-Ami is a novel of great frankness and cynicism, but it is also infused with the sheer joy of life - depicting the scenes and characters of Paris in the belle époque with wit, sensitivity and humanity. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

"A magical masterpiece."—Robert Ardrey. A chronicle of the author's search for a civilization "reduced to its most basic expression." Basée sur les procédés mis en place à la naissance du prêt-à-porter par Alexis Lavigne, en 1841, cette méthode de coupe pour le vêtement masculin pose les bases de l'enseignement de l'école Esmod. Axée sur l'élaboration à plat d'un tracé du corps de l'homme sur lequel le modéliste extrapole le volume du vêtement à créer, cette méthode peut ainsi traverser les modes et surtout s'adapter à l'évolution des tailles et des conformations de façon universelle. Méthode simple, claire, logique et précise, elle

s'adresse beaucoup moins à la mémoire qu'au raisonnement en utilisant une technique rationnelle par tracé, appelée "coupe à plat" qui donne des formules clefs, valables pour toutes les modes et permet de construire tout le vestiaire de la mode masculine (Chemises, cravates, pullovers, gilets, pantalons, vestes, blousons et manteaux), pour les vêtements de tous secteurs (classiques et intemporels, mode, luxe, sport,...). A la fois un ouvrage d'initiation et un document de référence sur les techniques de modélisme du vêtement masculin.

Candide by Voltaire from Coterie Classics All Coterie Classics have been formatted for ereaders and devices and include a bonus link to the free audio book. "Do you believe," said Candide, "that men have always massacred each other as they do to-day, that they have always been liars, cheats, traitors, ingrates, brigands, idiots, thieves, scoundrels, gluttons, drunkards, misers, envious, ambitious, bloody-minded, calumniators, debauchees, fanatics, hypocrites, and fools?" "Do you believe," said Martin, "that hawks have always eaten pigeons when they have found them?" Voltaire, Candide Candide is a young man who is raised in wealth to be an optimist but when he is forced to make his own way in the world, his assumptions and outlook are challenged.

Volume 1, Coupe à plat. Les bases

Flat pattern design book for women's underwear A complement to pattern making methods for women's fashions, this book addresses the entire range of women's underwear by using flat pattern making techniques for bras, panties, bodysuits, corsets and bustiers. ABOUT THE AUTHOR Fashion drawer and pattern drafter graduated from ESMOD Paris, Najah Ouahab Rassas is a teacher in ESMOD Tunis since more than 20 years. Passionated in fashion, Najah love to enhance the female body with beautiful lingerie, like a second skin.

Des ouvrages à l'usage des professionnels de l'habillement et de toute personne souhaitant réaliser soi-même sa garde-robe. Confectionner dans une grande taille de jolis vêtements, adaptés à la silhouette et parfaitement ajustés, est une gageure car il ne suffit pas d'augmenter proportionnellement des mesures standards, les particularités morphologiques doivent impérativement être prises en compte. Ce sixième volume de la collection "Le Modélisme de mode" présente donc les techniques de relevé des mesures et de construction des patrons de base grandes tailles pour la femme, avec les transformations les plus courantes. L'éventail des 30 modèles proposés au fil des chapitres permettra de créer des vêtements confortables, au tombé impeccable et optimisant l'allure générale de la silhouette.

THE MILLION COPY INTERNATIONAL BESTSELLER Drawn from 3,000 years of the history of power, this is the definitive guide to help readers achieve for themselves what Queen Elizabeth I, Henry Kissinger, Louis XIV and Machiavelli learnt the hard way. Law 1: Never outshine the master Law 2: Never put too much trust in friends; learn how to use enemies Law 3: Conceal your intentions Law 4: Always say less than necessary. The text is bold and elegant, laid out in black and red throughout and replete with fables and unique word sculptures. The 48 laws are illustrated through the tactics, triumphs and failures of great figures from the past who have wielded - or been victimised by - power.

(From the Playboy interview with Jay-Z, April 2003) PLAYBOY: Rap careers are usually over fast: one or two hits, then styles change and a new guy comes along. Why have you endured while other rappers haven't? JAY-Z: I would say that it's from still being able to relate to people. It's natural to lose yourself when you have success, to start surrounding yourself with fake people. In The 48 Laws of Power, it says the worst thing you can do is build a fortress around yourself. I still got the people who grew up with me, my cousin and my childhood friends. This guy right here (gestures to the studio manager), he's my friend, and he told me that one of my records, Volume Three, was wack. People set higher standards for me, and I love it.

From the #1 international bestselling author: a woman wakes up on a Central Park bench with no memory of how she got there in this "unpredictable and moving psychological thriller that keeps you holding your breath" (Métro) Alice, a fierce and respected Parisian cop, wakes up on a Central Park bench with no memory of the night before, handcuffed to a complete stranger—a musician named Gabriel. Disoriented, dazed, and with someone else's blood on her shirt, Alice works furiously to reconnect the dots. She remembers clubbing with her friends the night before on the Champs-Élysées. Gabriel claims he was playing a gig in Dublin. Was she drugged? Kidnapped? Why is the gun in her jacket pocket missing a bullet? And whose blood is on her clothes? Over the next twenty-four hours, Alice and Gabriel race across New York in search of answers, stumbling upon a startling set of clues that point to a terrible adversary from the past. Alice must finally confront her memories of hunting the serial killer who took everything from her—a man she thought was dead, until now. From France's #1 bestselling author, Central Park is a taut and suspenseful thriller that will keep readers riveted until its final shocking twist.

For an undergraduate course in Patternmaking. Renowned for its comprehensive coverage, exceptional

illustrations, and clear instructions, this #1 text offers detailed yet easy-to-understand explanations of the essence of patternmaking. Hinging on a recurring theme that all designs are based on one or more of the three major patternmaking and design principles-dart manipulation, added fullness, and contouring-it provides students with all the relevant information necessary to create design patterns with accuracy regardless of their complexity.

"Immensely satisfying."--Harlan Coben "One of the most sheerly suspenseful novels I've read in years."--A.J. Finn An elite prep school frozen in the snow Three friends linked by a tragic secret One girl taken by the night The French Riviera - 25 years ago One freezing night, as her campus is paralyzed by a snowstorm, 19-year-old Vinca Rockwell, the most beautiful and glamorous girl at her prep school, runs away with her philosophy teacher, with whom she has been conducting a secret affair. She will never be seen again. The French Riviera - present day Once inseparable, Thomas, Maxime, and Fanny---Vinca's best friends--- have not spoken since graduation. But when they receive a notice from their old school, detailing plans for a new gymnasium and inviting them to come to a class reunion, they know they must go back one more time. Because there is a body buried in the gym's walls...and they're the ones who put it there. What really happened that long-ago winter night? Now nothing stands in the way of the truth. From France's #1 bestselling author, Guillaume Musso, *The Reunion* is a taut and suspenseful thriller that will keep readers riveted until its haunting final page.

Written over the course of four decades, François-René de Chateaubriand's epic autobiography has drawn the admiration of Baudelaire, Flaubert, Proust, Barthes, and Sebald. Here, in the first books of his massive *Memoirs*, spanning the years 1768 to 1800, Chateaubriand looks back on the already bygone world of his youth. He recounts the history of his aristocratic family and the first rumblings of the French Revolution. He recalls playing games on the beaches of Saint-Malo, wandering in the woods near his father's castle in Combourg, hunting with King Louis XVI at Versailles, witnessing the first heads carried on pikes through the streets of Paris, meeting with George Washington in Philadelphia, and falling hopelessly in love with a young woman named Charlotte in the small Suffolk town of Bungay. The volume ends with Chateaubriand's return to France after seven years of exile in England. In this new edition (the first unabridged English translation of any portion of the *Memoirs* to be published in more than a century), Chateaubriand emerges as a writer of great wit and clarity, a self deprecating egotist whose meditations on the meaning of history, memory, and morality are leavened with a mixture of high whimsy and memorable gloom.

The Red and the Black Stendhal - First published in 1830, *The Red and the Black*, is widely considered the masterpiece of 19th century French author Marie-Henri Beyle, known more commonly by his pen name, Stendahl. It follows the ambitions of Julien Sorel, a young man raised in the French countryside who wishes to rise above his provincial station by climbing the social ranks of Parisian society. Through a series of events, Juliens talent and hard work give way to deception and hypocrisy when he realizes the limitations for advancement of a sincere and honest man of humble origins. Although Julien achieves much which he aspires to, ultimately his pride gets the better of him when he commits a violent crime of passion, leading to his tragic downfall. Through the deep psychological introspection of Julien we see Stendhals unique literary genius, the remarkable way in which he allows readers to live in the minds of his characters. Set against the backdrop of the July Revolution of 1830, *The Red and the Black* is a narrative which embodies the rich social conflict of that time. This edition is translated with an introduction by Horace B. Samuel.
