The author team (Ivancevich/Konopaske/Matteson) has examined, listened, and responded to reviewers', instructors', and students'suggestions on how to continue to make Organizational Behavior and

Management, 8e a more user-friendly and application rich introductory OB textbook. To accomplish this, OBM 8e achieves the difficult goal of preserving its key strengths (i.e., thorough, current, good balance of research and practice) while streamlining its content by removing over 100 pages of readings that are now available on the Web. This reduction in page length makes the book more
