Newtown, Connecticut. Aurora, Colorado. Both have entered our collective memory as sites of unimaginable heartbreak and mass slaughter perpetrated by lone gunmen. Meanwhile, cities such as Chicago and Washington, D.C., are dealing with the painful, everyday reality of record rates of gun-related deaths. By any account, gun violence in the United States has reached epidemic proportions. A widely respected

activist and policy analyst—as well as a former gun enthusiast and an ex-member of the National Rifle Association—Tom Diaz presents a chilling, up-to-date survey of the changed landscape of gun manufacturing and marketing. The Last Gun explores how the gun industry and the nature of gun violence have changed, including the disturbing rise in military-grade gun models. But Diaz also argues that the once formidable gun lobby has

become a "paper tiger," marshaling a range of evidence and case studies to make the case that now is the time for a renewed political effort to attack gun violence at its source—the guns themselves. In the aftermath of Newtown, a challenging national conversation lies ahead. The Last Gun is an indispensable guide to this debate, and essential reading for anyone who wants to understand how we can finally rid America's streets,

heard in the weeks following September 11, 2001. They made mistakes, of course, but in covering one of the biggest disasters ever to hit the United States, journalists used their training, their experience, their understanding, and their sensitivity to provide coverage that helped bring understanding and a sense of calm to the chaos. Their performance did not end with reporting the immediate impact of the catastrophe. They continued to analyze what happened, the impact to property and human lives, the impact on government and foreign relations. Lessons from Ground Zero's examines journalism's efforts to cover a crisis, while analyzing journalism itself. Many lessons were evident to journalists as they sought to cope with the challenges of covering 9/11. The long-term question,

Download File PDF Tennessee Real Estate News Journal Tn

however, is whether the answers they found served as catalysts for better journalism in the future, or whether they have been forgotten, put into the closet of old memories with no noticeable long-term impact. This book analyzes journalists' response to 9/11 through scholarly research and interviews with many of the journalists who covered 9/11. Sometimes they do not agree, but all are thoughtful and each adds to understanding. Public opinion polls show clearly that citizens appreciated and responded to media coverage. Given that this occurred in a time frame in which public approval of American journalism had declined, it is reasonable to ask what the media did that was different from their normal practices. This book provides some of the answers.
