Tempora Subseciva

Excerpt from O Tempora! "O Tempora!" These latter constitute the true And well-marked characteristics of our times. This rushing, tumbling life of ours, Here on our private continent, Bears little semblance to aught else The world has ever seen. Men rise and fall; One day exalted to so grand a height And flattered with such adulation, What wonder that they ape that state So sweet and soothing to all human pride! What wonder that they need a foreign staff, And that their wives, if move they must, Must go by special train! But still exceptions Can be found not far from where these musings rise; Go look at those incongruous steeds That draw the Presidential car, And then make pretense,

if you dare, To dread a foul usurper's sway; These smack too much of Springfield! Springfield! there's something in thy very name That lulleth all suspicion; thou hast A muddy, turgid seeming, and since thine honored son Has made his home among us, About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Die zunehmende Auflösung der soziopolitischen Ordnung in der ausgehenden römischen Republik erfaßte auch das System allgemein verbindlicher Werte. Wie sich die literarische Kommunikation der Zeit zu dieser Entwicklung verhielt, untersuchen die hier versammelten Beiträge. Sie sind, wie bereits der Band 'Moribus antiquis res stat Romana' zur römischen Literatur des 3. und 2. Jhs. v. Chr. (BzA 134), aus dem Dresdner Sonderforschungsbereich 'Institutionalität

und Geschichtlichkeit' hervorgegangen. Neben den literarischen Texten werden epigraphische und archäologische Zeugnisse berücksichtigt.
